MINICABIT LIMITED
NOTES TO THE ACCOUNTS
FOR THE YEAR ENDED 31 DECEMBER 2020

1 Statutory information

Minicabit Limited is a private company, limited by shares, registered in England and Wales, registration number 07395202. The registered office is 80-83 Long Lane, London, EC1A 9ET.

2 Compliance with accounting standards

The accounts have been prepared in accordance with the provisions of FRS 102 Section 1A Small Entities. There were no material departures from that standard.

3 Accounting policies

The principal accounting policies adopted in the preparation of the financial statements are set out below and have remained unchanged from the previous year, and also have been consistently applied within the same accounts.

Basis of preparation

The accounts have been prepared under the historical cost convention as modified by the revaluation of certain fixed assets.

Presentation currency

The accounts are presented in £ sterling.

Going Concern Disclosure

The company is in the process of obtaining an injection of funds for working capital and towards the continued growth of the business. The company has also been in discussions with institutional sources of finance in preparation of its next funding round.

Turnover

Turnover represents receipts from customers, net of value added tax, where applicable. Turnover includes Commission, Booking Fees, Credit Card Fees and amounts received as Agents on behalf of Private Hire Operators.

Foreign Currencies

Monetary assets and liabilities in foreign currencies are translated into sterling at the rate ruling at the balance sheet date. Transactions in foreign currencies are translated into sterling at the rate ruling at the date of the transaction. Exchange differences are taken into account in arriving at the operating profit.

Research and development

Expenditure on research is written off in the year in which it is incurred.

Development expenditure is capitalised in accordance with management's judgement that technical and economic feasibility is confirmed. In determining the amounts to be capitalised management makes assumptions regarding the expected future cash generation of the assets, discount rates to be applied and the expected period of benefits.

Intangible fixed assets

Intangible fixed assets are included at cost less accumulated amortisation. The useful economic lives of intangible assets are as follows:

Development costs over 5 years, on a straight line basis
