Mr Andrew Lazarus

Director

11th February 2022

The notes on pages 4 to 8 form part of these financial statements.

1. Accounting Policies

1.1. Basis of Preparation of Financial Statements

The financial statements are prepared under the historical cost convention and in accordance with the FRS 102 Section 1A Small Entities - The Financial Reporting Standard applicable in the UK and Republic of Ireland and the Companies Act 2006.

1.2. Going Concern Disclosure

The director, having considered the company forecasts and projections and after making enquiries has a reasonable expectation that the company has adequate resources to continue in operational existence for the forerseeable future. Accordingly the financial statements have been prepared on a going concern basis. Notably this expectation has been based on the assumption that the director and the company's creditors will continue to support the company and that the company will trade profitably.

1.3. Turnover

Turnover represents interest earned from loans and the sale of repossessed vehicles held as security. Interest income is recognised in the period in which it is earned. Proceeds from the sale of the vehicles are recognised when the title has passed.

1.4. Tangible Fixed Assets and Depreciation

Tangible fixed assets are measured at cost less accumulated depreciation and any accumulated impairment losses. Depreciation is provided at rates calculated to write off the cost of the fixed assets, less their estimated residual value, over their expected useful lives on the following bases:

Computer Equipment

33.33% Striaght Line

1.5. Pensions

The company operates a defined pension contribution scheme. Contributions are charged to the profit and loss account as they become payable in accordance with the rules of the scheme.

1.6. Government Grant

Government grants are recognised in the profit and loss account in an appropriate manner that matches them with the expenditure towards which they are intended to contribute.

Grants for immediate financial support or to cover costs already incurred are recognised immediately in the profit and loss account. Grants towards general activities of the entity over a specific period are recognised in the profit and loss account over that period.

Grants towards fixed assets are recognised over the expected useful lives of the related assets and are treated as deferred income and released to the profit and loss account over the useful life of the asset concerned.

All grants in the profit and loss account are recognised when all conditions for receipt have been complied with.
