TESCO NAVONA (1LP) LIMITED

DIRECTORS' REPORT FOR THE 52 WEEKS ENDED 23 FEBRUARY 2019

The Directors present their Report and the audited financial statements of Tesco Navona (1LP) Limited (the "Company") for the 52 weeks ended 23 February 2019 (prior period: 52 weeks ended 24 February 2018 ("2018")).

Business review and principal activity

The principal activity of the Company is to act as the holding company for Tesco PLC's investment in The Tesco Navona Limited Partnership. There has been no significant change in the nature or level of this activity during the period and the Directors do not expect this to change significantly throughout the next financial period.

Results and dividends

The results for the 52 weeks ended 23 February 2019 show a result before tax of £nil (2018: £nil) and profit after tax of £113,663 (2018: profit after tax £84,154).

The Company has net assets at the period end of £238,292 (2018: £124,629).

The Directors do not recommend the payment of a dividend for the 52 weeks ended 23 February 2019 (2018: £nil).

Future developments

The Company's future developments form a part of the Tesco PLC Group's (the "Group") long-term strategies, which are discussed on pages 14 and 15 of the Tesco PLC Annual Report and Financial Statements 2019, which do not form a part of this Report.

The Company's performance is expected to continue throughout the next financial period and it is anticipated that the current performance levels will be maintained.

Principal risk, uncertainties and financial risk management

The principal activity of the Company is to act as a holding company and therefore its principal risks relate to the carrying value of the investment that the Company holds. To manage this risk, the Company reviews the performance of those companies in which it holds its investments.

From the perspective of the Company, the principal risks and uncertainties are integrated with the principal risks of the Group and are not managed separately. Accordingly, the principal risks and uncertainties of the Group, which include the Company, are discussed on pages 32 to 36 of the Tesco PLC Annual Report and Financial Statements 2019, which do not form a part of this Report.

Business risk

Uncertainty around the UK's departure from the EU continues to grow as a result of the ongoing political deadlock. A failure to prepare for all eventualities, and any resulting disruption, could have an adverse impact on our primary business, financial results and operations. The Tesco PLC Board will continue to assess and monitor the potential risks and impacts on the Company and its stakeholders as a whole, while taking appropriate mitigation measures to address challenges as appropriate.

Key performance indicators (KPIs)

Given the straightforward nature of the business, the Directors are of the opinion that analysis using key performance indicators is not necessary for an understanding of the development, performance or position of the business.

The development, performance and position of the operations of the Group, which includes the Company, is discussed on pages 16 and 17 of the Tesco PLC Annual Report and Financial Statements 2019, which do not form a part of this Report.

Directors' Responsibilities Statement

The Directors are responsible for preparing the Report and the financial statements in accordance with applicable law and regulations.

Company law requires the Directors to prepare financial statements for each financial period. Under that law the Directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law), including FRS 101 "Reduced Disclosure Framework."

Under the Company law the Directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing these financial statements, the Directors are required to:

- select suitable accounting policies and then apply them consistently;

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF TESCO NAVONA (1LP) LIMITED

Report on the audit of the financial statements

Opinion

In our opinion the financial statements of Tesco Navona (1LP) Limited (the "Company"):

- give a true and fair view of the state of the Company's affairs as at 23 February 2019 and of its profit for the period then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice including Financial Reporting Standard 101 "Reduced Disclosure Framework"; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

We have audited the financial statements of the Company which comprise:

- the Profit and Loss Account;
- the Balance Sheet;
- the Statement of Changes in Equity; and
- the related notes 1 to 12.

The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 101 "Reduced Disclosure Framework" (United Kingdom Generally Accepted Accounting Practice).

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report.

We are independent of the Company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the Financial Reporting Council's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We are required by ISAs (UK) to report in respect of the following matters where:

- the Directors' use of the going concern basis of accounting in preparation of the financial statements is not appropriate; or
- the Directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the Company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

We have nothing to report in respect of these matters.

Other information

The Directors are responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF TESCO NAVONA (1LP) LIMITED (continued)

Other information (continued)

inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in respect of these matters.

Responsibilities of Directors

As explained more fully in the Directors' Responsibilities Statement, the Directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Report on other legal and regulatory requirements

Opinion on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Directors' Report for the financial period for which the financial statements are prepared is consistent with the financial statements; and
- the Directors' Report has been prepared in accordance with applicable legal requirements.

In the light of the knowledge and understanding of the Company and its environment obtained in the course of the audit, we have not identified any material misstatements in the Directors' Report.

Matters on which we are required to report by exception

Under the Companies Act 2006 we are required to report in respect of the following matters if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of Directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the Directors were not entitled to take advantage of the small companies' exemption from the requirement to prepare a Strategic Report.

We have nothing to report in respect of these matters.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF TESCO NAVONA (ILP) LIMITED (continued)

Use of our report

This report is made solely to the Company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's members as a body, for our audit work, for this report, or for the opinions we have formed.

3. Accounting policies

a) Basis of preparation

In preparing these financial statements, the Company applies the recognition, measurement and disclosure requirements of International Financial Reporting Standards as adopted by the EU ("Adopted IFRSs"), but makes amendments where necessary in order to comply with Companies Act 2006 and has set out below where advantage of the FRS 101 disclosure exemptions has been taken.

TESCO NAVONA (1LP) LIMITED

NOTES TO THE FINANCIAL STATEMENTS FOR THE 52 WEEKS ENDED 23 FEBRUARY 2019 (continued)

3. Accounting policies (continued)

b) Going concern

The Directors have a reasonable expectation that the Company has adequate resources to continue in operational existence for a period of at least twelve months from date of signing the financial statements. Accordingly, the financial statements have been prepared on a going concern basis.

c) Critical accounting judgements and key sources of estimation uncertainty

The preparation of financial statements requires management to make judgements, estimates and assumptions in applying the Company's accounting policies to determine the reported amounts of assets, liabilities, income and expenses. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances. Actual results may differ from these estimates. The estimates and underlying assumptions are reviewed on an ongoing basis.

There are no judgements and estimates that have a significant effect on amounts recognised in the financial statements.

d) Significant accounting policies

Investments

Investments in associated undertaking are held at historical cost plus incidental expenses, less any applicable provision for impairment reviewed annually.

Impairment of investments

The Company has determined its investment in each entity as a separate cash-generating unit for impairment testing. Where there are indicators of impairment, the Company performs an impairment test. Recoverable amounts for cash-generating units are based on the higher of value in use and fair value less costs of disposal. Value in use is calculated from cash flow projections generally over five years using data from the Company's latest internal forecasts, and extrapolated beyond five years using estimated long-term growth rates.

Income tax

Current tax, including United Kingdom (UK) corporation tax and foreign tax, is provided at amounts expected to be paid (or recovered) using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date. The tax currently payable is based on taxable profit for the period.

Deferred tax

Deferred tax is the tax expected to be payable or recoverable on differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit, and is accounted for using the balance sheet method. Deferred tax liabilities are generally recognised for all taxable temporary differences and deferred tax assets are recognised to the extent that it is probable that taxable profits will be available against which deductible temporary differences can be utilised.

Deferred tax liabilities are recognised for taxable temporary differences arising on investments in partnership, except where the Company is able to control the reversal of the temporary difference and it is probable that the temporary difference will not reverse in the foreseeable future.

Deferred tax assets arising from deductible temporary differences associated with such investments and interests are only recognised to the extent that it is probable that there will be sufficient taxable profits against which to utilise the benefits of the temporary differences and they are expected to reverse in the foreseeable future. The carrying amount of deferred tax assets is reviewed at each balance sheet date and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

NOTES TO THE FINANCIAL STATEMENTS FOR THE 52 WEEKS ENDED 23 FEBRUARY 2019 (continued)

3. Accounting policies (continued)

d) Significant accounting policies (continued)

Income tax (continued)

Deferred tax (continued)

Deferred tax is calculated at the tax rates that are expected to apply in the period when the liability is settled or the asset is realised based on tax laws and rates that have been enacted or substantively enacted at the balance sheet date.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to set-off current tax assets against current tax liabilities and when they relate to income taxes levied by the same taxation authority and the Company intends to settle its current tax assets and liabilities on a net basis.

Current tax and deferred tax for the period

Current and deferred tax are recognised in the Profit and Loss Account, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

Group relief on taxation

The Company may receive or surrender group relief from group companies without payment and consequently there may be no tax charge in the Profit and Loss Account.

4. Operating result

The Directors received no emoluments for their services to the Company (2018: £nil).

The Company had no employees during the period (2018: none).

5. Auditor's remuneration

The Company has taken advantage of the exemption not to disclose amounts paid for non-audit services as these are disclosed in the group financial statements of its ultimate parent, Tesco PLC.

These rate reductions were enacted by the balance sheet date and therefore included in these financial statements. Temporary differences have been remeasured using the enacted tax rates that are expected to apply when the liability is settled or the asset realised.
