Date winding up commenced: 3 February 2017

Date of Liquidators' appointment: 3 February 2017

Changes in Liquidator (if any): No

None

4. PROGRESS SINCE APPOINTMENT

This is our Final Report and account of the Liquidation which should be read in conjunction with the Progress Reports to members dated 21 March 2018, 21 March 2019 and 30 March 2020.

Attached (at Appendix 1) is our abstract of receipts and payments for the period 3 February 2017 to 13 November 2020.

What work has been done in the period of the report, why was that work necessary and what has been the financial benefit (if any) to members?

Details of the types of work that generally fall into the headings mentioned below are available on our firm's website – http://www.begbies-traynorgroup.com/work-details

Under the following headings, we have explained the specific work that has been undertaken on this particular case – not every piece of work has been described, but we have sought to give a proportionate overview that provides sufficient detail to allow members to understand what has been done, why it was necessary, and what financial benefit (if any) the work has provided to members.

The costs incurred in relation to each heading are set out in the attached Time Costs Analysis – there is an analysis for the period since our last Progress Report, and also an analysis of time spent on the case since the date of our appointment as Joint Liquidators.

Please note that the details below only relate to the work undertaken since our most recent Progress Report – our previous Progress Reports provide details of work historically undertaken.

General case administration and planning

It is necessary to maintain records to demonstrate how the case was administered, and to document the reasons for any decisions that materially affect the case.

Members of our staff have therefore undertaken general administrative, banking and cashiering duties.

Whilst this work has not financially benefitted members, it was still a necessary part of the general control of the case.

Compliance with the Insolvency Act, Rules and best practice

The Insolvency Act and Rules require Liquidators to produce a Progress Report within two months after each anniversary of their appointment, which is filed at Companies House and made available to all members.

They are also required to ensure that the case is adequately bonded (an insurance to protect the interests of unsecured creditors in the asset realisations on a case)

As all matters have now been concluded, we have prepared this Final Report and account of the liquidation, which has been made available to all members and will latterly be filed at Companies' House.

Although the work has not benefitted members financially, it was still necessary in accordance with insolvency legislation.

Other matters which includes meetings, tax, litigation, pensions and travel

Matters included in this category include the preparation and submission of tax returns for the period after our appointment as Liquidators.

Whilst this work has not financially benefitted members, it has still been necessary in order to comply with statutory requirements in respect of reporting to H M Revenue & Customs.

5. OUTCOME FOR CREDITORS

In a Members' Voluntary Liquidation, creditors are required to prove their claims – the Liquidators must then examine the proofs (and the particulars of the claims) and admit them (in whole or in part) or reject them – the Liquidators must then settle the priorities of the creditors (as between secured / preferential / unsecured creditors) before paying them in full with statutory interest.

The statement of assets and liabilities embodied within the Declaration of Solvency (sworn by the director) indicated that there were no outstanding creditors - a subsequent claim was, however, received from HMRC for £400 which has been paid in full (together with statutory interest of £64).

We have obtained clearance from H M Revenue & Customs that no amounts are due in respect of PAYE / NIC, Corporation Tax and VAT.

6. DISTRIBUTIONS TO MEMBERS

A distribution in specie of £322,432 was issued to shareholders on 3 February 2017 (i.e. equivalent to a distribution of £107,487.33 per £1 share).

No further distributions will be made to members.

7. REMUNERATION & DISBURSEMENTS

Liquidators' Remuneration

Our remuneration has been fixed by reference to the time properly given by us (as Joint Liquidators) and the various grades of our staff calculated at the prevailing hourly charge out rates of Begbies Traynor (Central) LLP, in attending to matters arising in the Liquidation – this was subject to us having agreed that our remuneration shall not exceed the sum of £1,500 (plus VAT and disbursements) in circumstances where the value of time given by us and our staff in attending to matters arising in the winding up exceeds this sum

The time costs incurred during the period from our last Progress Report (i.e. from 3 February 2020 to 13 November 2020) amount to £5,072 which represents 19.1 hours at an average rate of £266 per hour.

Our total time costs incurred for in the period of our appointment (i.e. from 3 February 2017 to 13 November 2020) amount to £13,303 against which the sum of £1,500 plus VAT has been paid by the directors personally, in lieu of these costs.

Formatted: Right: 0.08 cm

Liquidators' Disbursements

We are authorised to draw disbursements, including disbursements for services provided by our firm (defined as "Category Two" disbursements in Statement of Insolvency Practice 9) presented to the general meeting at which various resolutions, including the special resolution that the Company be wound up voluntarily, were passed.

"Category One" disbursements in the sum of £413.80 (detailed in Appendix 3) have been incurred and remain outstanding to be paid by the directors personally.

No "Category Two" disbursements have been incurred.

Time Costs Analysis

The following further information in relation to our time costs and disbursements is set out in the attached (at Appendix 2):

BEGBIES TRAYNOR CHARGING POLICY

INTRODUCTION

This note applies where a licensed insolvency practitioner in the firm is acting as an office holder of an insolvent estate and seeks creditor approval to draw remuneration on the basis of the time properly spent in dealing with the case. It also applies where further information is to be provided to creditors regarding the office holder's fees following the passing of a resolution for the office holder to be remunerated on a time cost basis. Best practice guidance1 requires that such information should be disclosed to those who are responsible for approving remuneration.

In addition, this note applies where creditor approval is sought to make a separate charge by way of expenses or disbursements to recover the cost of facilities provided by the firm. It also applies where payments are to be made to parties other than the firm, but in relation to which the office holder, the firm or any associate has an interest. Best practice guidance2 indicates that such charges should be disclosed to those who are responsible for approving the office holder's remuneration, together with an explanation of how those charges are calculated.

OFFICE HOLDER'S FEES IN RESPECT OF THE ADMINISTRATION OF SOLVENT ESTATES

The office holder has overall responsibility for the administration of the estate. He/she will delegate tasks to members of staff. Such delegation assists the office holder as it allows him/her to deal with the more complex aspects of the case and ensures that work is being carried out at the appropriate level. There are various levels of staff that are employed by the office holder and these appear below.

The firm operates a time recording system which allows staff working on the case along with the office holder to allocate their time to the case. The time is recorded at the individual's hourly rate in force at that time which is detailed below.

EXPENSES INCURRED BY OFFICE HOLDERS IN RESPECT OF THE ADMINISTRATION OF SOLVENT ESTATES

Best practice guidance classifies expenses into two broad categories:

- Category 1 disbursements (approval not required) specific expenditure that is directly related to the case and referable to an independent external supplier's invoice. All such items are charged to the case as they are incurred.
- Category 2 disbursements (approval required) items of expenditure that are directly related to the case which include an element of shared or allocated cost and are based on a reasonable method of calculation, but which are not payable to an independent third party.
 - (A) The following items of expenditure are charged to the case (subject to approval):
 - Car mileage is charged at the rate of 45 pence per mile;

Expenses which should be treated as Category 2 disbursements (approval required) - in addition to the two categories referred to above, best practice guidance indicates that where payments are to be made to outside parties in which the office holder or his firm or any associate has an interest, these should be treated as Category 2 disbursements.

¹ Statement of Insolvency Practice 9 (SIP 9) – Remuneration of insolvency office holders in England & Wales (Effective 1 April 2007)

Services provided by an entity within the Begbies Traynor group

The following items of expenditure which relate to services provided by entities within the Begbies Traynor group, of which the office holder's firm is a member, are also to be charged to the case (subject to approval):

 Asset Recovery, Appraisal and Valuation, Disposal and Consultancy services are provided by Eddisons which is part of Begbies Traynor Group plc.

Due to the varied nature of the work carried out, Asset Recovery, Appraisal and Disposal costs are charged on one or more of the following basis.

o These costs are paid from asset realisations of the company:

```
Time costs of £ 250 per hour – Director
Time costs of £ 175 per hour – Associate Director
Time costs of £ 150 per hour – Manager
Time costs of £ 100 per hour – Graduate/Administrator
Time Costs of £ 35 per hour – Porter
```

- o 10% of realisations in respect of asset sales and auction sales
- 15% Buyers Premium in respect of auction sales
- o A fixed charge fee by agreement within the rates above

Any necessary additional services which might be provided would be within these rates.

- Eddisons Insurance Services Limited is also part of Begbies Traynor Group plc and provides insurance services on a fixed premium basis.
- (B) The following items of expenditure will normally be treated as general office overheads and will not be charged to the case although a charge may be made where the precise cost to the case can be determined because the item satisfies the test of a Category 1 disbursement.
 - Telephone and facsimile
 - · Printing and photocopying
 - Stationery
