STATEMENT OF DIRECTORS' RESPONSIBILITIES

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the company financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and accounting estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland".

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 31 December 2016 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Scope of the audit of the financial statements

A description of the scope of an audit of financial statements is provided on the Financial Reporting Council's website at http://www.frc.org.uk/auditscopeukprivate

Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements and, based on the work undertaken in the course of our audit, the Directors' Report has been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified any material misstatements in Directors' report.

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit;
- the directors were not entitled to prepare the financial statements in accordance with the small companies regime and take advantage of the small companies exemption from the requirement to prepare a strategic report or in preparing the directors' report.

Respective responsibilities of directors and auditor

As more fully explained in the Directors' Responsibilities Statement, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's (APB's) Ethical Standards for Auditors.

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) for the year ended 31 December 2016

1. COMPANY INFORMATION

HTP Grange HoldCo Limited ("the Company") is a private company limited by shares, domiciled and incorporated in England and Wales. The address of the registered office is detailed within the Officers and Professional Advisers section. The Company's principal activity and nature of its operations can be found in the Director's Report on page 2.

2. BASIS OF PREPARATION

These financial statements have been prepared and in accordance with FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS102") and the requirements of the Companies Act 2006 and under the historical cost convention.

Going concern

The Company's business activities are detailed in the Director's Report. The Directors have reviewed the budget for the Company and its subsidiary for the next 12 months and the forecast for the remainder of the project. They have considered the projected cash flows based on the contractual receipts and payments of cash and project that the loan covenant terms will be met in the subsidiary. Having considered the risks and uncertainties of the business, their projections for the future performance of the Company, and the current uncertain economic environment, the Directors have a reasonable expectation that the Company has adequate resources to continue in operational existence for the foreseeable future. Accordingly, they have adopted the going concern basis in preparing the financial statements.

Statement of Cash Flows

A statement of cash flows has not been prepared on the basis the Company is small and therefore exempt from the requirements of FRS 102 section 7.

Consolidated Financial Statements

The Company has not prepared consolidated financial statements on the basis it is small and is not required to do so in accordance with FRS 102 section 1A.21.

Functional and presentation currencies

The financial statements are presented in sterling which is also the functional currency of the Company. Amounts are rounded to the nearest £, unless otherwise indicated.

3. PRINCIPAL ACCOUNTING POLICIES

A summary of the principal accounting policies, which have been applied consistently throughout the current period, is set out below.

Taxation

Current tax, including UK corporation tax, is provided at amounts expected to be paid (or recovered) using the tax rates and laws that have been enacted or substantively enacted by the reporting date.

Deferred tax is provided in full on timing differences that result in an obligation at the reporting date to pay more tax, or a right to pay less tax, at a future date, at rates expected to apply when they crystallise based on current tax rates and law. Timing differences arise from the inclusion of items of income and expenditure in taxation computations in periods different from those in which they are included in the financial statements. Deferred tax assets are recognised to the extent that it is regarded as more likely than not that they will be recovered. Deferred tax assets and liabilities are not discounted.

Capital instruments

Share capital is included in total equity. Debt instruments, which contain an obligation to repay, are classified as liabilities. These liabilities are recognised at amortised cost net of any transaction costs. Interest, receiveable and payable, is calculated using the effective interest rate method. Finance costs calculated in accordance with this policy are recognised in the statement of comprehensive income.

Dividends

Dividends to the Company's ordinary shareholders are recognised as a liability when the amount has been agreed by the Board of Directors and have been paid.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) for the year ended 31 December 2016

3. PRINCIPAL ACCOUNTING POLICIES (CONTINUED)

Borrowings

Borrowings are initially recognised at the transaction price, including transactions costs and subsequently measured at amortised cost using the effective interest rate method. Interest expense is recognised on the basis of the effective interest rate method and is included within interest payable and other similar charges.

Turnover

Turnover relates entirely to dividends received from the Subsidiary and arises entirely in the UK.

Financial instruments

The Company has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102, in full, to all of its financial instruments.

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument, and are offset only when the Company currently has a legally enforceable right to set off the recognised amounts and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Fixed asset investments

Fixed assets investments are shown at cost less provision for any impairment.

Restatement of Prior Year Numbers

Where appropriate and as highlighted in the statements and notes to the accounts, some comparatives have been reclassified as the Directors are of the opinion that this more fairly reflects the nature of the affected balances.

4. CRITICAL ACCOUNTING ESTIMATES AND AREAS OF JUDGEMENT

Estimates and judgements are continually evaluated and are based on historical experience and other factors including expectations of future events that are believed to be reasonable under the circumstances.

Critical accounting estimates and assumptions

The Company makes estimates and assumptions concerning the future. The resulting accounting estimates and assumptions will, by definition, seldom equal the actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying value of assets and liabilities within the next financial year are discussed below. There are none in the current or previous year.

Critical areas of judgement

The Company makes judgements on the recoverability of the amounts recoverable on long term contracts in the subsidiary based on the anticipated future receipts of the unitary charge once the college is handed over and becomes operational. This is prescribed within the contractual payment mechanisms contained in the project agreement with the client, Halton Borough Council.
