The respective powers of the Joint High Yield Security Agent, the other Note Creditors and the Receiver will in no circumstances be suspended, waived or otherwise prejudiced by anything other than an express consent or amendment.

### **14.2 Reinstatement**

If any discharge, release or arrangement (whether in respect of the obligations of any Group Company or other person or any security for those obligations or otherwise) is made by a Note Creditor in whole or in part on the basis of any payment, security or other disposition which is avoided or must be restored in insolvency, liquidation, administration or otherwise, without limitation, then the liability of each Charging Company under this Deed will continue or be reinstated as if the discharge, release or arrangement had not occurred.

- (a) any time, waiver or consent granted to, or composition with, the relevant Charging Company, any Group Company or other person;
- (b) the release of the relevant Charging Company, any Group Company or any other person under the terms of any composition or arrangement with any creditor of any Group Company;

Each Charging Company waives any right it may have of first requiring any Note Creditor (or any trustee or agent on its behalf) to proceed against or enforce any other rights or security or claim payment from any person before claiming from it under this Deed. This waiver applies irrespective of any law or any provision of this Deed to the contrary.

- (e) to exercise any right of set-off against any Group Company; and/or
- (f) to claim or prove as a creditor of any Group Company in competition with any Note Creditor.

If any Charging Company receives any benefit, payment or distribution in relation to such rights it shall hold that benefit, payment or distribution to the extent necessary to enable all amounts which may be or become payable to the Note Creditors by any Group Company under or in connection with the High Yield Documents to be repaid in full on trust for the Note Creditors and shall promptly pay or transfer the same to the Joint High Yield Security Agent or as the Joint High Yield Security Agent may direct for application in accordance with Clause 10.1 (*Order of Application*).

17. **SET-OFF**

The Joint High Yield Security Agent and each other Note Creditor may at any time whilst an Event of Default is continuing set off any matured obligation due from any Charging Company in respect of the High Yield Note Liabilities (to the extent beneficially owned by that Note Creditor) against any matured obligation owed by it to the relevant Charging Company, regardless of the place of payment, booking branch or currency of either obligation. If the obligations are in different currencies, the Joint High Yield Security Agent or each Note Creditor may convert either obligation at a market rate of exchange in its usual course of business for the purpose of the set-off.

18. **NOTICES**

Each communication under this Deed shall be made as provided in the High Yield Indentures to which the Joint High Yield Security Agent is party.

19. **CHANGES TO PARTIES**

The Joint High Yield Security Agent may at any time assign or otherwise transfer all or any part of its rights under this Deed in accordance with and subject to the High Yield Documents.

20. **CURRENCY CLAUSES**

20.1 **Conversion**

All monies received or held by the Joint High Yield Security Agent or any Receiver under this Deed may be converted into any other currency which the Joint High Yield Security Agent considers necessary to cover the obligations and liabilities comprised in the High Yield Note Liabilities in that other currency at the Joint High Yield Security Agent's spot rate of exchange then prevailing for purchasing that other currency with the existing currency.

20.2 **Currency Indemnity**

If:

- (a) any amount payable by either Charging Company under or in connection with this Deed is received by the Joint High Yield Security Agent (or any Delegate of the Joint High Yield Security Agent) in a currency (the "**Payment Currency**") other than that agreed in this Deed or under any High Yield Document (the "**Agreed Currency**"), whether as a result of any judgment or order, the enforcement of any judgment or order, the liquidation of the Charging Company or otherwise, and the amount produced by converting the Payment Currency so received into the Agreed Currency is less than the relevant amount of the Agreed Currency; or
- (b) any amount payable by the Charging Company under or in connection with this Deed has to be converted from the Agreed Currency into another currency for the purpose of:
  - (i) making or filing a claim or proof against the relevant Charging Company,

- (ii) obtaining an order or judgment in any court or other tribunal; or
- (iii) enforcing any order or judgment given or made in relation to any High Yield Document,

then the relevant Charging Company will, as an independent obligation, on demand indemnify the Joint High Yield Security Agent (or any Delegate of the Joint High Yield Security Agent) for the deficiency and any loss sustained as a result. Any conversion required will be made at the prevailing rate of exchange on the date and in the market determined by the Joint High Yield Security Agent (or any Delegate of the Joint High Yield Security Agent) as being most appropriate for the conversion. The Charging Company will also pay the costs of the conversion.

### 20.3 No discharge

No payment to the Joint High Yield Security Agent (whether under any judgement or court order or otherwise) shall discharge the obligation or liability of each Charging Company in respect of which it was made unless and until the Joint High Yield Security Agent has received payment in full in the currency in which the obligation or liability was incurred. To the extent that the amount of any such payment shall on actual conversion into that currency fall short of that obligation or liability expressed in that currency, the Joint High Yield Security Agent shall have a further separate cause of action against each Charging Company and shall be entitled to enforce the security constituted by this Deed to recover the amount of the shortfall.

### 20.4 Taxes

- (a) If any deduction or withholding for Taxes is required by law to be made from any payment by either Charging Company to a Note Creditor, Receiver or Delegate under this Deed, the relevant Charging Company shall be required to pay, in addition to the relevant sum payable under this Deed, such additional amounts in respect of the said deduction or withholding as the Charging Company would have been liable to pay under Section 4.09 (*Additional Amounts*) of the 2024 High Yield Note Indenture or under any equivalent provision of any other High Yield Indenture.
- (b) For the avoidance of doubt, this Clause 20.4 (*Taxes*) shall not apply to any payment under or in respect of the High Yield Notes which payments will be made in accordance with and subject to the terms of the High Yield Indentures.

### 20.5 VAT

- (a) All consideration expressed to be payable under this Deed by any party hereto to a Note Creditor, Receiver or Delegate shall be deemed to be exclusive of any VAT. If VAT is chargeable on any supply made by any Note Creditor, Receiver or Delegate to any party hereto in connection with this Deed that party shall pay to the Note Creditor, Receiver or Delegate (in addition to and at the same time as paying the consideration for that supply) an amount equal to the amount of the VAT subject to the Note Creditor, Receiver or Delegate rendering to that party a valid VAT invoice.
- (b) Where this Deed requires any party hereto to reimburse a Note Creditor, Receiver or Delegate for any costs or expenses, that party shall also at the same time pay and indemnify the Note Creditor, Receiver or Delegate against any VAT incurred by the Note Creditor, Receiver or Delegate in respect of such costs or expenses to the extent that the Note Creditor, Receiver or Delegate, acting reasonably, determines in its sole discretion that neither it nor any member of any VAT group of which the said Note Creditor, Receiver or Delegate is a member entitled to a credit for or a repayment of such VAT.

**21. MISCELLANEOUS**

**21.1 Certificates conclusive**

A certificate, determination, notification or opinion of the Joint High Yield Security Agent stipulated for in this Deed or as to any rate of interest or any other amount payable under this Deed will be conclusive and binding on the relevant Charging Company, except in the case of manifest error.

**21.2 Invalidity of any provision**

If any provision of this Deed is or becomes invalid, illegal or unenforceable in any respect under any law, the validity, legality and enforceability of the remaining provisions shall not be affected or impaired in any way.

**21.3 Counterparts**

This Deed may be executed in any number of counterparts and all of those counterparts taken together shall be deemed to constitute one and the same instrument.

**21.4 Third party rights**

Unless expressly provided to the contrary in this Deed a person who is not a party to this Deed has no right under the Contracts (Rights of Third Parties) Act 1999 to enforce or enjoy the benefit of any term of this Deed.

**21.5 Covenant To Release**

Once the Joint High Yield Security Agent is satisfied, acting reasonably, that all the High Yield Note Liabilities have been paid in full and none of the Joint High Yield Security Agent nor any Note Creditor nor any Receiver, nor any Delegate has any contingent liability under any High Yield Document to advance further monies to, or incur liability on behalf of, either Charging Company, the Joint High Yield Security Agent and each Note Creditor, any Receiver or any Delegate shall, at the request and cost of either of the Charging Companies, take any action which may be necessary to release the Charged Assets from the security constituted by this Deed and procure the reassignment of the assets assigned to the Joint High Yield Security Agent pursuant to this Deed.

**22. GOVERNING LAW**

**22.1 Governing law**

This Deed and any non-contractual obligations arising out of or in connection with it are governed by, and shall be construed in accordance with, English law.

**22.2 Submission to jurisdiction**

- (a) The courts of England have exclusive jurisdiction to settle any dispute arising out of or in connection with this Deed (including a dispute relating to the existence, validity or termination of this Deed or any non-contractual obligation arising out of or in connection with this Deed) (a "**Dispute**").
- (b) The parties agree that the courts of England are the most appropriate and convenient courts to settle Disputes and accordingly no party will argue to the contrary.
- (c) This Clause 22.2 (*Submission to jurisdiction*) is for the benefit of the Note Creditors only. As a result, no Note Creditor shall be prevented from taking proceedings relating to a Dispute in any other courts with jurisdiction. To the extent allowed by law, the Note Creditors may take concurrent proceedings in any number of jurisdictions.

### 22.3 Service of process

- (a) Without prejudice to any other permitted mode of service, the Charging Companies agree that service of any claim form, notice or other document for the purpose of any proceedings in such courts shall be duly served upon it if delivered or sent by registered post to: INEOS Holdings Limited, Hawkslease, Chapel Lane, Lyndhurst, Hampshire SO43 7FG, England (marked for the attention of the INEOS Holdings Limited's company secretary) or such other address in England and Wales as INEOS Holdings Limited may notify from time to time to the Joint High Yield Security Agent.
- (b) If the appointment of the person mentioned in paragraph (a) above ceases to be effective, each Charging Company shall immediately appoint another person in England to accept service of process on its behalf in England. If any Charging Company fails to do so (and such failure continues for a period of not less than fourteen days), the Joint High Yield Security Agent shall be entitled to appoint such a person by notice to the relevant Charging Company. Nothing contained herein shall restrict the right to serve process in any other manner allowed by law. This Clause 22.3 (*Service of process*) applies to proceedings in England and to proceedings elsewhere.

IN WITNESS whereof this Deed has been duly executed on the date first above written.
