Strategic report

The directors present their strategic report on the Company for the year ended 31 December 2019.

Business overview

The principal activity of the company is to act as a holding company. There has been no change from the prior year.

Business review

The results of the Company are set out in the profit and loss account on page 9 which shows a result for the financial year ended 31 December 2019 of £nil (2018: € 1,015,600,000 profit). The directors do not recommend the payment of a final dividend (2018: £nil). An interim dividend of £nil (2018: €1.0 billion) was paid during the year.

Objectives and strategy

The directors do not expect any change in the company's activities during the next financial year as the company will continue to act as a holding company.

Principal risks and uncertainties

The management of the business and execution of the company's strategy are subject to a number of risks. Discussion of these risks and uncertainties in the context of the group as a whole, is provided in the annual report of parent company INEOS Group Holdings S.A., which does not form part of this report.

Key Performance Indicators

The directors of INEOS Group Holdings S.A. manage the group's operations on a divisional basis. For this reason, the company's directors believe that analysis using performance indicators of the company is not necessary or appropriate for an understanding of the development, performance or position of the business of INEOS Holdings (Investments) Limited. The development, performance and position of the group, including this company, are discussed in the group's annual report which does not form part of this report.

Section 172 (1) Statement

The Company's governance and processes are operated to ensure that all relevant matters are considered by the Board in its principal decision-making, as a means of contributing to the delivery of the Company's long-term success.

In the performance of its duty to promote the success of the Company and fairness in decision making the Board has agreed to a number of matters. This includes listening to and considering the views of its single shareholder and ultimate controlling party as well as the Company's other stakeholders to build trust and ensure it fully understands the potential impacts of any decisions on the environment and the communities in which it operates.

Stakeholder Engagement

The Company aims to build enduring relationships with its stakeholders which may include governments, regulators, partners and communities in the countries where it operates. The Company works with its stakeholders in a honest, respectful and responsible way.

Approved and signed by order of the Board

Y S Ali
Company Secretary
25 September 2020

The directors present their report and the audited financial statements of the Company for the year ended 31 December 2019.

Directors

The directors who held office during the year and up to the date of signing the financial statements are as follows:

G W Leask
J F Ginns

Financial risk management

The company's operations expose it to a variety of financial risks that include the effects of changes in credit risk, liquidity risk and interest rate risk. The company has in place a risk management programme that seeks to limit the adverse effects on the financial performance of the company where appropriate. The company is funded internally by the INEOS group and therefore has no direct exposure to liquidity or debt market risk. Interest rate exposures are managed on a group basis and are fully disclosed in the consolidated financial statements of INEOS Group Holdings S.A..

Future developments

The directors do not expect any change in the company's activities during the next financial year.

Dividends

An interim dividend of €nil (2018: €1.0 billion) was paid during the year. The directors do not recommend the payment of a final dividend.

Subsequent events

The Company is closely monitoring the evolution of the COVID-19 coronavirus and is following the World Health Organisation and local governments' advice. With regards to business impact, the COVID 19 outbreak is expected to reduce activity for the coming financial year; however, the effect the virus will have on the global economy is difficult to assess at this point in time, although the Company is constantly evaluating the situation and monitoring any potential effects on its operations.

Going concern

As at 31 December 2019 the Company has net assets of €1,600 million (2018: €1,600 million). The entity is financed through its own operations, however if needed the directors have received confirmation that INEOS Holdings Limited intends to support the Company for at least one year after these financial statements are signed. The Company's forecasts and projections show that the Company should be able to operate within the level of the planned support. After making these enquires, the directors have a reasonable expectation that the Company has adequate resources to continue in operational existence for the foreseeable future. The Company therefore continues to adopt the going concern basis in preparing its financial statements.

Directors' report (continued)

Directors' responsibilities statement

The directors are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have prepared the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law), including FRS 101 "Reduced Disclosure Framework". Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Disclosure of information to auditors

The directors confirm that as far as they are aware, there is no relevant audit information of which the Company's auditors are unaware and that they have taken all steps necessary as directors in order to make themselves aware of any relevant audit information and to establish that the Company's auditors are aware of that information. This confirmation is given and should be interpreted in accordance with the provision of s418 of the Companies Act 2006.

Independent auditors

During the year Deloitte LLP were appointed as auditors and have expressed their willingness to continue in office as auditor pursuant to Section 485-488 of the Companies Act 2006. Appropriate arrangements have been put in place for them to be deemed reappointed in the absence of an Annual General Meeting.

Independent auditors' report to the members of INEOS Holdings (Investments) Limited

Report on the audit of the financial statements

Opinion

In our opinion the financial statements of INEOS Holdings (Investments) Limited (the 'company'):

- give a true and fair view of the state of the company's affairs as at 31 December 2019 and of its result for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, including Financial Reporting Standard 101 "Reduced Disclosure Framework"; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

We have audited the financial statements which comprise:

- the profit and loss account;
- the balance sheet;
- the statement of changes in equity; and
- the related notes 1 to 11.

The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 101 "Reduced Disclosure Framework" (United Kingdom Generally Accepted Accounting Practice).

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report.

We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the Financial Reporting Council's (the 'FRC's') Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We are required by ISAs (UK) to report in respect of the following matters where:

- the directors' use of the going concern basis of accounting in preparation of the financial statements is not appropriate; or
- the directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

We have nothing to report in respect of these matters.

Independent auditors' report to the members of INEOS Holdings (Investments) Limited (continued)

Other information

The directors are responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in respect of these matters.

Responsibilities of directors

As explained more fully in the directors' responsibilities statement, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the FRC's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Report on other legal and regulatory requirements

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the strategic report and the directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the strategic report and the directors' report have been prepared in accordance with applicable legal requirements.

Independent auditors' report to the members of INEOS Holdings (Investments) Limited (continued)

In the light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified any material misstatements in the strategic report or the directors' report.

Matters on which we are required to report by exception

Under the Companies Act 2006 we are required to report in respect of the following matters if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

We have nothing to report in respect of these matters.

Use of our report

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Notes

(forming part of the financial statements)

1 Accounting policies

INEOS Holdings (Investments) Limited is a private company, limited by shares, incorporated, registered and domiciled in England, UK. Registered office of the company is situated at Hawkslease, Chapel Lane, Lyndhurst, SO43 7FG.

The Company is exempt by virtue of section 400 of the Companies Act 2006 from the requirement to prepare group financial statements. These financial statements present information about the Company as an individual undertaking and not about its group.

These financial statements were prepared in accordance with Financial Reporting Standard 101 *Reduced Disclosure Framework* ("FRS 101").

In preparing these financial statements, the Company applies the recognition, measurement and disclosure requirements of International Financial Reporting Standards as adopted by the EU ("Adopted IFRSs"), but makes amendments where necessary in order to comply with Companies Act 2006 and has set out below where advantage of the FRS 101 disclosure exemptions has been taken.

In these financial statements, the company has applied the exemptions available under FRS 101 in respect of the following disclosures:

- a Cash Flow Statement and related notes;
- Disclosures in respect of transactions with wholly owned subsidiaries;
- Disclosures in respect of capital management;
- The effects of new but not yet effective IFRSs; and
- Disclosures in respect of the compensation of Key Management Personnel.

As the consolidated financial statements of INEOS Group Holdings SA include the equivalent disclosures, the Company has also taken the exemptions under FRS 101 available in respect of the following disclosures:

- IFRS 2 *Share Based Payments* in respect of group settled share based payments;
- Certain disclosures required by IAS 36 *Impairment of assets* in respect of the impairment of goodwill and indefinite life intangible assets;
- Disclosures required by IFRS 5 *Non-current Assets Held for Sale and Discontinued Operations* in respect of the cash flows of discontinued operations;
- Certain disclosures required by IFRS 3 *Business Combinations* in respect of business combinations undertaken by the Company; and
- Certain disclosures required by IFRS 13 *Fair Value Measurement* and the disclosures required by IFRS 7 *Financial Instrument Disclosures*.

The accounting policies set out below have, unless otherwise stated, been applied consistently on the going concern basis, to all periods presented in these financial statements and in accordance with the Companies Act 2006 as applicable to companies using FRS 101.

Impact of New standards and interpretations

There are no amendments to accounting standards that are effective for the year ended 31 December 2019 which have had a material impact on the company.

1.1 Measurement convention

The financial statements are prepared on the historical cost basis.

Notes (continued)

(forming part of the financial statements)

1 Accounting policies (continued)

1.2 Going concern

The directors believe that preparing the financial statements on the going concern basis is appropriate due to the budgeted cash flows of the Company and taking into account the facilities available and support from INEOS Holdings Limited.

1.3 Foreign currency

Transactions in foreign currencies are translated to the Company's functional currencies at the foreign exchange rate ruling at the date of the transaction. Monetary assets and liabilities denominated in foreign currencies at the balance sheet date are retranslated to the functional currency at the foreign exchange rate ruling at that date. Non-monetary assets and liabilities that are measured in terms of historical cost in a foreign currency are translated using the exchange rate at the date of the transaction. Non-monetary assets and liabilities denominated in foreign currencies that are stated at fair value are retranslated to the functional currency at foreign exchange rates ruling at the dates the fair value was determined. Foreign exchange differences arising on translation are recognised in the profit and loss account.

1.4 Non-derivative financial instruments

Non-derivative financial instruments comprise investments in equity and debt securities, trade and other debtors, cash and cash equivalents, loans and borrowings, and trade and other creditors.

Trade and other debtors

Trade and other debtors are recognised initially at fair value. Subsequent to initial recognition, the company applies the IFRS 9 simplified approach to measuring expected credit losses which uses a lifetime expected loss allowance for all trade receivables.

Trade and other creditors

Trade and other creditors are recognised initially at fair value. Subsequent to initial recognition they are measured at amortised cost using the effective interest method.

Investments

Investments in jointly controlled entities, associates and subsidiaries are carried at cost less impairment.

Interest-bearing borrowings

Interest-bearing borrowings are recognised initially at fair value less attributable transaction costs. Subsequent to initial recognition, interest-bearing borrowings are stated at amortised cost using the effective interest method, less any impairment losses.

1.5 Intra-group financial instruments

Where the Company enters into financial guarantee contracts to guarantee the indebtedness of other companies within its group, the company considers these to be insurance arrangements and accounts for them as such. In this respect, the company treats the guarantee contract as a contingent liability until such time as it becomes probable that the company will be required to make a payment under the guarantee.

1.6 Provisions

A provision is recognised in the balance sheet when the Company has a present legal or constructive obligation as a result of a past event, that can be reliably measured and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects risks specific to the liability.

Notes (continued)
(forming part of the financial statements)

1 Accounting policies (continued)

1.7 Taxation

Tax on the profit or loss for the year comprises current and deferred tax. Tax is recognised in the profit and loss account except to the extent that it relates to items recognised directly in equity or other comprehensive income, in which case it is recognised directly in equity or other comprehensive income.

Current tax is the expected tax payable or receivable on the taxable income or loss for the year, using tax rates enacted or substantively enacted at the balance sheet date, and any adjustment to tax payable in respect of previous years.

Deferred tax is provided on temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes. The following temporary differences are not provided for: the initial recognition of goodwill; the initial recognition of assets or liabilities that affect neither accounting nor taxable profit other than in a business combination, and differences relating to investments in subsidiaries to the extent that they will probably not reverse in the foreseeable future. The amount of deferred tax provided is based on the expected manner of realisation or settlement of the carrying amount of assets and liabilities, using tax rates enacted or substantively enacted at the balance sheet date.

A deferred tax asset is recognised only to the extent that it is probable that future taxable profits will be available against which the temporary difference can be utilised.

2 Auditors' remuneration

Fees receivable by the Company's auditors and their associates in respect of services to the Company and their associates were €3,000 (2018: €3,000). This cost has been borne by INEOS Holdings Limited.

3 Staff costs and directors' remuneration

The Company had no employees during the current or previous year.

Neither the directors nor the secretary received any emoluments during the current or previous year in respect of their services to the company.

4 Tax on profit

	2019 €'m	2018 €'m
Tax on profit	-	-
Reconciliation of standard tax rate		
	2019 €'m	2018 €'m
Profit before taxation	-	1,015.6
Profit before taxation multiplied by the standard rate of tax in the UK of 19%	-	193.0
Tax exempt revenues	-	(193.0)
Total tax	-	-

Notes (continued)
(forming part of the financial statements)

4 Tax on profit (continued)

On 6 September 2016, the Finance Act 2016 was substantively enacted and provided for a reduction in the main rate of UK corporation tax to 17% from 1 April 2020. In the UK Budget of March 2020, it was announced that the reduction in the corporation tax rate would be withdrawn and the rate will now stay at 19%; any relevant impact will be accounted for in the accounts for the year ended 31 December 2020.

8 Controlling parties

As at 31 December 2019 the immediate parent undertaking was INEOS Europe AG, a company incorporated in Switzerland.

The ultimate parent company at 31 December 2019 was INEOS Limited, a company incorporated in Isle of Man. INEOS Group Holdings S.A. is the parent undertaking of the smallest and largest group of undertakings to consolidate these financial statements. Copies of the financial statements of INEOS Group Holdings S.A. can be obtained from the Company Secretary from their registered address, 58, rue Charles Martel, Luxembourg, L-2134, Luxembourg.

The directors regard Mr J A Ratcliffe to be the ultimate controlling party by virtue of his majority shareholding in the ultimate parent undertaking INEOS Limited.

9 Accounting estimates and judgements

The Company prepares its financial statements in accordance with the FRS101 Reduced Disclosure Framework, which require management to make judgements, estimates and assumptions which affect the application of the accounting policies, and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates. The estimates and assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates change and in any future periods. There is no area within the financial statements that involve a significant degree of judgement.

10 Subsequent Events

The Company is closely monitoring the evolution of the COVID-19 coronavirus and is following the World Health Organisation and local governments' advice. With regards to business impact, the COVID 19 outbreak is expected to reduce activity for the coming financial year; however, the effect the virus will have on the global economy is difficult to assess at this point in time, although the Company is constantly evaluating the situation and monitoring any potential effects on its operations.
