## STRATEGIC REPORT

## FOR THE PERIOD ENDED 28 DECEMBER 2019

The directors present the strategic report for the period ended 28 December 2019.

## Fair review of the business

Skinnydip was born in 2011 to satisfy the demand for fashion led designed phone cases. The brand has since expanded to include clothing, jewelry, beauty and technology driven by a desire to be innovative, unique, imaginative, ethical and on-trend

Sales are delivered through four channels; owned physical stores, concessions, wholesale and on-line.

Products are designed and sourced by teams at our London HQ and delivered to customers around the world.

## Development and performance

Turnover increased by 10.8% compared to the prior year. This was principally driven by online sales improving by 37% year on year. This was particularly pleasing given that this growth was achieved on last years like for like improvement of 25%. However gross margins reduced by 5% compared to 2018, as part of a plan to convert slower selling stock to cash. Other Sales channels were broadly level compared to the prior year.

In the autumn of 2019, following a business review, several loss making stores were closed, a leased warehouse was given notice to close in early 2020 and central service headcount reduced by one third.

This resulted in reducing administration costs by £337,627 (5%).

Additionally the business refinanced its working capital facilities in November 2019 from Barclays to HSBC, securing a more fit for purpose solution.

Therefore despite the overall increase in the net loss before taxation the refinancing and restructuring provides the foundation for the business to return to profitability and growth during 2020.

## STRATEGIC REPORT (CONTINUED)

## FOR THE PERIOD ENDED 28 DECEMBER 2019

Principal risks and uncertainties

Risk	Impact	Mitigation
Strategic Risk:		
The retail landscape continues to undergo significant structural change	Reduced sales, lost customers, loss making stores.	Multi-Channel approach cushions and spreads risk.
Operational Risk:		
Hardware or software failure could disable the website	Lost sales, customers and reputational damage.	Test reliability of 3rd party system robustness and competency.
Competition offers similar products	Lower sales and stock overhang.	Review competitor pricing and product. Design new on trend product.
Fraud	Reduced profits, reputational damage	Continual monitoring and development of robust internal controls.
Financial Risk:		
Margin protection and growth	Reduction in profit.	Collaborate with supply chain to maximise quality and minimize cost. Tender contracts to suppliers. Moderate buy quantities with aim to sell out pre discount. Regular monitoring of gross margin.
Foreign Exchange exposure	Product costs increase.	Develop and implement a hedging strategy.
Import/Export Duty and Taxes increase	Reduced profits.	Close relationships with supply chain and flexible transport routes.
Cash headroom reduction	Working Capital restriction.	Appropriate short and medium term cash forecasting and maintaining strong banking relationships.

## Further developments

Despite the impact of covid-19 on the economy in 2020, the business has taken the opportunities to leverage its partnerships with blue chip high street and pureplay online retailers to make significant strides forward. Consequently, the directors remain confident about the future of the business notwithstanding the current headwinds.

On behalf of the board

J Gold

## **DIRECTORS' REPORT**

## FOR THE PERIOD ENDED 28 DECEMBER 2019

The directors present their annual report and financial statements for the period ended 28 December 2019.

## Principal activities

The principal activity of the company continued to be that of wholesalers and retailers of fashion accessories.

#### **Directors**

The directors who held office during the period and up to the date of signature of the financial statements were as follows:

L Blitz

R Gold

J Gold

## Results and dividends

The results for the period are set out on page 7.

Ordinary dividends were paid amounting to £150,000. The directors do not recommend payment of a final dividend.

## Disabled persons

Applications for employment by disabled persons are always fully considered, bearing in mind the aptitudes of the applicant concerned. In the event of members of staff becoming disabled, every effort is made to ensure that their employment within the company continues and that the appropriate training is arranged. It is the policy of the company that the training, career development and promotion of disabled persons should, as far as possible, be identical to that of other employees.

## **Employee involvement**

The company's policy is to consult and discuss with employees, through unions, staff councils and at meetings, matters likely to affect employees' interests.

Information about matters of concern to employees is given through information bulletins and reports which seek to achieve a common awareness on the part of all employees of the financial and economic factors affecting the company's performance.

There is no employee share scheme at present, but the directors are considering the introduction of such a scheme as a means of further encouraging the involvement of employees in the company's performance.

## Auditor

Arram Berlyn Gardner LLP were appointed as auditor to the company and in accordance with section 485 of the Companies Act 2006, a resolution proposing that they be re-appointed will be put at a General Meeting.

## **DIRECTORS' REPORT (CONTINUED)**

## FOR THE PERIOD ENDED 28 DECEMBER 2019

#### Statement of directors' responsibilities

The directors are responsible for preparing the annual report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

#### Strategic report

The company has chosen in accordance with Companies Act 2006, s. 414C(11) to set out in the company's strategic report information required by Large and Medium-sized Companies and Groups (Accounts and Reports) Regulations 2008, Sch. 7 to be contained in the directors' report.

## Statement of disclosure to auditor

So far as each person who was a director at the date of approving this report is aware, there is no relevant audit information of which the company's auditor is unaware. Additionally, the directors individually have taken all the necessary steps that they ought to have taken as directors in order to make themselves aware of all relevant audit information and to establish that the company's auditor is aware of that information.

On behalf of the board

# INDEPENDENT AUDITOR'S REPORT TO THE MEMBER OF SKINNYDIP LIMITED

#### Opinion

We have audited the financial statements of Skinnydip Limited (the 'company') for the period ended 28 December 2019 which comprise the statement of comprehensive income, the statement of financial position, the statement of changes in equity and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 28 December 2019 and of its loss for the period then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

#### Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

## Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the directors' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the directors have not disclosed in the financial statements any identified material uncertainties that may cast
  significant doubt about the company's ability to continue to adopt the going concern basis of accounting for a
  period of at least twelve months from the date when the financial statements are authorised for issue.

## Other information

The directors are responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

## Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of our audit:

- the information given in the strategic report and the directors' report for the financial period for which the financial statements are prepared is consistent with the financial statements; and
- the strategic report and the directors' report have been prepared in accordance with applicable legal requirements.

# INDEPENDENT AUDITOR'S REPORT (CONTINUED) TO THE MEMBER OF SKINNYDIP LIMITED

#### Matters on which we are required to report by exception

In the light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified material misstatements in the strategic report and the directors' report.

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; cr
- we have not received all the information and explanations we require for our audit.

#### Responsibilities of directors

As explained more fully in the directors' responsibilities statement, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

## Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: http://www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

## Use of our report

This report is made solely to the company's member in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's member those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's member for our audit work, for this report, or for the opinions we have formed.

# NOTES TO THE FINANCIAL STATEMENTS

## FOR THE PERIOD ENDED 28 DECEMBER 2019

## 1 Accounting policies

## Company information

Skinnydip Limited is a private company limited by shares incorporated in England and Wales.

The registered office is 30 City Road, London, EC1Y 2AB. The principal place of business is 1 Whittlebury Mews, Primrose Hill, London, NW1 8JB.

## 1.1 Accounting convention

These financial statements have been prepared in accordance with FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS 102") and the requirements of the Companies Act 2006.

The financial statements are prepared in sterling, which is the functional currency of the company. Monetary a mounts in these financial statements are rounded to the nearest  $\pounds$ .

The financial statements have been prepared under the historical cost convention. The principal accounting policies adopted are set out below.

This company is a qualifying entity for the purposes of FRS 102, being a member of a group where the parent of that group prepares publicly available consolidated financial statements, including this company, which are intended to give a true and fair view of the assets, liabilities, financial position and profit or loss of the group. The company has therefore taken advantage of exemptions from the following disclosure requirements:

- Section 4 'Statement of Financial Position': Reconciliation of the opening and closing number of shares;
- Section 7 'Statement of Cash Flows': Presentation of a statement of cash flow and related notes and disclosures:
- Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instrument Issues': Carrying
  amounts, interest income/expense and net gains/losses for each category of financial instrument; basis of
  determining fair values; details of collateral, loan defaults or breaches, details of hedges, hedging fair value
  changes recognised in profit or loss and in other comprehensive income;
- Section 33 'Related Party Disclosures': Compensation for key management personnel.

The financial statements of the company are consolidated in the financial statements of Skinnydip Group Limited. These consolidated financial statements are available from Companies House, Crown Way, Cardiff, CF14 3UZ.

## NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

## FOR THE PERIOD ENDED 28 DECEMBER 2019

## 1 Accounting policies

(Continued)

#### 1.2 Going concern

Skinnydip Limited is part of a group of companies where Skinnydip Group Limited is the largest and smallest group for which consolidated financial statements are prepared. The going concern assessment has been conducted on the group (headed up by Skinnydip Group Limited) as a whole.

The company made a loss after tax of £955,867 (2018: £740,222) for the period ended 28 December 2019 and at that date had net assets of £781,890 (2018: £1,887,757).

The directors have reviewed the 2020 management accounts and have prepared financial forecasts for 2020 and 2021. Based on the forecasting exercise, the group expects to be profitable in 2020.

The company have negotiated and signed off on new financing arrangements in 2019 including new banking facilities and a company loan which provides adequate working capital.

The directors have no reason to believe that such support will not continue for a period of at least 12 months from the date of approval of these financial statements.

Taking these factors into account, the directors conclude that it is reasonable to adopt the going concern basis in preparing the financial statements.

## 1.3 Reporting period

The company has changed its financial year-end from 31 December to 28 December in order to bring its year-end in line with the company's trading week. The financial statements are therefore for the period ended 28 December 2019.

## 1.4 Turnover

Turnover is recognised at the fair value of the consideration received or receivable for goods and services provided in the normal course of business, and is shown net of VAT and other sales related taxes. The fair value of consideration takes into account trade discounts, settlement discounts and volume rebates.

Revenue from the sale of goods is recognised when the significant risks and rewards of ownership of the goods have passed to the buyer (usually on dispatch of the goods), the amount of revenue can be measured reliably, it is probable that the economic benefits associated with the transaction will flow to the entity and the costs incurred or to be incurred in respect of the transaction can be measured reliably.

Wholesale and online sales are recognised when goods are delivered to customers.

In store products and concessions are recognised when control of the goods are transferred to the customer, generally upon pickup at the store.

Royalty income is recognised when the amount of revenue can be measured reliably.

# NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

## FOR THE PERIOD ENDED 28 DECEMBER 2019

## 1 Accounting policies

(Continued)

## 1.5 Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Plant and machinery 20% on reducing balance method Fixtures, fittings & equipment 20% on reducing balance method Motor vehicles 20% on reducing balance method

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is credited or charged to profit or loss.

## 1.6 Impairment of fixed assets

At each reporting period end date, the company reviews the carrying amounts of its tangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). Where it is not possible to estimate the recoverable amount of an individual asset, the company estimates the recoverable amount of the cash-generating unit to which the asset belongs.

Recognised impairment losses are reversed if, and only if, the reasons for the impairment loss have ceased to apply. Where an impairment loss subsequently reverses, the carrying amount of the asset is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset in prior years. A reversal of an impairment loss is recognised immediately in profit or loss, unless the relevant asset is carried at a revalued amount, in which case the reversal of the impairment loss is treated as a revaluation increase.

## 1.7 Stocks

Stocks are stated at the lower of cost and estimated selling price less costs to complete and sell. Cost comprises direct materials and, where applicable, direct labour costs and those overheads that have been incurred in bringing the stocks to their present location and condition.

Cost of finished goods is determined on weighted average cost method.

At each reporting date, an assessment is made for impairment. Any excess of the carrying amount of stocks over its estimated selling price less costs to complete and sell is recognised as an impairment loss in profit or loss. Reversals of impairment losses are also recognised in profit or loss.

## 1.8 Cash and cash equivalents

Cash and cash equivalents are basic financial assets and include cash in hand and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities when they arise.

## NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

## FOR THE PERIOD ENDED 28 DECEMBER 2019

## 1 Accounting policies

(Continued)

#### 1.9 Financial instruments

The company has elected to apply the provisions of Section 11 'Basic Financial Instruments' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the company's statement of financial position when the company becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

#### Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

## Impairment of financial assets

Financial assets, other than those held at fair value through profit and loss, are assessed for indicators of impairment at each reporting end date.

Financial assets are impaired where there is objective evidence that, as a result of one or more events that occurred after the initial recognition of the financial asset, the estimated future cash flows have been affected. If an asset is impaired, the impairment loss is the difference between the carrying amount and the present value of the estimated cash flows discounted at the asset's original effective interest rate. The impairment loss is recognised in profit or loss.

## Derecognition of financial assets

Financial assets are derecognised only when the contractual rights to the cash flows from the asset expire or are settled, or when the company transfers the financial asset and substantially all the risks and rewards of ownership to another entity, or if some significant risks and rewards of ownership are retained but control of the asset has transferred to another party that is able to sell the asset in its entirety to an unrelated third party.

## Classification of financial liabilities

Financial liabilities and equity instruments are classified according to the substance of the contractual arrangements entered into. An equity instrument is any contract that evidences a residual interest in the assets of the company after deducting all of its liabilities.

## Basic financial liabilities

Basic financial liabilities, including creditors and loans from fellow group companies are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future receipts discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

## Derecognition of financial liabilities

Financial liabilities are derecognised when the company's contractual obligations expire or are discharged or cancelled.

## NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

## FOR THE PERIOD ENDED 28 DECEMBER 2019

## 1 Accounting policies

(Continued)

#### 1.10 Equity instruments

Equity instruments issued by the company are recorded at the proceeds received, net of transaction costs. Dividends payable on equity instruments are recognised as liabilities once they are no longer at the discretion of the company.

#### 1.11 Taxation

The tax expense represents the sum of the tax currently payable and deferred tax.

#### Current tax

The tax currently payable is based on taxable profit for the year. Taxable profit differs from net profit as reported in the income statement because it excludes items of income or expense that are taxable or deductible in other years and it further excludes items that are never taxable or deductible. The company's liability for current tax is calculated using tax rates that have been enacted or substantively enacted by the reporting end date.

#### Deferred tax

Deferred tax liabilities are generally recognised for all timing differences and deferred tax assets are recognised to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits. Such assets and liabilities are not recognised if the timing difference arises from goodwill or from the initial recognition of other assets and liabilities in a transaction that affects neither the tax profit nor the accounting profit.

The carrying amount of deferred tax assets is reviewed at each reporting end date and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered. Deferred tax is calculated at the tax rates that are expected to apply in the period when the liability is settled or the asset is realised. Deferred tax is charged or credited in the income statement, except when it relates to items charged or credited directly to equity, in which case the deferred tax is also dealt with in equity. Deferred tax assets and liabilities are offset when the company has a legally enforceable right to offset current tax assets and liabilities and the deferred tax assets and liabilities relate to taxes levied by the same tax authority.

## 1.12 Employee benefits

The costs of short-term employee benefits are recognised as a liability and an expense, unless those costs are required to be recognised as part of the cost of stock or fixed assets.

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

Termination benefits are recognised immediately as an expense when the company is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

## 1.13 Retirement benefits

Payments to defined contribution retirement benefit schemes are charged as an expense as they fall due.

## 1.14 Leases

Rentals payable under operating leases, including any lease incentives received, are charged to profit or loss on a straight line basis over the term of the relevant lease except where another more systematic basis is more representative of the time pattern in which economic benefits from the leases asset are consumed.

# NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

## FOR THE PERIOD ENDED 28 DECEMBER 2019

## 1 Accounting policies

(Continued)

#### 1.15 Foreign exchange

Transactions in currencies other than pounds sterling are recorded at the rates of exchange prevailing at the dates of the transactions. At each reporting end date, monetary assets and liabilities that are denominated in foreign currencies are retranslated at the rates prevailing on the reporting end date. Gains and losses arising on translation are included in the income statement for the period.

## 2 Judgements and key sources of estimation uncertainty

In the application of the company's accounting policies, the directors are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

## **Critical judgements**

The following judgements (apart from those involving estimates) have had the most significant effect on amounts recognised in the financial statements:

#### Impairment of debtors

The company makes an estimate of the recoverable value of trade and other debtors. When assessing impairment of trade and other debtors, management considers factors including the current credit rating of the debtor, the ageing profile of debtors and historical experience.

## Stock

The company supplies fashions accessories which is subject to changing consumer demands. As a result it is necessary to consider the recoverability of the cost of stock and the associated provision required. When calculating the stock provision, management considers the nature and condition of the stock, as well as applying assumptions around anticipated saleability of finished goods.

## 3 Turnover and other revenue

An analysis of the company's turnover is as follows:

£
4,237,644
3,752,132
3,575,681
3,347,340
14,912,797

# NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

## FOR THE PERIOD ENDED 28 DECEMBER 2019

14 Debtors (Continued)

Trade debtors disclosed above are measured at amortised cost. Trade debtors are stated after provisions for impairment of £55,223 (2018: £31,064).

Included within amounts owed by group undertakings are loan balances that are unsecured, interest free, have no fixed date of repayment and repayable on demand.

Included within other debtors are amounts due from related parties totalling £262.196 (2018: £90,018) that are unsecured, interest free, have no fixed date of repayment and repayable on demand.

## 15 Creditors: amounts falling due within one year

		2019	2018
	Notes	£	£
Bank loans and overdrafts	17	1,293,375	2,267,505
Trade creditors		1,596,569	1,404,598
Corporation tax		-	186,127
Other taxation and social security		523,064	305,802
Other creditors		1,783,433	252,000
Accruals and deferred income		614,805	188,672
		5,811,246	4,604,704

Included in bank loans and overdrafts is an overdraft facility totalling £151,030 (2018: £2,267,505). The interest is charged at a rate of 3.15% above the bank's reference rate. The bank overdraft is secured by a debenture by virtue of a fixed and floating charge over the company and its assets.

Included in bank loans and overdrafts is a trade finance facility totalling £257,238 (2018: Nil). The loan is based on a discount margin of 1.70% and is subject to service charges and arrangement fees. This facility is secured against the goods supplied to the company.

Included in bank loans and overdrafts is a trade finance facility totalling £497,290 (2018: Nil). The loan is based on a commission of 1% to 1.5% subject to a minimum of £150 and interest costs of 3.5% above the finance provider's Cost of Money. This facility is secured against the goods supplied to the company.

Included in bank loans and overdrafts is an invoice finance facility totalling £382,816 (2018: Nil). The loan includes arrangement fees and interest costs of 2% above the base rate. This facility is secured against the trade debtors it relates to

Fixed and floating charges also exist over the company and its assets in relation to the above facilities.

Included in other creditors is an unsecured loan totalling £500,000 (2018: Nil) from a related party. Interest rate charged is based on the related party's cost of borrowing. The loan is repayable on demand.

Included in other creditors is an unsecured loan totalling £1,000,000 (2018: Nil) from a related party. Interest rate charged is based on the related party's cost of borrowing. The loan is repayable by quarterly instalments and will be fully repaid by 30 June 2021.
