The Arch Hardware Limited

Chartered Accountant's Report to the Director on the Preparation of the Unaudited Statutory Abridged Financial Statements of The Arch Hardware Limited

Year ended 28 February 2017

In order to assist you to fulfil your duties under the Companies Act 2006, we have prepared for your approval the abridged financial statements of The Arch Hardware Limited for the year ended 28 February 2017, which comprise the abridged statement of financial position and the related notes from the company's accounting records and from information and explanations you have given us. As a practising member firm of the Institute of Chartered Accountants in England and Wales (ICAEW), we are subject to its ethical and other professional requirements which are detailed at www.icaew.com/en/membership/regulations-standards-and-guidance. This report is made solely to the director of The Arch Hardware Limited in accordance with the terms of our engagement letter dated 1 November 2017. Our work has been undertaken solely to prepare for your approval the abridged financial statements of The Arch Hardware Limited and state those matters that we have agreed to state to you in this report in accordance with ICAEW Technical Release 07/16 AAF as detailed at www.icaew.com/compilation. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than The Arch Hardware Limited and its director for our work or for this report.

It is your duty to ensure that The Arch Hardware Limited has kept adequate accounting records and to prepare statutory abridged financial statements that give a true and fair view of the assets, liabilities, financial position and profit of The Arch Hardware Limited. You consider that The Arch Hardware Limited is exempt from the statutory audit requirement for the year. We have not been instructed to carry out an audit or a review of the abridged financial statements of The Arch Hardware Limited. For this reason, we have not verified the accuracy or completeness of the accounting records or information and explanations you have given to us and we do not, therefore, express any opinion on the statutory abridged financial statements.

Mr Kubah

Director

Company registration number: 07517188

The Arch Hardware Limited

Notes to the Abridged Financial Statements

Year ended 28 February 2017

1. General information

The company is a private company limited by shares, registered in England and Wales. The address of the registered office is 395-399 King Street, London, W6 9NJ.

2. Statement of compliance

These abridged financial statements have been prepared in compliance with the provisions of FRS 102 Section 1A, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland'.

3. Accounting policies

Basis of preparation

The abridged financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through profit or loss.

The abridged financial statements are prepared in sterling, which is the functional currency of the entity.

Transition to FRS 102

The entity transitioned from previous UK GAAP to FRS 102 as at 1 March 2015. Details of how FRS 102 has affected the reported financial position and financial performance is given in note 9.

Revenue recognition

Turnover is measured at the fair value of the consideration received or receivable for goods supplied and services rendered, net of discounts and Value Added Tax. Revenue from the sale of goods is recognised when the significant risks and rewards of ownership have transferred to the buyer (usually on despatch of the goods); the amount of revenue can be measured reliably; it is probable that the associated economic benefits will flow to the entity; and the costs incurred or to be incurred in respect of the transactions can be measured reliably.

Income tax

The taxation expense represents the aggregate amount of current and deferred tax recognised in the reporting period. Tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, tax is recognised in other comprehensive income or directly in equity, respectively. Current tax is recognised on taxable profit for the current and past periods. Current tax is measured at the amounts of tax expected to pay or recover using the tax rates and laws that have been enacted or substantively enacted at the reporting date.

Deferred tax is recognised in respect of all timing differences at the reporting date. Unrelieved tax losses and other deferred tax assets are recognised to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits. Deferred tax is measured using the tax rates and laws that have been enacted or substantively enacted by the reporting date that are expected to apply to the reversal of the timing difference.

Tangible assets

Tangible assets are initially recorded at cost, and subsequently stated at cost less any accumulated depreciation and impairment losses. Any tangible assets carried at revalued amounts are recorded at the fair value at the date of revaluation less any subsequent accumulated depreciation and subsequent accumulated impairment losses. An increase in the carrying amount of an asset as a result of a revaluation, is recognised in other comprehensive income and accumulated in equity, except to the extent it reverses a revaluation decrease of the same asset previously recognised in profit or loss. A decrease in the carrying amount of an asset as a result of revaluation, is recognised in other comprehensive income to the extent of any previously recognised revaluation increase accumulated in equity in respect of that asset. Where a revaluation decrease exceeds the accumulated revaluation gains accumulated in equity in respect of that asset, the excess shall be recognised in profit or loss.

Depreciation

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Plant & machinery	-	25% reducing balance
Fixtures & fitting	-	25% reducing balance

Impairment of fixed assets

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date. For the purposes of impairment testing, when it is not possible to estimate the recoverable amount of an individual asset, an estimate is made of the recoverable amount of the cash-generating unit to which the asset belongs. The cash-generating unit is the smallest identifiable group of assets that includes the asset and generates cash inflows that largely independent of the cash inflows from other assets or groups of assets. For impairment testing of goodwill, the goodwill acquired in a business combination is, from the acquisition date, allocated to each of the cash-generating units that are expected to benefit from the synergies of the combination, irrespective of whether other assets or liabilities of the company are assigned to those units.

Stocks

Stocks are measured at the lower of cost and estimated selling price less costs to complete and sell. Cost includes all costs of purchase, costs of conversion and other costs incurred in bringing the stock to its present location and condition.

Financial instruments

Financial instruments are classified and accounted for, according to the substance of the contractual arrangements as either financial assets, financial liabilities or equity instrument. An equity instrument is any contract that evidences a residual interest in the assets of the company after deducting all of its liabilities.

Defined contribution plans

Contributions to defined contribution plans are recognised as an expense in the period in which the related service is provided. Prepaid contributions are recognised as an asset to the extent that the prepayment will lead to a reduction in future payments or a cash refund. When contributions are not expected to be settled wholly within 12 months of the end of the reporting date in which the employees render the related service, the liability is measured on a discounted present value basis. The unwinding of the discount is recognised as a finance cost in profit or loss in the period in which it arises.

4. Employee numbers

The average number of persons employed by the company during the year, including the director, amounted to 5 (2016: 5).

5. Tangible assets

	£
Cost	
At 1 March 2016 and 28 February 2017	20,416

Depreciation	
At 1 March 2016	13,937
Charge for the year	1,620

At 28 February 2017	15,557

Carrying amount	
At 28 February 2017	4,859

At 29 February 2016	6,479

6. Financial instruments at fair value

Enter your own text here for additional disclosures relating to financial instruments. For example, terms and conditions of long-term debt, the extent and nature of derivative instruments, including significant terms and conditions that may affect the amount, timing and certainty of future cash flows, and also the amount of any impairment loss for each class of financial asset.

7. Director's advances, credits and guarantees

At the year end the company owed Mr Muntathr Kubah £193,682 (2016: £201,931).

8. Related party transactions

During the year the company paid £24,000 (2016: £Nil) in Dividends to the director and shareholder Mr Muntathr Kubah.

9. Transition to FRS 102

These are the first abridged financial statements that comply with FRS 102. The company transitioned to FRS 102 on 1 March 2015.

No transitional adjustments were required in equity or profit or loss for the year.

This document was delivered using electronic communications and authenticated in accordance with the registrar's rules relating to electronic form, authentication and manner of delivery under section 1072 of the Companies Act 2006.
