**2. STATUTORY INFORMATION**

Sark Solar Limited is a private company, limited by shares, registered in England and Wales. The company's registered number and registered office address can be found on the Company Information page.

**3. ACCOUNTING POLICIES**

**Basis of preparation**

The company financial statements have been prepared and approved by the directors in accordance with International Financial Reporting Standards as adopted by the EU ("Adopted IFRSs").

The accounting policies set out below have, unless otherwise stated, been applied consistently to all periods presented in these financial statements.

**Measurement convention**

The financial statements have been prepared under the historical cost convention.

**Financial instruments**

Financial instruments recognised on the balance sheet include cash and cash equivalents and other financial liabilities.

**Initial recognition and measurement**

Financial assets and financial liabilities are recognised on the balance sheet when the company becomes party to the contractual provisions of the instrument. Financial instruments are initially recorded at fair value plus, in the case of a financial asset or financial liability not at fair value through profit or loss, directly attributable transaction costs. Subsequent measurement and impairment for each classification is specified in the sections below.

All normal way purchases and sales of financial assets are recognised on the trade date i.e. the date that the company commits to purchase or sell the financial assets.

**Taxation**

Current taxes are based on the results shown in the financial statements and are calculated according to local tax rules, using tax rates enacted or substantially enacted by the statement of financial position date.

**Equity**

Equity comprises the following

- "Share capital" represents the nominal value of ordinary equity shares.
- "Retained earnings" include all current results as disclosed in the income statement.
