Grainger OCCC Limited

Directors' report

Year ended 30 September 2018

The directors present their report and the financial statements of the company for the year ended 30 September 2018.

Principal activities

The principal activity of the company during the year was property development and trading. A dividend of £2,932,193 was paid during the year (2017: £nil).

Directors

The directors who served the company during the year were as follows:

Helen C Gordon

Vanessa K Simms

Adam McGhin

Mark J Robson

Nicholas M F Jopling

(Appointed 2 January 2018)

(Resigned 20 December 2017)

Directors' responsibilities statement

The directors are responsible for preparing the directors' report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law), including FRS 101 *Reduced Disclosure Framework*. Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and the profit or loss of the company for that period.

In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- assess the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern; and
- use the going concern basis of accounting unless they either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are responsible for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error, and have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the company and to prevent and detect fraud and other irregularities.

Grainger OCCC Limited

Directors' report *(continued)*

Year ended 30 September 2018

Auditor

Each of the persons who is a director at the date of approval of this report confirms that:

- so far as they are aware, there is no relevant audit information of which the company's auditor is unaware; and
- they have taken all steps that they ought to have taken as a director to make themselves aware of any relevant audit information and to establish that the company's auditor is aware of that information.

Pursuant to Section 487 of the Companies Act 2006, the auditor will be deemed to be reappointed and KPMG LLP will therefore continue in office.

Small company provisions

This report has been prepared in accordance with the provisions applicable to companies entitled to the small companies exemption.

This report was approved by the board of directors on 26 February 2019 and signed on behalf of the board by:

Adam McGhin
Company Secretary

Independent auditor's report to the members of Grainger OCCC Limited

Opinion

We have audited the financial statements of Grainger OCCC Limited ("the company") for the year ended 30 September 2018 which comprise the Statement of comprehensive income, Statement of financial position, Statement of changes in equity and related notes, including the accounting policies in note 3.

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 30 September 2018 and of its profit for the year then ended;
- have been properly prepared in accordance with UK accounting standards, including FRS 101 *Reduced Disclosure Framework*; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) ("ISAs (UK)") and applicable law. Our responsibilities are described below. We have fulfilled our ethical responsibilities under, and are independent of the company in accordance with, UK ethical requirements including the FRC Ethical Standard. We believe that the audit evidence we have obtained is a sufficient and appropriate basis for our opinion.

The impact of uncertainties due to Britain exiting the European Union on our audit

Uncertainties related to the effects of Brexit are relevant to understanding our audit of the financial statements. All audits assess and challenge the reasonableness of estimates made by the directors, see note 3, and the appropriateness of the going concern basis of preparation of the financial statements. All of these depend on assessments of the future economic environment and the company's future prospects and performance.

Brexit is one of the most significant economic events for the UK, and at the date of this report its effects are subject to unprecedented levels of uncertainty of outcomes, with the full range of possible effects unknown. We applied a standardised firm-wide approach in response to that uncertainty when assessing the company's future prospects and performance. However, no audit should be expected to predict the unknowable factors or all possible future implications for a company and this is particularly the case in relation to Brexit.

Going concern

The directors have prepared the financial statements on the going concern basis as they do not intend to liquidate the company or to cease its operations, and as they have concluded that the company's financial position means that this is realistic. They have also concluded that there are no material uncertainties that could have cast significant doubt over its ability to continue as a going concern for at least a year from the date of approval of the financial statements ("the going concern period").

We are required to report to you if we have concluded that the use of the going concern basis of accounting is inappropriate or there is an undisclosed material uncertainty that may cast significant doubt over the use of that basis for a period of at least a year from the date of approval of the financial statements. In our evaluation of the directors' conclusions, we considered the inherent risks to the company's business model, including the impact of Brexit, and analysed how those risks might affect the company's financial resources or ability to continue operations over the going concern period. We have nothing to report in these respects.

Independent auditor's report to the members of Grainger OCCC Limited (continued)

However, as we cannot predict all future events or conditions and as subsequent events may result in outcomes that are inconsistent with judgements that were reasonable at the time they were made, the absence of reference to a material uncertainty in this auditor's report is not a guarantee that the company will continue in operation.

Directors' report

The directors are responsible for the directors' report. Our opinion on the financial statements does not cover that report and we do not express an audit opinion thereon.

Our responsibility is to read the directors' report and, in doing so, consider whether, based on our financial statements audit work, the information therein is materially misstated or inconsistent with the financial statements or our audit knowledge. Based solely on that work:

- we have not identified material misstatements in the directors' report;
- in our opinion the information given in that report for the financial year is consistent with the financial statements; and
- in our opinion that report has been prepared in accordance with the Companies Act 2006.

Matters on which we are required to report by exception

Under the Companies Act 2006 we are required to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the directors were not entitled to take advantage of the small companies exemption from the requirement to prepare a strategic report.

We have nothing to report in these respects.

Directors' responsibilities

As explained more fully in their statement set out on page 2, the directors are responsible for: the preparation of the financial statements and for being satisfied that they give a true and fair view; such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error; assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern; and using the going concern basis of accounting unless they either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

Independent auditor's report to the members of Grainger OCCC Limited (continued)

Auditor's responsibilities

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatements, whether due to fraud or error, and to issue our opinion in an auditor's report. Reasonable assurance is a high level of assurance, but does not guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

A fuller description of our responsibilities is provided on the FRC's website at www.frc.org.uk/auditorsresponsibilities.

The purpose of our audit work and to whom we owe our responsibilities

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members, as a body, for our audit work, for this report, or for the opinions we have formed.

Grainger OCCC Limited

Notes to the financial statements

Year ended 30 September 2018

1. General information

The company is a private company limited by shares, registered in England and Wales. The address of the registered office is Citygate, St James' Boulevard, Newcastle upon Tyne, NE1 4JE.

2. Statement of compliance

The financial statements of Grainger OCCC Limited ("the company") for the year ended 30 September 2018 were authorised for issue by the board of directors on 26 February 2019 and the statement of financial position was signed on the board's behalf by Adam McGhin.

These financial statements have been prepared in accordance with Financial Reporting Standard 101 'Reduced Disclosure Framework' (FRS 101).

The company's ultimate parent undertaking, Grainger plc, includes the company in its consolidated financial statements. The consolidated financial statements of Grainger plc are prepared in accordance with International Financial Reporting Standards and are available to the public and may be obtained from Citygate, St James' Boulevard, Newcastle upon Tyne, NE1 4JE.

3. Accounting policies

Basis of preparation

The financial statements have been prepared under the historical cost convention, and in accordance with applicable UK accounting standards.

The financial statements are prepared on the going concern basis in accordance with the Companies Act 2006 and applicable accounting standards in the United Kingdom, which have been applied consistently throughout the year.

Disclosure exemptions

In these financial statements, the company has applied the exemptions available under FRS 101 in respect of the following disclosures:

- (a) Cash flow statement and related notes;
- (b) Comparative period reconciliations for share capital;
- (c) Disclosures in respect of capital management;
- (d) The effects of new but not yet effective IFRSs;
- (e) Disclosures in respect of the compensation of key management personnel.

As the consolidated financial statements of Grainger plc include the equivalent disclosures, the company has also taken the exemptions under FRS 101 available in respect of the following disclosures:

Certain disclosures required by IFRS 13 Fair Value Measurement and the disclosures required by IFRS 7 Financial Instruments: Disclosures.

Revenue recognition

Turnover comprises gross rentals, exclusive of VAT. Gross rentals are recognised on a straight line basis over the lease term on an accruals basis.

Notes to the financial statements *(continued)*

Year ended 30 September 2018

3. Accounting policies *(continued)*

Income tax

The taxation charge for the year represents the sum of the tax currently payable and deferred tax. The charge is recognised in the statement of comprehensive income according to the accounting treatment of the related transaction.

Current tax payable or receivable is based on the taxable income for the period and any adjustment in respect of prior periods and is calculated using tax rates that have been enacted or substantively enacted at the end of the reporting period.

Tax payable upon the realisation of revaluation gains recognised in prior periods is recorded as a current tax charge with a release of the associated deferred tax.

Deferred income tax is recognised, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. Deferred income tax is determined using tax rates (and laws) that have been enacted or substantively enacted at the end of the reporting period and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled. Deferred income tax assets are recognised only to the extent that it is probable that taxable profit will give rise to a future tax liability against which the deferred tax assets can be recovered.

Deferred income tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets against current tax liabilities and when the deferred income tax assets and liabilities relate to income taxes levied by the same tax authority on either the taxable entity or different taxable entities where there is an intention to settle the balances on a net basis.

Stocks

Trading properties are shown in the financial statements at the lower of cost and net realisable value. Cost includes legal and surveying charges incurred during the acquisition plus improvement costs. Net realisable value is the net sale proceeds which the company expects on sale of a property.

Repairs are expensed to the income statement as incurred. Improvement costs are capitalised.

Non-derivative financial instruments

Non-derivative financial instruments comprise trade and other debtors, loans and borrowings, and trade and other creditors.

Trade and other debtors are recognised initially at fair value and subsequently measured at amortised cost using the effective interest method, less provision for impairment.

Trade and other creditors are recognised initially at fair value and subsequently measured at amortised cost using the effective interest method.

Interest-bearing borrowings are recognised initially at fair value less attributable transaction costs. Subsequent to initial recognition, interest-bearing borrowings are stated at amortised cost using the effective interest method, less any impairment losses.

Judgements and key sources of estimation uncertainty

The preparation of the financial statements requires management to make significant judgements, estimates and assumptions that affect the amounts reported. The directors have considered whether there are any such sources of estimation or critical accounting judgements in preparing the financial statements and do not consider there to be any for the purposes of disclosure.

Grainger OCCC Limited

Notes to the financial statements (continued)

Year ended 30 September 2018

4. Turnover

Turnover arises from:

	2018 £	2017 £
Rental income	<u>1,064,490</u>	<u>997,295</u>

The whole of the turnover is attributable to the principal activity of the company wholly undertaken in the United Kingdom.

5. Operating profit

Audit fees of £2,400 (2017: £2,100) are statutory audit fees only and are borne by another group company.

There are no persons holding service contracts with the company (2017: none). None of the directors received any remuneration from the company during the year, or in the previous year, in respect of their services to the company.

6. Interest receivable and similar income

	2018 £	2017 £
Interest on cash and cash equivalents	<u>–</u>	<u>4,813</u>

7. Tax on profit

Major components of tax expense

	2018 £	2017 £
Current tax:		
UK current tax expense	<u>150,793</u>	<u>178,547</u>
Tax on profit	<u>150,793</u>	<u>178,547</u>

There is no unrecognised deferred tax asset in these financial statements.

Reconciliation of tax expense

The tax assessed on the profit on ordinary activities for the year is the same as (2017: the same as) the standard rate of corporation tax in the UK of 19% (2017: 19.50%).

	2018 £	2017 £
Profit on ordinary activities before taxation	<u>793,648</u>	<u>915,627</u>
Profit on ordinary activities by rate of tax	<u>150,793</u>	<u>178,547</u>

Grainger OCCC Limited

Notes to the financial statements (continued)

Year ended 30 September 2018

7. Tax on profit (continued)

Factors that may affect future tax expense

No provisions have been made for tax that would have become payable if the company's properties had been sold at their year end replacement values. The total unprovided deferred tax in respect of this is £2,099,476 (2017: £2,094,037).

A reduction in the UK corporation tax rate from 19% to 17% (effective 1 April 2020) has been substantively enacted. This will reduce the company's future current tax charge accordingly.

8. Dividends

	2018 £	2017 £
Dividends paid	<u>2,932,193</u>	<u>—</u>

9. Stocks

	2018 £	2017 £
Trading properties	<u>18,972,163</u>	<u>18,861,133</u>

The replacement value of stock (sale at market value of the property subject to occupation by a resident) is £31,322,025 (2017: £31,179,000) based on market value at 30 September 2018.

The directors have reviewed the expected sales valuations of the properties. They concluded the net realisable value exceeds the book cost of the properties and therefore no provision against carrying value of stock is required in the current year (2017: £nil).

10. Debtors

	2018 £	2017 £
Trade debtors	40,473	36,487

13. Reserves

Profit and loss account - This reserve records retained earnings and accumulated losses.

14. Contingent liabilities

At 30 September 2018 the company, together with certain of its fellow subsidiaries, has guaranteed the £350,000,000 (2017: £275,000,000) corporate bond issued by Grainger plc, together with bank loans of £390,890,631 (2017: £501,167,944) of certain fellow subsidiaries by means of a legal charge over its assets and book debts. Details of the debt repayment profile are shown in the statutory financial statements of the ultimate parent undertaking, Grainger plc.

15. Related party transactions

The company is exempt from disclosing related party transactions as they are with other companies that are wholly owned within the Grainger plc group.

16. Ultimate parent undertaking and controlling party

The directors regard Grainger plc, a company registered in England and Wales, as the ultimate parent undertaking and the ultimate controlling party, being the parent undertaking of the smallest and largest group to consolidate these financial statements. Copies of the Grainger plc consolidated financial statements may be obtained from The Secretary, Grainger plc, Citygate, St James' Boulevard, Newcastle upon Tyne, NE1 4JE.

Atlantic Metropolitan (U.K.) Limited is the immediate controlling party and parent company by virtue of its 100% shareholding in the company.
