REPORT OF THE TRUSTEES
for the Year Ended 31 March 2021

The Trustees, who are also Directors of the Trust for the purposes of the Companies Act, submit their Report and the Financial Statements for the year ended 31st March 2021. The financial statements comply with the Charities Act 2011, the Companies Act 2006, and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) effective 1 January 2015. As a charitable company, the Trust is governed by a Memorandum and Articles of Association.

REPORT OF THE TRUSTEES
for the Year Ended 31 March 2021

OBJECTIVES AND ACTIVITIES

Review of Activities and Future Developments

The specific object of the Trust is explained within its Articles of Association and, in summary, is: to promote for the benefit of inhabitants of Mudeford Wood, Christchurch, Dorset (and the surrounding area) the provision of facilities by reason of their youth, age, infirmity or disability, financial hardship or, social or economic circumstances or for the public at large in the interests of social welfare and with the object of improving the life of the said inhabitants. In practice this will mean the provision of facilities offering diverse activities for the social, mental and physical wellbeing of the local community, regardless of age, ethnicity or culture. To help achieve this, the Trust engages with and encourages the local community to become involved in the planning of activities and the running of the facilities at Mudeford Wood.

The specific object of the Trust is explained within its Articles of Association and, in summary, is: to promote for the benefit of inhabitants of Mudeford Wood, Christchurch, Dorset (and the surrounding area) the provision of facilities by reason of their youth, age, infirmity or disability, financial hardship or, social or economic circumstances or for the public at large in the interests of social welfare and with the object of improving the life of the said inhabitants. In practice this will mean the provision of facilities offering diverse activities for the social, mental and physical wellbeing of the local community, regardless of age, ethnicity or culture. To help achieve this, the Trust engages with and encourages the local community to become involved in the planning of activities and the running of the facilities at Mudeford Wood.

The Trust's operations meet its public benefit expectations achieved with an enthusiastic set of volunteers running the Community Centre and its associated sporting and other recreational facilities. The Trust assumed responsibility for the Mudeford Wood Community Centre and adjacent all-weather pitch together with access rights to the adjacent field from Christchurch Borough Council within the terms of licence agreements on 1st April 2012 pending the enactment of a lease for the former two areas in November 2013. The Centre is a busy and thriving community based facility that offers a diverse range of activities together with the opportunity for individuals and societies to hire the all-weather pitch, rooms and halls for their members and others. In planning activities for the period the Trustees have considered the Charity Commission's guidance on public benefit and the needs of the local community. The Trust has confirmed its commitment for the Centre to be used for community purposes during a period of emergency and/or local crisis as an evacuation or temporary holding location.

The Trust's approach to costs management together with efficient use of available resources means that the Centre remains a financially viable charitable based organisation. There continues to be a total reliance upon the support and work of many volunteers to enable the Centre to offer the range of activities demanded. The Board is forever grateful for the many hours that substantial numbers of people give freely. The campaign of fund raising and seeking grants continues at a relentless pace to identify funds that can enhance the Centre's facilities and offer. Trustees use the electronic booking system and financial accounting software to produce management reports and information that allows informed decisions to be made about marketing spare capacity and achieving best value for the investments made of time and money. Activity provision has been very challenging during 2020 and 2021. The COVID19 Pandemic resulted in the closure of the Centre and usage of its facilities being suspended for the majority of the period under report. The provision of Government grants enabled the ongoing overhead costs to be met without significant detrimental impact upon the Trust's finances.

Notwithstanding the Pandemic during 2020/2021 the Trust maintained prudent control of its finances to ensure that it remained financially secure, maintained financial reserves that met Charity Commission expectations and most importantly sought to achieve a year-end outturn that would allow it to achieve its primary objective. The Centre's unexpected closure meant that some significant maintenance work was able to be completed. Principal amongst this was the rectification work required to the fireproofing of the internal walls and ceilings. This took some 6 weeks to complete and was able to be programmed to be done during one of the Pandemic lockdown periods meaning that hirers were not disrupted when the Centre could open albeit with significant COVID19 related restrictions in place.

**REPORT OF THE TRUSTEES
for the Year Ended 31 March 2021**

The Trust continues to face many challenges as people and circumstances change. This was not demonstrated more clearly than the forced closure of the Centre between the latter part of March and early September 2020 and again from late October 2020 until some easing of restrictions in March 2021 due to the COVID-19 global pandemic. The Trust remained in close contact and co-operated fully with the Local Authority and its published guidance for allowing outdoor and indoor activities. It wasn't until July 2021 that restrictions were lifted sufficiently to allow many activities to be resumed with the Trust reintroducing them in a phased way and resolving to not fully reopen all facilities for all activities until October 2021. The Trust is currently pursuing a recruitment process for a new Centre Co-ordinator following the departure of the previous incumbent and was pleased to be able to employ a new young person on a part-time basis that will help provide that individual with some work experience as has happened with previous young persons.

On behalf of the Trust, the Board is very grateful to the many individuals and organisations that have contributed either with their time or money (or both) in the last year. Every contribution has been much appreciated. As alluded to previously the award of Central Government grants has helped preserve the Trust's financial position and viability during the last 18 months.

Volunteers/Fundraising

The Trust is supported by the volunteer activities of its Trustees in roles beyond their Governance responsibilities, together with a wider network of volunteers who provide help in many ways. During a normal period there is an expectation that around 80 volunteers would engage with the Trust in some way with around 30 involved in activities on a regular basis. During the last 18 months there has been a reliance upon a much smaller number of Trustees and other volunteers to attend to urgent matters arising and needing attention. The Trust is extremely grateful to those people. The Trust's Fund Raising in future will continue to be focused towards both grant and sponsorship applications for specific projects together with our many and growing number of community-based Fund Raising events that will help grow our unrestricted reserves.

FINANCIAL REVIEW

Financial Result

Achievement of the reported outturn for 2020/2021 was largely a consequence of the Central Government grants and the Furlough Scheme payments awarded during the financial period. The outturn reported a relatively small loss as a consequence. It is hoped that as activities resume that the growth enjoyed over recent years will persist enabling more funds to be applied to this important community facility. The Trust benefits from its computerised systems that allow precise budgeting and financial planning that have proved invaluable during this period. Much of the systems and processes have been digitalised removing the need for paper records. The Trust has ensured that data back-up is secure with records also held remotely from the Centre as a part of the Trust's Disaster Recovery Plan. The Trust takes active steps to ensure that data is managed in accordance with current Data Protection legislation and is registered with the Information Commissioner. The Trust is registered with PRS/PPL and holds a Music Licence on behalf of the Centre and its hirers. Taking account of the reserve funds established, and as recorded within Note 1 to the Accounts, the Trust had free cash of around £30k at 1st April 2021. The Trust remains mindful of the competitive environment for securing grant funds with Trustees undertaking regular financial reviews at their meetings to ensure that the wide range of activities available at the Community Centre operate at least at balance or ideally at a sensible surplus to maintain future financial independence and viability.

There was one member of staff - a Centre Co-ordinator - employed directly upon MWCT's payroll during this accounting period. This member of staff left the Trust's employment at the end of March 2021. Other services were delivered against consultancy or other contracts and paid following receipt of invoices. In all cases contracts and payments were agreed in advance by the Board of Trustees before delivery commenced. One member of Staff was eligible and registered for the work-place pension until his departure at the end of March 2021. The Trust is registered for VAT. Payments were received in respect of the member of staff placed upon the Government Furlough scheme during the period late March until the end of February 2021. The Trust continued to pay the member of staff 100% of his salary during the period of furlough accepting the contribution it was making as a goodwill gesture to preserve that staff member's total income. For some of the period only a proportion of the Furlough payments were claimed reflecting the hours worked in accordance with the associated legislation.

The Trust has been grateful for the good working relationships developed with and support from its unitary local authority - the Bournemouth, Poole and Christchurch Council.

REPORT OF THE TRUSTEES
for the Year Ended 31 March 2021

FINANCIAL REVIEW

Reserves

The Trustees regularly review the reserves of the Trust. The Trustees review the level required each financial year taking account of both increased costs and an unpredictable fund raising environment. The operational reserve was increased to £60,000 in 2016 and represents free reserves that are around 12 months of minimum operating costs. Low inflation and management of overhead costs have meant that Trustees have confirmed that this level of reserves continues to provide an adequate financial cushion. Prudent costs management will ensure that this position is maintained during 2021/2022 financial period with a further review occurring as may be required.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governance and internal control

The Trust, which is a registered Charity, is limited by guarantee and does not have a share capital. The liability of each Member under guarantee (who are also the Trustees/Directors) does not exceed the sum of £10. It is governed by a Memorandum and Articles of Association. The Trustees receive no remuneration for their services. The Trustees who served during the year are as shown on page 1.

In normal circumstances, the Board of Trustees generally meets face-to-face on the second Friday of alternate months and by other means as may be required. During this financial period only informal contact has been possible with any key decisions being notified and agreed by email or other remote means. No matters have been required to be the subject of formal resolution and record. The Board is, in normal circumstances, supported by Trustee-led Working Groups that have more detailed responsibility for the following matters: Operations, Premises Maintenance and Development; Marketing and Communications; Volunteer Management; and, Finance and Governance. The role and composition of the Working Groups is reviewed each year. The Board undertakes regular reviews to ensure that it remains an effective Body that achieves an appropriate balance between operational and strategic involvement. It follows Charity Commission guidance in this matter.

The systems of internal control are designed to provide reasonable, but not absolute, assurance against material misstatement or loss. They include:

- A Business Plan and an annual Budget approved by the Trustees;
- Management accounts which show variance from budget and re-forecast anticipated results for the year, which are reviewed by the Trustees; and
- Delegation of authority and reasonable segregation of duties.

Risk Management

The Trustees actively review the major risks, which the Trust faces on a regular basis. Recognising its size and scope, the Trust has developed appropriate systems to monitor and control these risks and to mitigate any impact they may have on the Trust's future. All activities are risk assessed and the Trust engages with its Insurers to ensure that adequate assessment has been completed and appropriate cover is in place.

REPORT OF THE TRUSTEES
for the Year Ended 31 March 2021

STATEMENT OF TRUSTEES' RESPONSIBILITIES

Company and charity law requires the Trustees to prepare financial statements that give a true and fair view of the state of affairs of the Charitable Trust and Company at the end of each financial year and of its surplus or deficit for that financial year. In preparing those financial statements, the Trustees are required to:

- Select suitable accounting policies and then apply them consistently;
- Make judgements and estimates that are reasonable and prudent; and
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Trust will continue in business.

The Trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with Section 396 of the Companies Act 2006. The Trustees are also responsible for safeguarding the assets of the Charitable Trust and Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Independent Examination

The Trust is entitled to exemption from a full audit under Section 477(1) of the Companies Act 2006 for the period ended 31st March 2021.

The Members have not required the Trust to obtain a full audit of its financial statements for the period ended 31st March 2021 in accordance with Section 476 of the Companies Act 2006.

The Members have required the Trust to obtain an Independent Accountant's Report of its financial statements for the period ended 31st March 2021.

Approved by the Board of Trustees/Directors on 3 October 2021 and signed on its behalf by:

Richard Ashdown - Trustee

**INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF
MUDEFORD WOOD COMMUNITY TRUST**

Independent examiner's report to the trustees of Mudeford Wood Community Trust ('the Company')

I report to the charity trustees on my examination of the accounts of the Company for the year ended 31 March 2021.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5) (b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

The charitable company is entitled to exemption from audit under Section 477 of the Companies Act 2006 for the year ended 31 March 2021.

The members have not required the company to obtain an audit of its financial statements for the year ended 31 March 2021 in accordance with Section 476 of the Companies Act 2006.

The trustees acknowledge their responsibilities for

- (a) ensuring that the charitable company keeps accounting records that comply with Sections 386 and 387 of the Companies Act 2006 and
- (b) preparing financial statements which give a true and fair view of the state of affairs of the charitable company as at the end of each financial year and of its surplus or deficit for each financial year in accordance with the requirements of Sections 394 and 395 and which otherwise comply with the requirements of the Companies Act 2006 relating to financial statements, so far as applicable to the charitable company.

BALANCE SHEET - continued

31 March 2021

These financial statements have been prepared in accordance with the provisions applicable to charitable companies subject to the small companies regime.

The financial statements were approved by the Board of Trustees and authorised for issue on 3 October 2021 and were signed on its behalf by:

Richard Ashdown - Trustee

NOTES TO THE FINANCIAL STATEMENTS
for the Year Ended 31 March 2021

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charitable company, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

Income

Grants and donations are accounted for as they are received. All other income including income tax recoverable on gift-aid donations is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Leasing

Rentals paid under operating leases are charged to the SOFA on a straight line basis over the term of the lease.

Tangible fixed assets

These are capitalised if they can be used for more than one year and cost at least £500.

Leasehold land & buildings are depreciated over the outstanding period of the lease, being 20 whole years at March 2018, and fixtures and fittings over 4 years; once they are put into operational use.

Stocks

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

Taxation

The charity is exempt from corporation tax on its charitable activities.

Fund accounting

There are two funds held, namely the Restricted Income Fund and the General Purposes Fund.

The Restricted Income Fund comprises of £165,737 (2020 £180,485) for the Centre's phase 2 development.

The General Purposes Fund of £287,348 (2020 £279,658) includes £40,000 for the completion of the phase 2 development, £30,000 towards 2018-19 projects, £20,510 toward several capital projects within the 5 year strategic plan, £21,250 for emergency capital maintenance, £62,258 strategic reserve as per Charity Commission guidelines and £30,000 free cash.
