- (b) make or permit any material alterations to any Property, or sever or remove, or permit to be severed or removed, any of its fixtures;
- (c) remove or make any material alterations to any of the plant and machinery belonging to, or in use by, the Chargor on any Property (except to effect necessary repairs or replace them with new or improved models or substitutes);

- (h) enter into any onerous or restrictive obligations affecting the whole or any part of any Property, or create or permit to arise any overriding interest, easement or right whatever in or over the whole or any part of any Property.

2.3 If the title to any Property is not registered at the Land Registry, the Chargor shall procure that no person (other than itself) shall be registered under the Land Registration Acts 1925 to 2002 as proprietor of all or any part of any Property without the prior written consent of the Lender. The Chargor shall be liable for the costs and expenses of the Lender in lodging cautions against the registration of the title to the whole or any part of any Property from time to time.

2.4 The Chargor consents to an application being made by the Lender to the Land Registrar for the following restriction in Form P to be registered against its title to each Property:

3 Investments undertakings

3.1 Where any Investment or Investments are specified in Part B of Schedule 2, each Chargor with respect to its Investments shall:

- (a) on the execution of this deed, or (if later) within any time period specified in the Loan Agreement, deliver to the Lender, or as the Lender may direct, all stock or share certificates and other documents of title or evidence of ownership relating to any Investments owned by the Chargor at that time;
- (b) on the purchase or acquisition by it of Investments after the date of this deed, deposit with the Lender, or as the Lender may direct, all stock or share certificates and other documents of title or evidence of ownership relating to those Investments;
- (c) at the same time as depositing documents with the Lender, or as the Lender may direct, in accordance with sub-clauses (a) and (b), the Chargor shall also deposit with the Lender, or as the Lender may direct:
 - (i) all stock transfer forms relating to the relevant Investments duly completed and executed by or on behalf of the Chargor, but with the name of the transferee, the consideration and the date left blank; and
 - (ii) any other documents (in each case duly completed and executed by or on behalf of the Chargor) that the Lender may reasonably request to enable it or any of its nominees, or any purchaser or transferee, to be registered as the owner of, or otherwise obtain a legal title to, or to perfect its security interest in any of the relevant Investments,

so that the Lender may, at any time and without notice to the Chargor, complete and present those stock transfer forms and other documents to the issuer of the Investments for registration;

- (d) obtain all consents, waivers, approvals and permissions that are reasonably required, under the articles of association (or otherwise) of an issuer of any Investments, for the transfer of the Investments to the Lender or its nominee, or to a purchaser on enforcement of the security constituted by this debenture;
- (e) procure the amendment of the share transfer provisions (including, but not limited to, deletion of any pre-emption provisions) under the articles of association, other constitutional document or otherwise of each issuer of the Investments in any manner that the Lender may

reasonably require in order to permit the transfer of the Investments to the Lender or its nominee, or to a purchaser on enforcement of the security constituted by this debenture;

- (f) indemnify the Lender against any loss or liability incurred by the Lender (or its nominee) as a consequence of the Lender (or its nominee) acting in respect of the Investments at the direction of the Chargor; and
- (g) promptly following receipt, send to the Lender copies of any notice, circular, report, accounts and any other document received by it that relates to the Investments.

3.2 Before the security constituted by this debenture becomes enforceable:

- (a) the Chargor may retain and apply for its own use all dividends, interest and other monies paid or payable in respect of the Investments and, if any are paid or payable to the Lender or any of its nominees, the Lender will hold all those dividends, interest and other monies received by it for the Chargor and will pay them to the Chargor promptly on request; and
- (b) the Chargor may exercise all voting and other rights and powers in respect of the Investments or, if any of the same are exercisable by the Lender or any of its nominees, to direct in writing the exercise of those voting and other rights and powers provided that:
 - (i) it shall not do so in any way that would breach any provision of the Loan Agreement or this debenture or for any purpose inconsistent with the Loan Agreement or this debenture; and
 - (ii) the exercise of, or the failure to exercise, those voting rights or other rights and powers would not, in the Lender's opinion, have an adverse effect on the value of the Investments or otherwise prejudice the Lender's security under this debenture.

3.3 After the security constituted by this debenture has become enforceable:

- (a) all dividends and other distributions paid in respect of the Investments and received by the Chargor shall be held by the Chargor on trust for the Lender and immediately paid to the Lender or, if received by the Lender, shall be retained by the Lender; and
- (b) all voting and other rights and powers attaching to the Investments shall be exercised by, or at the direction of, the Lender and the Chargor shall, and shall procure that its nominees shall, comply with any directions the Lender may give, in its absolute discretion, concerning the exercise of those rights and powers.

3.4 The Lender shall not, by exercising or not exercising any voting rights or otherwise, be construed as permitting or agreeing to any variation or other change in the rights attaching to or conferred by any of the Investments that the Lender considers prejudicial to, or impairing the value of, the security created by this debenture.

3.5 Notwithstanding the security created by this debenture, the Chargor shall promptly pay all calls, instalments and other payments that may be or become due and payable in respect of all or any of the Investments. The Chargor acknowledges that the Lender shall not be under any liability in respect of any such calls, instalments or other payments.

3.6 The Chargor shall not, without the prior written consent of the Lender, amend, or agree to the amendment of:

- (a) the memorandum or articles of association, or any other constitutional documents, of any issuer of the Investments that is not a public company; or
- (b) the rights or liabilities attaching to, or conferred by, all or any of the Investments.

3.7 The Chargor shall ensure (as far as it is able to by the exercise of all voting rights, powers of control and other means available to it) that any issuer of the Investments that is not a public company shall not:

- (a) consolidate or subdivide any of the Investments, or re-organise, exchange, repay or reduce its share capital in any way;
- (b) issue any new shares or stock to any party other than its existing shareholder(s) in proportion to the existing holding of shares or stock;
- (c) refuse to register any transfer of any of the Investments that may be lodged with it for registration by, or on behalf of, the Lender or the Chargor in accordance with this debenture.

4 Conversion of floating charge to fixed charge

4.1 The Lender may, by notice to all or any of the Chargors, convert the floating charge created under this debenture into a fixed charge as regards any part of the Secured Assets specified in that notice. Following such notice, each relevant Chargor will not dispose of the affected Secured Assets without the Lender's consent.

4.2 Any floating charges created by clause 3.2 of this debenture will automatically become fixed charges over the assets subject to that floating charge if:

- (a) any resolution is passed or an order is made for the winding-up, dissolution, administration or other reorganisation of any Chargor;
- (b) any Chargor:
 - (i) creates (or attempts to create), without the prior written consent of the Lender (such consent not to be unreasonably withheld or delayed), security or a trust in favour of another person over any of the Secured Assets; or
 - (ii) disposes, or attempts to dispose, of all or any part of the Secured Assets (other than Secured Assets that are only subject to the floating charge while it remains uncrystallised or any disposal which is permitted under this debenture or the Loan Agreement);
- (c) any steps are taken (or there is an intention to take any such steps) for the appointment of an administrator in respect of any Chargor; or
- (d) any person levies (or attempts to levy) any distress, attachment, execution or other process against all or any part of the Secured Assets.

5 Possession and enforceability

5.1 The Lender does not have an immediate right to possession of any Secured Asset or its income (and will not be considered to be taking possession if it enters to inspect or repair any Secured Asset). Each Chargor will continue in possession until the Lender takes possession.

5.2 The Lender may take possession and enforce this debenture if:

- (a) an Event of Default occurs which is continuing;
- (b) the Lender demands payment of the Secured Liabilities;
- (c) any Chargor asks the Lender, or the Lender receives notice of intention, to appoint an administrator or an administration application is made;

- (d) a meeting is called or a petition is presented for the liquidation of any Chargor; or
- (e) any security is enforced in respect of any assets of any Chargor.

5.3 For the purposes of all powers implied by statute, the Secured Liabilities are deemed to have become due and payable on the date of this debenture. The power of sale and other powers conferred by section 101 of the Law of Property Act 1925 (as varied or extended by this debenture) shall be immediately exercisable at any time after the Security has become enforceable under clause 5.1 of this debenture.

5.4 No purchaser, mortgagee or other person dealing with the Lender or a receiver will be obliged or be concerned to enquire:

- (a) whether any of the Secured Liabilities have become due or payable, or remain unpaid or undischarged;
- (b) whether any power the Lender or a receiver is purporting to exercise has become exercisable or is properly exercisable; or
- (c) how any money paid to the Lender or a receiver is to be applied.

5.5 The Lender will not be liable to account to any Chargor for any money not actually received by the Lender.

6 Receivers

6.1 Any receiver appointed by the Lender pursuant to this debenture will be each relevant Chargor's agent and the relevant Chargor (and not the Lender) will be responsible for the acts, defaults and remuneration of the receiver. The Lender may fix and pay the receiver's fees and expenses at the expense of the relevant Chargor.

6.2 The Lender's power to appoint a receiver pursuant to clause 6 of this debenture is in addition to its powers under the Insolvency Act 1986, the Law of Property Act 1925 or otherwise. All such powers remain exercisable despite any prior appointment in respect of any or all of the Secured Assets.

7 Powers of the Lender

7.1 In addition to any powers conferred by statute, the Lender or any receiver may, at any time after the Security has become enforceable pursuant to clause 5.1 of this debenture:

- (a) carry on any Chargor's business or part thereof;
- (b) enter, take possession of, and/or generally manage any Secured Assets and for that purpose enter on any premises where a Secured Asset is situated (or where the Lender or a receiver reasonably believes a Secured Asset to be situated) without incurring any liability to any Chargor, or by any reason of, that entry. The relevant Chargor will use best endeavours to allow the Lender or a receiver access to any premises for these purposes;
- (c) complete any unfinished works or carry out any new works of building, reconstruction, maintenance or repair on any property;
- (d) purchase any Secured Asset or other property and purchase, grant or release any interest in or right over property or the benefit of any covenants affecting that property. References to property or Secured Assets include land or property that is purchased by the Lender or a receiver under this power;
- (e) sell, charge or deal with the Secured Assets without restriction;

- (f) lease, make agreements for leases at a premium or otherwise, accept surrenders for leases and grant options or vary or reduce any sum payable under any leases or tenancy agreements, in each case on such terms and conditions as it thinks fit, without the need to comply with any of the provisions of sections 99 and 100 of the Law of Property Act 1925;
 - (g) complete any transactions by executing any deeds or documents in the name of the relevant Chargor;
 - (h) take, continue or defend any proceedings and enter into any arrangement or compromise;
 - (i) insure the Secured Assets and any works, arrange indemnity and other similar insurance, and obtain bonds and give counter-indemnities and other security in connection with this;
 - (j) call up any uncalled capital with all the powers conferred by the relevant Chargor's articles of association or members' agreement;
 - (k) to the extent any of the Secured Assets constitute "financial collateral" within the meaning set out in the Financial Collateral Arrangements (No.2) Regulations 2003, appropriate all or part of such Secured Assets in or toward the satisfaction of the Secured Liabilities. The value of the Secured Assets so appropriated will be the market price at the time the right of appropriation is exercised as determined by the Lender by reference to such method or source of valuation as the Lender selects, including independent valuation. The parties agree that the methods of valuation provided for in this paragraph are commercially reasonable for the purposes of the Financial Collateral Arrangements (No.2) Regulations 2003;
 - (l) employ advisers, consultants, managers, agents, workmen and others;
 - (m) purchase or acquire materials, tools, equipment, furnishing, goods or supplies;
 - (n) do any acts which the Lender or a receiver considers to be incidental or beneficial to the exercise of their powers;
 - (o) give receipts and execute all assurances the Lender or a receiver thinks proper or desirable;
 - (p) lend or advance credit (in the course of the relevant Chargor's business) to any person;
 - (q) complete any registrations for or on behalf of the relevant Chargor; and
 - (r) create a subsidiary (within the meaning of section 1159 of the Companies Act 2006) of any Chargor.
- 7.2 In the exercise of the powers conferred by this debenture, the Lender or a receiver may sever and sell plant, machinery and other fixtures separately from the property to which they may be annexed and it may apportion any rent or other amount without the consent of the Chargor.
- 7.3 A receiver may borrow and secure the repayment of any money, in priority to the Secured Liabilities.
- 7.4 Joint receivers may exercise their powers jointly or separately.
- 7.5 A receiver will first apply any money received from the Secured Assets towards the repayment of all money that the receiver has borrowed and secondly in payment of the receiver's fees and expenses. The receiver will then apply any remaining money received as required by law.
- 7.6 The Lender may exercise any of its powers even if a receiver has been appointed.

7.7 The Lender may exercise any rights attached to charged stock, shares and other securities as it considers necessary to preserve the value of, or realise, that Secured Asset. Otherwise the Lender will only exercise those rights as instructed by the relevant Chargor.

7.8 The Lender and each receiver is entitled to all the rights, powers, privileges and immunities conferred by the Law of Property Act 1925 on mortgagees and receivers.

8 Application of payments

The Lender may apply any payments received pursuant to this debenture to reduce any of the Secured Liabilities in such manner as the Lender may decide.

9 Preservation of other security and rights and further assurance

9.1 The security created by this debenture will be continuing Security and will remain in full force and effect whether any payment or settlement of any part of the Secured Liabilities has been or will be made and until the Security is released in accordance with the terms of this debenture. The Lender may act or refrain from acting in relation to any of the rights granted to it under this debenture in such manner and on such terms as it sees appropriate for the circumstances at that time. If there is more than one Chargor, the Lender may proceed against whichever Chargor it selects without needing to explain or undertake to proceed against any other Chargor.

9.2 The Security is in addition to any other security for the Secured Liabilities held by the Lender now or in the future. The Lender may consolidate this debenture with any other security so that they have to be redeemed together, but it will not merge with or prejudice any other security or the Lender's other rights.

9.3 On request, each Chargor will, at its own expense, execute any deed or document, or take any other action reasonably required by the Lender, to perfect, protect, maintain, enhance or facilitate the realisation or enforcement of the Security.

10 Costs and expenses, indemnities and default interest

10.1 The Chargors will promptly on receipt of an invoice from the Lender pay to, or reimburse (on a full indemnity basis) the Lender for, all costs and expenses (including legal fees) incurred by the Lender or a receiver in connection with:

- (a) this debenture, the other Finance Documents or the Secured Assets;
- (b) taking, holding, protecting, preserving or enforcing (or attempting to do so) any of the Lender's or a receiver's rights under this debenture; or
- (c) taking proceedings for, or recovering, any of the Secured Liabilities.

10.2 The Chargors will jointly and severally indemnify the Lender and any receiver against all liabilities, costs (including professional costs), expenses, damages and losses (calculated on a full indemnity basis) suffered or incurred by any of them arising out of or in connection with:

- (a) the exercise of any rights, powers, authorities or discretions vested in them under the debenture or by law;
- (b) taking, holding, protecting, perfecting, preserving or enforcing (or attempting to do so) the Security; or
- (c) any default or delay by a Chargor in performing any of its obligations under this debenture.

- 10.3 Interest will accrue on any amounts overdue under this debenture from the due date up to the date of actual payment (both before and after judgment) at the rate provided for in the Loan Agreement and will be immediately payable on demand by the Lender. Such interest (if unpaid) will accrue daily on the basis of a 365-day year.
