TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT)

FOR THE YEAR ENDED 30 SEPTEMBER 2021

The trustees present their annual report and financial statements for the year ended 30 September 2021.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the charity's memorandum and articles of association, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)".

Objectives and activities

The charity's object is the advancement of the Christian Faith. UKMM began activities in February 2012. From the original three families that moved from America, the church the charity planted continues to grow. The pandemic of 2020 greatly hindered the hospitality elements of the work but they continue contact with various families and give teaching on Bible principles in various areas of home, vocation and church life. Their contacts come from the U.K. and as far afield as Germany, Netherlands, Sweden, France and Switzerland. They also work with immigrants from Eastern Europe.

The charity has their own meeting house at Gillawarra, Clun Road, Craven Arms, Shropshire, SY7 9AA. Regular meetings for worship, teaching and fellowship are held. Sunday School is also provided for the families who attend. The church property was purchased in April 2020. It was a residential property in Craven Arms for which planning permission was granted to convert to a church and an extension for a meeting room. Building works commenced in May 2020.

Extensive support has been provided for those involved in Home Schooling. The charity's subsidiary trading company has seen a steady demand for Rod & Staff school publications and other teaching materials. The 14th annual Bible Conference took place in December 2021, at the Cefn Lea Conference Centre in Wales. Due to Covid restrictions this was primarily attended by delegates from the UK, plus Ireland, the USA and Canada.

The Trustees have considered the Commission's guidance on public benefit, and in particular, the specific guidance on charities for the advancement of religion, and are committed to providing a place of worship, community and pastoral care and support for those who attend the church, as well as for those in the local community who are known to be in need. All of the Church's activities are focused around the worship of God, obedience to the Word of God and the expression of the love of Jesus to those affiliated to the local Mennonite church and to the surrounding communities.

In line with many other charities UK Mennonite Ministries is heavily reliant on the services of volunteers who assist in various ways to achieve the charities objectives and the trustees are grateful to those who give their services voluntarily.

Achievements and performance

The charity operates a church known as the Shropshire Hills Mennonite Church which has welcomed new members and now has a total of twenty-eight adults. Three ordained ministers share the duties of pastoring and teaching. All the sermons are recorded and made available for local and national distribution. These CDs have been widely distributed, together with publications such as 'The Christian Contender', 'The Christian Example', 'The Christian School Builder', 'The Christian Pathway' and 'The Wee Lambs'.

TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT) (CONTINUED)

FOR THE YEAR ENDED 30 SEPTEMBER 2021

The charity has been able to resume the activities of outreach through revival meetings, 'Songs of Praise', and singing and passing tracts on the streets.

The charity has a part time school to assist families in the church community to home educate their children and also help other families with education. The trustees have made small gifts to individuals to meet financial needs. The subsidiary company, Shepherd Hills Furniture Limited has continued to grow and its hand crafted, hardwood furniture has retail outlets in Shrewsbury and Craven Arms. The latter is also a Christian bookshop and tea room.

UKMM has a ministry where singles can be mentored by living within the church community. This mentoring includes spiritual teaching and learning the disciplines and practical life skills required to be an asset to the community and to society. More youth are welcomed to this ministry.

Shepherd Hills Bible Correspondence Courses has also been established and provides free Bible Study courses including exams and grading.

Financial review

During the year under review the charity had a surplus of income over expenditure of £92,147 ((2020- £333,243). The trustees are grateful for the continued financial support of United Kingdom Mennonite Ministries which has made donations and loans to UK Mennonite Ministries and has confirmed that it will continue to support the UK charity financially in order to meet its charitable objectives.

It is the policy of the charity that net current assets held in unrestricted funds which have not been designated for a specific use should be maintained at a level equivalent to between one and three month's expenditure. The trustees consider that reserves at this level will ensure that, in the event of a significant drop in funding, they will be able to continue the charity's current activities while consideration is given to ways in which additional funds may be raised. Unrestricted net current liabilities at the end of the year were £112,121 which includes loans payable of £146,182. While these loans are repayable on demand, the lenders are fully aware of the charity's financial affairs and have confirmed that they will continue to support the charity financially in order to meet its charitable objectives. Excluding these loans, unrestricted net current assets at the year end were £34,061 which is close to three month's unrestricted fund expenses amounting to £34,881. The trustees are working towards improving reserves but recognise that at present they are totally reliant on the continued financial support of United Kingdom Mennonite Ministries in the USA. The board of that organisation has confirmed it will support the UK charity to ensure its continued future operations.

Reference and administrative Information is provided on the page following the cover sheet.

The trustees have assessed the major risks to which the charity is exposed, and are satisfied that systems are in place to mitigate exposure to the major risks.

Structure, governance and management

The charity is a company limited by guarantee.

The trustees, who are also the directors for the purpose of company law, and who served during the year and up to the date of signature of the financial statements were:

TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT) (CONTINUED)

FOR THE YEAR ENDED 30 SEPTEMBER 2021

The trustees of the charity are also members of the charity. Trustees must retire by rotation, one third every year. Trustees are appointed by existing trustees and new trustees are familiarised with their duties and responsibilities by existing trustees. During the year under review Kenneth Witmer, James Byler and John Fisher retired by rotation and all were re-appointed.

None of the trustees has any beneficial interest in the company. All of the trustees are members of the company and guarantee to contribute £10 in the event of a winding up.

The charity is associated with the North Central Mennonite Churches in the United States. The trustees of the charity are under the spiritual oversight of the bishop and counselling bishops in the US. The North Central Mennonite Churches have set up an organisation in the US called United Kingdom Mennonite Ministries which has raised money for the activities in the UK. However, the UK charity operates independently from the US charity and is financially and administratively self-governing. The US organisation, United Kingdom Mennonite Ministries, has total control of funds it raises and is at liberty to remit or restrict these funds for use in the UK. Spiritual oversight and direction in the UK is provided by two church leaders, one of whom works on a voluntary basis.

The charity has a wholly owned subsidiary, Shepherd Hills Furniture Limited, which manufactures and sells furniture and also retails books and bakery items to generate funds for UK Mennonite Ministries. The intention is that all the profits of Shepherd Hills Furniture Limited will be gifted to UK Mennonite Ministries once it has resources to do so.

The trustees' report was approved by the Board of Trustees.

As the trustees of the charity (and also its directors for the purposes of company law) you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006 (the 2006 Act).

Having satisfied myself that the financial statements of the charity are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the charity's financial statements carried out under section 145 of the Charities Act 2011 (the 2011 Act). In carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5) (b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of the charity as required by section 386 of the 2006 Act; or
- 2 the financial statements do not accord with those records; or
- 3 the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
- 4 the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 30 SEPTEMBER 2021

1 Accounting policies

Charity information

UK Mennonite Ministries is a private company limited by guarantee incorporated in England and Wales. The registered office is 44 Shrewsbury Road, Craven Arms, Shropshire, SY7 9PY, UK.

1.1 Accounting convention

The financial statements have been prepared in accordance with the charity's memorandum and articles of association, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)". The charity is a Public Benefit Entity as defined by FRS 102.

The charity has taken advantage of the provisions in the SORP for charities applying FRS 102 Update Bulletin 1 not to prepare a Statement of Cash Flows.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The accounts have been prepared under the historical cost convention, modified to include the revaluation of certain financial instruments at fair value. The principal accounting policies adopted are set out below:

1.2 Going concern

The charity is supported by a charitable organisation in the United States of America which has indicated that it will continue to support the UK charity until it has sufficient other sources of income to be self supporting. The directors therefore have a reasonable expectation that the charity will have adequate resources to continue in operational existence for at least a further 12 months. Accordingly, they continue to adopt the going concern basis in preparing the annual report and financial statements.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives.

Restricted funds are subject to specific conditions by donors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the accounts.

1.4 Incoming resources

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the charity has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid is recognised at the time of the donation.

In accordance with the Charities SORP (FRS 102), general volunteer time is not recognised in these accounts. More information about the contribution of volunteers is provided in the trustees' report.

1.5 Resources expended

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement, and the amount of the obligation can be measured reliably.

Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges are allocated on the portion of the asset's use.

Expenditure is recognised once there is a legal and constructive obligation to make a payment to a third party, it is probable that settlement will be required and the amount of the obligation can be measured reliably.

Grants and donations payable are taken into account at the earlier of when they are paid or become legally enforceable.

Other than normal commitments under contracts of employment there are no contractual or constructive obligations to future expenditure at the balance sheet date. Where the trustees have authorised expenditure which is not yet legally enforceable or has become a constructive obligation, amounts are set aside into funds designated for the purpose.

1.6 Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses. Assets costing £250 or less are not capitalised but written off as an expense in the year in which the expenditure is incurred.

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Buildings	50 years - land is not depreciated
Fixtures, fittings & equipment	25% straight line

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognised in the statement of financial activities.

1.7 Fixed asset investments

Fixed asset investments are initially measured at transaction price excluding transaction costs, and are subsequently measured at fair value at each reporting date unless fair value cannot be measured reliably in which case it is measured at cost less impairment. Changes in fair value are recognised in net income/ (expenditure) for the year. Transaction costs are expensed as incurred.

1.8 Impairment of fixed assets

At each reporting end date, the charity reviews the carrying amounts of its tangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

1.9 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

1.10 Financial instruments

The charity has only financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value or fair value.

1.11 Employee benefits

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

Termination benefits are recognised immediately as an expense when the charity is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

1.12 Foreign exchange

Transactions denominated in foreign currencies are recorded at the rate ruling at the date of the transaction.

Monetary assets and liabilities denominated in foreign currencies are translated into sterling at the rates of exchange ruling at the balance sheet date. Net exchange differences are included in the statement of financial activities; gains in other incoming resources and losses in support costs.

1.13 Amounts owing to or from group companies

Amounts owing to or from group companies are stated in the balance sheet at the amount of capital outstanding plus interest accrued and unpaid at the balance sheet date.

2 Critical accounting estimates and judgements

In the application of the charity's accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.
