- (a) serve a notice of assignment, substantially in the form of Part 1 of Schedule 4 (*Forms of Letter for Insurers*), on each counterparty to an Insurance; and

7. **Other contracts**

- (a) If the Security Agent so requests while an Event of Default is continuing, each Chargor must:
 - (i) serve a notice of assignment, substantially in the form of Part 1 of Schedule 5 (*Forms of Letter for Other Contracts*), on each counterparty to a Relevant Contract (other than a Partnership Agreement or the Servicing Agreement); and

- (b) Each Partner, acknowledges that this Deed constitutes notice to it of the assignment and fixed charge given by each Partner in favour of the Security Agent pursuant to Clause 2.6 (*Partnership interests*) of this Deed.

8. **When Security Becomes Enforceable**

8.1 **Event of Default**

This Security will be immediately enforceable while an Event of Default is continuing.

8.2 **Discretion**

After this Security has become enforceable, the Security Agent may enforce all or any part of this Security in any manner it sees fit or as instructed in accordance with the Facilities Agreement.

8.3 ***Statutory powers***

The power of sale and other powers conferred by section 101 of the Act, as amended by this Deed, will be immediately exercisable at any time after this Security has become enforceable.

9. **Enforcement of Security**

9.1 ***General***

- (a) For the purposes of all powers implied by statute, the Secured Liabilities are deemed to have become due and payable on the date of this Deed.
- (b) Section 103 of the Act (restricting the power of sale) and section 93 of the Act (restricting the right of consolidation) do not apply to this Security.
- (c) The statutory powers of leasing conferred on the Security Agent are extended so as to authorise the Security Agent to lease, make agreements for leases, accept surrenders of leases and grant options as the Security Agent may think fit and without the need to comply with any provision of section 99 or section 100 of the Act.

9.2 ***No liability as mortgagee in possession or creditor in possession***

Neither the Security Agent nor any Receiver will be liable, by reason of entering into possession of a Security Asset, to account as mortgagee in possession or creditor in possession or for any loss on realisation or for any default or omission for which a mortgagee in possession or creditor in possession might be liable.

9.3 ***Privileges***

The Security Agent and each Receiver is entitled to all the rights, powers, privileges and immunities conferred by the Act on mortgagees and receivers duly appointed under the Act, except that section 103 of the Act does not apply.

9.4 ***Protection of third parties***

No person (including a purchaser) dealing with the Security Agent or a Receiver or its or his/her agents will be concerned to enquire:

- (a) whether the Secured Liabilities have become payable;
- (b) whether any power which the Security Agent or a Receiver is purporting to exercise has become exercisable or is being properly exercised;
- (c) whether any money remains due under the Transaction Documents; or
- (d) how any money paid to the Security Agent or to that Receiver is to be applied.

9.5 ***Redemption of prior mortgages***

- (a) At any time after this Security has become enforceable, the Security Agent may:
 - (i) redeem any prior Security against any Security Asset; and/or
 - (ii) procure the transfer of that Security to itself; and/or

- (iii) settle and pass the accounts of the prior mortgagee, chargee or encumbrancer; any accounts so settled and passed will be, in the absence of manifest error, conclusive and binding on each Chargor.
- (b) Each Chargor must pay to the Security Agent, immediately on demand, the costs and expenses incurred by the Security Agent in connection with any such redemption and/or transfer, including the payment of any principal or interest.

9.6 **Contingencies**

If this Security is enforced at a time when no amount is due under the Transaction Documents but at a time when amounts may or will become due, the Security Agent (or a Receiver) may pay the proceeds of any recoveries effected by it into a suspense account or other account selected by it.

9.7 **Financial collateral**

- (a) To the extent that the Security Assets constitute "financial collateral" and this Deed and the obligations of each Chargor under this Deed constitute a "security financial collateral arrangement" (in each case, for the purpose of and as defined in the Financial Collateral Arrangements (No. 2) Regulations 2003), the Security Agent will have the right after this Security has become enforceable to appropriate all or any part of that financial collateral in or towards the satisfaction of the Secured Liabilities.
- (b) Where any financial collateral is appropriated:
 - (i) if it is listed or traded on a recognised exchange, its value will be taken as being the value at which it could have been sold on the exchange on the date of appropriation; or
 - (ii) in any other case, its value will be such amount as the Security Agent reasonably determines having taken into account advice obtained by it from an independent commercial property adviser, investment bank or accountancy firm of national standing selected by it,

and each Finance Party will give credit for the proportion of the value of the financial collateral appropriated to its use.

10. **Receiver**

10.1 **Appointment of Receiver**

- (a) Except as provided below, the Security Agent may appoint any one or more persons to be a Receiver of all or any part of the Security Assets if:
 - (i) this Security has become enforceable; or
 - (ii) each Chargor so requests to the Security Agent at any time.
- (b) Any appointment under paragraph (a) above may be by deed, under seal or in writing under its hand.
- (c) Except as provided below, any restriction imposed by law on the right of a mortgagee to appoint a Receiver (including under section 109(1) of the Act) does not apply to this Deed.
- (d) The Security Agent is not entitled to appoint a Receiver solely as a result of the obtaining of a moratorium (or anything done with a view to obtaining a moratorium) under Part A1 of the Insolvency Act 1986 other than in respect of a floating charge referred to in subsection (4) of section A52 of Part A1 of the Insolvency Act 1986.

- (e) The Security Agent may not appoint an administrative receiver (as defined in section 29(2) of the Insolvency Act 1986) over the Security Assets if the Security Agent is prohibited from so doing by section 72A of the Insolvency Act 1986 and no exception to the prohibition on appointing an administrative receiver applies.

10.2 **Removal**

The Security Agent may by writing under its hand (subject to any requirement for an order of the court in the case of an administrative receiver) remove any Receiver appointed by it and may, whenever it thinks fit, appoint a new Receiver in the place of any Receiver whose appointment may for any reason have terminated.

10.3 **Remuneration**

The Security Agent may fix the remuneration of any Receiver appointed by it and the maximum rate specified in section 109(6) of the Act will not apply.

10.4 **Agent of each Chargor**

- (a) A Receiver will be deemed to be the agent of each Chargor for all purposes and accordingly will be deemed to be in the same position as a Receiver duly appointed by a mortgagee under the Act. Each Chargor alone is responsible for any contracts, engagements, acts, omissions, defaults and losses of a Receiver and for any liabilities incurred by a Receiver.
- (b) No Secured Party will incur any liability (either to each Chargor or to any other person) by reason of the appointment of a Receiver or for any other reason.

10.5 **Relationship with Security Agent**

To the fullest extent allowed by law, any right, power or discretion conferred by this Deed (either expressly or impliedly) or by law on a Receiver may after this Security becomes enforceable be exercised by the Security Agent in relation to any Security Asset without first appointing a Receiver and notwithstanding the appointment of a Receiver.

11. **Powers of Receiver**

11.1 **General**

- (a) A Receiver has all of the rights, powers and discretions set out below in this clause 11 in addition to those conferred on it by any law. This includes:
 - (i) in the case of an administrative receiver, all the rights, powers and discretions conferred on an administrative receiver under the Insolvency Act 1986; and
 - (ii) otherwise, all the rights, powers and discretions conferred on a receiver (or a receiver and manager and Scottish receiver) under the Act and the Insolvency Act 1986.
- (b) If there is more than one Receiver holding office at the same time, each Receiver may (unless the document appointing him/her states otherwise) exercise all of the powers conferred on a Receiver under this Deed individually and to the exclusion of any other Receiver.

11.9 Receipts

- (c) use the name of each Chargor for any of the above purposes.

12. Application of Proceeds

All amounts from time to time received or recovered by the Security Agent or any Receiver pursuant to the terms of this Deed or in connection with the realisation or enforcement of all or part of this Security will be held by the Security Agent and applied in accordance with the Facilities Agreement. This clause 12:

- (a) is subject to the payment of any claims having priority over this Security; and
- (b) does not prejudice the right of any Secured Party to recover any shortfall from each Chargor.

13. Delegation

13.1 Power of Attorney

The Security Agent or any Receiver may, at any time, delegate by power of attorney or otherwise to any person for any period all or any right, power, authority or discretion exercisable by it under this Deed.

13.2 Terms

Any such delegation may be made upon any terms and conditions (including the power to sub-delegate) and subject to any restrictions that the Security Agent or that Receiver (as the case may be) may, in its discretion, think fit in the interests of the Secured Parties.

13.3 Liability

Neither the Security Agent nor any Receiver shall be bound to supervise, or be in any way responsible for any damages, costs or losses incurred by reason of any misconduct, omission or default on the part of, any such delegate or sub-delegate.

14. Further Assurances

14.1 Each Chargor must promptly, at its own expense, take whatever action the Security Agent or a Receiver may reasonably require for:

- (a) creating, perfecting or protecting any security over any Security Asset intended to be created by this Deed; or
- (b) facilitating the realisation of any Security Asset, or the exercise of any right, power or discretion exercisable, by the Security Agent or any Receiver or any of their respective delegates or sub-delegates in respect of any Security Asset.

14.2 The action that may be required under paragraph 14.1(a) above includes:

- (a) the execution of any charge, transfer, conveyance, assignment, disposition, conveyance, standard security or assurance of any assets forming part of the Secured Assets, whether to the Security Agent or to its nominees; or
- (b) the giving of any notice, order or direction and the making of any filing or registration,

which, in any such case, the Security Agent may consider necessary but does not include the execution of any mortgage or charge over any real property owned by a Chargor nor the registration of any Security with H.M. Land Registry.

15. Power of Attorney

Each Chargor, by way of security, irrevocably and severally appoints the Security Agent, each Receiver and any of their respective delegates or sub-delegates to be its attorney with the full power and authority of each Chargor to execute, deliver and perfect all deeds, instruments and other documents in its name and otherwise on its behalf and to do or cause to be done all acts and things, in each case which may be required or which any attorney may in its absolute discretion deem necessary for carrying out any obligation of that Chargor under or pursuant to any Transaction Document and which that Chargor has failed to do or generally for enabling the Security Agent or any Receiver to exercise the respective powers conferred on them under any Transaction Document or by law. Each Chargor ratifies and confirms whatever any attorney does or purports to do under its appointment under this clause 15.

16.2 *Tacking*

The Lender must perform its obligations under the Facilities Agreement (including any obligation to make available further advances).

16.3 *New Accounts*

- (a) If any subsequent charge or other interest affects any Security Asset, a Secured Party may open a new account with each Chargor.
- (b) If that Secured Party does not open a new account, it will nevertheless be treated as if it had done so at the time when it received or was deemed to have received notice of that charge or other interest.

- (c) As from that time all payments made to that Secured Party will be credited or be treated as having been credited to the new account and will not operate to reduce any Secured Liability.

16.4 ***Time deposits***

Without prejudice to any right of set-off any Secured Party may have under any other Transaction Document or otherwise, if any time deposit matures on any account each Chargor has with any Secured Party within the Security Period when:

- (a) this Security has become enforceable; and
- (b) no Secured Liability is due and payable,

that time deposit will automatically be renewed for any further maturity which that Secured Party considers appropriate.

At the end of the Security Period, the Finance Parties must, at the request and cost of each Chargor, take whatever action is necessary to release its Security Assets from this Security.

18. **Governing Law**

This Deed and any non-contractual obligations arising out of or in connection with it are governed by English law.
