TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT) (CONTINUED)

FOR THE YEAR ENDED 31 MARCH 2021

INSI UK has staff to manage its day to day administrative requirements in the UK. The staff report regularly to the Trustees and interface with the accountancy firm and lawyers appointed to act on INSIUK's behalf.

The Trustees will meet periodically to ensure that the aims and objectives of the charity are being fulfilled. To do this, a formal Agenda will be prepared by the Chairman who will receive submissions in advance by any Trustee wishing to place items on the Agenda. Meeting dates will be agreed upon and the Agenda distributed in advance. Notes will be kept of the discussions and distributed in a timely manner to Trustees for them to review before they are formally ratified. In some cases a meeting might be by conference call rather than a physical gathering depending on the availability of Trustees.

Risk management

The trustees have assessed the major risks to which the charity is exposed, and are satisfied that systems are in place to manage exposure to the major risks.

Objectives and activities

The charity's objectives are to advance health, promote safety and save lives of news and media workers, often working in dangerous and potentially high risk situations worldwide such as natural disasters and war. In furtherance of this objective, the charity's main activities are to provide financial assistance, training, support and practical advice; to provide organisational and financial support for activities such as conferences, workshops and symposia around the world on topics in news safety for news media workers; to engage with employers to collaborate in providing financial support for news safety training; and to formulate and promote news safety best practices for training, equipment and field work.

Public Benefit

The charity's main activities undertaken to further its purposes are for the public benefit – the protection of journalists from physical and psychological harm to allow them to report freely is a key factor in ensuring and promoting Freedom of Expression – an important public right as defined in Article 11 of the European Convention on Human Rights. The trustees have given regard to the Charity Commission's guidance on public benefit.

The trustees have considered this matter and concluded:

1. That the aims of the organisation continue to be charitable;
2. That the aims and the work done give identifiable benefits to the charitable sector and both indirectly and directly to individuals in need;
3. That the benefits are for the public, are not unreasonably restricted in any way and certainly not by ability to pay; and
4. That there is no detriment or harm arising from the aims or activities.

Achievements and performance

In the last year, INSIUK has held its regular meetings on journalists' safety online, rather than in person, for its members in the news media. The charity has organised webinars and Q&A sessions, facilitated confidential information exchanges about a variety of global events and published safety advisories. The charity has also engaged in a project to tackle online harassment of journalists with Tech companies Facebook and Google. Since the very beginning of the pandemic, the charity has organised online medical briefings, members' online meetings, webinars and briefings with experts to address key areas of concern for news organisations and journalists around the world. Our members tell us they find these meetings extremely valuable for keeping their journalists safe, sharing good practices and providing networking opportunities.

Financial review

The charity was financed predominantly by donations from UK and international media organisations.

It is the policy of the charity that unrestricted funds which have not been designated for a specific use should be maintained at a level equivalent to around one year of expenditure. The unrestricted funds of the charity as at 31 March 2021 amounted to £251,880 (2020 : £222,479).

The trustees considers that reserves at this level will ensure that, in the event of a significant drop in funding, they will be able to continue the charity's current activities while consideration is given to ways in which additional funds may be raised.

TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT) (CONTINUED)

FOR THE YEAR ENDED 31 MARCH 2021

Covid-19

The trustees have considered the effect of the ongoing Covid-19 pandemic. The trustees consider that it is unlikely to cause significant disruption to the charity's activities and are confident that the charity can continue as a going concern for a period of at least 12 months from the date of approval of these financial statements. The trustees have a reasonable expectation that the charity has adequate resources to continue in operation for the foreseeable future.

Plans for the future

Throughout the coming year it will be the charity's intention to ensure it expands its provision of services globally. Furthermore the Trustees will pay careful consideration to both existing and new projects in the news safety field that could possibly be assisted with funds from the charity and that fall within the aims and objectives of the Charity.

The trustees' report was approved by the Board of Trustees.

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF INSIUK

I report to the trustees on my examination of the financial statements of INSIUK (the charity) for the year ended 31 March 2021.

Responsibilities and basis of report

As the trustees of the charity (and also its directors for the purposes of company law) you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006 (the 2006 Act).

Having satisfied myself that the financial statements of the charity are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the charity's financial statements carried out under section 145 of the Charities Act 2011 (the 2011 Act). In carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

Since the charity's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a member of the Institute of Chartered Accountants in England and Wales, which is one of the listed bodies.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of the charity as required by section 386 of the 2006 Act; or
- 2 the financial statements do not accord with those records; or
- 3 the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the financial statements give a true and fair view which is not a matter considered as part of an independent examination; or
- 4 the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their financial statements in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.
