***Basis of preparation***

The accounts have been prepared under the historical cost convention as modified by the revaluation of certain fixed assets.

***Presentation currency***

The accounts are presented in £ sterling.

***Turnover***

Turnover is measured at the fair value of the consideration received or receivable, excluding discounts, rebates, value added tax and other sales taxes. Turnover from the sale of goods is recognised when goods have been delivered to customers such that risks and rewards of ownership have transferred to them.
