Notes to the Financial Statements

Year ended 31 August 2020

1. General information

The company is a private company limited by shares, registered in England and Wales. The address of the registered office is 4 Church Green East, Redditch, Worcs, B98 8BT. The place of business is Quartz House, 20 Clarendon Road, Redhill, Surrey, RH1 1QX.

2. Statement of compliance

These financial statements have been prepared in compliance with Section 1A of FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland'.

3. Accounting policies

Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through profit or loss.

The financial statements are prepared in sterling, which is the functional currency of the entity.

Revenue recognition

Turnover represents rent receivable net of VAT. Where rent is received from customers in advance of the service provided, the amount is recorded as deferred income and included as part of creditors due within one year.

Tax

Current tax represents the amount of tax payable or receivable in respect of the taxable profit for the current and past periods. Current tax is measured at the amounts of tax expected to pay or recover using the tax rates and laws that have been enacted or substantively enacted at the reporting date. Deferred tax is recognised in respect of all timing differences at the reporting date. Unrelieved tax losses and other deferred tax assets are recognised to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits. Deferred tax is measured using the tax rates and laws that have been enacted or substantively enacted by the reporting date that are expected to apply to the reversal of the timing difference.

Investment property

Investment property is revalued to its fair value at each reporting date and any changes in fair value are recognised in profit or loss.

Financial instruments

Financial liabilities and equity instruments are classified according to the substance of the contractual arrangements entered into, either as financial assets, financial liabilities or equity interests. An equity instrument is any contract that evidences a residual interest in the assets of the entity after deducting all of its financial liabilities.
