### **Trustees' Report**

#### **Year Ended 31<sup>st</sup> August 2023**

The trustees present their annual report together with the financial statements and auditor's report of the charitable company for the period from the 1<sup>st</sup> September 2022 to the 31<sup>st</sup> August 2023. The annual report serves the purposes of both a trustees' report, and a directors' report including a strategic report under company law.

The Academy Trust operates an academy for students aged 11 to 16 serving a catchment area which includes the five foundation parishes of Bretherton, Croston, Eccleston, Mawdesley with Bispham and Wrightington with Heskin and the named parishes of Appley Bridge, Banks, Douglas in Parbold, Hesketh with Becconsall, Hoole, Leyland St James, Rufford and Tarleton. Students are also drawn from outer parishes depending on the number of applications received. It has a student capacity of 950 and had a roll of 962 in the January 2023 school census.

### **Structure, Governance and Management**

#### **1.1 Constitution**

The trustees of Bishop Rawstorne Church of England Academy Trust are also the directors of the charitable company for the purposes of company law. The charitable company is known as Bishop Rawstorne Church of England Academy Trust.

Details of the trustees who served throughout the year except as noted are included in the Reference and Administrative Details on page 2.

#### **1.2 Members' Liability**

Each Member of the charitable company undertakes to contribute to the assets of the charitable company in the event of it being wound up while they are a Member, or within one year after they cease to be a Member, such amount as may be required, not exceeding £10, for the debts and liabilities contracted before they ceased to be a Member.

#### **1.3 Trustees' Indemnities**

Since the incorporation of the charitable company, the trustees have been indemnified in respect of their legal liability for financial loss arising as a result of a negligent act, accidental error or omission in the course of their official duties. As explained in note 10 to the Financial Statements the trustees have unlimited professional indemnity.

#### **1.4 Method of Recruitment and Appointment or Election of Trustees**

The Members appoint a minimum of eleven trustees of whom:

- I. A minimum of three are appointed by the Diocesan Board of Education;

- III. The Incumbent shall be a Trustee Ex-Officio.

The proportions of the Board of Trustees of Bishop Rawstorne C of E Academy are as follows:

- Eleven Foundation trustees, appointed by the Parochial Church Councils of Eccleston, Croston, Wrightington, Bretherton and Mawdesley.

#### **1.5 Policies and Procedures Adopted for the Induction and Training of Trustees.**

As there are normally only two or three new trustees a year, induction tends to be done informally and is tailored specifically to the individual. All trustees receive copies of all minutes and new trustees are invited to all main sub-committee meetings. A named trustee has responsibility for training and trustees are encouraged to access training courses provided by the LA. The Board of Trustees has a service level agreement with the Lancashire County Council's Governor Services Department. This agreement allows for any or all of the members of the Board of Trustees to attend any of the training courses provide by Lancashire County Council. Bespoke courses are provided in house.

#### **1.6 Organisational Structure**

The trustees' core responsibilities are to set and agree strategy with the Headteacher, to hold the Headteacher to account for the delivery of that strategy and educational outcomes and to supervise and monitor the financial performance of the academy ensuring probity and good value for money. The academy's senior leadership team comprises the Headteacher, the Deputy Headteacher, five Assistant Headteachers and the Business and Finance Manager. During the year ending 31 August 2023 a new Leader of Pupil Premium Strategy was appointed to the senior leadership team. The Headteacher takes the role of Accounting Officer for the trust.

The senior leadership team controls the academy at an executive level implementing the policies laid down by the trustees and reporting back to them. As a group the senior leadership team is responsible for the authorisation of spending within agreed budget limits and the appointment of staff. Some spending control is devolved to departmental budget holders, with limits above which a member of the senior leadership team must countersign.

#### **1.7 Arrangements for Setting Pay and Remuneration of Key Management Personnel**

The Board of Trustees has adopted a whole school pay policy which will be reviewed on an annual basis. It has been developed to comply with the current School Teachers' Pay and Conditions Document and is in line with the Guidance on School Teachers' Pay and Conditions. Pay scales for senior staff are set and reviewed in accordance with this policy. Pay decisions are overseen by the Board of Trustees who will act with integrity, confidentiality, objectivity and honesty in the best interests of the school.

Support staff are covered by the NJC scheme conditions of service and the academy has adopted the Lancashire County Council's pay and grading structure under the NJC scheme of conditions of service.

Trustees are volunteers and receive no pay or remuneration.

#### **1.8 Related Parties and Other Connected Charities and Organisations**

Connected to the academy is an entity called Bishop Rawstorne Church of England International Language College Trust, a charity registered with the Charity Commission whose charity number is 1063725. ### **Objectives and Activities**

#### **2.1 Objects and Aims**

Unlike other Church of England schools, Bishop Rawstorne is truly a community school with the vast majority of our students being drawn from the main foundation parishes.

It remains our challenge to ensure that the care and support we provide to our students, our nurturing yet challenging environment and the outstanding academic attainment achieved year-on-year continues; to make Bishop Rawstorne the school of choice for parents.

Bishop Rawstorne is committed to developing its students as confident, aspiring and well-rounded young adults fully prepared to make a significant contribution to society.

#### **2.2 Objectives, Strategies and Activities**

As a 'converter academy' we exist to advance education in the Chorley area in the county of Lancashire in the Diocese of Blackburn. Our school was the vision of Bishop Rawstorne and we first opened our doors in 1960. Our initial objective was to ensure a smooth and seamless conversion of the school from foundation to academy status. In doing this the Board of Trustees was determined to maintain the traditional ethos, values, standards and achievements of the school, whilst continuing to work to fulfil the school's medium and longer-term development plans.

The aims of the academy are to provide outstanding education for all in an outstanding Christian academy.

Our Christian School as a clear vision:

# **Bishop Rawstorne Church of England Academy Trust**

## **Trustees' Report**

### **Year Ended 31<sup>st</sup> August 2023**

Bishop Rawstorne is a Christian community that delights in seeking wisdom and knowledge, building relationships and character based upon the Word of God, enabling us all to flourish bravely and faithfully.

This based on our foundational biblical verse from the books of James:

"But the wisdom that comes from heaven is first of all pure; then peace loving, considerate, submissive, full of mercy and good fruit, impartial and sincere." James 3:17

As a Church of England Academy, Bishop Rawstorne has Christian worship at the heart of our everyday life. Our Collective Worship is driven by our Christian Distinctiveness but it runs much deeper than that. We care about human flourishing. Whilst we recognise the diverse backgrounds each member of the Bishop Rawstorne community has, we strive to cultivate an atmosphere in which everyone can experience life in all its fullness.

### **The Roots**

#### **Ephesian 3:17-19**

*<sup>16</sup> I pray that out of his glorious riches he may strengthen you with power through his Spirit in your inner being, <sup>17</sup> so that Christ may dwell in your hearts through faith. And I pray that you, being rooted and established in love, <sup>18</sup> may have power, together with all the Lord's holy people, to grasp how wide and long and high and deep is the love of Christ, <sup>19</sup> and to know this love that surpasses knowledge—that you may be filled to the measure of all the fullness of God.*

Young people today face many challenges both from the society in which they live and the education system that they experience. In our school we promote the presence of authentic Christian values as a narrative for being/behaving that stem from and express the teachings of Christ. For this reason, we know it is essential to equip our students with Christian values that serve as deep roots in their lives. We encourage our students through rooting their values within a sound theological framework and with reference to cardinal and theological virtues.

These values take students beyond just caring and sharing. The character that we endeavour to nurture is the root, the support system for the entirety of life.

Each of these roots symbolise our core values: Peace, Justice, Trust, Radical Relationships (Koinonia), Love, Patience, Service, Honesty, Hope, Courage, Thankfulness, Forgiveness, Wisdom, Respect and Compassion. We have chosen six for main focus: Hope, Service, Compassion, Fellowship, Wisdom and Peace.

Each week we investigate new themes and values in a relevant and relatable way through Collective Worship and tutor groups. This allows time for both staff and students to reflect and think. We welcome the various clergy from our local area as well as further afield to share their wisdom and gifts with us.

Our School values are chosen from the following Christian values:

Hope, Service, Compassion, Fellowship, Wisdom, Peace.

Our mission is to have 'ambition for all' and this is delivered by challenging both the students and the adults to do their very best and by adhering to very exacting standards including:

- Ensuring staff consistently deliver outstanding teaching and learning opportunities.
- Preparing our young people to be outstanding citizens of tomorrow.
- Inspire and motivate staff and students to give the best of themselves.
- Develop our ITT provision.
- Develop our National Computing Hub.
- Continue to develop a curriculum fit for purpose, exciting and motivating to enable our young people to be excited by life-long learning.
- Display self-discipline.
- Foster good behaviour.
- Have pride in ourselves and in our school.
- Embrace new opportunities for students and staff.
- To fully develop the social, moral, spiritual and cultural development of all our young people underpinned by our Christian values.

The key public benefit delivered by Bishop Rawstorne Church of England Academy is the maintenance and development of the high-quality Christian education provided by the academy.

In doing this Bishop Rawstorne Church of England Academy not only offers a broadly-based academic education but aims to educate the whole individual.

### 3.2 Key Performance Indicators

The academy monitors its performance on examination results achieved, Ofsted and Statutory Inspection of Anglican and Methodist Schools (SIAMS) reports received. It complies with all the terms and conditions of its Funding Agreement with the Education and Skills Funding Agency (ESFA) and manages its reserves in line with the policies set out below.

# **Bishop Rawstorne Church of England Academy Trust**

## **Trustees' Report**

### **Year Ended 31<sup>st</sup> August 2023**

#### **3.3 Going Concern**

After making appropriate enquiries, the Board of Trustees has a reasonable expectation that the Academy Trust has adequate resources to continue in operational existence for the foreseeable future. For this reason, it continues to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the Accounting Policies note of the financial statements.

#### **4. Financial Review**

##### **4.1 Operating and Financial Review**

Most of the academy's income is obtained from the Department for Education (DfE) in the form of its General Annual Grant (GAG), the use of which is restricted to particular purposes; i.e. the objectives of the academy trust. The GAG received during the year covered by this report and the associated expenditure are shown as restricted funds in the Statement of Financial Activities (SOFA).

On conversion to academy status on the 17<sup>th</sup> August 2011, all of the fixed assets of the former voluntary aided school were transferred to the new academy trust, and are shown as restricted asset funds. The balance sheet restricted fixed asset fund is reduced by depreciation charges over the expected useful life of the assets concerned, as explained in note 1 to the Financial Statements.

During the year, the academy invested in solar panels and improved insulation to support the aim of reducing its carbon footprint and to be more energy efficient. Work on these projects took place in 2022/2023. The cost of the solar panels was £149,000 and the academy used its additional capital allocation of £38,871 towards the cost. The academy also contributed £225,000 of reserves to improve the insulation on the main block. This investment will help to reduce energy costs in the future with the academy seeing a return on the investment.

In addition, the academy invested in a new modular building to accommodate the Learning Support department at a cost of £486,000. This new facility is a vast improvement on the previous space for our students.

And finally, work commenced on the new reception entrance to school. This project was funded from reserves and will be completed in 23/24. The total cost is expected to be £222,000.

Expenditure for the year covered by this report was covered by the GAG received from the DfE together with other incoming resources. The combined General Restricted Fund and Unrestricted Fund show a cumulative reserve, before the actuarial losses on defined benefit pension schemes, of £1,505,000. This cumulative reserve is the result of detailed and accurate budgeting and tight budgetary control procedures which have been firmly embedded in the academy trust's daily financial management.

The academy held revenue fund balances at the 31<sup>st</sup> August 2023 of £1,505,000 comprising £507,000 of restricted funds and £998,000 of unrestricted general funds. In addition to this, the pension reserve shows a surplus of £220,000. Further details of the carry forward balances on each fund can be found in note 15 to the accounts.

##### **4.2 Reserves Policy**

The trustees review the reserve levels of the Academy annually. This review encompasses the nature of income and expenditure streams, the need to match income with commitments and the nature of reserves.

Under its Funding Agreement with the Secretary of State for Education Bishop Rawstorne Church of England Academy has no carried forward restriction on its reserves at the year end.

The trustees' Finance, Resources and Audit Committee has reviewed these reserve levels and believes that they should provide sufficient working capital to cover delays between spending and receipt of grants and to allow for unexpected emergencies such as urgent maintenance. Under normal circumstances the trustees would aim to maintain reserves of between 5% and 10% of GAG as an appropriate cushion.

## **Bishop Rawstorne Church of England Academy Trust**

### **Trustees' Report**

#### **Year Ended 31<sup>st</sup> August 2023**

As at the 31<sup>st</sup> August 2023 the Academy had reserves based upon its GAG of 9%.

#### **4.3 Investment Policy**

Apart from the cash held for the operation of the Academy, Bishop Rawstorne Church of England Academy has no material investments. With respect to its cash holdings the Board of Trustees has adopted a low risk strategy. The main current account held by the academy is an interest-bearing account. The Academy also has a 32-day notice account which attracts a higher interest rate. This account is used when cash balances are high.

#### **4.4 Principal Risks and Uncertainties**

The principal risk and uncertainty facing the academy at the moment is the current cost of living crisis, in particular rising energy costs and the cost of pay awards and how these rising costs are to be funded.

Another risk to the academy is the maintenance of student numbers as funding is directly related to the number of students on roll. However, the academy is oversubscribed and there has been no reduction in the number of applications received for 2023/24 admissions. In addition, the fact that there has been no drop in the birth rate in the local area and that additional housing has been built nearby means that there is unlikely to be a reduction in the number of students on roll for the foreseeable future. However, a school in close proximity has recently been announced as one of the first recipients of government funding of £50 million to rebuild the school. This will include state of the art facilities including a new swimming pool. This could sway some parents and their children into choosing that school over Bishop Rawstorne.

The trustees have assessed the major risks to which the academy is exposed. The trustees have implemented a number of systems to assess risks in the operational areas of the academy and in relation to the control of finance. A risk register has been completed and is reviewed annually by the Finance, Resources and Audit Committee.

The safety of all students and staff is paramount and procedures are in place to vet and badge visitors and all staff are conscious of the hazards associated with the bus lay-by in the academy grounds, which is heavily supervised at the appropriate times. The academy has recently erected security fencing and gates funded through the Condition Improvement Fund. Investment by the academy in a new reception area separate from the students' access further demonstrates the academy's commitment to safeguarding and reducing risk.

The continuing existence of the academy can best be guaranteed by the standards of education in its widest sense, which it provides. This is the preferred school for many families who could easily favour another. Anything less than over subscription could signal the beginning of financial and educational problems. Furthermore, the status of the academy as an ITT and School Direct training provider could be endangered by many factors such as government policies leaving it with high staffing costs and reduced income. Whilst the academy successfully operates as a single academy trust, the trustees are aware that a change in government policy could threaten this status.

Where significant financial risk still remains, it is ensured there is adequate cover through the Risk Protection Arrangement (RPA) scheme. The academy has an effective system of internal financial controls and this is explained in more detail in the Governance Statement.

#### **4.5 Fundraising**

The academy raises additional funds through the Bishop Rawstorne Church of England International Language College Trust, which is a registered charity and claims gift aid on donations received. Parents of all new year 7 students are provided with information on how to donate if they wish to make voluntary contributions. The objectives of the Charity are the advancement of the education of the students of Bishop Rawstorne Church of England Academy and the local and business community through the development of the Academy, including the provision of facilities and educational items.

## **Bishop Rawstorne Church of England Academy Trust**

### **Trustees' Report**

**Year Ended 31<sup>st</sup> August 2023**

#### **5. Plans for Future Periods**

The academy will continue to work to maintain the performance of its students at all levels. Additionally, it will continue to look at the curriculum content to ensure future pathways for students. In particular it will ensure that the English Baccalaureate is available at the heart of our ambitions with as many students as possible in each year group taking the EBacc range of subjects. The English Baccalaureate was introduced in 2010 and whilst not a qualification in itself, it recognises where students have secured a grade 5 or better across a core of academic subjects – English, mathematics, history or geography, the sciences and a language. The governments ambition is that there should be growth from 75% of pupils entering the EBacc by 2022 and 90% by 2025. The academy is at the top end of entries currently, with 70% of students entered and although there can be more growth this will need careful management due to staffing requirements in MFL. However, we understand that modern foreign languages are not subjects that all want to pursue to GCSE and therefore we need to ensure we use the time gained to best effect in KS4.

Bishop Rawstorne Church of England Academy continues to run a very successful Initial Teacher Training programme. The academy continues to work with alliance schools to develop a model which allows us to train the next generation of outstanding teachers. The academy is focussed to deliver outstanding teaching and learning through ensuring staff are highly trained and determined to deliver outstanding lessons.

The trustees and leaders are committed to ensure that all students have religious education lessons and a rich Christian educational experience.

The trustees recognise that through outstanding financial management, they have been able to invest in and improve very significantly the quality of the building environment and the upgrading of many areas of the academy. They have ambitions for this to continue but recognise however, that future plans will be dependent on funding availability. Increases in energy costs and pay will also have an impact on the funds available for future investments. The trustees also recognise that many classrooms are small and that the intake needs to be at current admission levels unless significant capital funding can be obtained.

#### **6. Auditor**

In so far as the trustees are aware:

- there is no relevant audit information of which the charitable company's auditor is unaware; and
- the trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditor is aware of that information.

The trustees' report, incorporating a strategic report, was approved by order of the Board of Trustees, as the company directors, on 12/12/23 and signed on the board's behalf by:

**Mr A Marston**  
**Chair of Trustees**

### Governance Statement

Year Ended 31<sup>st</sup> August 2023

#### 7.1 Scope of Responsibility

As trustees, we acknowledge we have overall responsibility for ensuring that Bishop Rawstorne Church of England Academy Trust has an effective and appropriate system of control, financial and otherwise. As trustees, we have reviewed and taken account of the guidance in DfE's Governance Handbook and competency framework for governance.

The Board of Trustees has delegated the day-to-day responsibility to the Headteacher, as Accounting Officer, for ensuring financial controls conform with the requirements of both propriety and good financial management and in accordance with the requirements and responsibilities assigned to it in the funding agreement between Bishop Rawstorne Church of England Academy Trust and the Secretary of State for Education. They are also responsible for reporting to the Board of Trustees any material weaknesses or breakdowns in internal control.

### Governance Statement

#### Year Ended 31<sup>st</sup> August 2023

10. Facilitate appropriate training for all members of the Trust Board.
11. Succession planning for the roles of Chair and Vice Chair.
12. Regularly review the effectiveness of governance at the Academy using self-review and external support as appropriate.

Attendance at meetings in the year was as follows:

Trustee	Meetings attended	Out of a possible
Mr Andrew Marston (Chair)	3	3
Mrs Joanna Cast	2	2
Mr Stephen Gregson (Vice Chair)	1	3
Mr Paul Cowley (Headteacher)	2	3
Mrs Sheila Cooper	2	3
Mrs Julie Hughes	2	3

The school converted to academy status in 2011 but kept the composition of the Board largely the same. An External Review of Governance was undertaken in 2015 and resulted in a number of changes in committee structures and operating arrangements. The Governance Committee keeps the school's governance under regular review including the committee terms of reference, membership, chairs, clerking arrangements and trustee training. Following an internal review in July 2019 it was agreed that the Audit Committee be subsumed into the Finance and Resources Committee and that the Teaching School Committee was no longer required. In addition to this, a Curriculum Committee was re-established for 2019/2020 onwards, to focus on curriculum design, monitor curriculum implementation and evaluate the impact of the curriculum and the overall quality of education provided for all students.

The Board receives regular detailed reports on the performance of the school and holds a full Board of Trustees meeting at the start of the autumn term to undertake a full and detailed analysis of results from the previous year prior to assessing performance and agreeing priorities for the coming year. Trustees are confident that the information they receive is timely and accurate and enables them to hold the senior leadership team to account. Trustees closely monitor the school's financial position in the light of continuing uncertainty about school funding and have agreed a number of significant changes that have helped to ensure a balanced budget.

In the last 12 months, one LA trustee was re-appointed and one foundation trustee retired.

The primary purpose of the Academy Board is to set out the ethos, vision and direction for the school and to make sure that our Headteacher and Senior Team are delivering the best possible education for all of our students within the financial resources that are available. We closely monitor the work of the Senior Leaders and staff throughout the year through reports, data and visits to ensure that the School Improvement Plan is on track and our priorities for the school and the students are being addressed.

The Board's priorities for 2022/2023 were as follows.

1. Maintain the focus on our ambition to achieve an Outstanding judgement in both the next SIAMS and Ofsted inspections.
2. Review and revise the Articles of Association of the Trust in line with Audit findings from the Governance Review.
3. Conduct a wide-ranging review of the current Admissions Policy.
4. Consult key stakeholders about our "Vision 2022/2027" as a part of our development of improved stakeholder engagement.
5. Continue to develop the Board's capability and capacity through skills audit, succession planning, and training & development.

## **Governance Statement**

### **Year Ended 31<sup>st</sup> August 2023**

At the start of the year, we agreed a set of Board priorities designed to make progress towards our Overall Ambitions for the period 2022 – 2027, as follows:

1. Maintain the focus on our ambition to achieve an Outstanding judgement in both the next SIAMS and Ofsted inspections.
2. Review and revise the Articles of Association of the Trust in line with audit findings from the Governance Review.
3. Conduct a wide-ranging review of the current Admissions Policy.
4. Consult key stakeholders about our "Vision 2022/2027" as a part of our development of improved stakeholder engagement.
5. Continue to develop the Board's capability and capacity through skills audit, succession planning, and training & development.

During the year, we have worked closely with the Senior Leadership Team to monitor progress through reports, data and visits to ensure that the School Improvement Plan is on track to ensure that we achieve the best outcomes in future Inspections and our priorities for the school and the students are being addressed. We have started the complex process of reviewing our Admissions Policy and made progress with improving stakeholder engagement, particularly through attendance at a number of parental events.

Everyone at Bishop Rawstorne was delighted (after all of the media hype) with the GCSE results that were achieved by our students following their examinations in Summer 2023. This year's results are no different to any other year, there are things that we can really celebrate as our strengths, areas that are as we expected, and a few areas to develop, exactly as you would expect from a high-achieving, aspirational school.

In English and Maths 26% of students achieved a Grade 7 or better in both (23% in 2019). 64% of students achieved a strong pass (9-5 grades) in both subjects, broadly in line with 2019, and 86% achieved a standard pass in both subjects (9-4 grades), also broadly in line with 2019.

Across the whole year group so many students achieved grades that reflect so well the effort that has been put in over the previous five years.

None of this happens in isolation and huge thanks go to our teaching and support staff. Of course, this would not be possible without the parents who have supported us over the last five years in shaping the academic and spiritual lives of this cohort to whom we give our very best wishes for the future.

The Governing Body has had an unwavering and unstinting commitment to driving forward the progression and attainment of our students, over many years but, after all the problems of the last few years, it is heartening to see our students continue to do so well.

During this year, we have also continued to invest in the school buildings to provide a new building to support our students with special needs, a new reception area, and energy saving and insulation works, all of which will improve facilities and the student experience

The Board's priorities for 2023/24 continue to focus on moving forward with our longer-term ambitions and providing the ongoing support & challenge to our school leaders that underpins our vision that Bishop Rawstorne is a Christian community that delights in seeking wisdom and knowledge, building relationships and character based upon the Word of God enabling us all to flourish bravely and faithfully.

We are grateful to all our Governors for their contribution to the Board over the last 12 months as well as all the staff and everyone who has worked so hard to ensure that Bishop Rawstorne continues to be safe and the very special place that it is for the benefit of all our wonderful students.

### 7.3 Review of Value for Money

As Accounting Officer, the Headteacher has responsibility for ensuring that the Academy Trust delivers good value in the use of public resources. The Accounting Officer understands that value for money refers to the educational and wider societal outcomes, as well as estates safety and management, achieved in return for the taxpayer resources received.

The Accounting Officer considers how the Academy Trust's use of its resources has provided good value for money during each academic year, and reports to the Board of Trustees where value for money can be improved, including the use of benchmarking data or by using a framework where appropriate. The Accounting Officer for the Academy Trust has delivered improved value for money during the year by:

#### Principles of Best Value

The Board of Trustees applies the principles of best value:

- |                  |  |
|------------------|--|
| <b>Challenge</b> | - regularly reviewing the functions of the academy, challenging how and why services are provided and setting targets and performance indicators for improvement. Challenging proposals and examining them for effectiveness, efficiency and cost. |
| <b>Compare</b>   | - monitoring outcomes and comparing performance with similar academies   |
| <b>Consult</b>   | - consulting appropriate stakeholders especially students and parents, about the services which the academy provides   |
| <b>Compete</b>   | - securing competition to ensure that goods and services are purchased in the most economic, efficient and effective manner to meet the needs of the academy.  |

#### Application of Best Value Principles

Examples of current practices which demonstrate the application of Best Value principles and any planned developments in academy policy and practices to enhance best value within the Academy are identified in this statement.

#### **Improving educational results**

We have ensured that resources are directed to where they are most needed and most effective in improving outcomes for all students for example by:

- Targeting resources in key areas such as literacy, numeracy and phonics
- Targeting support where it is most needed, for example Pupil Premium and SEN students
- Appointing a senior leader with specific responsibility for Pupil Premium
- Appointing a senior leader with specific responsibility for curriculum development
- Focusing on the needs of particular students and ensuring that the support they receive is relevant to them by increasing parents' involvement in their child's education, particularly for the 'hard to reach' students.
- Implementing a staff performance management system which ensures staff consistently deliver outstanding teaching and learning opportunities
- Introducing a mentoring system for GCSE students
- Further developing our network of alliance schools to support, encourage and raise attainment in other schools and to share good practice.
- Developing our status as a School Direct provider of Initial Teacher Training (ITT) and working with our alliance schools and HEI partners to develop an ITT model so that we can train the next generation of outstanding teachers.
- Appointing a Pastoral Liaison and Intervention Manager
- Updating our communication systems by introducing a new online parental and student communication system
- Achievement of an outstanding SIAMS (Statutory Inspection of Anglican and Methodist Schools) inspection.
- Introducing a staff wellbeing programme to ensure staff are healthy and well both mentally and physically which is crucial to whole school success
- Training staff in youth mental health and wellbeing so that all students can be supported
- To make the best use of the National Tutoring Programme funding by supporting those who need it the most.

The effectiveness of these strategies is monitored and evidenced in our outstanding GCSE results.

#### **Financial and governance oversight**

The Board of Trustees receives regular monitoring reports and is active in its role of challenging robustly. Trustees are invited to challenge decisions and ask relevant questions. The work of the Board of Trustees is further informed by Internal Audit reports.

- Reviewing all contracts annually
- Adopting a formal tendering process for major purchases of supplies and services

- To collaborate with other schools to obtain further discount on purchases

#### **Income generation**

### **Governance Statement**

**Year Ended 31<sup>st</sup> August 2023**

The academy also has a service level agreement with Blackpool Council to provide Health and Safety advice and services.

#### **Future Objectives**

- To introduce further efficiency savings to minimise the effect of increased staffing costs and reduced funding
- To review the Best Value statement at each autumn term meeting

#### **7.4 The Purpose of the System of Internal Control**

The system of internal control is designed to manage risk to a reasonable level rather than to eliminate all risk of failure to achieve policies, aims and objectives. It can, therefore, only provide reasonable and not absolute assurance of effectiveness. The system of internal control is based on an ongoing process designed to identify and prioritise the risks to the achievement of the Academy Trust's policies, aims and objectives, to evaluate the likelihood of those risks being realised and the impact should they be realised, and to manage them efficiently, effectively and economically. The system of internal control has been in place in Bishop Rawstone Church of England Academy Trust for the year ended 31<sup>st</sup> August 2023 and up to the date of approval of the annual report and financial statements.

#### **7.5 Capacity to Handle Risk**

The Board of Trustees has reviewed the key risks to which the Academy Trust is exposed together with the operating, financial and compliance controls that have been implemented to mitigate those risks. The Board of Trustees is of the view that there is a formal on-going process for identifying, evaluating and managing the Academy Trust's significant risks that has been in place for the year ended 31<sup>st</sup> August 2023 and up to the date of approval of the annual report and financial statements. This process is regularly reviewed by the Board of Trustees.

#### **7.6 The Risk and Control Framework**

The Academy Trust's system of internal control is based on a framework of regular management information and administrative procedures including the segregation of duties and a system of delegation and accountability. In particular, it includes:

- comprehensive budgeting and monitoring systems with an annual budget and periodic financial reports which are reviewed and agreed by the Board of Trustees;
- regular reviews by the Finance, Resources and Audit Committee of reports which indicate financial performance against the forecasts and of major purchase plans, capital works and expenditure programmes;
- setting targets to measure financial and other performance;

### Governance Statement

#### Year Ended 31<sup>st</sup> August 2023

- clearly defined purchasing (asset purchase or capital investment) guidelines;
- delegation of authority and segregation of duties, and;
- identification and management of risks.

The Board of Trustees has decided to appoint Redrambler Ltd as internal auditor. The role includes giving advice on financial and other matters and performing a range of checks on the academy trust's financial and other systems. On a twice-yearly basis, the internal auditor reports to the board of trustees, through the Finance, Resources and Audit Committee on the operation of the systems of control and on the discharge of the trustees' financial responsibilities and annually prepares a summary report to the committee outlining the areas reviewed, key findings, recommendations and conclusions to help the committee consider actions and assess year on year progress.

In particular, the checks carried out in the current period included:

- purchasing
- income
- payroll & HR

The Internal Audit function in 2022/2023 has been fully delivered in line with the ESFA's requirements and no material control issues arose as a result of the Internal Auditor's work.

#### 7.7 Review of Effectiveness

As Accounting Officer, the Headteacher has responsibility for reviewing the effectiveness of the system of internal control. During the year in question the review has been informed by:

- the work of the internal auditor;

The Accounting Officer has been advised of the implications of the result of their review of the system of internal control by the Finance, Resources and Audit Committee and a plan to address weaknesses and ensure continuous improvement of the system is in place.

Company law requires the trustees to prepare financial statements for each financial year. Under company law the trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including its income and expenditure. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP 2019 and the Academies Accounts Direction 2022 to 2023;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in operation.

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for ensuring that in its conduct and operation the charitable company applies financial and other controls which conform to the requirements both of propriety and good financial management. ## **Bishop Rawstorne Church of England Academy Trust**

### **Independent Auditor's Report to the Members of Bishop Rawstorne Church of England Academy Trust**

**Year Ended 31<sup>st</sup> August 2023**

#### **Opinion**

We have audited the financial statements of Bishop Rawstorne Church of England Academy Trust (the 'Academy Trust') for the year ended 31<sup>st</sup> August 2023 which comprise the Statement of Financial Activities, the Balance Sheet, the Cash Flows and the notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland*, the Charities SORP 2019 and the Academies Accounts Direction 2022 to 2023 issued by the Education & Skills Funding Agency.

In our opinion the financial statements:

- give a true and fair view of the state of the Academy Trust's affairs as at the 31<sup>st</sup> August 2023, and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006, the Charities SORP 2019 and the Academies Accounts Direction 2022 to 2023 issued by the Education & Skills Funding Agency.

#### **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Academy Trust in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### **Conclusions relating to going concern**

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Academy Trust's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

#### **Other information**

The other information comprises the information included in the trustees' annual report, other than the financial statements and our auditor's report thereon. The trustees are responsible for the other information. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

### **Independent Auditor's Report to the Members of Bishop Rawstone Church of England Academy Trust**

#### **Year Ended 31<sup>st</sup> August 2023**

We have nothing to report in this regard.

#### **Opinions on other matters prescribed by the Companies Act 2006**

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the trustees' report which includes the strategic report and the directors' report prepared for the purposes of company law, for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the strategic report and the directors' report included within the trustees report have been prepared in accordance with applicable legal requirements.

#### **Matters on which we are required to report by exception**

In the light of our knowledge and understanding of the Academy Trust and its environment obtained in the course of the audit, we have not identified material misstatements in the strategic report and the directors' report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

#### **Responsibilities of trustees**

As explained more fully in the trustees' responsibilities statement set out on page 24, the trustees (who are also the directors of the Academy Trust for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the Academy Trust's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the Academy Trust or to cease operations, or have no realistic alternative but to do so.

### **Independent Auditor's Report to the Members of Bishop Rawstorne Church of England Academy Trust**

**Year Ended 31<sup>st</sup> August 2023**

#### **Auditor's responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our auditor's report.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

#### **Use of our report**

## **Bishop Rawstorne Church of England Academy Trust**

### **Independent Reporting Accountant's Assurance Report on Regularity to Bishop Rawstorne Church of England Academy Trust and the Education & Skills Funding Agency**

#### **Year Ended 31<sup>st</sup> August 2023**

In accordance with the terms of our engagement letter dated 31<sup>st</sup> August 2023 and further to the requirements of the Education & Skills Funding Agency (ESFA) as included in the Academies Accounts Direction 2022 to 2023, we have carried out an engagement to obtain limited assurance about whether the expenditure disbursed and income received by Bishop Rawstorne Church of England Academy Trust during the year from the 1<sup>st</sup> September 2022 to the 31<sup>st</sup> August 2023 have been applied to the purposes identified by Parliament and the financial transactions conform to the authorities which govern them.

This report is made solely to Bishop Rawstorne Church of England Academy Trust and ESFA in accordance with the terms of our engagement letter. Our work has been undertaken so that we might state to Bishop Rawstorne Church of England Academy Trust and ESFA those matters we are required to state in a report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than Bishop Rawstorne Church of England Academy Trust and ESFA, for our work, for this report, or for the conclusion we have formed.

#### **Respective responsibilities of Bishop Rawstorne Church of England Academy Trust's Accounting Officer and the reporting accountant**

The Accounting Officer is responsible, under the requirements of Bishop Rawstorne Church of England Academy Trust funding agreement with the Secretary of State for Education and the Academy Trust Handbook, extant from 1<sup>st</sup> September 2022, for ensuring that expenditure disbursed and income received is applied for the purposes intended by Parliament and the financial transactions conform to the authorities which govern them.

Our responsibilities for this engagement are established in the United Kingdom by our profession's ethical guidance and are to obtain limited assurance and report in accordance with our engagement letter and the requirements of the Academies Accounts Direction 2022 to 2023. We report to you whether anything has come to our attention in carrying out our work which suggests that in all material respects, expenditure disbursed and income received during the year from the 1<sup>st</sup> September 2022 to the 31<sup>st</sup> August 2023 have not been applied to purposes intended by Parliament or that the financial transactions do not conform to the authorities which govern them.

#### **Approach**

We conducted our engagement in accordance with the Framework and Guide for External Auditors and Reporting Accountant of Academy Trusts issued by ESFA. We performed a limited assurance engagement as defined in our engagement letter.

The objective of a limited assurance engagement is to perform such procedures as to obtain information and explanations in order to provide us with sufficient appropriate evidence to express a negative conclusion on regularity.

A limited assurance engagement is more limited in scope than a reasonable assurance engagement and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in a reasonable assurance engagement. Accordingly, we do not express a positive opinion.

Our engagement includes examination, on a test basis, of evidence relevant to the regularity and propriety of the Academy Trust's income and expenditure.

The work undertaken to draw our conclusions includes:

- Obtaining evidence including those tests relevant to the circumstances of the Academy Trust as prescribed in Section 4 of the Guide For External Auditors section of the Academies Accounts Direction 2022 to 2023 issued by the ESFA; and
- Planning and performing any additional tests we deemed necessary to express an opinion on regularity.

**Year Ended 31<sup>st</sup> August 2023**

**Conclusion**

In the course of our work, nothing has come to our attention which suggests that in all material respects the expenditure disbursed and income received during the year from the 1<sup>st</sup> September 2022 to the 31<sup>st</sup> August 2023 has not been applied to purposes intended by Parliament and the financial transactions do not conform to the authorities which govern them.

## **Notes to the Financial Statements**

**Year Ended 31<sup>st</sup> August 2023**

### **1 Accounting policies**

#### **General information and basis of preparation**

Bishop Rawstorne Church of England Academy Trust is a company limited by guarantee incorporated in England. The address of the registered office is given in the Reference and Administrative Details given on page 2 of these financial statements and the principal place of business is Highfield Road, Croston, Leyland, PR26 9HH. The nature of the Academy Trusts operations and principal activities are set out in the Trustees' Report on page 4.

The financial statements of the Academy Trust, which is a public benefit entity under FRS 102, have been prepared under the historical cost convention in accordance with the Financial Reporting Standard Applicable in the UK and Republic of Ireland (FRS 102), the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102) 2019), the Academies Accounts Direction 2022 to 2023 issued by ESFA, the Charities Act 2011 and the Companies Act 2006.

A summary of the principal accounting policies adopted (which have been applied consistently, except where noted), judgements and key sources of estimation uncertainty, is set out below.

#### **Going concern**

The trustees assess whether the use of going concern is appropriate i.e. whether there are any material uncertainties related to events or conditions that may cast significant doubt on the ability of the Academy Trust to continue as a going concern. The trustees make this assessment in respect of a period of one year from the date of authorisation for issue of the financial statements and have concluded that the Academy Trust has adequate resources to continue in operational existence for the foreseeable future and there are no material uncertainties about the Academy Trust's ability to continue as a going concern, thus they continue to adopt the going concern basis of accounting in preparing the financial statements.

#### **Income**

All incoming resources are recognised when the Academy Trust has entitlement to the funds, the receipt is probable and the amount can be measured reliably.

- **Grants receivable**

Grants are included in the Statement of Financial Activities on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the balance sheet. Where income is received in advance of meeting any performance-related conditions there is not unconditional entitlement to the income and its recognition is deferred and included in creditors as deferred income until the performance-related conditions are met. Where entitlement occurs before income is received, the income is accrued.

General Annual Grant is recognised in full in the Statement of Financial Activities in the period for which it is receivable and any abatement in respect of the period is deducted from income and recognised as a liability.

Capital grants are recognised when there is an unconditional entitlement to the grant. Unspent amounts of capital grant are reflected in the balance in the restricted fixed asset fund. Capital grants are recognised when there is entitlement and are not deferred over the life of the asset on which they are expended.

## **Notes to the Financial Statements**

**Year Ended 31<sup>st</sup> August 2023**

### **1 Accounting policies (continued)**

#### **Income (continued)**

- **Donations**

Donations are recognised on a receivable basis (where there are no performance-related conditions) where the receipt is probable and the amount can be reliably measured.

- **Other income**

Other income, including the hire of facilities, is recognised in the period it is receivable and to the extent the Academy Trust has provided goods or services.

- **Donated goods, facilities and services**

Goods donated for resale are included at fair value, being the expected proceeds from sale less the expected costs of sale. If it is practical to assess the fair value at receipt, it is recognised in stock and "Income from other trading activities". Upon sale, the value of the stock is charged against "Income from other trading activities" and the proceeds are recognised as "Income from other trading activities". Where it is impractical to fair value the items due to the volume of low value items they are not recognised in the financial statements until they are sold. This income is recognised within "Income from other trading activities".

#### **Expenditure**

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources.

# **Bishop Rawstorne Church of England Academy Trust**

## **Notes to the Financial Statements**

**Year Ended 31<sup>st</sup> August 2023**

### **1 Accounting policies (continued)**

#### **Expenditure (continued)**

- **Expenditure on raising funds**

This includes all expenditure incurred by the Academy Trust to raise funds for its charitable purposes and includes costs of all fundraising activities events and non-charitable trading.

- **Charitable activities**

These are costs incurred on the Academy Trust's educational operations, including support costs and costs relating to the governance of the Academy Trust apportioned to charitable activities.

All resources expended are inclusive of irrecoverable VAT.

#### **Tangible fixed assets**

Assets costing £3,000 or more are capitalised as tangible fixed assets and are carried at cost, net of depreciation and any provision for impairment.

Where tangible fixed assets have been acquired with the aid of specific grants, either from the government or from the private sector, they are included in the Balance Sheet at cost and depreciated over their expected useful economic life. Where there are specific restrictions attached to the funding requiring the continued use of the asset, the related grants are credited to a restricted fixed asset fund in the Statement of Financial Activities and carried forward in the Balance Sheet. Depreciation on the relevant assets is charged directly to the restricted fixed asset fund in the Statement of Financial Activities. Where tangible fixed assets have been acquired with unrestricted funds, depreciation on such assets is charged to the unrestricted fund.

Depreciation is provided on all tangible fixed assets other than freehold land and assets under construction, at rates calculated to write off the cost of each asset on a straight line basis over its expected useful lives, as follows:

Leasehold buildings	Over 125 years straight line
Furniture and equipment	33% straight line
Computer equipment	33% straight line
Motor vehicles	25% straight line

Assets in the course of construction are included at cost. Depreciation on these assets is not charged until they are brought into use and reclassified to freehold or leasehold land and buildings.

A review for impairment of a fixed asset is carried out if events or changes in circumstances indicate that the carrying value of any fixed asset may not be recoverable. Shortfalls between the carrying value of fixed assets and their recoverable amounts are recognised as impairments. Impairment losses are recognised in the Statement of Financial Activities.

The building valuation represents the value of leasehold assets as per the ESFA valuation carried out in 2016 by a RICS approved valuer. In this valuation the leasehold buildings were valued at £7,972,000. The assets were valued using a depreciated replacement cost model and are to be depreciated over a 125-year period (see note 11).

## **Notes to the Financial Statements**

**Year Ended 31<sup>st</sup> August 2023**

### **1 Accounting policies (continued)**

#### **Liabilities**

Liabilities are recognised when there is an obligation at the balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably. Liabilities are recognised at the amount that the Academy Trust anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

#### **Provisions**

Provisions are recognised when the Academy Trust has an obligation at the reporting date as a result of a past event which it is probable will result in the transfer of economic benefits and the obligation can be estimated reliably.

Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised within interest payable and similar charges.

#### **Leased assets**

Rentals under operating leases are charged on a straight line basis over the lease term.

#### **Financial instruments**

The Academy Trust only holds basic financial instruments as defined in FRS 102. The financial assets and financial liabilities of the Academy Trust and their measurement basis are as follows:

Financial assets – trade and other debtors are basic financial instruments and are debt instruments measured at amortised cost as detailed in note 12. Prepayments are not financial instruments.

# **Bishop Rawstorne Church of England Academy Trust**

## **Notes to the Financial Statements**

### **Year Ended 31<sup>st</sup> August 2023**

#### **1 Accounting policies (continued)**

##### **Financial instruments (continued)**

Cash at bank – is classified as a basic financial instrument and is measured at face value.

Financial liabilities – trade creditors, accruals and other creditors are financial instruments, and are measured at amortised cost as detailed in notes 13 and 14. Taxation and social security are not included in the financial instruments disclosure definition. Deferred income is not deemed to be a financial liability, as the cash settlement has already taken place and there is an obligation to deliver services rather than cash or another financial instrument.

##### **Taxation**

The Academy Trust is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the Academy Trust is potentially exempt from taxation in respect of income or capital gains received within categories covered by Part 11, Chapter 3 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

##### **Pensions Benefits**

Retirement benefits to employees of the Academy Trust are provided by the Teachers' Pension Scheme ('TPS') and the Local Government Pension Scheme ('LGPS'). These are defined benefit schemes.

The TPS is an unfunded scheme and contributions are calculated to spread the cost of pensions over employees' working lives with the Academy Trust in such a way that the pension cost is a substantially level percentage of current and future pensionable payroll. The contributions are determined by the Government Actuary based on quadrennial valuations using a prospective unit credit method. TPS is an unfunded multi-employer scheme with no underlying assets to assign between employers. Consequently, the TPS is treated as a defined contribution scheme for accounting purposes and the contributions recognised in the period to which they relate.

The LGPS is a funded multi-employer scheme and the assets are held separately from those of the Academy Trust in separate trustee administered funds. Pension scheme assets are measured at fair value and liabilities are measured on an actuarial basis using the projected unit credit method and discounted at a rate equivalent to the current rate of return on a high quality corporate bond of equivalent term and currency to the liabilities. The actuarial valuations are obtained at least triennially and are updated at each balance sheet date. The amounts charged to net operating income/(expenditure) are the current service costs and the costs of scheme introductions, benefit changes, settlements and curtailments. They are included as part of staff costs as incurred. Net interest on the net defined benefit liability is also recognised in the Statement of Financial Activities and comprises the interest cost on the defined benefit obligation and interest income on the scheme assets, calculated by multiplying the fair value of the scheme assets at the beginning of the period by the rate used to discount the benefit obligations. The difference between the interest income on the scheme assets and the actual return on the scheme assets is recognised in other recognised gains and losses.

Actuarial gains and losses are recognised immediately in other recognised gains and losses.

## **Notes to the Financial Statements**

**Year Ended 31<sup>st</sup> August 2023**

### **1 Accounting policies (continued)**

#### **Fund Accounting**

Unrestricted income funds represent those resources which may be used towards meeting any of the charitable objects of the Academy Trust at the discretion of the trustees.

Restricted fixed asset funds are resources which are to be applied to specific capital purposes imposed by funders where the asset acquired or created is held for a specific purpose.

Restricted general funds comprise all other restricted funds received with restrictions imposed by the funder/donor and include grants from the Department for Education Group.

#### **Critical accounting estimates and areas of judgement**

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

##### *Critical accounting estimates and assumptions*

The Academy Trust makes estimates and assumptions concerning the future. The resulting accounting estimates and assumptions will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below:

The present value of the Local Government Pension Scheme defined benefit liability depends on a number of factors that are determined on an actuarial basis using a variety of assumptions. The assumptions used in determining the net cost (income) for pensions include the discount rate. Any changes in these assumptions, which are disclosed in note 26, will impact the carrying amount of the pension liability. Furthermore, a roll forward approach which projects results from the latest full actuarial valuation performed at 31<sup>st</sup> March 2019 has been used by the actuary in valuing the pensions liability at 31<sup>st</sup> August 2023. Any differences between the figures derived from the roll forward approach and a full actuarial valuation would impact on the carrying amount of the pension liability.

### 10 Trustees' and officers' insurance

The Academy Trust has opted into the Department for Education's Risk Protection Arrangement (RPA), an alternative to insurance where UK government funds cover losses that arise. This scheme protects trustees and officers from claims arising from negligent acts, errors or omissions occurring whilst on academy business, and provides cover up to £10,000,000. It is not possible to quantify the trustees and officers' indemnity element from the overall cost of the RPA scheme.

### 25 Members' Liability

Each Member of the charitable company undertakes to contribute to the assets of the company in the event of it being wound up while he/she is a Member, or within one year after he/she ceases to be a Member, such amount as may be required, not exceeding £10 for the debts and liabilities contracted before he/she ceases to be a Member.

### 26 Pension and similar obligations

The Academy Trust's employees belong to two principal pension schemes: the Teachers' Pension Scheme England and Wales (TPS) for academic and related staff, and the Local Government Pension Scheme (LGPS) for non-teaching staff, which is managed by Lancashire County Pension Fund. Both are multi-employer defined-benefit schemes.

The latest actuarial valuation of the TPS was 31<sup>st</sup> March 2016 and of the LGPS 31<sup>st</sup> March 2019.

Contributions amounting to £90,000 (2022: £83,000) were payable to the schemes at 31<sup>st</sup> August 2023 and are included within creditors.

#### **Year Ended 31<sup>st</sup> August 2023**

#### **26 Pension and similar obligations (continued)**

##### **Teachers' Pension Scheme**

###### **Introduction**

The Teachers' Pension Scheme (TPS) is a statutory, contributory, defined benefit scheme, governed by the Teachers' Pension Scheme Regulations 2014. Membership is automatic for full-time teachers in academies and, from 1<sup>st</sup> January 2007, automatic for teachers in part-time employment following appointment or a change of contract, although they are able to opt out.

The TPS is an unfunded scheme and members contribute on a 'pay as you go' basis – these contributions along with those made by employers are credited to the Exchequer. Retirement and other pension benefits are paid by public funds provided by Parliament.

###### **Valuation of the Teachers' Pension Scheme**

The Government Actuary, using normal actuarial principles, conducts a formal actuarial review of the TPS in accordance with the Public Service Pensions (Valuations and Employer Cost Cap) Directions 2014 published by HM Treasury every 4 years. The aim of the review is to specify the level of future contributions. Actuarial scheme valuations are dependent on assumptions about the value of future costs, design of benefits and many other factors. The latest actuarial valuation of the TPS was carried out as at 31<sup>st</sup> March 2016. The valuation report was published by the Department for Education on 5<sup>th</sup> March 2019. The key elements of the valuation and subsequent consultation are:

- employer contribution rates set at 23.68% of pensionable pay (including a 0.08% administration levy)
- total scheme liabilities (pensions currently in payment and the estimated cost of future benefits) for service to the effective date of £218,100 million and notional assets (estimated future contributions together with the notional investments held at the valuation date) of £196,100 million, giving a notional past service deficit of £22,000 million
- the SCAPE rate, set by HMT, is used to determine the notional investment return. The current SCAPE rate is 2.4% above the rate of CPI. assumed real rate of return is 2.4% in excess of prices and 2% in excess of earnings. The rate of real earnings growth is assumed to be 2.2%. The assumed nominal rate of return including earnings growth is 4.45%.

The next valuation result is due to be implemented from 1<sup>st</sup> April 2024.

The employer's pension costs paid to the TPS in the period amounted to £668,000 (2022: £600,000).

A copy of the valuation report and supporting documentation is on the [Teachers' Pensions website](#).

Under the definitions set out in FRS 102, the TPS is an unfunded multi-employer pension scheme. The Academy Trust has accounted for its contributions to the scheme as if it were a defined contribution scheme. The Academy Trust has set out above the information available on the scheme.

##### Local Government Pension Scheme

The LGPS is a funded defined-benefit scheme, with the assets held in separate trustee-administered funds. The total contribution made for the year ended 31<sup>st</sup> August 2023 was £198,000 (2022: £188,000), of which employer's contributions totalled £161,000 (2022: £154,000), and employees' contributions totalled £37,000 (2022: £34,000). The agreed contribution rates for future years are 21% for employers and the rate for employees remains dependant on the earnings of the employee.

Parliament has agreed, at the request of the Secretary of State for Education, to a guarantee that, in the event of an Academy Trust closure, outstanding Local Government Pension Scheme liabilities would be met by the Department for Education. The guarantee came into force on 18<sup>th</sup> July 2013 and on 21<sup>st</sup> July 2022 the Department for Education reaffirmed its commitment with a parliamentary minute.

As described in note 1 the LGPS obligation relates to the employees of the Academy Trust, who were the employees transferred as part of the conversion from the maintained school and new employees who were eligible to, and did, join the Scheme in the period. The obligation in respect of employees who transferred on conversion represents their cumulative service at both the predecessor school and the Academy Trust at the balance sheet date.
