		(528,503)	(528,503)

The directors consider that the company is entitled to exemption from audit under section 479A of the Companies Act 2006.

The members have not required the company to obtain an audit for the year in question in accordance with section 476 of the Companies Act 2006.

The directors acknowledge their responsibilities for complying with the requirements of the Companies Act 2006 with respect to accounting records and the preparation of financial statements.

The financial statements have been prepared in accordance with the provisions applicable to companies subject to the small companies regime and in accordance with the provisions of FRS 102 Section 1A - small entities.

The financial statements have been delivered in accordance with the provisions applicable to companies subject to the small companies regime.

The company has opted not to file the profit and loss account in accordance with provisions applicable to companies subject to the small companies' regime.

The financial statements were approved and authorised for issue by the board and were signed on its behalf on

K Johnson
Director

22/9/23

The notes on pages 2 to 5 form part of these financial statements.

**Notes to the Financial Statements
For the Year Ended 30 December 2022**

1. General information

The company is a private company limited by share capital, incorporated in England and Wales.

The address of its registered office is:
43 Friends Road
Croydon
United Kingdom
CR0 1ED

2. Accounting policies

2.1 Summary of significant accounting policies and key accounting estimates

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

2.2 Statement of compliance

These financial statements were prepared in accordance with Financial Reporting Standard 102 Section 1A - 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006.

2.3 Basis of preparation

These financial statements have been prepared using the historical cost convention except that as disclosed in the accounting policies certain items are shown at fair value.

The financial statements are presented in sterling which is the functional currency of the company and rounded to the nearest £.

2.4 Going concern

The financial statements have been prepared on a going concern basis as the directors expect the company will be able to satisfy its liabilities as they fall due. The company is reliant on the support of its parent undertaking. If this assumption proves to be inappropriate, then adjustments may have to be made to adjust the value of assets to their recoverable amounts, to provide for any further liabilities which might arise and reclassify fixed assets as current assets.

2.5 Group accounts not prepared

These financial statements present information about the company as an individual undertaking and not about its group. The company is exempt under section 400 of the Companies Act 2006 from the requirement to prepare consolidated financial statements as it and its subsidiary undertakings are included by full consolidation in the consolidated financial statements of its ultimate parent, Chaing Equities Limited, a company incorporated in England and Wales.

2.6 Investments

Investments in subsidiaries are valued at cost less provision for impairment.

2.7 Share capital

Ordinary shares are classified as equity. Equity instruments are measured at the fair value of the cash or other resources received or receivable, net of direct costs of issuing equity instruments.

PNC Global Logistics Limited

Notes to the Financial Statements For the Year Ended 30 December 2022

2. Accounting policies (continued)

2.8 Financial instruments

Classification

Financial liabilities and equity instruments are classified according to the substance of the contractual arrangements entered into. An equity instrument is any contract that evidences a residual interest in the assets of the company after deducting all of its liabilities.

Recognition and measurement

Financial assets and financial liabilities are recognised when the company becomes a party to the contractual provisions of the instrument.

Impairment

Assets not measured at fair value are reviewed for any indication that the asset may be impaired at each balance sheet date. If such indication exists, the recoverable amount of the asset, or the asset's cash generating unit, is estimated and compared to the carrying amount. Where the carrying amount exceeds its recoverable amount, an impairment loss is recognised in profit or loss unless the asset is carried at a revalued amount where the impairment loss is a revaluation decrease.

3. Employees

The average monthly number of employees during the year was 0 (2021 - 0).

4. Fixed asset investments

	Investments in subsidiary companies £
Cost or valuation	
At 31 December 2021	549,595
