Directors' / Trustees Report
Marlow Youth & Community Centre Ltd
for the Year Ended 31st December 2022

The trustees, who are also the directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31st December 2022.

Organisation

The company was incorporated on 27th June 2011, is registered as a charity and is constituted as a company limited by guarantee and is therefore governed by a Memorandum and Articles of Association.

The trustees carry the responsibility for the charity in terms of financial stability and the implementation of the charitable aims and objectives.

The day to day management of the charity is delegated to the Centre manager.

Appointment and Induction of Trustees

Appointment of the Directors is governed by the Articles of Association of the Company. The Board of Directors is authorised to appoint new Directors according to the agreed guidelines for the appointment of new trustees. A new trustee would receive a copy of the previous year's annual report and accounts and a copy of the Charity Commission leaflet 'The Essential Trustee: What You Need to Know'.

Risk management

The board continues to keep the charity's activities under review, particularly with regard to any major risks that may arise from time to time and to monitor the effectiveness of the system of internal control and other viable means, including insurance cover where appropriate, by which those risks already identified by the Trustees can be mitigated.

Objects of the Charity, principal activities of the Charity

The charity was established (i) to take a long term lease of Marlow Youth Centre from Buckinghamshire County Council, (ii) to effectively run and manage the Youth Centre for the benefit of the local community and (iii) to provide youth services.
The main object of the charity is:

1. To help young people within the boundaries of Wycombe District Council to advance in life through providing support and activities which develop their skills and capabilities to enable them to participate in society as mature and responsible individuals.
2. In furtherance of this objective, the trustees shall have power to establish or secure the establishment of a community centre and to maintain or manage or cooperate with any statutory authority in the maintenance of such a centre for the activities promoted by the charity in furtherance of its objects.

Operational Policy

The Vision, mission and Strategic objectives are as follows:

1. Vision

"To provide a creative, nurturing and encouraging place in which we aim to help young people explore their talents, abilities and enthusiasms"

2. Mission

We exist to provide accessible universal services to all young people in Marlow.

Directors' / Trustees Report - continued
Marlow Youth & Community Centre Ltd
for the Year Ended 31st December 20212

3. Strategic Objectives

- a) To build a strong public presence
- b) To ensure a cross section of members and users from across Marlow
- c) To provide more than just youth clubs
- d) To engage in community action projects
- e) To be embraced by the local corporates and businesses
- f) To create an attractive and easy to access organisation and facility
- g) To ensure young people matter and their voices are heard
- h) To remain financially solvent and with a reserves policy that covers one year's operating costs.

Achievement and Performance

The charity continues to develop the centre's use mainly for young people in Marlow. Funds from rental income enabled the charity to provide a wide range of youth provision in keeping with its charitable objectives.

A number of activities and clubs were run throughout the year for the youth of Marlow and the surrounding districts and these were appropriately staffed and funded by the charity.

Our hiring out policy continues to favour service providers aiming their services at young people

On average we have approx 200 visitors to the centre each week.

Financial Review

Results

Income was £20,657 (£35,055 - 2021) and expenditure was £22,639 (£26,716 - 2021) producing a deficit of £1,982 (£8,335 surplus - 2021). The deficit was as a result of decreased grant receipts for the period.. Debtors stood at £3,433 (£1,105 - 2021) and relate to rental income due from tenants. Creditors were £1,804 (£1,031 - 2021) and relate to operating expenses of the centre.

Reserves Policy

The board has decided that the reserves policy of the centre is to continue to invest in the centre, its fabric and development. It is the policy of the board to grow the reserves annually by 10% in the years when the centre is not engaged in development and investment. This target has been set after careful consideration given the need to ensure the continued security of the centre and maintaining its asset base. The plans for the next few years are aimed at growing the use of the centre by the community. Reserves this year grew by 19.4%.

Investment Policy and objectives

The Trustees are authorised by the Memorandum of Association to invest monies not immediately required for the centre's purposes in investments, securities or property as may be thought fit. At present reserves are held of £49,256 (£51,238 - 2021) of which £45,310 (£46,766 - 2021) are deposited in a savings account.

Future Developments

We have agreed to work jointly with Brighter Futures Together CIC to enhance our youth offerings. This is another local youth charity seeking to enhance the lives of teenagers.

We expect to maximise our income generation by renting out space at the Centre, for young people related activities, when the Centre is not otherwise used.

The Trustees are confident about the charity's future and its ability to deliver its youth work in the community.

Statement of trustees' responsibilities

The trustees are required by law to prepare financial statements for each financial year which give a true and fair view of the financial activities of the charity and of its financial position at the end of that year. In preparing those financial statements, the trustees are required to:

- (a) select suitable accounting policies and then apply them consistently;
- (b) make judgements and estimates that are reasonable and prudent;
- (c) prepare the financial statements on the going concern basis unless it is inappropriate to assume that the charity will continue in operation.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approval

This report was approved by the Board of Directors and Trustees on 12th September 2023 and signed on its behalf

Independent Examiners Report to the members of
Marlow Youth and Community Centre Ltd
For the Year Ended 31st December 2022

Report to the trustees/members of Marlow Youth & Community Centre Ltd for the year ended 31 December 2022 set out on pages 6 to 10, which comprise the Statement of Financial Activities, the Balance Sheet and the related notes. These financial statements have been prepared in accordance with the accounting policies set out therein.

Respective responsibilities of trustees and auditors

The responsibilities of the trustees (who are also the directors of Marlow Youth & Community Centre Ltd for the purposes of company law) for preparing the Annual Report and financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) are set out in the Statements of Trustees' Responsibilities.

The trustees consider that an audit is not required for this year (under section 43(2) of the Charities Act 1993 (the Act), as amended by s.28 of the Charities Act 2006) and that an independent examination is needed.

Having satisfied myself that the charity is not subject to an audit under company law and is eligible for an independent examination, it is my responsibility to:

- examine the accounts (under section 43 of the Act, as amended)
- to follow the procedures laid down in the General Directions given by the Charity Commission (under section 43(7)(b) of the Act, as amended), and
- to state whether particular matters have come to my attention.

Basis of Independent Examiner's statement

My examination was carried out in accordance with the General Directions given by the Charity Commissioners. An examination includes a review of the accounting records kept by the organisation and a comparison of the accounts presented with these records. It also includes consideration of any such unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently, no opinion is given as to whether the accounts present a "true and Fair view" and the report is limited to those matters set out in the statement below.

Independent Examiner's statement

In the course of my examination, no matter has come to my attention

* which gives me reasonable cause to believe that in, any material respect, the trustees requirements to keep accounting records in accordance with section 386 of the Companies Act 2006; and to prepare accounts which accord with the accounting records, comply with the accounting requirements of section 396 of the Companies Act 2006 and with the principles of the Statement of recommended Practice: Accounting and Reporting by Charities, have not been met.

* to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
