# 1. Introduction and circumstances giving rise to the appointment of the Administrators

On 28 March 2017, the Company entered administration and Alastair Rex Massey and Anthony John Wright of FRP were appointed as the Administrators.

This document, together with its appendices, forms the Administrators' statement of proposals to creditors in accordance with Paragraph 49 of Schedule B1 to the Insolvency Act 1986 and the Insolvency Rules. The proposals are deemed delivered four business days after they are dated.

Certain statutory information about the Company and the administration is provided at **Appendix A**.

## Background information regarding the Company

E-Go Aeroplanes Limited was incorporated on 7 July 2011 and operated out of three units at Main Hall Farm in Conington, Cambridgeshire. The Company was founded following the designers winning a design competition based on the Civil Aviation Authority's "Single-seat de-regulated" category in 2007. After winning the competition the designers successfully completed two rounds of funding to create a prototype aircraft and subsequently create a production model. These funding rounds saw the designers raise £1.7m which allowed the Company to create and build the first prototype and eventually the first production model, both of which were fully operational and flight capable.

## Events leading to the appointment of the Administrators

After completion and sale of the first production model to one of the directors, it became clear that the costs of producing the aircraft had far exceeded expectations. This made it impossible for the Company to generate sufficient profit to fund current operations without a material restructuring of the cost base.

In June 2016 the Board deemed it necessary to engage in a further round of funding with the aim of raising £700k. This funding round attracted little interest from both existing and new investors and was ultimately unsuccessful forcing the Board to consider alternative options.

In August 2016 the Board made the decision that they would market the Company for sale as a going concern to find a buyer capable of taking the project forward. An external consultant was engaged to assist with the preparation of a sales memorandum.

From August 2016 to December 2016 the Company made significant attempts to preserve cash flow whilst undergoing the marketing process. This included reducing staff numbers from 12 employees to 2 key personnel as well as vacating one of the 3 units the Company occupied at Main Hall Farm in Conington. This ensured the Company remained cash flow solvent to the end of 2016 and into the first few months of 2017.

The marketing and sales process conducted by the Company did generate significant levels of interest for not just the business as a going concern but also for individual assets of the Company. However, none of this interest resulted in a sale being achieved.

In March 2017 the Board became aware that with no sale envisaged in the near future, cash flow insolvency was imminent and unavoidable. As the Company did not have sufficient funds available to continue the marketing and sales process or to continue to trade beyond a few weeks, professional advice was sought by the directors.

## Appointment of the Administrators

On 24 March 2017, the directors and employees of the Company met with Alastair Massey of FRP Advisory at their trading premise in Cambridgeshire to discuss the various options available for the Company.

It was decided that the most appropriate action to take would be for the appointment of administrators with a view for a sale of the business as a going concern.

This decision was considered in the best interests of all parties as it allowed the Directors to immediately relinquish their control of the business whilst simultaneously allowing the marketing and sales process to be commenced with immediate effect.

## **1. Introduction and circumstances giving rise to the appointment of the Administrators**

A CVA was considered but not deemed appropriate as the Company had no income with which to make contributions to creditors.

Liquidation was also discussed. An MVL was not deemed appropriate or possible, particularly as there were not sufficient directors willing to sign a Declaration of Solvency.

CVL was also discussed but it was concluded Administration was more appropriate as it would allow for a sale of the business as a going concern to continue to be explored, which if successful should achieve a better result for the Company's creditors.

Accordingly, on 28 March 2017, Alastair Massey and Anthony Wright were appointed Joint Administrators of the Company in the High Court of Justice, Chancery Division, Birmingham District Registry pursuant to paragraph 22 of Schedule B1 to the Insolvency Act 1986.

## 2. Conduct of the administration

### **The objective of the administration**

The Administrators think that objective (a) of the administration, as detailed in Paragraph 3(1) of Schedule B1 to the Insolvency Act 1986, being to rescue the Company as a going concern, will not be achieved as the Administrators have sold the business and assets of the Company on a going concern basis and the Company no longer has any active business or assets, so is no longer a going concern. As such, it is envisaged that objective (b) will be achieved, a better result for the Company's creditors as a whole than would be likely if the Company had been wound-up (without first being in administration).

### **The Administrators' actions**

Details of work already undertaken or it is anticipated will be undertaken is set out in the schedule of work attached at **Appendix C**.

Upon appointment, the Administrators' staff visited the trading premise of the Company to advise the employees of the appointment. The Administrators retained the employees as the business had already been wound down insofar as possible to reduce costs, in order to preserve the ability to achieve a sale of the business on a going concern basis.

The Administrators also took immediate steps to take control of the Company's bank account, which had a balance of £28k.

### **Marketing activities conducted by the Administrators**

The Administrators commenced marketing the business for sale as a going concern immediately following their appointment. This was done through a secure online data room which was used to host pertinent information, while a teaser document was circulated to the FRP database and parties identified by the Company.

The Administrators also engaged chattel agents Gordon Brothers to conduct a valuation of the assets of the Company on an in-situ and removal basis. Gordon Brothers also advertised the opportunity to their database of potential interested parties.

The marketing teaser with an invite to the data room was issued by the Administrators to 97 potential interested parties, including those recommended by the directors as well as a network of investors that specialise in purchasing distressed businesses. The opportunity was also advertised on the website IP-Bid.com.

Of the 97 targeted investors who were contacted, 13 showed an initial interest in the opportunity by signing a non-disclosure agreement ("NDA") granting them access to the documents in the data room.

### **Sale of business and assets and SIP 13 disclosure**

Following interest in the business as a going concern from several parties, the Administrators ultimately only received one offer for the business and assets on a going concern basis. This offer was from one of the directors of the Company and chief designer of the aircraft, Giotto Castelli, who initially offered £30k.

The Administrators also received one offer for the largest asset of the Company, the prototype aircraft "G-EFUN", for \$20k Australian Dollars from an Australian aircraft manufacturer.

It was the Administrators preference to try and sell the business and assets as a going concern as it would result in a better outcome for creditors whilst also preserving the business and the jobs of the remaining employees. The Administrators therefore commenced negotiations with Giotto Castelli in an attempt to try and bring his offer closer in line with the valuations received.

The second offer received from Giotto Castelli was for £50k and this offer was ultimately accepted by the Administrators. The Administrators engaged law firm HCR to draw up the sale and purchase agreement.

## 2. Conduct of the administration

The table below outlines how the £50k consideration has been apportioned by the purchaser, Gioccas Limited ("the Purchaser").

| Consideration Apportionment    | £             |
|--------------------------------|---------------|
| Office Furniture and Equipment | 12,000        |
| Plant and Machinery            | 20,000        |
| Motor Vehicles                 | 7,000         |
| Customer Contracts             | 25            |
| Vendor's Records               | 25            |
| Intellectual Property          | 5,000         |
| Stock and Work-in-Progress     | 5,000         |
| Goodwill                       | 950           |
| <b>Total</b>                   | <b>50,000</b> |

The sale completed on 18 April 2017.

### Employees

As advised previously the Company had 2 employees remaining upon appointment. No redundancies were made during the Administration and the 2 employees have been transferred to the Purchaser, with immediate effect from the date of completion of 18 April 2017.

### Receipts and payments account

A copy of the Administrators' receipts and payment account to date is attached as **Appendix B**. This shows a trading loss of £6k due to the fact that there was no income generated while the Administrators maintained the business while a sale was sought with necessary costs being incurred in the form of wages, rent and PAYE & NIC.

As advised previously the Company's pre-appointment cash at bank balance of £28k was realised and is reflected in the Administrators receipts. This is the only additional asset that has been realised and reflected in the Administrators receipts with the remainder forming part of the sale of business.

### The directors' Statement of Affairs

The directors of the Company were asked to submit a Statement of Affairs under paragraph 47 of Schedule B1 of the Insolvency Act 1986. They nominated the Chief Operating Officer as the most appropriate person to complete this and a copy of the Statement of Affairs is provided at **Appendix E**.

The Statement of Affairs shows total assets as having a book value of £150k with an estimated to realise value of £75k.

### Matters requiring investigation

I am required as part of my duties to establish what assets the Company owns and to consider the way in which the Company's business has been conducted. I am also required under the provisions of the Company Directors Disqualification Act 1986 to report to the Secretary of State for Business Energy and Industrial Strategy on the conduct of the directors. If you have any information or concerns regarding the way in which the Company's business has been conducted, or have information regarding potential recoveries for the estate, please contact me as soon as possible.

## 2. Conduct of the administration

### **The end of the administration**

The administration will end automatically after 12 months from the date of appointment of the Administrators. This period can be extended with consent of the creditors for up to 12 months or longer by application to the Court as required.

If the Administrators think the Company has no property which might permit a distribution to its unsecured creditors, or if they also consider that an exit from the administration into liquidation is not appropriate they will send a notice to the Registrar of Companies in accordance with Paragraph 84 of Schedule B1 to the Insolvency Act 1986 to bring the administration to an end and three months after the filing of the notice the Company will be deemed to be dissolved.

If the Administrators are of the view that a dividend will become available to the unsecured creditors (other than by virtue of the prescribed part) it is appropriate for the Company to move from administration into CVL pursuant to Paragraph 83 of Schedule B1 to the Insolvency Act 1986. If applicable the Administrators will take steps to place the Company into CVL.

Should a dividend not become available to the unsecured creditors but it is still appropriate for the Company to enter liquidation, the Administrators will petition the Court pursuant to Paragraph 79 of Schedule B1 to the Insolvency Act 1986 for an order to bring the administration to an end with a consequential order for the compulsory winding up of the Company.

Pursuant to Paragraph 83 of Schedule B1 to the Insolvency Act 1986, should the creditors not nominate a Liquidator, the proposed Liquidators in a CVL are to be the Administrators or any successor office holder(s). Any act to be done by the Liquidators may be done by all or any one of them. Pursuant to Paragraph 83(7)(a) of Schedule B1 to the Insolvency Act 1986 and the Insolvency Rules, creditors may nominate a different person as the proposed liquidator, provided that the nomination is made after the receipt of these proposals and before these proposals are approved.

The Liquidators in a compulsory winding up will be appointed by the Court and may be the Administrators, or any successor office holder(s).

If the Administrators are of the view that it is appropriate for the creditors to consider the approval of a CVA the proposed supervisors are to be the Administrators or any successor office holder(s). Creditors may nominate different supervisors when considering whether to approve the CVA proposals.

Based on current information the Administrators envisage having sufficient funds to enable a distribution to unsecured creditors and accordingly anticipate a move from administration to CVL pursuant to Paragraph 83 of Schedule B1 to the Insolvency Act 1986. The Administrators anticipate that this will take place within 3 months of the proposals being approved by creditors.

### **Decision of creditors by correspondence**

The Administrators are required to seek a decision from the Company's creditors under Paragraph 51 of Schedule B1 to the Insolvency Act 1986 on the following matters:

- Approval of the Administrators' proposals, with or without modifications; and
- The appointment of a creditors' committee.

The decision is being sought by means of voting by correspondence, in accordance with the Insolvency Rules.

If, as a result of the vote, a creditors' committee is appointed, the following will require the determination of the creditors' committee:

- The basis of the Administrators' remuneration;
- Approval of the payment of the Administrators' disbursements for mileage costs;
- Approval of the Administrators' pre-appointment costs being met as an expense of the administration; and

## 2. Conduct of the administration

- The approval of the Administrators' discharge from liability in accordance with Paragraph 98 of Schedule B1 to the Insolvency Act 1986.

If a creditors' committee is not appointed the above will be determined by the creditors.

To vote by correspondence creditors must lodge a completed Proof of Debt form which is accepted for voting either in whole or in part, and return the completed voting form by the decision date shown on that form. Creditors whose claims are wholly secured are not entitled to vote. A decision is made if, at the decision date, a majority in value of those who have responded have voted in favour. However, a decision is not made if those voting against it include more than half in value of creditors to whom notice of the vote by correspondence was sent and who are not connected with the Company. Notice of the decision will be sent to creditors after the decision date.

The Administrators must, however, summon a physical meeting if requested to do so by the required minimum number of creditors. The required minimum number is any one of the following:

- 10% in value of the creditors;
- 10% in number of the creditors; or
- 10 creditors.

The request must be made in writing within 5 business days of the date on which the notice of decision by correspondence is delivered, in accordance with the Insolvency Rules.

### 3. The Administrators' remuneration, disbursements and pre-appointment costs

#### Administrators' remuneration

A schedule of the work to be undertaken during the administration is set out at **Appendix C** together with an estimated outcome statement which includes an estimate of the expenses likely to be incurred by the Administrators. Assumptions made in preparing the summary of work, estimated expenses and the fees estimate where a time cost resolution is proposed are set out in the schedule of work.

The Administrators' remuneration will be drawn from the Company's assets and it is proposed that it will be charged by reference to the time incurred in attending to matters arising. Further details of how this will be calculated is set out below. The basis of the Administrators' remuneration has not yet been approved by creditors, and the Administrators have accordingly not drawn any remuneration in this case.

Should the Company subsequently be placed into liquidation and the Administrators appointed as Liquidators, the basis agreed for the drawing of the Administrators' remuneration will also be that utilised in determining the basis of the Liquidators' remuneration, in accordance with the Insolvency Rules.

#### *Remuneration charged by reference to the time incurred in attending to matters arising*

The Administrators' remuneration which is proposed to be charged by reference to time incurred is set out on the fee estimates attached at Appendix C. Time costs incurred to date total £44k. The time charged is based on computerised records capturing time charged by myself and my staff in dealing with the conduct of those aspect of the case being charged on a time cost basis. Matters dealt with during the assignment are dealt with by different members of staff depending on the level of complexity and the experience required. Time is charged to the case in maximum units of six minutes. Charge-out rates are based on individual expertise, qualification and grade. The costs of the firm's support staff are not directly charged to the estate unless dealing with directly identifiable case specific matters.

Charge out rates are reviewed at least annually, details of FRP's charge out rates are included at **Appendix C**.

#### Administrators' disbursements

The Administrators' disbursements are a recharge of actual costs incurred by the Administrators on behalf of the Company. Mileage payments made for expenses relating to the use of private vehicles for business travel, which is directly attributable to the administration of the Company, are paid by FRP at the HMRC approved mileage rate. It is proposed mileage is recharged and drawn at the HMRC approved mileage rate prevailing at the time the mileage was incurred.

#### Pre-administration costs charged or incurred by the Administrators

FRP incurred pre administration time costs of £4,971.25 and the Company resolved to pay FRP the sum of £1,500 plus VAT for assisting with the placing of the Company into administration.

Attached at **Appendix D** is a statement of pre-administration costs charged or incurred by the Administrators.

I am seeking to obtain approval from creditors for the payment of this amount and a stand-alone separate resolution is included on the proxy form attached.

#### Creditors' ability to challenge the Administrators' remuneration and expenses

Creditors have a right to request further information from the Administrators and further have a right to challenge the Administrators' remuneration and other expenses under the Insolvency Rules following receipt of a progress report. Further details of these rights can be found in the Creditors' Guide to Fees which you can access by using the following link <http://creditors.frapadvisory.com/feesguide.htm> and select the one for administrations. Alternatively, a hard copy of the relevant guide will be sent to you on request.

## 4. Estimated outcome for the creditors

### Estimated Outcome Statement

We attach at **Appendix C** an estimated outcome statement which has been prepared from the information provided by the directors, included in their statement of affairs, advice received in connection with the value of the Company's assets, estimated sums due to creditors and an estimate of our remuneration and other expenses that may be incurred during the course of this administration. The assumptions made in preparing the estimated outcome statement details are set out in the schedule of work.

Based on the information available to date and the assumptions made I set out below the anticipated the outcome for creditors:

### Outcome for Secured Creditor

There are no secured creditors in this matter.

### Outcome for Preferential Creditors

It is currently estimated that the only preferential creditors in this matter will be the Redundancy Payments Office in relation to outstanding pension contributions from December 2016. As all employees have been TUPE transferred to the purchaser of the business there are no additional preferential creditors.

### Outcome for Unsecured Creditors

Based on the assumptions made in the estimated outcome statement it is currently estimated that there will be sufficient funds available to make a distribution to unsecured creditors in due course. This distribution will be paid by a subsequently appointed Liquidator as the Administrators are not empowered to pay distributions to unsecured creditors, other than under the prescribed part. The costs of the liquidation are at this stage only estimated, however it is anticipated that unsecured creditors will be paid in full.

### Prescribed Part

The prescribed part is a carve out of funds available to the holder of a floating charge which is set aside for the unsecured creditors in accordance with section 176A of the Insolvency Act 1986. The prescribed part only applies where the floating charge was created after 15 September 2003 and the net property available to the floating charge holder exceeds £10,000.

The prescribed part does not apply in this matter because there are no holders of floating charges over the Company's assets.

|  | <p>Marketing commenced immediately for the sale of business and assets on a going concern basis. The Administrators created a special purpose dataroom for interested parties to access pertinent information once NDA's were signed.</p> <p>Marketing process also commenced by Gordon Brothers using their own personal networks.</p> <p>The opportunity was also advertised on IPbid.com.</p> <p>97 interested parties were contacted by the Administrators and received the marketing teaser with 13 of these signing NDA's and receiving access to the dataroom.</p> <p>The business and assets were sold on a going concern basis on 18 April 2017 for consideration of £50k which has been received. A breakdown of the consideration is as follows:</p> <p>Office Furniture and Equipment - £12,000<br/> Plan and Machinery - £20,000<br/> Motor Vehicles - £7,000<br/> Customer Contracts - £25<br/> Vendor's Records - £25<br/> Intellectual Property - £5,000<br/> Stock and Work-in-Progress - £5,000<br/> Goodwill - £950</p> <p>The sale was to an entity controlled and owned by a director of the Company. Further to SIP 13 the Administrators are satisfied they have provided creditors in this report with a proportionate and sufficiently detailed justification of why a sale to a connected party was undertaken, including the alternatives considered.</p> |  |

### The Administrators' estimated remuneration, disbursements and costs information

#### FRP ADVISORY LLP ("FRP")

##### HOURLY CHARGE OUT RATES WITH EFFECT FROM 1 MAY 2016

| Grade                       | £/hour  |
|-----------------------------|---------|
| Appointment taker/Partner   | 545     |
| Managers/Directors          | 340-465 |
| Other Professional          | 200-295 |
| Junior Professional/Support | 125-175 |

Time costs are maintained on computerised records of all time spend on the administration of each case. Matters dealt with during the assignment are dealt with by different members of staff depending on the level of complexity and experience required. Time is charged to the case in maximum of six minute units. Charge-out rates are based on individual expertise, qualification and grade. The costs of the firm's support staff are not directly charged to the estate unless dealing with directly identifiable case specific matters. Charge out rates are reviewed at least annually, details of FRP charge out rates applicable to this assignment are set out above.

Further information can be found in the Creditors' Guide to Fees which you can access using the following link <https://www.frp-advisory.com/fees-guide.html>. Alternatively, a hard copy of the relevant guide will be sent to you on request.

On occasions it may be necessary to change the rates applicable to the work undertaken and if this occurs during the period of the assignment this will be notified to creditors as part of the normal reporting procedures.

#### DISBURSEMENT POLICY

Disbursements are expenses met by and reimbursed to an office holder in connection with an insolvency appointment.

There are two types of disbursements; direct disbursements (known as Category 1) and indirect disbursements (known as Category 2).

#### Category 1 disbursements:

These are payments to independent third parties where there is specific expenditure directly referable to the appointment in question, these include but are not limited to such items as case advertising, storage, bonding, searches, insurance.

Category 1 disbursements can be drawn without prior approval

#### Category 2 disbursements

These are expenses that are directly referable to the appointment in question but not to a payment to an independent third party. With the exception of mileage FRP do not charge category 2 disbursements.

Mileage payments made for expenses relating to the use of private vehicles for business travel, which is directly attributable to the insolvency estate, are paid by FRP at the HMRC approved mileage rate prevailing at the time the mileage was incurred, at the time of this report this is 45p per mile.

Category 2 disbursements require prior approval in the same manner as an office holder's remuneration.
