**TRUSTEES' REPORT  
FOR THE YEAR ENDED 31 AUGUST 2022**

---

The Trustees present their annual report together with the financial statements and auditor's report of the charitable company for the 1 September 2021 to 31 August 2022. The annual report serves the purposes of both a Trustees' report and a directors' report under company law.

**Structure, governance and management**

The Governors present their annual report together with the financial statements and auditor's report of the charitable company for the 1 September 2021 to 31 August 2022. The Annual report serves the purposes of both a Governors' report, and a Directors' report under company law.

Since the academy and the group qualifies as small under section 383, the strategic report required of medium and large companies under The Companies Act 2006 (Strategic Report and Director's Report) Regulations 2013 is not required.

**a. Constitution**

The academy is a charitable company limited by guarantee and an exempt charity.

The charitable company's Memorandum of Association is the primary governing document of the academy.

The Trustees of Parbold Douglas Church of England Academy are also the directors of the charitable company for the purposes of company law.

The charitable company is known as Parbold Douglas Church of England Academy.

Details of the Trustees who served during the 2021/22 academic year, and to the date these accounts are approved, are included in the Reference and administrative details on page 1.

**b. Members' liability**

Each member of the charitable company undertakes to contribute to the assets of the charitable company in the event of it being wound up while they are a member, or within one year after they cease to be a member, such amount as may be required, not exceeding £10, for the debts and liabilities contracted before they ceased to be a member.

**c. Method of recruitment and appointment or election of Trustees**

In accordance with the Articles of Association two Governors are ex officio (The Incumbent of Christ Church Parbold and the Headteacher). Three are appointed by Blackburn Diocese and four by the PCC of Christ Church Parbold. Two are elected by parents and two are staff elected by the academy staff.

Governors are appointed for a fixed term of 4 years but are eligible for re election at the end of the fixed term.

The Governing Body currently comprises of 13 Trust Board members (Board members are appointed as Directors under the Companies Act 2006) including the Headteacher and two staff Governors, both employed by the trust and two parent governors, elected by the parents.

**d. Policies adopted for the induction and training of Trustees**

A comprehensive induction plan for new governors is in place. It includes an induction meeting with the Chair of Governors, a visit to the academy to meet with the Headteacher, and an on line pack of relevant information such as the Articles of Association. They arrange to attend a training course for new governors provided by LCC Governor Services. Ongoing training of trustees is facilitated via LCC Governor Services and the National Governance Association.

**e. Pay policy for key management personnel**

Performance management of the Headteacher is carried out by a panel of three trustees, advised by the School Advisor. Three objectives are set for each school year. These are reviewed mid year by the panel and Advisor and again at the end of the year. On the basis of how well the objectives have been met, the panel decides on any progression up the pay scale and this is ratified by the full board.

Annual individual staff performance objectives are set by the Headteacher and reviewed at the end of the academic year. Recommendations are submitted by the Headteacher to a Remuneration committee of trustees who make the final decision on pay progression.

**f. Organisational Structure**

The Governing Body roles and responsibilities are reviewed annually in September.

The Governors are organised into a number of committees who form policy to be agreed at main Governing Body meetings.

The Governors are responsible for setting general policy, including the vision, aims and ethos of the Academy and the monitoring of academic standards, adopting an annual plan and budget, monitoring the Academy by the use of budgets and making major decisions about the direction of the Academy, capital expenditure and senior staff appointments. During the period under review, Governors held 4 meetings. All Governors receive monthly newsletters and are kept up to date by regular e mail. Some Governors help in school accompanying visits and attending events. All Governors have access to all policies, procedures, minutes, accounts, budgets and plans that they need to discharge their Governing Body duties. The Internal Auditor has monitored the changes to processes and makes regular reports to the governing body. The Governing Body approves the Statutory Accounts. The levels of authorisation of budget spend are detailed in the finance manual.

The day to day management of the Academy is delegated by the Governing Body to the Headteacher who is the Accounting Officer. The Assistant Headteachers and the School Business Manager support the Headteacher.

The Board and each committee have Terms of Reference which are reviewed annually. Decisions such as approval of the annual budget and the Annual Report are reserved for the Board, as are senior staff appointments. The Board also receives and adopts the annual Safeguarding Policy.

**g. Connected organisations, including related party relationships**

There are no related parties, which either control or significantly influence the decisions or operations of Parbold Douglas Church of England Academy. There are no sponsors.

The Academy works closely with parents and our Foundation Parish to further the principal activities of the Academy.

The Academy works closely with Parbold Douglas Nursery Ltd. to provide Early Years education for 2 – 4 year olds.

**Objectives and activities**

**a. Objects and aims**

The principal object and activity of the Charitable Company is the operation of Parbold Douglas Church of England Academy.

In accordance with the Articles of Association, the charitable company has adopted a "Scheme of Government" approved by the Secretary of State for Education. The Scheme of Government specifies, amongst other things, the basis for admitting pupils to the Academy, the catchment area from which the pupils are drawn, and that the curriculum should comply with the substance of the National Curriculum.

The main objectives of the Academy during the period ended 31 August 2022 were to prepare children for living and learning responsibly in society through its mission statement and vision.

The Academy's mission is to equip children with the vision, passion and skills needed to transform society.

The Academy wants children to be passionate about building God's Kingdom here on Earth, enacting positive change across all spheres of society. God's Kingdom is one of peace, love, joy, unity, equality, respect, forgiveness and compassion. It is a Kingdom where all can flourish, finding belonging, purpose and fulfilment. It is a Kingdom where we receive God's love and the promise of 'life in all its fullness' through Jesus (John 10:10).

The Academy motto – let your light shine (Matthew 5:16) – is all about transforming society. When we let our light shine, we let the light of Jesus radiate from within us to transform lives and communities around us. When we let our light shine, we shape society with the peace, joy and compassion of Jesus. When we let our light shine, we pursue love and unity.

The Academy's vision of a world transformed by a generation of 'Kingdom builders' fuels its passion for primary education.

The Academy's Christian ethos underpins every aspect of day to day life within school. To help pursue its vision, the Academy offers a happy, safe and welcoming atmosphere with strong and supportive relationships which nurture children and help them to learn, grow and flourish.

Children are encouraged to learn through high quality teaching and the effective use of resources in a secure, safe and appropriately stimulating environment. Staff development is a priority and the Academy continually focusses on coaching, supporting and engaging staff in professional development tasks and activities to improve outcomes for pupils.

**Objectives and activities (continued)**

**b. Objectives, strategies and activities**

Parbold Douglas Church of England Academy seeks to provide a well-rounded, broad and balanced education for all children so that they are equipped to transform society.

The academy has the highest expectations of pupil attainment, teacher performance and parental involvement and encourages everyone to strive to be the best they can be in order to enjoy life in all its fullness. The academy seeks challenge and embraces change in order to improve. To this end, the activities provided include:

- Coherent and thoughtful planned learning opportunities which build upon previous learning to support all pupils in achieving in line with or exceeding expectations in the EYFS, KS1 and KS2 statutory assessments,
- Focussed and supportive professional development opportunities for all staff,
- Annual performance management objectives for all staff,
- Pupil engagement in leadership decisions through the use of pupil voice in a variety of ways,
- A broad, balanced and cohesive curriculum for all pupils which enables them to succeed,
- Opportunities for extended learning through the provision of extra-curricular activities and enriching learning experiences,
- Opportunities for development for all staff to support succession planning in order to maintain consistent high standards in all aspects of the schools' work,
- Talent spotting of all pupils and staff and encouraging and fostering the areas identified to enable all to flourish,
- A fully inclusive education, available to all,
- Provision for Trustee/Director training.

The School Development Plan sets out clear priorities for improvement across the school with a focus on impact and outcomes for pupils.

Staff wellbeing remains strong and the wellbeing committee continue to meet to ensure staff are well supported in their roles. The academy aims for high outcomes for all pupils and leaders meet regularly with staff to monitor pupil progress. An attendance and punctuality target of 97% remain in place.

**c. Public benefit**

We have referred to guidance contained in the Charity Commission's general guidance on public benefit when reviewing our aims and objectives. All our charitable activities are undertaken to further our charitable purposes for the public benefit.

**Achievements and performance (continued)**

**a. Key performance indicators**

The Academy is committed to observing the importance of performance indicators, to ensure that it continues to strive for both educational and financial excellence.

Analysis of pupil progress and academic outcomes confirm that the governing body has utilised its financial resources, including the Pupil Premium Grant, to ensure that all children meet their full potential.

The Academy is also monitored through the completion and submission of accounts and financial reports to the ESFA.

**b. Going concern**

Rising energy costs and an underfunded national teacher pay increase for the 2022/23 academic year have placed additional financial pressure on the academy. Despite these factors, the board of governors have made their usual enquiries, and additional considerations, and have a reasonable expectation that the Academy remains in a position of having adequate resources to continue in operational existence. For this reason they continue to adopt the going concern basis in preparing the financial statements.

**Financial review**

**a. Financial risk management, objectives and policy**

The Academy's financial objectives are:

- To set and operate within an agreed and balanced budget,
- To generate additional income where possible (from a range of sources),
- To apply at all times, best value principles in all purchases,
- To monitor and evaluate the value for money of all staff,
- To prevent all areas of wastage.

---

**b. Principal risks and uncertainties**

The Academy has undertaken work during the period to develop and embed the system of internal control, including financial, operational and risk management which is designed to protect the Academy's assets and reputation.

Based on its mission, the Resources Committee undertakes a comprehensive review of the risks to which the Academy is exposed. They identify systems and procedures, including specific, preventable actions which should mitigate any potential impact on the Academy. The internal controls are then implemented and the subsequent year's appraisal will review their effectiveness and progress against risk mitigation actions. In addition to the annual review, the Resources Committee will also consider any risks which may arise as a result of a new area of work being undertaken by the Academy.

A risk register is maintained at the Academy level which is reviewed termly by the Resources Committee and more regularly when necessary. The risk register identifies key risks, the likelihood of these risks occurring, their potential impact on the Academy and the actions being taken to reduce and mitigate the risks. Risks are prioritised using a consistent scoring system.

The following principal risks were identified:

1. Failure to attract pupils to the Reception class.

This is an ongoing priority. The marketing of the Academy is carefully planned and a seamless transition process from the Nursery has been designed.

**c. Reserves policy**

The Governors review the reserve levels of the Academy annually. This review encompasses the nature of income and expenditure streams, the need to match income with commitments and the nature of reserves.

The Governors have determined that the appropriate level of free reserves should be equivalent to three years planned deficit budgets plus £100k emergency contingencies. For year ending 31st August 2022 this equates to £185,825. The reason for this is to provide sufficient working capital to cover expected budget income received and expected planned expenditure for this given period, along with unexpected general maintenance.

**d. Material investments policy**

The Academy holds surplus cash balances on short fixed term deposits with Royal Bank of Scotland Bank. During the period the academy acquired 100% of the share capital of the company Parbold Douglas Nursery Limited, a company incorporated in the UK.

**Plans for future periods**

**a. Future developments**

**Three-year Plan 2022-2025**

Underpinned by its vision, the academy's three-year development plan identifies four 'golden threads' that will guide its improvement work throughout the three years from September 2022:

- Preparing Children for the Future
- Striving for Academic Excellence
- Developing Leaders of Change
- Equity, Diversity and Justice

**School Development Priorities 2022-2023**

**Preparing Children for the Future**

- Continue to use worship to pursue the school's Christian vision and to address big questions.
- Implement the first steps of the Digital Strategy (Phase 1)
- Equip children with the tools and strategies to support and develop their own mental health and wellbeing through a broad package of internal and external support.
- Appoint and develop a school-based Wellbeing Coach to empower children in response to their SEMH needs.
- Raise pupils' aspirations for their future making sure they are aware of the wealth of opportunities and avenues open to them as Kingdom Builders of the future.
- Across the curriculum, introduce more frequent opportunities for pupils to speak in front of peers and others (poetry performance, reading own writing, etc.).
- Provide opportunities for the school community to develop meaningful relationships with people from other backgrounds.

**Striving for Academic Excellence**

- Build subject-specific teacher knowledge and expertise. Areas of focus for Year A: Spanish, Computing and Science.
- Upskill cover teachers to develop their expertise in areas relevant to their teaching delivery.
- Review curriculum overviews, planning materials and resources, making enhancements in line with feedback from teachers.
- Subject Leaders are ambitious in driving the development of their subject areas.
- Outcomes for pupils in writing and spelling are improved by curriculum enhancements.
- Create opportunities for teaching staff to revisit the theory underpinning knowledge of evidence-informed practice.

**Developing Leaders of Change**

- Continue to foster a culture of leadership development at all levels, developing staff who make change happen.
- Nurture the existing culture of aspiration: Leaders promote and signpost opportunities to all. Individuals take ownership of their own development journey and are proactive in pursuing opportunities.
- Continue to embed Year 6 Young Leaders projects and initiatives, sustaining the exceptional impact seen since 2021.

**Plans for future periods (continued)**

**Equity, Diversity and Justice**

- Staff and governors develop their knowledge and understanding of equity, diversity and justice.
- Further develop knowledge of curriculum leaders (including subject leaders), creating the foundations for the development of a curriculum that reflects our commitment to equity, diversity and justice.
- Policies and procedures in relation to flexible working, extended leave, and the 'return to work' following periods of leave, are clear, fair, supportive and inclusive. They reflect our commitment to equity, diversity and justice.
- Invest in curriculum materials and resources to ensure that, where appropriate, our curriculum better reflects diversity.

**Funds held as custodian on behalf of others**

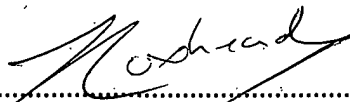

There are no funds held as Custodian Trustee on behalf of others.

**Disclosure of information to auditor**

Each of the persons who are Governors at the time when this Governors' report is approved has confirmed that:

- so far as that Governor is aware, there is no relevant audit information of which the charitable group's auditor is unaware, and
- that Governor has taken all the steps that ought to have been taken as a Governor in order to be aware of any relevant audit information and to establish that the charitable group's auditor is aware of that information.

The Trustees' report was approved by order of the Board of Trustees, as the company directors, on 2/12/22 and signed on its behalf by:

---

**Scope of responsibility**

As governors, we acknowledge we have overall responsibility for ensuring that Parbold Douglas Church of England Academy has an effective and appropriate system of control, financial and otherwise. However such a system is designed to manage rather than eliminate the risk of failure to achieve business objectives, and can provide only reasonable and not absolute assurance against material misstatement or loss.

The board of trustees has delegated the day to day responsibility to the Head teacher, as Accounting Officer, for ensuring financial controls conform with the requirements of both propriety and good financial management and in accordance with the requirements and responsibilities assigned to it in the funding agreement between Parbold Douglas Church of England Academy and the Secretary of State for Education. They are also responsible for reporting to the board of trustees any material weaknesses or breakdowns in internal control.

**GOVERNANCE STATEMENT (CONTINUED)**

---

**Governance**

The information on governance included here supplements that described in the Governors' report and in the Statement of Governors' responsibilities. The board of Trustees has formally met 4 times during the year.

In addition to the 4 scheduled full board meetings, there have been 8 additional meetings of the full board of Trustees. These were in relation to the strategic future of the Academy and the appointment of a new substantive Headteacher. Full records of attendance for these meetings (and at all sub committee meetings) are published on the Academy website.

Attendance during the year at the 4 scheduled meetings of the board of Trustees was as follows:

Trustee	Meetings attended	Out of a possible
Dr E Gill, Foundation Governor	4	4
Mr K Hailwood, Vice Chair of Governors & Chair of Resources Committee	3	4
Mrs K Baybut, Foundation Governor	3	4
Mr J. Baker, Foundation Governor & Chair of Premises, Health & Safety	4	4
Mr M Cooper, Foundation Governor	2	3
Mrs J Santi, Foundation Governor	2	4
Mr G Carruthers, Chair of Governors & Chair of Standards Committee	2	4
Rev. S Timmins, Foundation Governor	3	4
Mr J Coxhead, Head Teacher	4	4
Mrs J Churchward, Staff Governor	4	4
Mrs H Wainwright, Staff Governor	4	4
Dr C Britner, Parent Governor	3	4

The full Governing body has determined that it is able to convene on a termly basis and maintain effective oversight, particularly as the Chair of Governors meets regularly with the Headteacher to monitor progress and is kept informed of any pressing matters which may arise from time to time. In addition, the Governing Board sub-committees meet termly. Governors receive monthly reports relating to the financial position, enabling effective oversight of funds. From time to time, the Governors are provided with other relevant reports relating to matters at the School. Email communications have continued to prove to be an effective way in which to keep Governors informed between meetings, and when necessary, the Governors hold additional meetings outside of its planned schedule. This practice will be repeated in future, if required. Governors are also encouraged to visit the school to meet with Headteacher or other staff, to observe classes, or simply to observe aspects of the normal school day.

The Audit Committee is also a sub-committee of the main board of Trustees.

Attendance during the year at meetings was as follows:

Trustee	Meetings attended	Out of a possible
Mr K Hailwood	3	3

**GOVERNANCE STATEMENT (CONTINUED)**

---

**Governance (continued)**

**Review of value for money**

As accounting officer, the Headteacher has responsibility for ensuring that the academy delivers good value in the use of public resources. The accounting officer understands that value for money refers to the educational and wider societal outcomes achieved in return for the taxpayer resources received.

The Accounting Officer considers how the academy's use of its resources has provided good value for money during each academic year, and reports to the board of trustees where value for money can be improved, including the use of benchmarking data where appropriate.

**The purpose of the system of internal control**

The system of internal control is designed to manage risk to a reasonable level rather than to eliminate all risk of failure to achieve policies, aims and objectives. It can, therefore, only provide reasonable and not absolute assurance of effectiveness. The system of internal control is based on an on going process designed to identify and prioritise the risks to the achievement of academy policies, aims and objectives, to evaluate the likelihood of those risks being realised and the impact should they be realised, and to manage them efficiently, effectively and economically. The system of internal control has been in place in Parbold Douglas Church of England Academy for the year 1 September 2022 to 31 August 2022 and up to the date of approval of the annual report and financial statements.

**Capacity to handle risk**

The board of Trustees has reviewed the key risks to which the academy is exposed together with the operating, financial and compliance controls that have been implemented to mitigate those risks. The board of Trustees is of the view that there is a formal ongoing process for identifying, evaluating and managing the academy's significant risks that has been in place for the year 1 September 2022 to 31 August 2022 and up to the date of approval of the annual report and financial statements. This process is regularly reviewed by the board of Trustees.

**The risk and control framework**

The academy's system of internal financial control is based on a framework of regular management information and administrative procedures including the segregation of duties and a system of delegation and accountability. In particular, it includes:

- comprehensive budgeting and monitoring systems with an annual budget and periodic financial reports which are reviewed and agreed by the board of Trustees
- regular reviews by the Finance and General Purposes Committee of reports which indicate financial performance against the forecasts and of major purchase plans, capital works and expenditure programmes
- setting targets to measure financial and other performance
- clearly defined purchasing (asset purchase or capital investment) guidelines
- identification and management of risks

The Board of Trustees has decided to employ Mrs Julie McDonald (Douglass Grange Chartered Accountants) as internal auditor.

The internal auditor's role includes giving advice on financial matters and performing a range of checks on the

academy's financial systems. On a termly basis, the internal auditor reports to the board of trustees on the operation of the systems of control and on the discharge of the board of trustees' financial responsibilities.

All internal audit reports were received by the Governor's at the appropriate times.

The internal auditor has delivered the schedule of work as planned, checked details of any material control issues. No such issues were identified.

**Review of effectiveness**

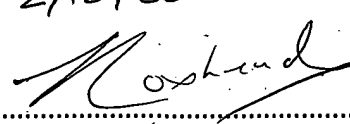

As accounting officer, the Headteacher has responsibility for reviewing the effectiveness of the system of internal control. During the year in question the review has been informed by:

- the work of the internal auditor;
- the financial management and governance self-assessment process;
- the work of the executive managers within the academy who have responsibility for the development and maintenance of the internal control framework.
- the work of the external auditor;

The Accounting Officer has been advised of the implications of the result of their review of the system of internal control by the committee and a plan to address weaknesses and ensure continuous improvement of the system is in place.

**STATEMENT ON REGULARITY, PROPRIETY AND COMPLIANCE**

---

As Accounting Officer of Parbold Douglas Church of England Academy I have considered my responsibility to notify the academy board of Trustees and the Education & Skills Funding Agency (ESFA) of material irregularity, impropriety and non-compliance with terms and conditions of all funding received by the academy, under the funding agreement in place between the academy and the Secretary of State for Education. As part of my consideration I have had due regard to the requirements of the Academies Financial Handbook 2021.

I confirm that I and the academy board of Trustees are able to identify any material irregular or improper use of all funds by the academy, or material non-compliance with the terms and conditions of funding under the academy's funding agreement and the Academies Financial Handbook 2022.

**STATEMENT OF TRUSTEES' RESPONSIBILITIES**  
**FOR THE YEAR ENDED 31 AUGUST 2022**

---

The Trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for preparing the Trustees' report and the financial statements in accordance with the Academies Accounts Direction published by the Education and Skills Funding Agency, United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

Company law requires the Trustees to prepare financial statements for each financial year. Under company law, the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Group and the charitable company and of their incoming resources and application of resources, including their income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP 2019 and the Academies Accounts Direction 2021 to 2022;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the group will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the Group and the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the Group and the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Group and the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees are responsible for ensuring that in their conduct and operation the Group and the charitable company apply financial and other controls, which conform with the requirements both of propriety and of good financial management. They are also responsible for ensuring grants received from ESFA/DfE have been applied for the purposes intended.

The Trustees are responsible for the maintenance and integrity of the corporate and financial information included on the group's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

**INDEPENDENT AUDITOR'S REPORT ON THE FINANCIAL STATEMENTS TO THE MEMBERS OF  
PARBOLD DOUGLAS CHURCH OF ENGLAND ACADEMY**

---

**Opinion**

We have audited the financial statements of Parbold Douglas Church of England Academy (the 'parent academy') and its subsidiaries (the 'Group') for the year ended 31 August 2022 which comprise the Consolidated statement of financial activities, the Consolidated balance sheet, the Academy balance sheet, the Consolidated statement of cash flows and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law, United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland', the Charities SORP 2019 and the Academies Accounts Direction 2021 to 2022 issued by the Education and Skills Funding Agency.

In our opinion the financial statements:

- give a true and fair view of the state of the Group's and of the parent academy's affairs as at 31 August 2022 and of the Group's incoming resources and application of resources, including its income and expenditure for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006 and the Charities Act 2011, the Charities SORP 2019 and the Academies Accounts Direction 2021 to 2022 issued by the Education and Skills Funding Agency.

**Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Group in accordance with the ethical requirements that are relevant to our audit of the financial statements in the United Kingdom, including the Financial Reporting Council's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Conclusions relating to going concern**

In auditing the financial statements, we have concluded that the Trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Group's or the parent academy's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Trustees with respect to going concern are described in the relevant sections of this report.

**Other information**

The other information comprises the information included in the Annual report other than the financial statements and our Auditor's report thereon. The Trustees are responsible for the other information contained within the Annual report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

**Opinion on other matters prescribed by the Companies Act 2006**

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Trustees' Report for the financial year for which the financial statements are prepared is consistent with the financial statements.
- the Trustees' Report has been prepared in accordance with applicable legal requirements.

**Matters on which we are required to report by exception**

In the light of our knowledge and understanding of the Group and the parent academy and its environment obtained in the course of the audit, we have not identified material misstatements in the Trustees' Report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- the parent academy has not kept adequate accounting records, or returns adequate for our audit have not been received from branches not visited by us; or
- the parent academy financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of Trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

**Responsibilities of trustees**

As explained more fully in the Statement of trustees' responsibilities, the Trustees (who are also the directors of the academy for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Trustees are responsible for assessing the Group's and the parent academy's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intend to liquidate the Group or the parent academy or to cease operations, or have no realistic alternative but to do so.

PARBOLD DOUGLAS CHURCH OF ENGLAND ACADEMY (CONTINUED)**

**Auditor's responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We identified and assessed the risks of material misstatement of the financial statements from irregularities, whether due to fraud or error, and discussed these between our audit team members. We then designed and performed audit procedures responsive to those risks, including obtaining audit evidence sufficient and appropriate to provide a basis for our opinion.

We obtained an understanding of the legal and regulatory frameworks within which the charitable group operates, focusing on those laws and regulations that have a direct effect on the determination of material amounts and disclosures in the financial statements. The laws and regulations we considered in this context were the Charities Act 2011 together with the Charities SORP (FRS 102), Companies Act 2006, Academies Accounts Direction and the Academy Trust Handbook. We assessed the required compliance with these laws and regulations as part of our audit procedures on the related financial statement items.

In addition, we considered provisions of other laws and regulations that do not have a direct effect on the financial statements but compliance with which might be fundamental to the charitable group's ability to operate or to avoid a material penalty. We also considered the opportunities and incentives that may exist within the charitable group for fraud. The key laws and regulations we considered in this context were General Data Protection Regulation, health and safety legislation, Ofsted and employee legislation.

Auditing standards limit the required audit procedures to identify non-compliance with these laws and regulations to enquire of the Trustees and other management and inspection of regulatory and legal correspondence, if any. We identified the greatest risk of material impact on the financial statements from irregularities, including fraud, to be within the timing and completeness of income recognition and the override of controls by management. Our audit procedures to respond to these risks included enquiries of management and the Board about their own identification and assessment of the risks of irregularities, sample testing on the posting of journals, reviewing accounting estimates for biases, reviewing regulatory correspondence with the ESFA, and reading minutes of meetings of those charged with governance.

Owing to the inherent limitations of an audit, there is an unavoidable risk that we may not have detected some material misstatements in the financial statements, even though we have properly planned and performed our audit in accordance with auditing standards. For example, the further removed non-compliance with laws and regulations (irregularities) is from the events and transactions reflected in the financial statements, the less likely the inherently limited procedures required by auditing standards would identify it. In addition, as with any audit, there remained a higher risk of non-detection of irregularities, as these may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls. We are not responsible for preventing noncompliance and cannot be expected to detect non-compliance with all laws and regulations.

A further description of our responsibilities for the audit of the financial statements is located on the Financial

**INDEPENDENT REPORTING ACCOUNTANT'S ASSURANCE REPORT ON REGULARITY TO PARBOLD DOUGLAS CHURCH OF ENGLAND ACADEMY AND THE EDUCATION AND SKILLS FUNDING AGENCY**

---

In accordance with the terms of our engagement letter dated 21 September 2017 and further to the requirements of the Education and Skills Funding Agency (ESFA) as included in the Academies Accounts Direction 2021 to 2022, we have carried out an engagement to obtain limited assurance about whether the expenditure disbursed and income received by Parbold Douglas Church of England Academy during the year 1 September 2021 to 31 August 2022 have been applied to the purposes identified by Parliament and the financial transactions conform to the authorities which govern them.

This report is made solely to Parbold Douglas Church of England Academy and ESFA in accordance with the terms of our engagement letter. Our work has been undertaken so that we might state to Parbold Douglas Church of England Academy and ESFA those matters we are required to state in a report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than Parbold Douglas Church of England Academy and ESFA, for our work, for this report, or for the conclusion we have formed.

**Respective responsibilities of Parbold Douglas Church of England Academy's accounting officer and the reporting accountant**

The accounting officer is responsible, under the requirements of Parbold Douglas Church of England Academy's funding agreement with the Secretary of State for Education dated 1 August 2011 and the Academy Trust Handbook, extant from 1 September 2021, for ensuring that expenditure disbursed and income received is applied for the purposes intended by Parliament and the financial transactions conform to the authorities which govern them.

Our responsibilities for this engagement are established in the United Kingdom by our profession's ethical guidance and are to obtain limited assurance and report in accordance with our engagement letter and the requirements of the Academies Accounts Direction 2021 to 2022. We report to you whether anything has come to our attention in carrying out our work which suggests that in all material respects, expenditure disbursed and income received during the year 1 September 2021 to 31 August 2022 have not been applied to purposes intended by Parliament or that the financial transactions do not conform to the authorities which govern them.

**Approach**

We conducted our engagement in accordance with the Framework and Guide for External Auditors and Reporting Accountant of Academy Trusts issued by ESFA. We performed a limited assurance engagement as defined in our engagement letter.

The objective of a limited assurance engagement is to perform such procedures as to obtain information and explanations in order to provide us with sufficient appropriate evidence to express a negative conclusion on regularity.

A limited assurance engagement is more limited in scope than a reasonable assurance engagement and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in a reasonable assurance engagement. Accordingly, we do not express a positive opinion:

Our engagement includes examination, on a test basis, of evidence relevant to the regularity and propriety of the academy's income and expenditure.

**Conclusion**

In the course of our work, nothing has come to our attention which suggest in all material respects the expenditure disbursed and income received during the year 1 September 2021 to 31 August 2022 has not been applied to purposes intended by Parliament and the financial transactions do not conform to the authorities which govern them.

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 31 AUGUST 2022**

---

**1. Accounting policies**

A summary of the principal accounting policies adopted (which have been applied consistently, except where noted), judgments and key sources of estimation uncertainty, is set out below.

**1.1 Basis of preparation of financial statements**

The financial statements of the academy, which is a public benefit entity under FRS 102, have been prepared under the historic cost convention in accordance with the Financial Reporting Standard Applicable in the UK and Republic of Ireland (FRS 102), the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)), the Academies Accounts Direction 2021 to 2022 issued by ESFA, the Charities Act 2011 and the Companies Act 2006.

The Consolidated statement of financial activities (SOFA) and Consolidated balance sheet consolidate the financial statements of the academy and its subsidiary undertaking. The results of the subsidiary are consolidated on a line by line basis.

The academy has taken advantage of the exemption allowed under section 408 of the Companies Act 2006 and has not presented its own Statement of financial activities in these financial statements.

**1.2 Going concern**

The Trustees assess whether the use of going concern is appropriate i.e. whether there are any material uncertainties related to events or conditions that may cast significant doubt on the ability of the academy to continue as a going concern. The Trustees make this assessment in respect of a period of at least one year from the date of authorisation for issue of the financial statements.

Rising energy costs and an underfunded national teacher pay increase for the 2022/23 academic year have placed additional financial pressure on the academy. Despite these factors, the board of governors have made their usual enquiries, and additional considerations, and have a reasonable expectation that the Academy remains in a position of having adequate resources to continue in operational existence.

In preparing the financial statements the going concern basis of accounting has therefore been adopted..

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 31 AUGUST 2022**

---

**1. Accounting policies (continued)**

**1.3 Income**

All incoming resources are recognised when the Group has entitlement to the funds, the receipt is probable and the amount can be measured reliably.

- **Grants**

Grants are included in the Consolidated statement of financial activities on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the Balance sheet. Where income is received in advance of meeting any performance-related conditions there is not unconditional entitlement to the income and its recognition is deferred and included in creditors as deferred income until the performance-related conditions are met. Where entitlement occurs before income is received, the income is accrued.

General Annual Grant is recognised in full in the Consolidated statement of financial activities in the year for which it is receivable and any abatement in respect of the year is deducted from income and recognised as a liability.

Capital grants are recognised in full when there is an unconditional entitlement to the grant. Unspent amounts of capital grants are reflected in the Balance sheet in the restricted fixed asset fund. Capital grants are recognised when there is entitlement and are not deferred over the life of the asset on which they are expended.

**1.4 Expenditure**

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

- **Charitable activities**

These are costs incurred on the Group's educational operations, including support costs and costs relating to the governance of the Group apportioned to charitable activities.

All resources expended are inclusive of irrecoverable VAT.

**1.5 Interest receivable**

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the Group; this is normally upon notification of the interest paid or payable by the institution with whom the funds are deposited.

FOR THE YEAR ENDED 31 AUGUST 2022**

**1. Accounting policies (continued)**

**1.6 Tangible fixed assets**

Assets costing £5,000 or more are capitalised as tangible fixed assets and are carried at cost, net of depreciation and any provision for impairment.

Where tangible fixed assets have been acquired with the aid of specific grants, either from the government or from the private sector, they are included in the Balance sheet at cost and depreciated over their expected useful economic life. Where there are specific conditions attached to the funding requiring the continued use of the asset, the related grants are credited to a restricted fixed asset fund in the Consolidated statement of financial activities and carried forward in the Balance sheet. Depreciation on the relevant assets is charged directly to the restricted fixed asset fund in the Consolidated statement of financial activities. Where tangible fixed assets have been acquired with unrestricted funds, depreciation on such assets is charged to the unrestricted fund.

Depreciation is provided on all tangible fixed assets other than freehold land and assets under construction, at rates calculated to write off the cost of each asset on a straight-line basis over its expected useful life, as follows:

Depreciation is provided on the following bases:

Long-term leasehold property	- 50 years
Leasehold improvements	- Between 3 and 25 years
Furniture and equipment	- Between 3 and 5 years

A review for impairment of a fixed asset is carried out if events or changes in circumstances indicate that the carrying value of any fixed asset may not be recoverable. Shortfalls between the carrying value of fixed assets and their recoverable amounts are recognised as impairments. Impairment losses are recognised in the Consolidated statement of financial activities.

**1.7 Investments**

Fixed asset investments are a form of financial instrument and are initially recognised at their transaction cost and subsequently measured at fair value at the Balance sheet date, unless the value cannot be measured reliably in which case it is measured at cost less impairment. Investment gains and losses, whether realised or unrealised, are combined and presented as 'Gains/(Losses) on investments' in the Consolidated statement of financial activities.

Investments in subsidiaries are valued at cost less provision for impairment.

**1.8 Debtors**

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

**1.9 Cash at bank and in hand**

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

**1.10 Liabilities**

Liabilities are recognised when there is an obligation at the Balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably. Liabilities are recognised at the amount that the Group anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

**1.11 Financial instruments**

The Group only holds basic financial instruments as defined in FRS 102. The financial assets and financial liabilities of the Group and their measurement bases are as follows:

Financial assets - trade and other debtors are basic financial instruments and are debt instruments measured at amortised cost as detailed in note 16. Prepayments are not financial instruments. Amounts due to the academy's wholly owned subsidiary are held at face value less any impairment. Cash at bank is classified as a basic financial instrument and is measured at face value.

Cash at bank is classified as a basic financial instrument and is measured at face value.

Financial liabilities - trade creditors, accruals and other creditors are financial instruments, and are measured at amortised cost as detailed in notes 17 and 18. Taxation and social security are not included in the financial instruments disclosure definition. Deferred income is not deemed to be a financial liability, as the cash settlement has already taken place and there is an obligation to deliver services rather than cash or another financial instrument. Amounts due to the academy's wholly owned subsidiary are held at face value less any impairment.

**1. Accounting policies (continued)**

**1.12 Pensions**

Retirement benefits to employees of the Group are provided by the Teachers' Pension Scheme ("TPS") and the Local Government Pension Scheme ("LGPS"). These are defined benefit schemes.

The TPS is an unfunded scheme and contributions are calculated so as to spread the cost of pensions over employees' working lives with the Group in such a way that the pension cost is a substantially level percentage of current and future pensionable payroll. The contributions are determined by the Government Actuary on the basis of quadrennial valuations using a prospective unit credit method. TPS is an unfunded multi-employer scheme with no underlying assets to assign between employers. Consequently, the TPS is treated as a defined contribution scheme for accounting purposes and the contributions recognised in the period to which they relate.

The LGPS is a funded multi-employer scheme and the assets are held separately from those of the Group in separate trustee administered funds. Pension scheme assets are measured at fair value and liabilities are measured on an actuarial basis using the projected unit credit method and discounted at a rate equivalent to the current rate of return on a high quality corporate bond of equivalent term and currency to the liabilities. The actuarial valuations are obtained at least triennially and are updated at each Balance sheet date. The amounts charged to operating surplus are the current service costs and the costs of scheme introductions, benefit changes, settlements and curtailments. They are included as part of staff costs as incurred. Net interest on the net defined benefit liability/asset is also recognised in the Consolidated statement of financial activities and comprises the interest cost on the defined benefit obligation and interest income on the scheme assets, calculated by multiplying the fair value of the scheme assets at the beginning of the period by the rate used to discount the benefit obligations. The difference between the interest income on the scheme assets and the actual return on the scheme assets is recognised in other recognised gains and losses.

Actuarial gains and losses are recognised immediately in other recognised gains and losses.

**1.13 Fund accounting**

Unrestricted income funds represent those resources which may be used towards meeting any of the charitable objects of the Group at the discretion of the Trustees.

Restricted fixed asset funds are resources which are to be applied to specific capital purposes imposed by the funders where the asset acquired or created is held for a specific purpose.

Restricted general funds comprise all other restricted funds received with restrictions imposed by the funder/donor and include grants from the Department for Education Group.

Investment income, gains and losses are allocated to the appropriate fund.

**2. Critical accounting estimates and areas of judgment**

Estimates and judgments are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Critical accounting estimates and assumptions:

The academy trust makes estimates and assumptions concerning the future. The resulting accounting estimates and assumptions will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

The present value of the Local Government Pension Scheme defined benefit liability depends on a number of factors that are determined on an actuarial basis using a variety of assumptions. The assumptions used in determining the net cost or income for pensions include the discount rate. Any changes in these assumptions, which are disclosed in note 26, will impact the carrying amount of the pension liability. Furthermore a roll forward approach which projects results from the latest full actuarial valuation performed at 31 March 2016 has been used by the actuary in valuing the pensions liability at 31 August 2022. Any differences between the figures derived from the roll forward approach and a full actuarial valuation would impact on the carrying amount of the pension liability.

During the year ended 31 August 2022, no Trustee expenses have been incurred (2021 - £NIL).

**13. Trustees' and Officers' insurance**

The academy trust has opted into the Department for Education's risk protection arrangement (RPA), an alternative to insurance where UK government funds cover losses that arise. This scheme protects trustees and officers from claims arising from negligent acts, errors or omissions occurring whilst on academy business, and provides cover up to £10,000,000. It is not possible to quantify the Governors and officers indemnity element from the overall cost of the RPA scheme.

The specific purposes for which the funds are to be applied are as follows:

Restricted General Funds are used specifically to provide educational resources for the pupils of the Academy. Restricted Fixed Asset Funds provide for the installation, maintenance and repair of the Fixed Assets of the Academy. Unrestricted Funds are those other resources which may be used to further the objectives of the Academy.

A designated fund of £625,000 has been set aside for the rebuilding of the temporary classroom space to become a permanent building. We aim to complete these works within a 5 year period with initial planning works commencing in 2020/21.

**26. Pension commitments**

The academy's employees belong to two principal pension schemes: the Teachers' Pension Scheme England and Wales (TPS) for academic and related staff; and the Local Government Pension Scheme (LGPS) for non-teaching staff, which is managed by Mercer. Both are multi-employer defined benefit schemes.

The latest actuarial valuation of the TPS related to the period ended 31 March 2016 and of the LGPS 31 March 2019.

There were no outstanding or prepaid contributions at either the beginning or the end of the financial year.

**Teachers' Pension Scheme**

The Teachers' Pension Scheme (TPS) is a statutory, contributory, defined benefit scheme, governed by the Teachers' Pension Scheme Regulations 2014. Membership is automatic for full-time teachers in academies. All teachers have the option to opt-out of the TPS following enrolment.

The TPS is an unfunded scheme to which both the member and employer makes contributions, as a percentage of salary - these contributions are credited to the Exchequer. Retirement and other pension benefits are paid by public funds provided by Parliament.

**Valuation of the Teachers' Pension Scheme**

The Government Actuary, using normal actuarial principles, conducts a formal actuarial review of the TPS in accordance with the Public Service Pensions (Valuations and Employer Cost Cap) Directions 2014 published by HM Treasury every 4 years. The aim of the review is to specify the level of future contributions. Actuarial scheme valuations are dependent on assumptions about the value of future costs, design of benefits and many other factors. The latest actuarial valuation of the TPS was carried out as at 31 March 2016. The valuation report was published by the Department for Education on 5 March 2019. The key elements of the valuation and subsequent consultation are:

- employer contribution rates set at 23.68% of pensionable pay (including a 0.08% administration levy)
- total scheme liabilities (pensions currently in payment and the estimated cost of future benefits) for service to the effective date of £218,100 million and notional assets (estimated future contributions together with the notional investments held at the valuation date) of £196,100 million, giving a notional past service deficit of £22,000 million
- the SCAPE rate, set by HMT, is used to determine the notional investment return. The current SCAPE rate is 2.4% above the rate of CPI, assumed real rate of return is 2.4% in excess of prices and 2% in excess of earnings. The rate of real earnings growth is assumed to be 2.2%. The assumed nominal rate of return including earnings growth is 4.45%.

The next valuation result is due to be implemented from 1 April 2023.

The employer's pension costs paid to TPS in the year amounted to £56,000 (2021 - £53,000).

A copy of the valuation report and supporting documentation is on the Teachers' Pensions website (<https://www.teacherspensions.co.uk/news/employers/2019/04/teachers-pensions-valuation-report.aspx>).

Under the definitions set out in FRS 102, the TPS is an unfunded multi-employer pension scheme. The Group has accounted for its contributions to the scheme as if it were a defined contribution scheme. The Group has set out above the information available on the scheme.

**Local Government Pension Scheme**

The LGPS is a funded defined benefit pension scheme, with the assets held in separate trustee-administered funds. The total contribution made for the year ended 31 August 2022 was £67,000 (2021 - £64,000), of which employer's contributions totalled £56,000 (2021 - £53,000) and employees' contributions totalled £ 11,000 (2021 - £11,000). The agreed contribution rates for future years are 16.1 per cent for employers and 5.8 per cent for employees.

As described in note the LGPS obligation relates to the employees of the academy, who were the employees transferred as part of the conversion from the maintained school and new employees who were eligible to, and did, join the Scheme in the year. The obligation in respect of employees who transferred on conversion represents their cumulative service at both the predecessor school and the academy at the balance sheet date.

Parliament has agreed, at the request of the Secretary of State for Education, to a guarantee that, in the event of academy closure, outstanding Local Government Pension Scheme liabilities would be met by the Department for Education. The guarantee came into force on 18 July 2013.
