Ko-An Arts CIC was established to provide the development and delivery of creative workshops primarily involving film and animation skills, but also including other artforms. The workshops are delivered to a range of community and social groups including schools (Primary, High and SEN), libraries and other social organisations. This includes sessions for young people with additional needs owing to learning or physical disabilities, with the aim of reducing their social isolation and increasing their confidence and new skills. Currently we are organising projects for children and young people in school and community settings on digital craft with the aim of increasing confidence and digital literacy while developing their aspirations.
