TESCO PENSION INVESTMENT LIMITED ANNUAL REPORT AND FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2018

Registered Number: 07754822

TUESDAY

18/12/2018 COMPANIES HOUSE

STRATEGIC REPORT FOR THE YEAR ENDED 31 MARCH 2018

The Directors present their Strategic Report of Tesco Pension Investment Limited (the "Company") for the year ended 31 March 2018.

Review of the business

The principal activity of the Company is to provide investment services exclusively to the Tesco PLC Pension Scheme (the "Pension Scheme"). There has been no significant change in the nature or level of this activity during the year. In the next financial year, the Company is looking at how existing capability could be used to provide cost effective investment services for investors into the Tesco Retirement Savings Plan. This activity is currently in the planning stage.

Results and dividends

The results for the year show a profit on ordinary activities before taxation of £10,796 (2017: £14,906). Net assets as at 31 March 2018 were nil (2017: nil).

The Directors do not recommend payment of a dividend for the year ended 31 March 2018 (2017: nil).

Year-end position

The Company recharges all expenses to Tesco PLC Pension scheme, therefore there is no profit or loss after tax at the year end.

Principal risks and uncertainties including financial risk management

As Tesco Pension Investment Limited's sole customer is the Tesco PLC Pension Scheme, the key business, liquidity and credit risks relate to the loss of the Pension Scheme as a customer. As it is the current intention of the Directors of the Trustee of the Pension Scheme to continue to finance the Company so as to enable it to meet its commitments and to carry on its business without any significant curtailment of operations for the foreseeable future, this is not deemed to be a significant risk.

From 1 April 2013 Tesco Pension Investment Limited was authorised and regulated by the Financial Conduct Authority. Prior to this the Company was authorised and regulated by the Financial Services Authority.

Key Performance Indicators (KPI's)

The KPI's of the Company are around investment performance, these KPIs are disclosed in the Tesco PLC Pension Scheme reports and financial statements.

On behalf of the Board

Director Tesco Pension Investment Limited Registered Number: 07754822

Registered Office: Tesco House, Shire Park, Kestrel Way, Welwyn Garden City, United Kingdom. AL7 1GA

DIRECTORS' REPORT FOR THE YEAR ENDED 31 MARCH 2018

The Directors present their annual report and the audited financial statements of Tesco Pension Investment Limited (the "Company") for the year ended 31 March 2018.

Future outlook

The Company is an in-house investment team created by the Trustee of Tesco PLC Pension Scheme. The Company has the primary objective to achieve the long term investment returns for the UK occupational pension scheme, as set by the Trustee and the Trustee's advisors. To do this the Company has built a best in class investment capability, in terms of people, processes and infrastructure that will enable, over time, greater control of returns, risks and costs, and the reduction in reliance on external advisors and managers. This process will continue to be the focus of developments during future years.

Going concern

It is the current intention of the Company's ultimate parent undertaking to continue to finance the Company so as to enable it to meet its liabilities as they fall due and to carry on its business without any significant curtailment of operations for at least 12 months from the date of the opinion and have provided a letter of support to this effect. Accordingly the financial statements have been prepared on a going concern basis.

Financial risk management policies and objectives

Please refer to the 'Principal risks and uncertainties including financial risk management' section of the Strategic Report on page 2 of these financial statements.

Directors' indemnities

As permitted by the Articles of Association, the Directors have the benefit of an indemnity which is a qualifying third party indemnity provision as defined by Section 234 of the Companies Act 2006. The indemnity was in force throughout the last financial year and is currently in force. The Company also purchased and maintained throughout the financial year Directors' and Officers' liability insurance in respect of itself and its Directors.

Directors and their interests

The following Directors served during the year and up to the date of signing the financial statements.

R Smith

S Daniels

D Firth

There were no disclosable interests in the Company during the year. Please refer to note 5 for details of the Director's arrangements with the Pension Scheme.

DIRECTORS' REPORT FOR THE YEAR ENDED 31 MARCH 2018 (continued)

Directors' responsibilities statements

The Directors are responsible for preparing the annual report and the financial statements in accordance with applicable law and regulations.

Company law requires the Directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law), including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland".

Under Company law, the Directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company, and of the profit or loss for that year. In preparing these financial statements, the Directors are required to:

- select suitable accounting policies and then apply them consistently;
- · make judgements and accounting estimates that are reasonable and prudent,
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will
 continue in business.

The Directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions, disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Disclosure of Information to auditor

Each of the persons who are Directors of the Company at the date of the approval of the directors' report is approved, confirms that:

- so far as the Director is aware, there is no relevant audit information of which the Company's auditor are unaware;
 and
- the Director has taken all the steps that he/she ought to have taken as a director in order to make himself/herself aware of any relevant audit information and to establish that the Company's auditor are aware of that information.

Review of the business, results & dividends, principal risks and uncertainties, Key Performance indicators

For further information on these items please refer to the strategic report on page 2, which forms part of this report by cross reference.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF TESCO PENSION INVESTMENT LIMITED

Report on the audit of the financial statements

Opinion

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 31 March 2018 and of its result for the year then
 ended:
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice including Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland";
- have been prepared in accordance with the requirements of the Companies Act 2006.

We have audited the financial statements of Tesco Pension Investment Limited (the 'company') which comprise:

- the statement of comprehensive income:
- · the balance sheet;
- the statement of changes in equity;
- · the cash flow statement;
- the related notes 1 to 18.

The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" (United Kingdom Generally Accepted Accounting Practice).

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs(UK)) and applicable law. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report.

We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We are required by ISAs (UK) to report in respect of the following matters where:

- the directors' use of the going concern basis of accounting in preparation of the financial statements is not appropriate; or
- the directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

We have nothing to report in respect of these matters.

Other information

The directors are responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

Responsibilities of directors

As explained more fully in the directors' responsibilities statement, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Use of our report

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2008. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Report on other legal and regulatory requirements

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the strategic report and the directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the strategic report and the directors' report have been prepared in accordance with applicable legal requirements.

In the light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified any material misstatements in the strategic report or the directors' report.

Matters on which we are required to report by exception

Under the Companies Act 2006 we are required to report in respect of the following matters if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- · certain disclosures of directors' remuneration specified by law are not made; or
- · we have not received all the information and explanations we require for our audit.

We have nothing to report in respect of these matters.

for and on behalf of Deloitte LLP Statutory Auditor

London, United Kingdom.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2018

1. SIGNIFICANT ACCOUNTING POLICIES

The principal accounting policies are summarised below. They have all been applied consistently throughout the year and the preceding year.

General information and basis of preparation of accounting

The Company is incorporated in England and Wales, United Kingdom under the Companies Act 2006, as a private limited company, limited by shares. The address of the registered office is given on page 2. The principal place of business is 125, Finsbury Pavement, London, EC2A 1NQ. The nature of the Company's operations and its principal activities are set out in the Strategic Report also on page 2.

The financial statements have been prepared under the historical cost convention, and in accordance with Financial Reporting Standard 102 (FRS 102) issued by the Financial Reporting Council.

The functional currency of Tesco Pension Investment Limited is considered to be pounds sterling because that is the currency of the primary economic environment in which the Company operates.

Going concern

After making enquiries, the Directors understand it is the current intention of the Directors of the Trustee of the Pension Scheme to continue to fund the Company so that it may continue in operational existence for the foreseeable future and have provided a letter of support to this effect. For this reason they continue to adopt the going concern basis in preparing the financial statements.

Fixed assets

Fixed assets are stated at historical cost less accumulated depreciation. These are depreciated on a straight line basis from the month in which they were purchased over the period of their expected useful life. Depreciation of computer equipment is charged to the profit and loss account over its useful economic life of 2 or 3 years. Depreciation of office equipment is charged to the profit and loss over 5 years and leasehold improvements over 10 years.

Financial instruments

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument.

Financial liabilities are classified according to the substance of the contractual arrangements entered into. All financial assets and liabilities are initially measured at transaction price (including transaction costs).

Financial assets are de-recognised when and only when a) the contractual rights to the cash flows from the financial asset expire or are settled, b) the Company transfers to another party substantially all of the risks and rewards of ownership of the financial asset, or c) the Company, despite having retained some significant risks and rewards of ownership, has transferred control of the asset to another party and the other party has the practical ability to sell the asset in its entirety to an unrelated third party and is able to exercise that ability unilaterally and without needing to impose additional restrictions on the transfer.

Financial liabilities are de-recognised only when the obligation specified in the contract is discharged, cancelled or expires.

Trade debtors and creditors

Debtors and creditors are both initially recognised at fair value and subsequently measured at amortised cost using the effective interest rate method, less provision for impairment.

impairment of assets

Assets are assessed for indicators of impairment regularly. If there is objective evidence of impairment, an impairment loss is recognised in profit or loss.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2018 (continued)

1. SIGNIFICANT ACCOUNTING POLICIES (continued)

Taxation

Current tax, including UK corporation tax, is provided at amounts expected to be paid (or recovered) using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date. Tax provisions are recognised for uncertain tax positions where a risk of an additional tax liability has been identified and it is probable that that the Company will be required to settle that tax. Measurement is dependent on subjective judgements as to the outcome of decisions by tax authorities in the various tax jurisdictions in which the Company operates. This is assessed on a case by case basis using inhouse tax experts, professional firms and previous experience.

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date where transactions or events that result in an obligation to pay more tax in the future or a right to pay less tax in the future have occurred at the balance sheet date. Timing differences are differences between the Company's taxable profits and its results as stated in the financial statements that arise from the inclusion of gains and losses in tax assessments in periods different from those in which they are recognised in the financial statements.

Unrelieved tax losses and other deferred tax assets are recognised only to the extent that, on the basis of all available evidence, it can be regarded as more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing differences can be deducted.

Deferred tax is measured using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date that are expected to apply to the reversal of the timing difference. Deferred tax relating to property, plant and equipment measured using the revaluation model and investment property is measured using the tax rates and allowances that apply to sale of the asset.

Where items recognised in other comprehensive income or equity are chargeable to or deductible for tax purposes, the resulting current or deferred tax expense or income is presented in the same component of comprehensive income or equity as the transaction or other event that resulted in the tax expense or income.

Current tax assets and liabilities are offset only when there is a legally enforceable right to set off the amounts and the Company intends either to settle on a net basis or to realise the asset and settle the liability simultaneously.

Deferred tax assets and liabilities are offset only if: a) the Company has a legally enforceable right to set off current tax assets against current tax liabilities; and b) the deferred tax assets and deferred tax liabilities relate to income taxes levied by the same taxation authority on either the same taxable entity or different taxable entities which intend either to settle current tax liabilities and assets on a net basis, or to realise the assets and settle the liabilities simultaneously, in each future period in which significant amounts of deferred tax liabilities or assets are expected to be settled or recovered.

Turnover and administrative expenses

Turnover and administrative expenses are recognised on an accrual basis.

Turnover represents the amount recoverable from the Tesco PLC Pension Scheme under the terms of the Investment Management Agreement in which the costs incurred by the Company are invoiced to the pension scheme. Analyses of turnover, staff costs and administrative expenses are given in notes 3, 4 and 6 respectively.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2018 (continued)

1. SIGNIFICANT ACCOUNTING POLICIES (continued)

Pensions

Employees of Tesco Pension Investment Limited were entitled to join the defined benefit, Tesco PLC Pension Scheme until 21 November 2015 when this Scheme Closed. Since 22 November 2015 employees are entitled to join the Tesco Retirement Savings Plan which is a defined contribution master trust.

The Tesco PLC Pension Scheme is valued every three years by a professionally qualified independent actuary and the rates of contribution determined by the actuary.

Foreign currencies

Transactions in foreign currencies are translated into pounds sterling at the exchange rate on the date of the transaction. Assets and liabilities in foreign currencies are converted to pounds sterling at the relevant exchange rate at the year-end date.

Leases

Rent under the operating lease is accounted for as it falls due. Where lease incentives such as rent free periods are negotiated these are capitalised and amortised to the profit and loss account as rent over the lease term.

In accordance with the transitional provisions of FRS 102, lease incentives on leases which were in existence prior to the date of transition have been spread over the shorter of the lease term and the period to the first review date on which the rent is first expected to be adjusted to the prevailing market rate.

2. CRITICAL ACCOUNTING JUDGEMENTS AND KEY SOURCES OF ESTIMATION UNCERTAINTY

In the application of the entity's accounting policies, which are described in note 1, the directors are required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period or in the period of the revision and future periods if the revision affects both current and future periods.

Critical Judgements in applying the Group's accounting policies

There were no critical accounting judgements made in the preparation of these financial statements.

Key sources of estimation uncertainty

There are no key sources of estimation uncertainty in the preparation of these financial statements.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2018 (continued)

3 TURNOVER

Turnover is comprised of income received from Tesco PLC Pension Scheme to cover Company costs.

uniover is comprised of mounte received from rescort to refision of	Year to 31-Mar-18 £000's	Year to 31-Mar-17 £000's
Income received from the Tesco PLC Pension Scheme	21,096	25,260

4. STAFF COSTS

	Year to 31-Mar-18 £000's	Year to 31-Mar-17 £000's
Salaries and bonus payments	13,117	17.879
Social security costs	1.486	1,996
Pension costs	613	533
	15,216	20,408

The average number of UK employees (excluding directors) per month during the year ended 31 March 2018 was 46 (2017: 37). All employees are classified as permanent.

Pension costs consist of £613k of contributions to the Tesco Retirement Savings Plan (2017: £533k)

5. DIRECTORS' EMOLUMENTS

Of the three Directors, two are accruing pension benefits in the Tesco PLC Pension Scheme and two were paid by the company during the year. One of the Director's services to this Company are considered incidental to services provided to the sponsoring employer of the Tesco PLC Pension Scheme, Tesco Plc (the "sponsoring employer"), and Tesco Plc's subsidiaries. Therefore his emoluments are deemed to be wholly attributable to Tesco PLC group companies.

	Year to	Year to	
	31-Mar-18	31-Mar-18	31-Mar-17
	£000's	£000's	
Aggregate emoluments	5,983	1,403	
Highest paid Director	Year to	Year to	
	31-Mar-18	31-Mar-17	
	£000's	£0003	
Total aggregate emoluments and amounts (excluding shares) receivable			
under long term incentive schemes	4,508	885	

The highest paid Director is not a member of the Pension Scheme so has not accrued any pension benefits. He was awarded 70,400 (2017: 79,678) shares as part of the performance share plan by the sponsoring employer (these are not shares in Tesco Pension Investment Limited or any connected entity). The Company contributed £6,000 into a money purchase pension scheme for one director, in respect of directors' qualifying services. Payments made in the year include an award under a long term incentive plan covering performance over a five year period, which had been accrued in the previous period.

Directors' advances, credits and guarantees

Details of any transactions with directors during the year are disclosed in the related party note on Page 17.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2018 (continued)

6. ADMINISTRATIVE EXPENSES

	Year to 31-Mar-18	Year to 31-Mar-17
	8'0003	8'0003
Depreciation	140	168
Legal and professional	2,184	1,684
Fees paid to auditor – statutory audit fee	25	24
Recruitment	88	151
Rent	281	281
Service charges & utilities	213	203
Travel & accommodation	172	228
Sundry expenses	43	53
Research cost	676	-
IT costs	2,008	2,023
Training	39	22
	5,869	4,837

7. TAX ON PROFIT ON ORDINARY ACTIVITIES

The tax charge comprises:

	Year to 31-Mar-18 £000's	Year to	
		31-Mar-18	31-Mar-17
		£000's	
UK corporation tax on profit for the year	11	15	
Tax on profit on ordinary activities	11	15	

The differences between the total charge shown above and the amount calculated by applying the small companies rates of corporation tax to profit is as follows:

Year to	Year to 31-Mar-17
31-Mar-18	
£000's	£0003
11 ,	15
2	3
4	3
-	-
5	8
• '	1
11	15
	31-Mar-18 £000's 11 2 4

The Finance Act 2016 included legislation to reduce the main rate of UK corporation tax from 20% to 19% from 1 April 2017 and to 17% from 1 April 2020. These rate reductions were enacted by the balance sheet date and therefore included in these consolidated financial statements. Temporary differences have been re-measured using the enacted tax rates that are expected to apply when the liability is settled or the asset realised.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2018 (continued)

7. TAX ON PROFIT ON ORDINARY ACTIVITIES (continued)

Unrecognised deferred tax assets

Deferred tax assets have not been recognised in respect of the following items (because it is not probable that future taxable profits will be available against which the Company can utilise the benefits):

	Year to	Year to
	31-Mar-18	31-Mar-17
,	£0003	£0003
Deductible temporary differences	45	41

8. NOTE TO THE STATEMENT OF CASH FLOWS
