1. Introduction

- 1.1 This report is prepared pursuant to the Rules in relation to the Company. The Rules provide that a progress report is issued every six months from the date of the last progress report to inter alia all creditors within one month of the end of the period covered by the report.
- 1.2 This report provides details of the progress made since the Second Report to date and of matters that are yet to be concluded. Attached at **Appendix I** are definitions of terms used in this report and at **Appendix II** is a summary of statutory information on the administration.
- 1.3 As agreed by the Company's creditors, as set out in the Act, the period of the administration has been extended to 2 December 2020.

2. Progress of the Administration / Asset Realisations

- 2.1 Attached at **Appendix III** is the Joint Administrators' Receipts and Payments Account, which details the realisations achieved and costs paid for the Review Period and for the administration as a whole. An update of the progress made since the Second Report is detailed below.

The Settlement Agreement

- 2.2 As previously reported, a settlement in relation to the pre-appointment transfer of the Company's business and assets to LPL was completed on 6 December 2018. Sales consideration totalling £44,500 has been received to date, of which £10,000 was received in the Review Period.
- 2.3 At the beginning of the Review Period, the Purchaser had expressed ongoing issues with cash flow which meant that the sale consideration payments in line with the settlement agreement fell into arrears.
- 2.4 In late January 2020, the Purchaser had advised that they were able to proceed with making payments towards the sale consideration.
- 2.5 On 4 February 2020, it was agreed with the Purchaser that payments would be picked up again in line with the amount that was due for that month as per the settlement agreement.
- 2.6 Due to the Purchaser's previous ability to make payment and to avoid unnecessary legal costs, an extension to the payment terms had been granted. The final payment is now scheduled to be made by October 2020.
- 2.7 As the sales consideration has not yet been received in full, it has not been allocated to specific asset categories in the Joint Administrators' Receipts and Payments Account attached as **Appendix III**.
- 2.8 Efforts were made to maximise realisations net of costs. The ultimate financial benefit achieved for creditors from these efforts is dependent upon the dividend prospects, which are explained further below.

Other Assets

- 2.9 An amount totalling £3.42 has been received during the Review Period in relation to bank interest.

3. Statutory and General Administration

- 3.1 Throughout the Review Period, the Joint Administrators have carried out the following material tasks in this category:
 - 3.1.1 drafting this progress report;

- 3.1.2 consulting with and instructing staff and independent advisers as regards practical, technical and legal aspects of the case to ensure efficient progress;
- 3.1.3 consulting with staff, SFP Property and external agents to receive updates on their progress and to agree strategies;
- 3.1.4 maintaining case files, which must include records to show and explain the administration and any decisions made by the Joint Administrators that materially affect the administration;
- 3.1.5 conducting periodic case and bond reviews to ensure that the administration is progressing efficiently, effectively and in line with the statutory requirements;
- 3.1.6 maintaining and updating the estate cash book and bank account, including regular bank reconciliations and processing receipts and payments; and
- 3.1.7 completing periodic tax returns and settling any associated liabilities.

4. Investigations

- 4.1 In accordance with the Joint Administrators' duties, investigations have been made into the conduct of the Company's directors. The requisite report was submitted to the Insolvency Service. All information contained in the report is strictly confidential and the Joint Administrators are not permitted to divulge details of their report to the Insolvency Service.
- 4.2 The Joint Administrators have carried out an investigation into the Company's affairs prior to it being placed into Administration to examine whether there were any potential claims arising from transactions made by the Company prior to Administration that might give rise to an action for recovery.
- 4.3 Those investigations are ongoing. Consequently, the Joint Administrators do not wish to divulge any further information at this stage, as this might have a negative impact on the prospects of any successful recovery for the insolvent estate in the future.
- 4.4 At present, it is not known whether this work will generate any financial benefit to creditors.

5. Creditors

- 5.1 During the Review Period, the following main tasks in this category have been carried out:
 - 5.1.1 responding to creditors' queries and logging their claims and supporting information; and
 - 5.1.2 maintaining the database as regards creditors' contact details and claims.

Employees' Claims

- 5.2 Although the majority of employees' claims were transferred to LPL as a consequence of TUPE, eight employees were made redundant on 1 December 2018. Employees have submitted applications to the RPO in order to receive their entitlements.

Anticipated Outcome

- 5.3 On present information it looks unlikely that there will be sufficient funds to pay a dividend to non-preferential unsecured creditors.

6. The Joint Administrators' Costs

- 6.1 At **Appendix III** is a breakdown of the time costs incurred by the Joint Administrators' firm over the Review Period, totalling £5,029.50, a summary of the time costs for the administration period as a whole, and the total fees drawn. A Guide to Administrators' Fees is available from <http://panel.sfggroup.com> or a hard copy will be provided on request.

- 6.2 The attached breakdown shows that a significant proportion of the time costs incurred in the Review Period relate to statutory and general administration. Whilst these tasks have not had a direct benefit in enhancing realisations for the insolvent estate, they have assisted in the efficient and compliant progressing of the administration, which has ensured that the Joint Administrators and their staff have carried out their work to high professional standards.
- 6.3 The remuneration anticipated to be charged by the Joint Administrators (i.e. the total time costs anticipated to be incurred by the Joint Administrators and their staff to conclusion of the administration) is unlikely to exceed the fees estimate.
- 6.4 **Appendix V** provides a breakdown of the time costs incurred by SFP Property over the Review Period to date, a summary of the time costs for the administration period as a whole, and the total fees paid from the insolvent estate.
- 6.5 At **Appendix VI** is a schedule of SFP's charge-out rates and bases of calculation of certain expenses. The bases of these costs are subject to approval in the same manner as the Joint Administrators' fees, as detailed in **Appendix II**.
- 6.6 In addition, the Joint Administrators' Receipts and Payments Account attached at **Appendix III** provides a summary of the expenses incurred by the Joint Administrators, whether directly or by reason of their instructions to other parties.
- 6.7 The following expenses are likely to exceed the details given to creditors along with the Joint Administrators' Proposal:

Party / description	Current estimate (total to conclusion of administration)	Explanation
Other Property Fees	£106.97	CAPA were instructed to review the Company's business rates position and to pursue any refunds due to the Company. This resulted in a recovery for the estate of £427.89.
Joint Administrators' expenses (Category 1)	£1,032.59	Category 1 expenses have exceeded estimates due to additional food and hotel expenses submitted following the circulation of the proposals.

7. Conclusion

- 7.1 At present, the main activities remaining to be done are:
- 7.1.1 collection of the remaining deferred sale consideration;
 - 7.1.2 conclusion of investigations into the affairs of the Company and of any claims identified as worthy of pursuit;
 - 7.1.3 pursuit of clearance from the relevant government departments;
 - 7.1.4 conclusion of the administration, likely by filing notice of the move from administration to dissolution.

- 7.2 Should any creditor have any questions or queries in relation to the above, please contact either the Senior Administrator dealing with this matter, Daniel Robin, or the Joint Administrator on 020 7538 2222 or by email to enquiries@sfggroup.com.

Dated this 17 June 2020

Charge-out rates for office holders and their staff and bases of calculation of associated expenses

Time costs of office holders and their staff are recorded in 6-minute units at the charge-out rates shown. The office holders may be assisted by self-employed individuals engaged to fill temporary or infrequent gaps in the firm's permanent staff resources. Such individuals operate in a manner similar to other members of staff and their time spent on case administration is recorded at whichever rate shown here is appropriate to the role they perform.

These rates are reviewed periodically and are subject to inflationary or other adjustments. Up-to-date schedules of charge-out rates will be provided in all future reports.

SIP9 provides definitions of Category 1 and 2 disbursements. These definitions have been extended, as set out below, to include expenses that are discharged directly from the insolvent estate.

Category 1 Expenses
Category 1 expenses are costs that can be specifically identified as relating to the administration of the case. These are charged to the estate at cost with no uplift. These include, but are not limited to, such items as advertising, bonding and other insurance premiums and properly reimbursed expenses. Postage directly incurred on the case is also charged at cost as a Category 1 expense. Legislation provides that office holders may discharge Category 1 expenses from the funds held in the insolvent estate without further recourse to creditors.

Category 2 Expenses																																		
Category 2 expenses are costs that are also directly referable to the appointment in question but not to a payment to an independent third party. Payments may only be made in relation to Category 2 expenses after the relevant creditors (or committee) have approved the bases of their calculation. Set out below are the bases of the office holders' expenses in this category.
