**JACKSON FRANCIS LIMITED
IN CREDITORS VOLUNTARY LIQUIDATION**

**LIQUIDATOR'S PROGRESS REPORT TO CREDITORS AND MEMBERS
FOR THE PERIOD 11 SEPTEMBER 2017 TO 10 SEPTEMBER 2018**

I write with my annual progress report to all known members and creditors in connection with my appointment as Liquidator of the above company on 11 September 2014.

LIQUIDATOR'S ACTIONS SINCE LAST REPORT

I previously reported that I had been required to instruct my Solicitors, Cameron Legal, to assist me with the recovery of certain books and records from the former director.

Unfortunately, despite my best efforts the former director failed to deliver up any additional books and records.

ROUTINE WORK

There is certain work that I am required by the insolvency legislation to undertake work in connection with the liquidation that provides no financial benefit for the creditors. A description of the routine work undertaken since my last progress report is as follows:

I have been contacted by various individuals who are of the opinion that they maybe creditors of the Company in liquidation, due to the fact that they believe they were given inappropriate advice regarding their pensions. I have also been liaising with the Public Interest Unit of the Insolvency Services regarding these claims.

1. Administration

- Case planning - devising an appropriate strategy for dealing with the case and giving instructions to the staff to undertake the work on the case.
- Dealing with routine correspondence and emails relating to the case.
- Maintaining and managing the office holder's estate bank account and cashbook.
- Undertaking regular bank reconciliations of the bank account containing estate funds.
- Reviewing the adequacy of the specific penalty bond.
- Undertaking periodic reviews of the progress of the case.
- Overseeing and controlling the work done on the case by case administrators.
- Preparing, reviewing and issuing annual progress reports to creditors and members.
- Filing returns at Companies House.
- Preparing and filing Corporation Tax returns.

2. Creditors

- Dealing with creditor correspondence, emails and telephone conversations regarding their claims.
- Maintaining up to date creditor information on the case management system.
- Reviewing proofs of debt received from creditors.
- Liaising with the Public Interest Unit of the Insolvency Services.

STATUTORY INFORMATION

Statutory information regarding the company is enclosed for your information.

RECEIPTS AND PAYMENTS

Enclosed for your information is a Summary of Receipts and Payments for the period 11 September 2017 to 10 September 2018, from which you will note there are funds in hand of £183.53 which are held in an interest bearing estate bank account.

ASSETS

Directors Contributions

I previously reported that funds in the amount of £4,200 had been received by way of a director's contribution.

Other Assets

Since the date of my last report, where possible, funds have been held on an interest bearing account in order to maximise realisations. During this period £0.69p has been received, bringing total realisations in this regard to £3.02.

I previously reported that I had received a request for information from the Pension Claims Centre who voluntarily paid a contribution of £10 towards the administration costs of providing the same.

Assets That Remain To Be Realised

The directors estimated statement of affairs prepared as at the date of the liquidation did not detail any assets to be realised.

I am not aware of any assets that will currently need to be realised in this matter but, as you are already aware from my previous annual report, the Public Interest Unit of the Insolvency Services is investigating the actions of the director, therefore, it appears necessary to keep this case open for the time being.

LIABILITIES

Secured Creditors

An examination of the Company's mortgage register held by the Registrar of Companies, showed that the Company has no current charges over its assets.

Prescribed Part of Net Property

Section 176A provides that unsecured creditors are entitled to a dividend out of the prescribed part of the company's property. Net property is the amount that would otherwise be payable to the floating charge holder (if the floating charge was created on or after 15 September 2003). The prescribed part is 50% of the first £10,000 of the net property plus 20% of that part of the net property exceeding £10,000 (subject to a maximum of £600,000).

To the best of the Liquidator's knowledge and belief there are no unsatisfied floating charges created on or after 15 September 2003 and, consequently there is no net property and, therefore, no prescribed part available for distribution to the unsecured creditors.

Preferential Creditors

There are no known preferential creditors in this matter.

Crown Creditors

The estimated statement of affairs did not detail any liabilities that were owed to HM Revenue & Customs. To date I have not received a claim from HM Revenue & Customs.

Other Non-Preferential Unsecured Creditors

The statement of affairs included 2 non-preferential unsecured creditors with an estimated total liability of £6,320. I have received claims from 2 creditors at a total of £6,688. I have not received claims from 1 creditor with an original estimated claim in the statement of affairs of £320.

DIVIDEND PROSPECTS

On current information, there is no prospect of a dividend to any class of creditor.

INVESTIGATION INTO THE AFFAIRS OF THE COMPANY

I have previously reported that I undertook an initial investigation into the Company's affairs to establish whether there were any potential asset recoveries or conduct matters that justified further investigation, taking account of the public interest, potential recoveries, the funds likely to be available to fund an investigation, and the costs involved.

In particular, I recovered, listed and reviewed the Company's accounting records; obtained and reviewed copy bank statements for the 4 months prior to the Company ceasing to trade from the Company's bankers.

PRE-APPOINTMENT REMUNERATION

The creditors previously authorised the payment of a fee of £3,500 for my assistance with preparing the statement of affairs and convening and holding the meeting of creditors at a meeting held on 11 September 2014.

The fee for preparing the statement of affairs and convening and holding the meeting of creditors was paid from first realisations on appointment and is shown in the enclosed receipts and payments account.

LIQUIDATOR'S REMUNERATION

My remuneration was previously authorised by the creditors at a meeting held on 11 September 2014 on a time cost basis.

In this period and during the period of the liquidation my firm has not drawn any monies by way of Liquidator's remuneration in accordance with resolutions passed.

Time costs from 11 September 2017 to 10 September 2018 amount to £1,435 for 7.5 hours, representing an average charge of £191.33 per hour. Total time costs incurred for the period of the administration of the liquidation amount to £19,312.50 for 88.1 hours, representing an average charge of £219.21 per hour.

Further information about creditors' rights can be obtained by visiting the creditors' information published by the Association of Business Recovery Professionals (R3) at <https://www.r3.org.uk/what-we-do/publications/professional/creditors-guides>. Please note that there are different versions of the Guidance Notes and in this case you should refer to the November 2011 version.

During the periods covered by this report, the following category 1 disbursements as defined by Statement of Insolvency Practice 9 "SIP9" have been incurred:-

During the periods covered by this report, the following category 2 disbursements as defined by Statement of Insolvency Practice 9 "SIP9" have been incurred:-

Stationery and Photocopying Charges	£42.75	£16.80	£59.55
-------------------------------------	--------	--------	--------

As the Company was not registered for VAT purposes, where applicable, figures are shown as gross.

Expenses totalling £529.49 have been drawn to date of which £180.29 have been drawn in the period since 10 September 2017.

I have used the following agents or professional advisors in the reporting period:

Professional Advisor	Nature of Work	Basis of Fees
Cameron Legal Ltd	Solicitors	No charges have been incurred during this period

The choice of professionals was based on my perception of their experience and ability to perform this type of work, the complexity and nature of the assignment. I also considered that the basis on which they will charge their fees represented value for money. I have reviewed the charges they have made and am satisfied that they are reasonable in the circumstances of this case.

CHARGING AND DISBURSEMENT RECOVERY POLICIES

An up to date G Irwin & Co Insolvency Practice Statement of Office Holder's Charging and Disbursement Recovery Policies is enclosed for your information.

FURTHER INFORMATION

An unsecured creditor may, with the permission of the court or with the concurrence of 5% in value of the unsecured creditors (including the creditor in question), request further details of the Liquidators' remuneration and expenses within 21 days of receipt of this report. Any secured creditor may request the same details in the same time limit.

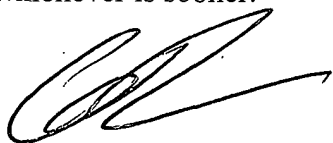

An unsecured creditor may, with the permission of the court or with the concurrence of 10% in value of the creditors (including the creditor in question), apply to court to challenge the amount and/or basis of the Liquidator's fees and the amount of any proposed expenses or expenses already incurred, within 8 weeks of receipt of this report. Any secured creditor may make a similar application to court within the same time limit.

SUMMARY

Additionally, the former director is being investigated by the Insolvency Service, following his Bankruptcy on 19 September 2016. Accordingly, I propose to keep this case open until this has been concluded.

The liquidation will remain open until my investigations have been fully resolved. I estimate that this will take approximately 12 months and once resolved the liquidation will be finalised and our files will be closed.

I will report again in approximately 12 months' time or at the conclusion of the liquidation, whichever is sooner.
