NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2021

1. **STATUTORY INFORMATION**

LayTec UK Limited is a private company, limited by shares, registered in England and Wales. The company's registered number and registered office address can be found on the Company Information page.

2. **ACCOUNTING POLICIES**

Basis of preparing the financial statements

These financial statements have been prepared in accordance with Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" including the provisions of Section 1A "Small Entities" and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

The financial statements include the results of the company's operations all of which are continuing. The financial statements have been prepared on a going concern basis. This may not be appropriate because at 31st December 2021 the company's total liabilities exceeded its fixed and current assets by £390,916 and total liabilities of the company were £470,444. The company is reliant upon the continued support of its Parent Company, but there is no evidence to suggest that this will not continue and that further funds will not be provided as necessary to enable the company to continue as a going concern.

Turnover

Turnover is measured at the fair value of the consideration received or receivable, excluding discounts, rebates, value added tax and other sales taxes.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Office and laboratory equipment - 33% on cost and 20% on cost

Pension costs and other post-retirement benefits

The company operates a defined contribution pension scheme. Contributions payable to the company's pension scheme are charged to profit or loss in the period to which they relate.
