Year Ending: 29 September 2020

Company activities and impact

Following a difficult year mostly in lockdown, our activity and income stream has been hugely impacted. We were able to secure funding for a project called Rock a Bye Babies but had to put the project on hold because of the lockdown for Covid-19.Our original vision to grow and offer more and more opportunities for people to engage with the arts in the form of dance, drama, craft and music of the benefit of good mental health and general well being was stopped in its tracks. We were unable to hold any clubs in schools, lost curriculum dance and other opportunities to offer prayers spaces, art social and Bible journaling. With the pandemic and many people still unsure whether to meet, the need for our services is increasing and we are exploring ways to engage with people online for Bible journaling and the art social. We are using the time wisely trying to hone our operation, increase our engagement via social media to increase awareness of our company and services and are looking for funding opportunities to engage with people as soon as we are able.
