LONDON SQUARE (FULHAM) LIMITED

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF LONDON SQUARE (FULHAM) LIMITED

Report on the financial statements

Our opinion

In our opinion, London Square (Fulham) Limited's financial statements (the "financial statements"):

- give a true and fair view of the state of the company's affairs as at 31 March 2016 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

What we have audited

The financial statements, included within the Report and Financial Statements (the "Annual Report"), comprise:

- the Balance sheet as at 31 March 2016;
- the Profit and Loss Account for the year then ended;
- the Statement of Changes in Equity for the year then ended; and
- the notes to the financial statements, which include a summary of significant accounting policies and other explanatory information.

The financial reporting framework that has been applied in the preparation of the financial statements is United Kingdom Accounting Standards, comprising FRS 101 "Reduced Disclosure Framework", and applicable law (United Kingdom Generally Accepted Accounting Practice).

In applying the financial reporting framework, the directors have made a number of subjective judgements, for example in respect of significant accounting estimates. In making such estimates, they have made assumptions and considered future events.

Opinion on other matter prescribed by the Companies Act 2006

In our opinion, the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements.

Other matters on which we are required to report by exception

Adequacy of accounting records and information and explanations received

Under the Companies Act 2006 we are required to report to you if, in our opinion:

- we have not received all the information and explanations we require for our audit; or
- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns.

We have no exceptions to report arising from this responsibility.

Directors' remuneration

Under the Companies Act 2006 we are required to report to you if, in our opinion, certain disclosures of directors' remuneration specified by law are not made. We have no exceptions to report arising from this responsibility.

Entitlement to exemptions

Under the Companies Act 2006 we are required to report to you if, in our opinion, the directors were not entitled to take advantage of the small companies exemption from preparing a strategic report.

We have no exceptions to report arising from this responsibility.

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF LONDON SQUARE (FULHAM) LIMITED (CONTINUED)

Responsibilities for the financial statements and the audit

Our responsibilities and those of the directors

As explained more fully in the Statement Directors' Responsibilities set out on page 2, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view.

Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland) ("ISAs (UK & Ireland)"). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

This report, including the opinions, has been prepared for and only for the company's members as a body in accordance with Chapter 3 of Part 16 of the Companies Act 2006 and for no other purpose. We do not, in giving these opinions, accept or assume responsibility for any other purpose or to any other person to whom this report is shown or into whose hands it may come save where expressly agreed by our prior consent in writing.

What an audit of financial statements involves

We conducted our audit in accordance with ISAs (UK & Ireland). An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of:

- whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed;
- the reasonableness of significant accounting estimates made by the directors; and
- the overall presentation of the financial statements.

We primarily focus our work in these areas by assessing the directors' judgements against available evidence, forming our own judgements, and evaluating the disclosures in the financial statements.

We test and examine information, using sampling and other auditing techniques, to the extent we consider necessary to provide a reasonable basis for us to draw conclusions. We obtain audit evidence through testing the effectiveness of controls, substantive procedures or a combination of both.

In addition, we read all the financial and non-financial information in the Annual Report to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

LONDON SQUARE (FULHAM) LIMITED
NOTES TO THE FINANCIAL STATEMENTS

1 ACCOUNTING POLICIES (CONTINUED)

Significant accounting judgements, estimates and assumptions

The preparation of the Company's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the disclosure of contingent liabilities, at the reporting date. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the results of which form the basis of making judgements about the carrying value of assets and liabilities which are not readily apparent from other sources. However, uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of the asset or liability affected in future periods. The estimates and underlying assumptions are reviewed on an ongoing basis.

Significant accounting policies

The principal accounting policies adopted, which have been applied consistently throughout the year, are set out below.

Investments

Investments are carried at cost, less provision for impairment.

Income taxes

Current income tax is based on the taxable profit for the period. Taxable profit differs from profit before taxation recorded in the profit and loss account because it excludes items of income or expense that are taxable or deductible in other years or that are never taxable or deductible. The liability for current tax is calculated using rates that have been enacted, or substantively enacted, by the balance sheet date.

Deferred income tax is provided using the balance sheet liability method, providing for all temporary differences between the carrying amount of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes. Deferred tax is measured at the average tax rates that are expected to apply in the periods in which the timing differences are expected to reverse, based on rates and laws that have been enacted or substantively enacted by the balance sheet date. A deferred tax asset is only recognised when it is more likely than not that the asset will be recoverable in the foreseeable future, out of suitable taxable profits from which the underlying temporary differences can be deducted. Deferred income tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets against current tax liabilities and when there is an intention to settle the balances on a net basis. Deferred income tax is charged or credited through the profit and loss account, except when it relates to items charged or credited through equity, when it is charged or credited there.

2 AUDITORS' REMUNERATION

The fee payable to the Company's auditors for the audit of the financial statements of £2,100 (2015: £2,000) was borne by London Square Developments Limited, a fellow subsidiary undertaking of London Square Developments (Holdings) Limited.

The Company has taken advantage of the exemption not to disclose amounts paid to the Company's auditors for non-audit services as these are disclosed in the group financial statements of its parent London Square Developments (Holdings) Limited.
