SUBSIDIARY UNDERTAKING: S&W TLP (Hold Co Two) Limited

## Strategic Report

For the year ended 31 March 2018

The directors present their strategic report on the group for the year ended 31 March 2018.

#### Principal activities and future developments

The Company acts as a holding company for its subsidiary S&W TLP (Hold Co Two) Limited. The principal activity of that subsidiary is the finance design refurbishment and operation of education facilities under the Government's Private Finance Initiative (PFI) for Salford City Council ("the Authority") which it carries out through its investment in its subsidiary S&W TLP (Project Co Two) Limited. Operational activities have continued throughout the year. No significant changes to the group's activities are anticipated in the foreseeable future.

## Key performance indicators (KPIs)

#### 1. Performance deductions under the service contract

Financial penalties are levied by the Authority in the event of performance standards not being achieved according to detailed criteria set out in the Project Agreement. These deductions are passed on to the service provider but the quantum is an indication of unsatisfactory performance. In the year ended 31 March 2018, deductions of £102,337 (2017: £297,032) had been levied which represents 3% (2017: 3%) of revenue. The directors believe the performance for the year to be satisfactory.

#### 2. Financial performance

The directors have modelled the anticipated financial outcome of the concession across its full term. The Directors monitor actual financial performance against this anticipated performance. As at 31 March 2018, the Group's performance against this measure was satisfactory.

## Principal risks and uncertainties

The Authority is the sole client of the Group. The directors consider that no strategic risk arises from such a small client base since the Secretary of State for Education has underwritten the Authority's obligations under the Project Agreement.

Performance risk under the Project Agreement and related contracts are passed on to the service providers and to the building contractor. The obligations of these subcontractors are underwritten either by performance guarantees caused by banks or by parent Company guarantees.

The Group is exposed to financial risk through its financial assets and liabilities. The key financial risk is that the proceeds from financial assets are not sufficient to fund the obligations arising from liabilities as they fall due. The financial risks and the measures taken to mitigate them are detailed in the following section.

## **Financial Risk Management**

The Group has exposures to a variety of financial risks which are managed with the purpose of minimising any potential adverse effect on the Group's performance. The Directors have policies for managing each of these risks and they are summarised below:

#### Interest rate risk

The Group aims to manage exposure to interest rate fluctuations through a balance of fixed rate borrowings along with floating rate borrowings. The Group has also entered into swap contracts covering all of the debt projected to be drawn down which hedges the Group's interest rate exposure on bank loans.

## Strategic Report (continued) For the year ended 31 March 2018

## Liquidity risk

Liquidity risk is the risk that the Group will not be able to meet its financial obligations as they fall due. The Group's financial obligations, including the repayment of its borrowings which are provided on a long-term basis, have been structured to be met from the income which, under normal operating conditions, will be earned from its long-term concession contract with the Authority.

## **Credit Risk**

Although the Authority is the sole client of the Group, the directors are satisfied that the Authority will be able to fulfil its obligations under the Project Agreement as it is underwritten by the Secretary of State for Education.

## **Approval**

This report was approved by the board on 20/11/2018

and signed on its behalf by:

G D Holden

Director

46 Charles Street Cardiff CF10 2GE

## **Directors' Report**

For the year ended 31 March 2018

The Directors present their annual report and audited consolidated financial statements for S&W TLP (PSP Three) Limited for the year ended 31 March 2018.

#### Principal activities

The principal activity of the Company is described within the strategic report.

#### Results and dividends

The results for the Group for the year are shown in the Consolidated Statement of Comprehensive Income on page 10.

The directors do not recommend the payment of a dividend in respect of the year ended 31 March 2018 (2017: nil).

## Key performance indicators

Key performance indicators are discussed in the Strategic Report.

## Principal risks and uncertainties

Principal risks and uncertainties including financial risk management are discussed in the Strategic Report.

## Financial risk management

Financial risk management is discussed in the Strategic Report.

## **Future developments**

Future developments are discussed in the Strategic Report.

## **Directors**

The Directors of the Company who held office during the year and to the date of signing these financial statements are listed below:

R W Driver M G D Holden

A E Kinghom - resigned 04/09/2018

## **Going Concern**

The financial statements have been prepared on a going concern basis, notwithstanding net liabilities of £10,323,000. These net liabilities relate primarily to the recognition of unrealised losses on interest rate swaps taken out to hedge one company's borrowings over the duration of the project. The directors have considered the forecasts and believe the future prospects of the company to be satisfactory, and therefore it remains appropriate to prepare the financial statements on a going concern basis.

## **Employees**

The Company has no employees (2017: Nil)

## Political and charitable contributions

The Company made no political or charitable contributions during the year (2017: £Nil).

## **Directors' Report (continued)**For the year ended 31 March 2018

## Statement of Directors' Responsibilities

The Directors are responsible for preparing the Strategic Report, Directors' Report and the group and parent company financial statements in accordance with applicable law and regulations.

Company law requires the Directors to prepare financial statements for each financial year. Under that law they have elected to prepare the group and parent company financial statements in accordance with United Kingdom Accounting Standards and applicable law (United Kingdom Generally Accepted Accounting Practice) including FRS 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland.

Under Company law the Directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the group and the company and of the profit or loss of the group for that period. In preparing each of the group and parent company financial statements, the directors are required to:

- Select suitable accounting policies and then apply them consistently;
- · Make judgements and estimates that are reasonable and prudent;
- State whether FRS102 "The Financial Reporting Standard applicable is the UK and Republic of Ireland" has been followed, subject to any material departures disclosed and explained in the financial statements; and
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Group will continue in business.

The Directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and the Group and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and the Group and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

## Disclosure of information to auditors

The directors who held office at the date of approval of this Directors Report confirm that:

- So far as they are each aware, there is no relevant audit information of which the Company's auditors
  are unaware; and
- The directors have taken all the steps that they ought to have taken as directors to make themselves aware of any relevant audit information and to establish that the Company's auditors are aware of that information.

## **Independent Auditors**

Pursuant to Section 487 of the Companies Act 2006, the auditors will be deemed to be reappointed and PricewaterhouseCoopers LLP will therefore continue in office.

# Directors' Report (continued) For the year ended 31 March 2018

**Approval** 

This report was approved by the board on

20 / 11 / 2018 and signed on its behalf by:

M G D Holden Director

46 Charles Street Cardiff CF10 2GE

## Independent Auditors' Report to the Members of S&W TLP (PSP Three) Limited

#### Report on the financial statements

#### Opinion

In our opinion, S&W TLP (PSP Three) Limited's group financial statements and parent company financial statements (the "financial statements"):

- give a true and fair view of the state of the group's and of the parent company's affairs as at 31 March 2018 and of the group's profit and cash flows for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards, comprising FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland", and applicable law); and
- have been prepared in accordance with the requirements of the Companies Act 2006.

We have audited the financial statements, included within the Annual Report and Financial Statements (the "Annual Report"), which comprise: the consolidated and company balance sheets as at 31 March 2018; the consolidated statement of comprehensive income, the consolidated statement of cash flows and the consolidated and company statement of changes in equity for the year then ended; and the notes to the financial statements, which include a description of the significant accounting policies.

#### **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) ("ISAs (UK)") and applicable law. Our responsibilities under ISAs (UK) are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

## Independence

We remained independent of the group in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, which includes the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements.

## Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which ISAs (UK) require us to report to you when:

- the directors' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the directors have not disclosed in the financial statements any identified material uncertainties that
  may cast significant doubt about the group's and parent company's ability to continue to adopt the
  going concern basis of accounting for a period of at least twelve months from the date when the
  financial statements are authorised for issue.

However, because not all future events or conditions can be predicted, this statement is not a guarantee as to the group's and parent company's ability to continue as a going concern.

# Independent Auditors' Report to the Members of S&W TLP (PSP Three) Limited (continued)

#### Reporting on other information

The other information comprises all of the information in the Annual Report other than the financial statements and our auditors' report thereon. The directors are responsible for the other information. Our opinion on the financial statements does not cover the other information and, accordingly, we do not express an audit opinion or, except to the extent otherwise explicitly stated in this report, any form of assurance thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If we identify an apparent material inconsistency or material misstatement, we are required to perform procedures to conclude whether there is a material misstatement of the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report based on these responsibilities.

With respect to the Strategic Report and Directors' Report, we also considered whether the disclosures required by the UK Companies Act 2006 have been included.

Based on the responsibilities described above and our work undertaken in the course of the audit, ISAs (UK) require us also to report certain opinions and matters as described below.

#### Strategic Report and Directors' Report

In our opinion, based on the work undertaken in the course of the audit, the information given in the Strategic Report and Directors' Report for the year ended 31 March 2018 is consistent with the financial statements and has been prepared in accordance with applicable legal requirements.

In light of the knowledge and understanding of the group and parent company and their environment obtained in the course of the audit, we did not identify any material misstatements in the Strategic Report and Directors' Report.

#### Responsibilities for the financial statements and the audit

## Responsibilities of the directors for the financial statements

As explained more fully in the Statement of Directors' Responsibilities set out on page 5, the directors are responsible for the preparation of the financial statements in accordance with the applicable framework and for being satisfied that they give a true and fair view. The directors are also responsible for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the group's and the parent company's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the group or the parent company or to cease operations, or have no realistic alternative but to do so.

## Auditors' responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the FRC's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditors' report.

# Independent Auditors' Report to the Members of S&W TLP (PSP Three) Limited (continued)

## Use of this report

This report, including the opinions, has been prepared for and only for the parent company's members as a body in accordance with Chapter 3 of Part 16 of the Companies Act 2006 and for no other purpose. We do not, in giving these opinions, accept or assume responsibility for any other purpose or to any other person to whom this report is shown or into whose hands it may come save where expressly agreed by our prior consent in writing.

## Other required reporting

## Companies Act 2006 exception reporting

Under the Companies Act 2006 we are required to report to you if, in our opinion:

- we have not received all the information and explanations we require for our audit; or
- adequate accounting records have not been kept by the parent company, or returns adequate for our audit have not been received from branches not visited by us; or
- · certain disclosures of directors' remuneration specified by law are not made; or
- the parent company financial statements are not in agreement with the accounting records and returns.

We have no exceptions to report arising from this responsibility.

#### **Notes to the Financial Statements**

(forming part of the financial statements)

## 1 Accounting policies

S&W TLP (PSP Three) Limited (the "Company") is a company limited by shares and incorporated and domiciled in the UK. Its principal activity is to act as a holding company for its subsidiary, S&W TLP (Hold Co Two) Limited which in turn acts as a holding company for S&W TLP (Project Co Two) Limited. The principal activity of S&W TLP (Project Co Two) Limited is the finance, design and construction, refurbishment and operation of education facilities under the Government's Private Finance Initiative ("PFI") for Salford City Council ("the Authority").

These financial statements were prepared in accordance with Financial Reporting Standard 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland ("FRS 102")* as issued in August 2014 and the Companies Act 2006. The presentation currency of these financial statements is sterling.

The accounting policies set out below have, unless otherwise stated, been applied consistently to all periods presented in these financial statements.

Judgements made by the directors in the application of these accounting policies that have significant effect on the financial statements and estimates with a significant risk of material adjustment in the next year are discussed in note 2.

#### 1.1 Measurement convention

The financial statements are prepared on the historical cost basis except that the following assets and liabilities are stated at their fair value: derivative financial instruments.

## 1.2 Going concern

The Directors have reviewed the Group's projected profits and cash flows by reference to a financial model covering accounting periods up to September 2038. Having examined the current status of the Group's principal contracts and likely developments in the foreseeable future, the Directors consider that the Group will be able to settle its liabilities as they fall due and accordingly the financial statements have been prepared on a going concern basis.

## 1.3 Classification of financial instruments issued by the group

In accordance with FRS 102.22 financial instruments issued by the Group are treated as equity only to the extent that they meet the following two conditions:

- (a) they include no contractual obligations upon the Group to deliver cash or other financial assets or to exchange financial assets or financial liabilities with another party under conditions that are potentially unfavourable to the Group, and
- (b) where the instrument will or may be settled in the Group's own equity instruments, it is either a non-derivative that includes no obligation to deliver a variable number of the Group's own equity instruments or is a derivative that will be settled by the Group's exchanging a fixed amount of cash or other financial assets for a fixed number of its own equity instruments.

To the extent that this definition is not met, the proceeds of issue are classified as a financial liability. Where the instrument so classified takes the legal form of the Group's own shares, the amount presented in these financial statements for called up share capital and share premium account exclude amount in relation to those shares.

## 1 Accounting policies (continued)

## 1.4 Basic financial instruments

Trade and other debtors / creditors

Trade and other debtors are recognised initially at transaction price less attributable transaction costs. Trade and other creditors are recognised initially at transaction price plus attributable transaction costs. Subsequent to initial recognition they are measured at amortised cost using the effective interest method less any impairment losses in the case of trade debtors. If the arrangement constitutes a financing transaction, for example if payment is deferred beyond normal business terms, then it is measured at the present value of future payments discounted at a market rate of instrument for a similar debt instrument.

Interest-bearing borrowings classified as basic financial instruments.

Interest- bearing borrowings are recognised initially at the present value of future payments discounted at a market rate of interest. Subsequent to initial recognition, interest-bearing borrowings are stated at amortised cost using the effective interest method, less any impairment losses.

Cash and cash equivalents

Cash and cash equivalents comprise cash balances and call deposits.

Restricted cash

The Company is obliged to keep a separate cash reserve in respect of future major maintenance costs and financing cost. This restricted cash balance, which is shown on the balance sheet within the "cash at bank and in hand" balance amounts to £1,344,000 at the year end (2017: £879,000).

## 1.5 Other financial instruments.

Financial Instruments not considered to be Basic financial instruments (Other financial instruments)

Other financial instruments not meeting the definition of Basic Financial Instruments are recognised initially at fair value. Subsequent to initial recognition other financial instruments are measured at fair value with changes recognised in profit or loss except as follows:

hedging instruments in a designated hedging relationship shall be recognised as set out below,

Derivative financial instruments and hedging

Derivative financial instruments are recognised at fair value. The gain or loss on re-measurement to fair value is recognised immediately in profit or loss. However, where derivatives qualify for hedge accounting, recognition of any resultant gain or loss depends on the nature of the item being hedged (see below).

Cash flow hedges

The Group has entered into an interest rate swap and designated this as a hedge of a highly probable forecast transaction. The effective part of any gain or loss on the derivative financial instrument is recognised directly in Other comprehensive income. Any ineffective portion of the hedge is recognised immediately in profit or loss.

When a hedging instrument expires or is sold, terminated or exercised, or the entity discontinues designation of the hedge relationship but the hedged forecast transaction is still expected to occur, the cumulative gain or loss at that point remains in equity and is recognise din accordance with the above policy when the transaction occurs. If the hedged transaction is no longer expected to take place, the cumulative gain or loss recognised in equity is recognised in the income statement immediately.

#### 1 Accounting policies (continued)

## 1.6 Impairment excluding deferred tax assets

Financial assets (including trade and other debtors)

A financial asset not carried at fair value through profit or loss is assessed at each reporting date to determine whether there is objective evidence that it is impaired. A financial asset is impaired if objective evidence indicates that a loss event has occurred after the initial recognition of the asset, and that the loss event had a negative effect on the estimated future cash flows of that asset that can be estimated reliably.

An impairment loss in respect of a financial asset measured at amortised cost is calculated as the difference between its carrying value and the present value of the estimated future cash flows discounted at the asset's original effective interest rate. For financial instruments measured at cost less impairment an impairment is calculated as the difference between its carrying value and the best estimate of the amount that the Company would receive for the asset if it were to be sold at the reporting date.

Interest on the impaired asset continued to be recognised through the unwinding of the discount. Impairment losses are recognised in profit or loss. When a subsequent event causes the amount of impairment loss to decrease, the decrease in impairment is reversed through the profit or loss.

#### 1.7 Finance debtor and services income

The Group is an operator of a PFI contract. The underlying asset is not deemed to be an asset of the Group under old UK GAAP because the risks with rewards of ownership as set out in the standard are deemed to lie principally with Salford City Council. On adoption of FRS 102, the company took the exemption permitted by FRS 102 para 35.10(i) and continues to apply the old UK GAAP treatment for the services concession arrangement.

During the construction phase of the project, all attributable expenditure, excluding interest, was included in amounts recoverable on contracts and turnover. Upon becoming operational, the costs were transferred to the financial debtor. During the operational phase income is allocated between interest receivable and the finance debtor using a project specific interest rate. The remainder of the PFI unitary charge income is included within turnover in accordance with FRS 102 section 23. The Group recognises income in respect of the services provided as it fulfils its contractual obligations in respect of those services and in line with the fair value of the consideration receivable in respect of those services.

Major maintenance costs are recognised on an incurred basis and the revenue receivable in respect of these services is recognised when the services are performed.

## 1.8 Expenses

Interest receivable and Interest payable

Interest payable and similar charges include interest payable on borrowings and associated ongoing financing fees.

Other interest receivable and similar income include interest receivable on funds invested and interest recognised on the finance debtor based upon the finance debtor accounting policy above.

Interest income and interest payable are recognised in profit or loss as they accrue, using the effective interest method.

## 1 Accounting policies (continued)

## 1.9 Taxation

Tax on the profit or loss for the year comprises current and deferred tax. Tax is recognised in the profit and loss account except to the extent that it relates to items recognised directly in equity or other comprehensive income, in which case it is recognised directly in equity or other comprehensive income.

Current tax is the expected tax payable or receivable on the taxable income or loss for the year, using tax rates enacted or substantively enacted at the balance sheet date and any adjustment to tax payable in respect of previous years.

Deferred tax is provided on timing differences, which arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in the financial statements. Deferred tax is not recognised on permanent differences arising because certain types of income or expense are non-taxable or are disallowable for tax or because certain tax charges or allowances are greater or smaller than the corresponding income or expense.

Deferred tax is measured at the tax rate that is expected to apply to the reversal of the related difference, using tax rates enacted or substantively enacted at the balance sheet date. Deferred tax balances are not discounted.

## 2 Critical accounting judgements and estimation uncertainty

The preparation of financial statements in conformity with FRS 102 requires management to make judgements estimates and assumptions that affect the application of policies and reported amounts of assets, liabilities, income and expenses. The estimates and associated assumptions are based upon historical experience and various other factors that are believed to be reasonable under the circumstances, the results of which form the basis on making judgements about carrying values of assets and liabilities that are not readily available from other sources. Actual results may differ from these estimates. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period or in the period of revision and future periods if the revision affects both current and future periods.

Certain critical accounting judgements in applying the Company's accounting policies are described below:

 Accounting for the service concession contract and finance debtors requires an estimation of service margins, finance debtor interest rates and associated amortisation profile which is based on forecasted results of the PFI contract.

3 Turnover	2018	2017
	0003	£000
Services income	3,471	3,171

The group has been engaged solely in continuing activities in a single class of business within the United Kingdom.

#### 4 Auditors' remuneration

	Group 2018 £000	Company 2018 £000	Group 2017 £000	Company 2017 £000
Audit of these financial statements and the financial statements of subsidiaries	16	4	14	3

Audit fees were borne by another group company.

## 5 Remuneration of directors

None of the directors received any emoluments from the Company (2017: £NIL).

## 6 Staff numbers and costs

The Company nor Group had no employees during the year under review (2017: NIL).

## 7 Interest receivable and similar income

	2018 £000	2017 £000
Finance debtor interest Bank interest	4,115 2	4,217 3
	4,117	4,220
8 Interest payable and similar charges	2018 £000	2017 £000
Interest on bank loans Interest on subordinated debt Amortisation of debt issue costs and refinancing	3,012 802	3,332 816
(credit)/charges Other similar charges	(25) 49	1,445 55
	3,838	5,648

Of the above £802,000 (2017: £816,000) of subordinated debt noted above, £577,000 (2017: £588,000) was payable to group undertakings.

9 Tax on profit/(loss)

Total tax 76 (1	193)

## 9 Tax on profit/(loss) (continued)

Reconciliation of effective tax rate

The tax assessed for the year is lower than (2017: lower than) the Standard rate of Corporation tax in the UK of 19% (2017: 20%).

	2018 £000	2017 £000
Profit/(loss) before taxation	444	(1,263)
Expected tax using the UK Corporation tax rate of 19% (2017: 20%) Effect of change in future tax rate Prior year adjustment	84 (8) -	(253) 21 39
Total tax charge/(credit) included in profit or loss	76	(193)

	2018					
	Current Tax £'000	Deferred Tax £'000	Total Tax £'000	Current Tax £'000	Deferred Tax £'000	Total Tax £'000
Recognised in Profit and loss account	-	(76)	76	-	(193)	(193)
Recognised directly in equity	-	474	474	-	(97)	(97)
Total Tax	-	550	550	-	(290)	(290)

Factors that may affect future current and total tax charges

Reductions in the UK corporation tax rate from 20% to 19% (effective from 1 April 2017) and to 18% (effective 1 April 2020) were substantively enacted on 26 October 2016 and an additional reduction to 17% (effective April 2020) was enacted on 6 September 2016. This will reduce the group's future current tax charge accordingly.

10	Investments

Company	Equity	Sub debt	Total
At 1 April 2017 Repayment of sub debt	7	4,834 (39)	4,841 (39)
At 31 March 2018	7	4,795	4,802

The sub-debt bears interest at 12% and is repayable in six monthly instalments over the period to 30 September 2038.

The undertakings in which one Company's interest at the year end is more than 20% are as follows:

Company		Country of registration or incorporation	Shares held	%
Directly held S&W TLP (Hold Co Two) Limited Registered office: 46 Charles Street, Cardiff CF10 2GE		England & Wales	7,200	72%
Indirectly held S&W TLP (Project Co Two) Limited Registered office: 46 Charles Street, Cardiff CF10 2GE		England & Wales	7,200	72%
11 Debtors		Group	Comp	any
	2018 £000	2017 £000	2018 £000	2017 £000
Finance debtor Trade debtors	73,120 10	75,011 120	-	-

## 14 Interest bearing loans and borrowings

This note provides information about the contractual terms of the Group's interest bearing loans and borrowings, which are measured at amortised cost.

	Group		Company	
	2018 £000	2017 £000	2018 £000	2017 £000
Creditors falling due more than one year				
Bank loan	58,934	61,385	-	-
Subordinated debt	6,550	6,599	4,715	4,751
Creditors falling due within less than one year				
Bank loan	3,565	2,059	-	-
Subordinated debt	110	115	80	83
	69,159	70,158	4,795	4,834

14 Interest bearing loans and borrowings	s (continued)			
	· ·	iroup	Comp	any
Analysis of debt:	2018 £000	2017 £000	2018 £000	2017 £000
Debt can be analysed as falling due:				
In one year or less, or on demand	3,675	2,174	80	83
- Between one and two years	2,334	2,179	85	80
- Between two and five years	7,107	5,961	276	319
- In five years or more	56,043	59,844	4,354	4,352
		<del></del>		
	69,159	70,158	4,795	4,834

Included within Bank loan is an amount repayable after five years of £49,994,000 (2017: £53,736,000) and included within Subordinated debt are amounts repayable after five years of £6,049,000 (2017: £6,108,000) respectively.

## Terms and debt repayment schedule

	Currency	Nominal interest rate	Year of Maturity	Repayment	2018 £000	2017 £000
Bank Loan	GBP	Libor + 3.187%	2038	Semi annual	63,163	64,143
Subordinated Debt	GBP	12%	2038	Semi annual	6,660	6,714

Bank loans are secured by fixed and floating charges over the assets of the Group. The Group has entered into swap contracts for the period 1 April 2014 to 31 March 2038 covering all of the debt projected to be drawn down which hedges the Group's interest rate exposure on bank loans. The bank loans are repayable in six monthly instalments commencing on 30 March 2009 and end on 31 March 2038. The facility is subject to certain financial and non-financial covenants.

Bank loans bear interest based on LIBOR plus a SWAP margin of 2.32% following the refinancing in 2017 (LIBOR plus 3.187% prior to refinancing). This has been swapped to a fixed rate as disclosed on page 27.

The subordinated unsecured loan stock issued to the Group bears interest at 12% and is redeemable on 30 September 2038. The subordinated debt is repayable in six monthly instalments which commenced on 31 March 2014.

## 15 Deferred tax

The Group has accumulated gross tax losses of £1,508,000 (2017: £1,953,000) which have been carried forward and will be offset against future taxable profits. A deferred tax asset has been recognised for the tax losses.

Deferred tax is recognised on the revaluation of the interest rate swap held by the company. These are accounted for as cash flow hedges (see note 17).

Deferred tax is provided at 17% (2017: 18%) in the financial statements as follows:

	2018 £000	2017 £000
Tax losses Deferred tax on revaluation of fair value of derivatives	256 1,859	332 2,333
	2,115	2,665

The deferred tax asset has been recognised on those tax losses which can be set off against future profits of the Company. The future profits of the Group have been estimated based on the forecasted cash flows and its estimated contractual rights and obligations as an operator of a Private Finance Initiative contract.

## 16 Called up share capital

Share capital	2018 £000	2017 £000
Allotted, called up and unpaid 7,200 (2017: 7,200) ordinary shares at £1 each	7	7

The holders of ordinary shares are entitled to receive dividends as declared from time to time and are entitled to one vote per share at meetings of the Company.

## Cash flow hedging reserve

The hedging reserve comprises the effective portion of the cumulative net change in the fair value of cash flow hedging instruments related to hedged transactions that have not yet occurred.

## 17 Financial instruments

## (a) Carrying amount of financial instruments

The carrying amounts of the financial assets and liabilities include:

	2018 £000	2017 £000
Assets measured at amortised cost - Finance debtor - Trade debtors	73,120 10	75,011 120
	73,130	75,131
Assets measured at cost less impairment - Cash and cash equivalents	5,984	1,715
	5,984	1,715
Liabilities measured at amortised cost  Trade and other payables  Bank loan  Subordinated debt	(794) (62,499) (6,660) ———————————————————————————————————	(552) (63,444) (6,714) ————————————————————————————————————
Liabilities measured at fair value through profit and loss		
- Interest rate swap	(10,930)	(13,723)

## (b) Financial instruments measured at fair value

## Derivative financial instruments

The fair value of the interest rate swap is based on broker quotes. Those quotes are tested for reasonableness by discounting estimated future cash flows based on the terms and maturity of each contract and using market interest rates for a similar instrument at the measurement date.

## 17 Financial instruments (continued)

## (c) Hedge accounting

The following table indicates the periods in which the cash flows associated with the cash flow hedging instrument are expected to occur as required by FRS 102 29(a) for the cash flow hedge accounting models and also the associated cash flow hedging instruments are expected to affect profit and loss.

		20	18		
lata and Data	Carrying Amount £000	Within 1 year £000	Between 1-2 years £000	Between 2-5 years £000	5 years and over £000
Interest Rate Swap	10,930	1,989	2,063	6,535	343
	10,930	1,989	2,063	6,535	343
		20	17		
Interest Rate Swap	Carrying Amount £000	Within 1 year £000	Between 1-2 years £000	Between 2-5 years £000	5 years and over £000
	13,723	1,991	1,989	8,598	1,145
	13,723	1,991	1,989	8,598	1,145

The Company has entered into an interest rate swap agreement under the bank loan which expires in April 2035. A fixed rate of 3.187% applies to all amounts drawn under the facilities. The interest rate swap converts the borrowings from the rates linked to LIBOR to the fixed rate above.

## 18 Related party disclosures

Name of related party	Relationship	Type Transaction	Transactions		Balance owed to/(from) at year end	
			2018 £000	2017 £000	2018 £000	2017 £000
S&W TLP (Hold Co Two) Limited Registered office: 46 Charles Street, Cardiff CF10 2GE	Subsidiary	Shareholder Loan and Interest	(616)	(714)	(5,082)	(4,834)
