The company is entitled to exemption from audit under Section 477 of the Companies Act 2006 for the year ended 31 October 2015.

The members have not required the company to obtain an audit of its financial statements for the year ended 31 October 2015 in accordance with Section 476 of the Companies Act 2006.

The director acknowledges his responsibilities for:

- (a) ensuring that the company keeps accounting records which comply with Sections 386 and 387 of the Companies Act 2006 and preparing financial statements which give a true and fair view of the state of affairs of the company as at the end of each financial year and of its profit or loss for each financial year in accordance with the requirements of Sections 394 and 395 and which otherwise comply with the requirements of the Companies Act 2006 relating to financial statements, so far as applicable to the company.
- (b)

ABBREVIATED BALANCE SHEET - continued
31 OCTOBER 2015

The abbreviated accounts have been prepared in accordance with the special provisions of Part 15 of the Companies Act 2006 relating to small companies.

The financial statements were approved by the director on 27 June 2016 and were signed by:

J W Yeo - Director

NOTES TO THE ABBREVIATED ACCOUNTS
FOR THE YEAR ENDED 31 OCTOBER 2015

1. ACCOUNTING POLICIES

Accounting convention

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

Turnover

Turnover represents net invoiced sales of goods, excluding value added tax, except in respect of service contracts where turnover is recognised when the company obtains the right to consideration.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life or, if held under a finance lease, over the lease term, whichever is the shorter.

Plant and machinery etc - 33% on cost, 25% on cost and 20% on cost

Stocks

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

Deferred tax

The charge for taxation takes into account taxation deferred as a result of timing differences between the treatment of certain items for taxation and accounting purposes. In general, deferred taxation is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date. However, deferred tax assets are recognised only to the extent that the directors consider that it is more likely than not that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits. Deferred taxation is measured on a non-discounted basis at the average tax rates that would apply when the timing differences are expected to reverse, based on the tax rates and laws that have been enacted by the balance sheet date.

Hire purchase and leasing commitments

Assets obtained under hire purchase contracts or finance leases are capitalised in the balance sheet. Those held under hire purchase contracts are depreciated over their estimated useful lives. Those held under finance leases are depreciated over their estimated useful lives or the lease term, whichever is the shorter.

The interest element of these obligations is charged to the profit and loss account over the relevant period. The capital element of the future payments is treated as a liability.

Rentals paid under operating leases are charged to the profit and loss account on a straight line basis over the period of the lease.

Going concern

These financial statements have been prepared on a going concern basis as the director has agreed to provide ongoing financial support via his director's loan account.

The director has assessed the company's financial position as well as considered the future sales expectation. He has concluded that the company will still be able to trade for at least the next eighteen months. He, therefore, considers it correct to continue to adopt the going concern basis of accounting.

NOTES TO THE ABBREVIATED ACCOUNTS - continued
FOR THE YEAR ENDED 31 OCTOBER 2015

100	Ordinary Shares	£1	<u>100</u>	<u>100</u>

4. GOING CONCERN

These financial statements have been prepared on a going concern basis as the director has agreed to provide ongoing financial support via his director's loan account.

The director has assessed the company's financial position as well as considered the future sales expectation. He has concluded that the company will still be able to trade for at least the next eighteen months. He, therefore, considers it correct to continue to adopt the going concern basis of accounting.
