**NOTES TO THE ABBREVIATED ACCOUNTS
FOR THE YEAR ENDED 30 NOVEMBER 2013**

1. ACCOUNTING POLICIES

1.1 Basis of preparation of financial statements

The full financial statements, from which these abbreviated accounts have been extracted, have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

1.2 Going concern

The financial statements have been prepared on a going concern basis which is dependant upon the continued support of the members. In view of this, the directors consider it appropriate to adopt a going concern basis in preparing these financial statements. The financial statements do not include any adjustment that would result, should continuing support cease to be available.

1.3 Turnover

Turnover comprises revenue recognised by the company in respect of services supplied during the year, exclusive of Value Added Tax.

Turnover is recognised in the period in which services are supplied.

1.4 Deferred taxation

Full provision is made for deferred tax assets and liabilities arising from all timing differences between the recognition of gains and losses in the financial statements and recognition in the tax computation.

A net deferred tax asset is recognised only if it can be regarded as more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing differences can be deducted.

Deferred tax assets and liabilities are calculated at the tax rates expected to be effective at the time the timing differences are expected to reverse.

Deferred tax assets and liabilities are not discounted.
