## **Independent Auditors' Report to Cauchy Energy Limited**

### **Under Section 449 of the Companies Act 2006**

We have examined the abbreviated financial statements set out on pages 2 to 6, together with the financial statements of Cauchy Energy Limited for the year ended 31 December 2014 prepared under section 396 of the Companies Act 2006.

### **Respective responsibilities of directors and auditors**

The directors are responsible for preparing the abbreviated financial statements in accordance with section 444 of the Companies Act 2006. It is our responsibility to form an independent opinion as to whether the company is entitled to deliver abbreviated accounts to the Registrar of Companies and whether the abbreviated financial statements have been properly prepared in accordance with the regulations made under that section and to report our opinion to you.

This report, including the opinion, has been prepared for and only for the company for the purpose of section 449 of the Companies Act 2006 and for no other purpose. We do not, in giving this opinion, accept or assume responsibility for any other purpose or to any other person to whom this report is shown or into whose hands it may come save where expressly agreed by our prior consent in writing.

### **Basis of opinion**

We conducted our work in accordance with Bulletin 2008/4 issued by the Auditing Practices Board. In accordance with that Bulletin we have carried out the procedures we consider necessary to confirm, by reference to the financial statements, that the company is entitled to deliver abbreviated financial statements and that the abbreviated financial statements are properly prepared.

### **Opinion**

In our opinion the company is entitled to deliver abbreviated financial statements prepared in accordance with section 444(3) of the Companies Act 2006, and the abbreviated financial statements have been properly prepared in accordance with the regulations made under that section.

### **Other matter**

#### **Company financial statements - Unaudited prior year comparatives**

The accompanying financial statements include comparative information as at, and for the year ended 31 December 2013 that has not been audited or reviewed.

The abbreviated accounts, which have been prepared in accordance with the special provisions relating to companies subject to the small companies regime within Part 15 of the Companies Act 2006, were approved and authorised for issue by the board and were signed on its behalf on 23 September 2015.

Director

The notes on pages 3 to 6 form part of these financial statements.

# CAUCHY ENERGY LIMITED

## Notes to the Abbreviated Accounts For the Year Ended 31 December 2014

### 1. ACCOUNTING POLICIES

#### Basis of preparation of financial statements

The full financial statements, from which these abbreviated accounts have been extracted, have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

#### Consolidation

In the opinion of the directors, the company and its subsidiary undertaking constitute a small group. The company has therefore taken advantage of the exemption provided by section 398 of the Companies Act 2006 not to prepare group financial statements.

#### Going concern

The financial statements have been prepared on the going concern basis. The directors have prepared forecasts and reviewed capital requirements for twelve months from the date of approving these financial statements, which indicate the business can continue to trade for at least twelve months.

#### Turnover

Turnover comprises income receivable from the energy generated during the period. Any uninvoiced income is accrued in the period in which it has been generated.

#### Tangible assets and depreciation

Plant and machinery represents the costs of construction of solar plants: solar panels, civil/structural and electrical costs, grid connection, planning and professional fees capitalised and depreciated at 4% per annum on a straight line basis. Costs of transformers, inverters and cabling are being depreciated at 10% per annum on a straight line basis.

Tangible fixed assets are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost of fixed assets, less their estimated residual value, over their expected useful lives on the following bases:

Plant and machinery	-	4% and 10% straight line
---------------------	---	--------------------------

#### Stocks and work in progress

Stocks and work in progress are valued at the lower of cost and net realisable value after making due allowance for obsolete and slow-moving stocks.

#### Deferred taxation

Deferred tax is recognised on all timing differences where the transactions or events that give the company an obligation to pay more tax in the future, or a right to pay less tax in the future, have occurred by the balance sheet date. Deferred tax assets are recognised when it is more likely than not that they will be recovered. Deferred tax is measured using rates of tax that have been enacted or substantively enacted by the balance sheet date.

## Notes to the Abbreviated Accounts For the Year Ended 31 December 2014

### 1. ACCOUNTING POLICIES (continued)

#### Financial instruments

Financial liabilities and equity instruments are classified according to the substance of the contractual arrangements entered into. An equity instrument is any contract that evidences a residual interest in the assets of the entity after deducing all of its financial liabilities.

Where the contractual obligations of the financial instruments (including share capital) are equivalent to a similar debt instrument, those financial instruments are classed as financial liabilities. Financial liabilities are presented as such in the balance sheet. Finance costs and gains or losses relating to financial liabilities are included in the profit and loss account. Finance costs are calculated so as to produce a constant rate of return on the outstanding liability.

Where the contractual terms of share capital do not have any terms meeting the definition of a financial liability then this is classed as an equity instrument. Dividends and distributions relating to equity instruments are debited direct to equity.

#### Restatement of balance sheet

The Directors have reclassified amounts included within fixed assets to stock. This has no impact on the profit for the year but does act to increase net current assets by £192,946.

#### Company financial statements - Unaudited prior year comparatives

The accompanying financial statements include comparative information as at, and for the year ended 31 December 2013 that has not been audited or reviewed.

### 2. TANGIBLE ASSETS

	£
<b>Cost</b>	
At 1 January 2014 (as previously stated)	212,850
Prior year adjustment	(192,946)
	<hr/>
At 1 January 2014 (as restated) and 31 December 2014	19,904
	<hr/>
<b>Accumulated depreciation</b>	
At 1 January 2014	5,561
Charge for the year	1,529
	<hr/>
At 31 December 2014	7,090
	<hr/>
<b>Net book value</b>	
At 31 December 2014	12,814
	<hr/>
At 31 December 2013 (as restated)	14,343
	<hr/>

It was identified during the year that balances within fixed assets relate to stock which have been reclassified accordingly.
