The company is entitled to exemption from audit under Section 477 of the Companies Act 2006 for the year ended 31 August 2020.

The members have not required the company to obtain an audit of its financial statements for the year ended 31 August 2020 in accordance with Section 476 of the Companies Act 2006.

The director acknowledges his responsibilities for:

- (a) ensuring that the company keeps accounting records which comply with Sections 386 and 387 of the Companies Act 2006 and
- (b) preparing financial statements which give a true and fair view of the state of affairs of the company as at the end of each financial year and of its profit or loss for each financial year in accordance with the requirements of Sections 394 and 395 and which otherwise comply with the requirements of the Companies Act 2006 relating to financial statements, so far as applicable to the company.

ABRIDGED BALANCE SHEET - continued
31 AUGUST 2020

The financial statements have been prepared and delivered in accordance with the provisions applicable to companies subject to the small companies regime.

All the members have consented to the preparation of an abridged Balance Sheet for the year ended 31 August 2020 in accordance with Section 444(2A) of the Companies Act 2006.

In accordance with Section 444 of the Companies Act 2006, the Income Statement has not been delivered.

The financial statements were approved by the director and authorised for issue on 24 April 2021 and were signed by:

Mr N Kassouf - Director

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2020

1. **STATUTORY INFORMATION**

Marble & Joinery Workshop Limited is a private company, limited by shares, registered in England and Wales. The company's registered number and registered office address can be found on the Company Information page.

2. **STATEMENT OF COMPLIANCE**

These financial statements have been prepared in accordance with Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" including the provisions of Section 1A "Small Entities" and the Companies Act 2006.

3. **ACCOUNTING POLICIES**

Basis of preparing the financial statements

The financial statements have been prepared under the historical cost convention.

The financial statements are presented in Sterling (£) which is the functional currency of the company.

Going concern

The accounts have been prepared on a going concern basis which the director believe to be appropriate for the following reasons.

The director is aware of the material uncertainties that cast doubt on the company's ability to continue as a going concern. As with most businesses, these material uncertainties are in relation to the ongoing Covid-19 virus outbreak which has had an impact on the operation, customers, suppliers and staffs. The director has (where appropriate) utilised the grants and benefits available from the government and are taking all steps he can to protect the future of the business.

The director has provided confirmation that he will not withdraw support for a period of at least 12 months from signing the financial statements.

The director has also confirmed that he will continue to review the funding requirements of the business in 2021 and provide additional financing as required.

The director has also prepared budget and cash flow forecast for a period to February 2022 and on this basis believe the company has sufficient facilities to meet its liabilities as they fall due for the foreseeable future, and specifically for a period of not less than 12 months from the date of signing of these financial statements. The director therefore consider the preparation of the financial statements on a going concern basis to be appropriate.

Turnover

Turnover is measured at the fair value of the consideration received or receivable, excluding discounts, rebates, value added tax and other sales taxes.

NOTES TO THE FINANCIAL STATEMENTS - continued
FOR THE YEAR ENDED 31 AUGUST 2020

3. ACCOUNTING POLICIES - continued

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life or, if held under a finance lease, over the lease term, whichever is the shorter.

Short leasehold	- in accordance with the property
Plant and machinery	- 20% on reducing balance
Fixtures and fittings	- 20% on reducing balance
Motor vehicles	- 20% on reducing balance
Computer equipment	- 20% on reducing balance

Tangible fixed assets are stated at cost less accumulated depreciation and accumulated impairment losses. Such cost includes costs directly attributable to making the asset capable of operating as intended.

The carrying values of tangible fixed assets are reviewed for impairment when events or changes in circumstances indicate that the carrying value may not be recoverable.

The gain or loss arising on the disposal of an asset is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in the profit and loss account.

Impairment of assets

The company assess at each reporting date whether an asset may be impaired. If any such indication exists the company estimates the recoverable amount of the assets. If it is not possible to estimate the recoverable amount of the individual asset, the company estimates the recoverable amount of the cash-generating unit to which the asset belongs. The recoverable amount of an asset or cash-generating unit is the higher of its fair value less costs to sell and its value in use. If the recoverable amount is less than its carrying amount, the carrying amount of the asset is impaired and it is reduced to its recoverable amount through an impairment in profit and loss unless the asset is carried at a revalued amount where the impairment loss of a revalued asset is a revaluation decrease.

An impairment loss recognised for all assets, in goodwill, is reversed in a subsequent period only if the reasons for the impairment have ceased to apply.

Stocks

Stocks and work in progress are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

Cost is calculated using the first-in, first-out method and includes all purchase, transport, and handling costs in bringing stocks to their present location and condition.

Taxation

Taxation for the year comprises current and deferred tax. Tax is recognised in the Income Statement, except to the extent that it relates to items recognised in other comprehensive income or directly in equity.

Current or deferred taxation assets and liabilities are not discounted.

Current tax is recognised at the amount of tax payable using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

NOTES TO THE FINANCIAL STATEMENTS - continued
FOR THE YEAR ENDED 31 AUGUST 2020

3. ACCOUNTING POLICIES - continued**Deferred tax**

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.

Timing differences arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in financial statements. Deferred tax is measured using tax rates and laws that have been enacted or substantively enacted by the year end and that are expected to apply to the reversal of the timing difference.

Unrelieved tax losses and other deferred tax assets are recognised only to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.

4. EMPLOYEES AND DIRECTORS

The average number of employees during the year was 9 (2019 - 10) .

5. TANGIBLE FIXED ASSETS

	Totals
	£
COST
