1.7 **Original Debentures**

This Deed is subject to: (a) a fixed and floating charge debenture dated 4 October 2011 executed by the Borrower and the Original Guarantors in favour of the Lender; and/or (b) a fixed and floating charge debenture dated 21 November 2011 executed by the Borrower and the Guarantors in favour of the Lender (the "**Original Debentures**").

1.8.2 This Deed is a "Debenture" for the purpose of and as defined in clause 1.1 of the Loan Agreement.

2. COVENANT TO PAY

2.1 Covenant

Each Chargor, as primary obligor and not merely as surety, covenants with the Lender that it will pay and discharge the Secured Obligations when they have become due for payment or discharge in accordance with the provisions of the Transaction Documents.

2.2 Default interest

Any amount which is not paid under this Deed on the due date shall bear interest (both before and after judgment) payable on demand at the Default Rate from time to time from the due date until the date of actual unconditional and irrevocable payment and discharge of such amount in full, save to the extent that interest at such rate on such amount and for such period is charged pursuant to the Transaction Documents relevant to that liability and itself constitutes part of the Secured Obligations.

3. SECURITY

3.1 Fixed charges

Each Chargor, as a continuing security for the payment and discharge of the Secured Obligations, charges in favour of the Lender the following assets (except where any such assets are located in Scotland and/or which are governed by Scots law):

- 3.1.1 all its right, title and interest in the Reversions and the Funded Properties;
- 3.1.2 the benefit of and all its rights under the Customer Contracts relating to the Reversions;
- 3.1.3 the benefit of and all its rights (including in particular but without limitation the Annuity Undertakings) under the AMP Documents;
- 3.1.4 all its Ancillary Rights relating to the Reversions;
- 3.1.5 the Records relating to the Reversions; and
- 3.1.6 any shares held by it in any other Obligor (including those listed in Schedule 6) and any accretions to them and other rights arising in connection with them (the "**Shares**").

3.2 Exercise of rights under the Charged Contracts

- 3.2.1 Until the security under this Deed has become enforceable, the Lender shall permit the relevant Chargor to exercise its rights under any of the Charged Contracts to which it is party, provided that the exercise of those rights in the manner proposed is in accordance with the provisions of the Loan Agreement and would not result in an Event of Default.
- 3.2.2 After the security under this Deed has become enforceable, the relevant Chargor shall, if requested by the Lender, exercise its rights under the Charged Contracts in accordance with the instructions of the Lender provided that such instructions do not conflict with the terms of the Charged Contracts.

3.3 Floating charge

- 3.3.1 As further continuing security for the payment and discharge to the Lender of the Secured Obligations, each Chargor charges in favour of the Lender, by way of floating charge:
 - 3.3.1.1 all its assets and undertaking, wherever located, both present and future; and
 - 3.3.1.2 (whether or not effectively so charged) heritable property and all other property located in Scotland.
- 3.3.2 The floating charge created by Clause 3.3.1 is deferred, in relation to each Chargor, in point of priority to all fixed Security validly and effectively created by such Chargor under this Deed in favour of the Lender as security for the Secured Obligations.

3.4 Conversion of floating charge

- 3.4.1 The Lender may, at any time, by notice in writing to any Chargor, convert any floating charge created by this Deed into a fixed charge as regards such assets as it shall specify in the relevant notice (in the case of property and rights located in Scotland or rights which are governed by Scots law, to the extent permitted by Scots law) if:
 - 3.4.1.1 Event of Default has occurred and is continuing; or
 - 3.4.1.2 the Lender (acting reasonably) is of the view that (a) such assets are in danger of being seized, (b) any legal process or execution is being enforced against such assets, (c) such assets are otherwise in jeopardy, or (d) steps have been taken which would, in the reasonable opinion of the Lender, be likely to lead to the appointment of an administrator or administrative receiver in relation to such Chargor (or such administrator or administrative receiver has been appointed) or to the winding-up of such Chargor.
- 3.4.2 By way of further assurance, such Chargor shall, promptly following service of such notice upon it, execute a fixed charge over such assets in such form as the Lender shall require.

3.5 Automatic conversion of floating charge

In addition to any circumstances in which any floating charge created under this Deed will crystallise automatically under the general law (in the case of property and rights situated in Scotland or rights which are governed by Scots law, to the extent permitted by Scots law), and without prejudice to the operation of Clause 3.4 (*Conversion of floating charge*):

- 3.5.1 if any Chargor creates (or purports to create) any Security on or over any of the Floating Charge Assets (other than Permitted Security) without the prior written consent of the Lender; or
- 3.5.2 if any Chargor convenes any meeting of its members to consider a resolution in relation to its winding up, or if a liquidator, administrative receiver, receiver, administrator or another similar officer is appointed in respect of such Chargor or any of its assets,

then and in any such event, any floating charge created by this Deed in relation to such Chargor shall, without any notice being given under Clause 3.4 (*Conversion of floating charge*) and immediately upon such event occurring, be converted into a fixed charge over all the assets which immediately prior to such conversion comprised the Floating Charge Assets of such Chargor.

3.6 Continuing security

The provisions of this Deed will apply at all times (a) regardless of the date on which any of the Secured Obligations was incurred and (b) in respect of the full amount of the Secured Obligations at the relevant time even if, at some other time, the amount of the Secured Obligations has been less than the amount at the relevant time or there has been no part of the Secured Obligations outstanding.

3.7 Miscellaneous

- 3.7.1 All the Security created by this Deed by any Chargor is made with full title guarantee in accordance with the Law of Property (Miscellaneous Provisions) Act 1994.
- 3.7.2 Clauses 3.1.1 to 3.1.5 inclusive shall be read and construed as if each asset described, and each asset comprised within any category of asset described, in each such Clause were expressed, separately and specifically, to have been made subject to a first fixed charge; and the validity and effectiveness of each such fixed charge will not be prejudiced by any other such first fixed charge being found not to be fully valid or effective as such.

3.8 Notice

- 3.8.1 Bridgewater Tenancies Limited shall deliver to the Lender on 21 November 2011 a signed but undated notice in the form agreed between the Lender and the Borrower to each of NPI and HGI (as relevant counterparties to the AMP Documents) of the assignment by way of security to the Lender pursuant to the Original Debentures of all such right, title and interest (if any) as it may have in the AMP Documents.

3.8.2 Bridgewater Tenancies Limited shall deliver to the Lender promptly upon request after the completion of the Proposed Part VII Transfer such further signed but undated notices as the Lender may reasonably require.

3.8.3 The Lender agrees that it will hold the notices delivered under clauses 3.8.1 and 3.8.2 undated and that it will not serve any such notice upon the relevant counterparty until (i) the occurrence of an Event of Default or (ii) if, in the reasonable opinion of the Lender, an Event of Default is reasonably likely to occur, whichever is the earlier.

4. FURTHER ASSURANCE

4.1 Covenant for further assurance

Each Chargor shall, subject to clause 4.2:

4.1.1 promptly do all such acts or execute all such documents (including assignments, assignments, novations, transfers, mortgages, charges, notices and instructions) as the Lender may reasonably specify (and in such form as the Lender may reasonably require) in favour of the Lender or its nominee(s) (a) to perfect the Security created or intended to be created or evidenced by this Deed or for the exercise of any rights, powers and remedies of the Lender provided by or pursuant to this Deed; (b) to confer on the Lender Security over any property or assets of such Chargor located in England and Wales or any other jurisdiction equivalent or similar to the Security intended to be created, or expressed to be created, by this Deed; and/or (c) if an Event of Default is continuing, to facilitate the realisation of the assets which are, or are intended to be, the subject of this Deed; and

4.1.2 take all such action as is available to it (including making all filings and registrations and the payment of all fees and Taxes) as may be necessary for the purpose of the creation, perfection, protection or maintenance of any Security conferred or intended to be conferred on the Lender by or pursuant to this Deed.

4.2 Registrations at the Land Registry

The Lender agrees that, provided that no Event of Default has occurred and is continuing, it will not take action to register the charges created under clause 3.1.1 at the Land Registry. If an Event of Default has occurred and is continuing the Lender shall be entitled to register such charges at the Land Registry and each Chargor shall at the request of the Lender under clause 4.1.1 execute such further or supplemental security over the Funded Properties as the Lender may require.

5. COVENANTS

5.1 Negative pledge

Subject to clause 5.2 below, during the Security Period, no Chargor shall:

5.1.1 create, extend or permit to subsist any Security over any of the Secured Assets; nor

- 5.1.2 sell, transfer, assign or dispose of or lease or grant any other right of occupation or create any legal or equitable interest in, over or relating to any of the Funded Properties (or any of the other Fixed Charged Assets) save as expressly permitted by and in accordance with the provisions of the Loan Agreement.

5.2 **Exceptions**

- 5.2.1 Clause 5.1 does not apply to (a) the Security created or required to be created pursuant to this Deed nor (b) the Permitted Security, nor (c) any Security, arrangement or transaction to which the Lender has given its written consent.
- 5.2.2 Clause 5.1.2 does not apply to any sale of a Funded Property and Ancillary Rights entered into in accordance with the provisions of the Customer Contracts provided always that all Sale Proceeds are dealt with and applied in accordance with the provisions of clause 4.1 of the Loan Agreement.
- 5.2.3 Clause 5.1.2 does not apply to any sale, transfer, assignment, disposal or lease of any Vacant Property or Unfunded Property or to any other sale of any other Floating Charge Assets, which are not also Fixed Charge Assets, and which are being dealt with at arms length in the ordinary course of business.
- 5.2.4 Clause 5.1.2 does not apply to any lease, tenancy or contractual licence or right to occupy permitted under clause 7.1.16 of the Loan Agreement.

5.3 **Shares**

If, at any time, a Chargor owns any Shares, it will:

- 5.3.1 on the date of this Deed (or, if it acquires the shares later, as soon as practicable after it does so), deposit with the Lender all certificates or other documents of title to those shares and stock transfer forms for them, executed in blank by the Chargor; and
- 5.3.2 if required to do so by the Lender (and to the extent that the Chargor is able to do so) amend the articles of association of the subsidiary concerned in the manner reasonably required by the Lender (and procure that the subsidiary takes, or omits to take, all such other steps as the Lender may require) in order to enable it to enforce its security without restriction.
- 5.4 Following an Event of Default, the Lender will be entitled to receive all distributions in respect of the Chargors' Shares for application in accordance with the Transaction Documents. Otherwise, the Chargors will be entitled to receive those distributions.
- 5.5 Following an Event of Default, but only upon written notice to the relevant Chargor, the Lender will be entitled to exercise all voting and other rights in respect of the Chargors' Shares. Otherwise, the Chargors will be entitled to exercise those rights.
- 5.6 To the extent that the holder of those Shares is not the person entitled to receive those distributions and exercise those rights, the holder will pay the

distributions to the person entitled to them and will exercise those rights in accordance with the reasonable requirements of the person entitled to exercise them.

- 5.7 Each Chargor will promptly pay all calls, instalments or other payments which from time to time become due in respect of any of its Shares, and the Lender will not in any circumstances incur any liability in respect of them.

6. ENFORCEABILITY

- 6.1 The security under this Deed will become immediately enforceable upon the occurrence of an Event of Default and for so long as it is continuing (unless there has been a request from such Chargor to the Lender for the appointment of a Receiver, in which case it will be exercisable at any time following the making of such request).

- 6.2 To the extent that any provisions of this Deed conflict with any of the provisions of the LPA the provisions of this Deed shall prevail.

7. ENFORCEMENT OF SECURITY

- 7.1 At any time after this Deed has become enforceable and/or the Lender's power of sale has become exercisable, the Lender may, without further notice (and in the case of Secured Assets located in Scotland, to the extent permitted by Scots law):

7.1.1 appoint one or more than one person to be Receiver (including, if permitted to do so by the Insolvency Legislation, an Administrative Receiver) in respect of the Secured Assets or any of them and, if more than one person is appointed as Receiver, such appointees may act jointly and severally or individually;

7.1.2 take possession of, receiving the benefit of, or selling the Secured Assets, giving notice to the Chargor or any other person in relation to any assets of the Chargor, exercising a right of set-off or in any other way it may decide;

7.1.3 in its absolute discretion enforce all or any part of the Security created by this Deed in such other lawful manner as it thinks fit;

7.1.4 appoint an Administrator of that Chargor; and/or

7.1.5 taking any other action it may decide in any jurisdiction other than England.

The Lender may remove any person from appointment as Receiver and may appoint another person as Receiver. The Lender may also appoint an additional Receiver

- 7.2 The Receiver will, so far as the law permits, be the agent of each Chargor in respect of which the Receiver is appointed and each such Chargor alone will be responsible for the acts or defaults of the Receiver and will be liable on any contracts or obligations made or entered into by the Receiver. The Lender will not be responsible for any misconduct, negligence or default of the Receiver. The powers of the Receiver will continue in full force and effect following any liquidation of the relevant Chargor.

- 7.3 The remuneration of the Receiver may be fixed by the Lender but will be payable by the relevant Chargor. The amount of the remuneration will form part of the Secured Obligations.
- 7.4 The Receiver will have the power (but, in the case of Secured Assets located in Scotland, only to the extent permitted by Scots law), on behalf and at the cost of each Chargor in respect of which the Receiver is appointed, (a) to do or omit to do anything which he considers appropriate in relation to the Secured Assets and (b) to exercise all or any of the powers conferred on the Receiver or the Lender under this Deed or conferred upon administrative receivers by the Insolvency Act (even if he is not an administrative receiver), or upon receivers by the LPA or any other statutory provision (even if he is not appointed under the LPA or such other statutory provision) but so that if there is any ambiguity or conflict between the powers contained in such legislation and those contained in this Deed, those contained in this Deed shall prevail.
- 7.5 Without prejudice to the general powers set out in Clause 7.4, a Receiver will also have the powers and discretions set out in Schedule 2 (*Receiver's specific powers*).
- 7.6 If the Lender or the Receiver obtains possession of the Funded Property, the Lender or the Receiver may use and remove, store or sell any chattels on the Funded Property, whether or not forming part of the Secured Assets, without being under any liability to any Chargor other than to account for their net proceeds of the sale. All costs, losses and liabilities incurred by the Lender or the Receiver in connection with the removal, storage and sale of such chattels will form part of the Secured Obligations.
- 7.7 If (notwithstanding any representation or warranty to the contrary contained in this Deed) there shall be any Security affecting the Secured Assets or any of them which ranks in priority to the Security created by this Deed and the holder of such prior Security takes any steps to enforce such Security, the Lender or any Receiver may, at its option, take a transfer of, or repay the indebtedness secured by, such Security.
- 7.8 The Lender may, at any time after this Deed has become enforceable pursuant to Clause 6 (*Enforceability*), exercise, to the fullest extent permitted by law, all or any of the powers, authorities and discretions conferred on a Receiver by this Deed, whether as attorney of any Chargor or otherwise and whether or not a Receiver has been appointed.
- 7.9 The Lender may, in writing, either in its appointment of a Receiver or by subsequent notice to that Receiver, restrict the right of such Receiver to exercise all or any of the powers conferred on a Receiver by this Deed.
- 7.10 Paragraph 14 of Schedule B1 to the Insolvency Act applies to the floating charges created under this Deed.
- 7.11 To the extent that the Finance Party Security arises under a security financial collateral arrangement, the Lender may also enforce it by giving written notice to the Chargor concerned that it is appropriating those Charged Assets which consist of financial collateral. On receipt of that notice by the Chargor, the Lender will automatically become the absolute owner of that financial collateral, and the Chargor will have no further interest in it. The value of the financial collateral will, as soon as practicable after it has been established, be applied in discharge of the equivalent amount of the Secured Obligations in accordance

with the Transaction Documents. For this purpose, the Security Trustee will value the financial collateral as follows:

- 7.11.1 in the case of cash, by reference to its face value received by the Lender;
- 7.11.2 in the case of credit claims, by reference to the amount actually recovered by the Lender; and

Expressions defined in the Financial Collateral Arrangements (No. 2) Regulations 2003 will have the same meanings in this clause.

- 7.12 An Administrator must be appointed in accordance with the Insolvency Legislation.
- 7.13 A Receiver must be appointed by an instrument in writing, and otherwise in accordance with the Insolvency Legislation. The appointment of a Receiver may be made subject to such limitations as are specified by the Lender in the appointment.
- 7.14 If required by the Insolvency Legislation, an Administrator or Receiver must be a person qualified to act as such under it.
- 7.15 An Administrator will have the powers given to him by the Insolvency Legislation.
- 7.16 An Administrative Receiver of a Chargor will have:
 - 7.16.1 the powers given to him by the Insolvency Legislation;
 - 7.16.2 the powers given to a mortgagee or a receiver by the Law of Property Act 1925, but without the restrictions contained in section 103 of that Act; and
 - 7.16.3 the power to do, or omit to do, on behalf of the Chargor, anything which that Chargor itself could have done, or omitted to do, if its assets were not the subject of Security and the Chargor were not in insolvency proceedings.
- 7.17 A specific Receiver will have the same powers as an Administrative Receiver in respect of the assets over which he is appointed (including and/or in addition to those referred to in this clause 7).
- 7.18 Except to the extent provided by law, none of the powers described in this clause 7 will be affected by an Insolvency Event in relation to a Chargor.

8. **PAYMENTS, ACCOUNTS AND APPLICATION OF PROCEEDS**

- 8.1 **Right of appropriation** - Subject to the provisions of Clause 8.7 (*Recoveries by Receiver*), the Lender is entitled to appropriate money and/or assets to the Secured Obligations in such manner or order as it thinks fit and any such appropriation shall override any appropriation by any Chargor.

- 8.2 **No set-off by Chargors** - No Chargor shall exercise any right of set-off or counterclaim it might have in respect of any payment due to the Lender under this Deed.
- 8.3 **Lender's rights of set-off.** - The Lender may, at any time after this Deed has become enforceable, and without notice (a) combine or consolidate all or any of a Chargor's then existing accounts with, and liabilities to, the Lender, (b) set-off or transfer any sums standing to the credit of any one or more of such accounts, and/or (c) set-off any other obligation owed by the Lender to any such Chargor (whether or not matured at such time), in or towards satisfaction of any of the Secured Obligations; and if any amount is in a different currency from the amount against which it is to be set-off, the Lender may convert either amount (or both) at any reasonable time and at any reasonable rate. The Lender shall notify such Chargor in writing that any such transaction has taken place.
- 8.4 **Suspense Account** - The Lender may, at any time, credit to an interest bearing suspense account any money received by it under this Deed, to be held for so long as and on such terms as the Lender may determine pending its application towards discharging the Secured Obligations.
- 8.5 **New account** - If the Lender receives notice of a subsequent mortgage or charge relating to the Secured Assets, it will be entitled to close any account and to open a new account in respect of the closed account. If the Lender does not open such new account, it will in any event be treated as if it had done so at the time when it received such notice.
- 8.6 **Calculations** - The Lender's calculation of any amount payable by any Chargor under this Deed at any time will be prima facie evidence (unless it has made an obvious mistake).
- 8.7 **Recoveries by Receiver** - Any proceeds received by a Receiver in connection with the Transaction Documents will, subject to any claims ranking in priority to the Secured Obligations, be applied by or at the direction of the Receiver in or towards discharging or satisfying the following amounts in the following order of priority: (a) the costs, charges and expenses of and incidental to the Receiver's appointment and the payment of his remuneration; (b) any costs, charges, expenses and liabilities of or incurred by the Receiver in the exercise of any of its powers, including all rents, Taxes, rates and outgoings whatever affecting the Secured Assets, all premiums on Insurances properly payable under this Deed or any applicable legislation, the cost of executing necessary or proper repairs to the Secured Assets, and the payment of annual sums or other payments, and the interest on all principal sums, having priority to the Secured Obligations; (c) the remaining Secured Obligations, in accordance with the provisions of the Transaction Documents; and (d) the claims of those persons entitled to any surplus.
- 8.8 **Tax gross-up** - The provisions of clause 12.2 (*Tax and Increased Costs*) of the Loan Agreement shall apply to any payments made by any Chargor under or pursuant to this Deed.
- 8.9 **Insurances**- All Insurance Proceeds shall be applied in accordance with the provisions of clause 7.1.18 of the Loan Agreement.
- 8.10 **Currency of payment** - No payment to the Lender (whether under any judgment or court order or otherwise) shall discharge the obligation or liability of any Chargor in respect of which it was made unless and until the Lender shall have received payment in full in the currency in which the obligation or liability

was incurred. To the extent that the amount of any such payment shall, on actual conversion into such currency, fall short of such obligation or liability expressed in that currency, the Lender shall have a further separate cause of action against such Chargor and shall be entitled to enforce the Security created by this Deed to recover the amount of the shortfall.

9. **PROTECTION OF THIRD PARTIES**

9.1 **No duty to enquire** - A buyer from, or other person dealing with, any Enforcement Party will not be concerned to enquire whether any of the powers which such Enforcement Party has exercised or purported to exercise has arisen or become exercisable and may assume that it is acting in accordance with this Deed.

9.2 **Receipt conclusive** - The receipt of the Lender or any Receiver shall be an absolute and conclusive discharge to a purchaser of the Secured Assets and shall relieve him of any obligation to see to the application of any monies paid to or by the direction of the Lender or any Receiver.

10. **PROTECTION OF LENDER**

10.1 **Lender's receipts** - The Lender shall not be obliged to account to any Chargor, nor to any other person, for anything other than its own actual receipts which have not been distributed or paid to the person entitled (or whom the Lender, acting reasonably, believes to be entitled) in accordance with the requirements of this Deed.

10.2 **Exclusion of liability** -

10.2.1 No Enforcement Party will be liable to any Chargor for any expense, loss, liability or damage incurred by such Chargor arising out of the exercise by such Enforcement Party of its rights or powers or any attempt or failure to exercise those rights or powers, except for any expense, loss, liability or damage arising from its gross negligence, fraud or wilful misconduct.

10.2.2 No Chargor may take any proceedings against any officer, employee or agent of any Enforcement Party in respect of any claim it might have against such Enforcement Party or in respect of any act or omission of any kind by that officer, employee or agent in relation to this Deed.

10.2.3 Any officer, employee or agent of any Enforcement Party may rely on this Clause 10 under the Third Parties Act.

10.3 **Effect of possession** - If the Lender or any Receiver enters into possession of the Secured Assets or any of them, this will not oblige either the Lender or the Receiver to account as mortgagee in possession, and if at any time the Lender enters into possession of the Secured Assets or any of them it may at any time at its discretion go out of such possession.

10.4 **Chargors' indemnity** - Each Chargor agrees with the Lender to indemnify the Lender and any Receiver or Delegate on demand against any costs, Taxes, losses, liabilities or damage incurred by any of them in respect of (a) the taking, holding, protection or enforcement of the Security created by this Deed, (b) any exercise of the rights, powers, discretions or remedies of, or vested in, any Enforcement Party or any attempt or failure to exercise those rights, powers, discretions or remedies and (c) anything done or omitted to be done in the

exercise or purported exercise of the powers under this Deed or under any appointment duly made under the provisions of this Deed.

11. POWER OF ATTORNEY

- 11.1 While an Event of Default is continuing each Chargor irrevocably and by way of security appoints the Lender and each Receiver and any person nominated for the purpose by the Lender or the Receiver (in writing, under hand, signed by an officer of the Lender or by the Receiver) severally to be the attorney of such Chargor (with full power of substitution and delegation) for the purposes set out in Clause 11.2.
- 11.2 The power of attorney granted in Clause 11.1 allows the Lender, the Receiver or the relevant nominee, in the name of the relevant Chargor, on its behalf, as its act and deed and at its expense to perfect the Security created by such Chargor under this Deed and to execute and deliver any document or do any act or thing which such Chargor has agreed to execute or do under this Deed or which may be required or deemed proper in the exercise of any of the rights, powers, authorities or discretions of the Lender or the Receiver under, or otherwise for the purposes of, this Deed.
- 11.3 Each Chargor covenants with the Lender to ratify and confirm all acts or things made, done or executed by any attorney exercising or purporting to exercise the powers conferred in accordance with this Clause 11.

12. APPLICATION, VARIATION AND EXTENSION OF STATUTORY PROVISIONS

- 12.1 For the purposes only of section 101 of the LPA, (but otherwise subject to the provisions of Clause 6 (*Enforceability*)), the conditions set out in that section, as to when the powers conferred on a mortgagee by that section arise, do not apply. The Lender and any Receiver may exercise the statutory power of sale conferred by the LPA free from the restrictions imposed by section 103 of the LPA, which shall not apply to this Deed.
- 12.2 The power of sale and the other powers conferred by the LPA or otherwise are extended and varied to authorise the Lender in its absolute discretion to do all or any of the things or exercise all or any of the powers which a Receiver is empowered to do or exercise under this Deed.
- 12.3 The restriction on the consolidation of mortgages in section 93 of the LPA does not apply to this Deed nor to any Security given to the Lender pursuant to this Deed. Section 109(1) of the LPA shall not apply to this Deed. Sections 105, 107(2), 109(6) and 109(8) of the LPA will not apply to the Lender nor to a Receiver appointed under this Deed.
- 12.4 After the security under this Deed has become enforceable, the statutory and other powers of leasing, letting, entering into agreements for leases or lettings and accepting or agreeing to accept surrenders of leases or tenancies shall not be exercisable by any Chargor in relation to the Secured Assets or any part of them. The restrictions on the powers of the Lender or the Receiver to grant leases or to accept the surrender of leases in sections 99 and 100 of the LPA do not apply to this Deed.

13. OTHER MISCELLANEOUS PROVISIONS

- 13.1 Except where expressly stated to the contrary, the powers, rights and remedies provided in this Deed are in addition to (and not instead of) powers, rights and remedies under law.
- 13.2 If an Enforcement Party fails to exercise any power, right or remedy under this Deed or delays its exercise of any power, right or remedy, this does not mean that it waives that power, right or remedy. If an Enforcement Party exercises, or partly exercises, a power, right or remedy once, this does not mean that it cannot exercise such power right or remedy again, fully or in part.
- 13.3 The Lender may decide when and how to apply any payments and distributions received for its own account under this Deed, and also, as between the Lender and any Chargor, whether and, if so, when, how and to what extent (a) to exercise its rights under this Deed and (b) to exercise any other right it might have in respect of any Chargor (or otherwise) without, in any case, any Chargor having the right to control or restrict the Lender's exercise of this discretion.
- 13.4 No provision of this Deed will interfere with the Lender's right to arrange its affairs as it may in its absolute discretion decide (nor oblige it to disclose any information relating to its affairs), except as expressly stated.
- 13.5 Each Chargor authorises the holder of any prior or subsequent Security to provide to the Lender, and the Lender to receive from such holder, details of the state of account between such holder and such Chargor.
- 13.6 No Chargor shall assign, novate or otherwise deal with its rights or obligations under or interests in this Deed, except with the prior written consent of the Lender.
- 13.7 The Lender may at any time assign, novate or otherwise deal with any rights or obligations under or interests in this Deed to any person it is permitted to assign or novate any rights or obligations under the Loan Agreement.
- 13.8 If, at any time, there has been a release, settlement or discharge of any Chargor's obligations under this Deed and, as a consequence of any insolvency proceedings (or analogous proceedings) or for any other reason, (a) any payment made to any person in respect of any of the Secured Obligations is required to be repaid and/or (b) any such payment or any Security (or other right) held by the Lender in respect of any of the Secured Obligations (whether under this Deed or otherwise) is void, is set aside or is otherwise affected, then the relevant Chargor's obligations under this Deed shall continue in effect as if there had been no such release, settlement or discharge and as if the relevant payment had not been made and/or (as applicable) the relevant Security (or other right) had not been held by the Lender; and accordingly (but without limiting the Lender's other rights under this Deed) the Lender shall be entitled to recover from such Chargor the value which the Lender has placed upon such Security or the amount of any such payment as if such payment, settlement or discharge had not occurred.
- 13.9 If the Lender, acting reasonably, considers that any amount paid by any Chargor in respect of the Secured Obligations is capable of being avoided or ordered to be refunded or reduced for the reasons set out in Clause 13.8, then for the purposes of this Deed such amount shall not be considered to have been irrevocably paid.

- 13.10 The Lender agrees to perform its obligations, to the extent arising under the Transaction Documents, to make further advances. The Security created by this Deed has been made for securing such further advances.
- 13.11 To the extent that any Chargor may be entitled in any jurisdiction to claim for itself or its assets immunity from suit, execution, attachment (whether in aid of execution, before judgment or otherwise) or other legal process of any kind wherever it might originate, or to the extent that in any such jurisdiction there may be attributed to such Chargor or its assets such immunity (whether or not claimed), it irrevocably agrees not to claim and irrevocably waives such immunity to the fullest extent permitted by the laws of such jurisdiction.
- 13.12 On the Discharge Date (but subject to Clauses 13.8 and 13.9) the Lender shall, at the request and cost of each Chargor, execute and do all deeds, acts and things as may be necessary to release the Secured Assets from the Security created by this Deed.
- 13.13 The obligations of each Chargor under Clause 2 (*Covenant to pay*) are unconditional and neither the provisions of this Deed nor the obligations of any Chargor will be affected by the occurrence or existence at any time of any of the following events or circumstances or by any person's knowledge or lack of knowledge as to any such matter: (a) any person's insolvency or lack of capacity, power or authority; (b) any unenforceability, illegality or invalidity of any obligation of any person; (c) any change in the constitution, membership, ownership, legal form, name or status of any person; (d) the making, amendment or termination of any other deed or agreement; (e) any amendment, novation, re-statement or substitution of, or any supplement to, any other deed or agreement; (f) any increase or reduction in the amount of any person's indebtedness or any alteration of any term, condition or arrangement in respect of any person's indebtedness; (g) any person taking or omitting to take any steps in relation to (i) any Chargor or any other person, (ii) any of the Secured Obligations, (iii) any Security, guarantee or other financial support in respect of any indebtedness and/or (iv) any other asset; or (h) anything else which, although it could affect the liability of a surety, would not affect the liability of a principal debtor.

14. **COMMUNICATIONS**

- 14.1 **Addresses** - The address and fax number (and the department or officer, if any, for whose attention the communication is to be made) of each Party for any communication or document to be made or delivered under or in connection with this Deed are:
- 14.1.1 in the case of each Chargor, those given for each of them, respectively, in the signature pages of this Deed; and
- 14.1.2 in the case of each Receiver and each Delegate, those notified in writing to the Lender by such Receiver or Delegate as soon as practicable after its respective appointment,
- 14.2 or any substitute address, fax number or department or officer as the relevant person may notify to the Lender (or as the Lender may notify to the other Parties, if a change is made by the Lender) by not less than 5 Business Days' notice.

14.3 Delivery -

14.3.1 Any communication or document made or delivered by one person to another under or in connection with this Deed will only be effective (a) if by way of fax, when received in legible form on a Business Day during normal business hours, or (b) if by way of letter, when it has been left at the relevant address on a Business Day during normal business hours or 5 Business Days after being deposited in the post, postage prepaid, in an envelope addressed to it at that address, and, in any case, if a particular department or officer is specified as part of its address details provided under Clause 14.1 (*Addresses*), if addressed to that department or officer.

14.3.2 Any communication or document to be made or delivered to the Lender will be effective only when actually received by the Lender and then only if it is expressly marked for the attention of the department or officer identified in accordance with Clause 14.1 (*Addresses*).

14.4 Notification of address and fax number - Promptly upon receipt of notification of an address and fax number or change of address or fax number pursuant to Clause 14.1 (*Addresses*) or changing its own address or fax number, the Lender shall notify the other Parties.

14.5 Communications in writing -Any communication to be made under or in connection with the Security Documents shall be made in writing and, unless otherwise stated, may be made by fax or letter.

15. THIS DEED

15.1 Each Chargor has entered into this Deed in consideration of the Lender agreeing to provide (or to continue to provide) finance facilities to it on the terms agreed in the Transaction Documents.

15.2 If the Parties execute this Deed in separate counterparts, this Deed will take effect as if they had all executed a single copy.

15.3 This Deed is intended to be a deed even if any Party's execution is not in accordance with the formalities required for the execution of deeds.

15.4 If, at any time, any provision of this Deed is or is found to have been illegal, invalid or unenforceable in any respect under the law of any jurisdiction, this does not affect the legality, validity or enforceability of the other provisions of this Deed, nor the legality, validity or enforceability of the affected provision under the law of any other jurisdiction.

15.5 If any Party is not bound by this Deed (or any part of it) for any reason, this does not affect the obligations of each other Party under this Deed (or under the relevant part).

15.6 This Deed is in addition to, and does not operate so as in any way to prejudice or affect, or be prejudiced or affected by, any other Security or guarantee which the Lender may now or at any time after the date of this Deed hold for or in respect of the Secured Obligations.

15.7 This Deed and every counterpart is the property of the Lender.

16. **GOVERNING LAW**

This Deed and any non-contractual obligations arising out of or in connection with it are governed by English law.

17. **JURISDICTION**

17.1 **Jurisdiction of English courts**

The courts of England have exclusive jurisdiction to settle any dispute arising out of or in connection with this Deed (including a dispute regarding the existence, validity or termination of this Deed) and any non-contractual obligations arising out of or in connection with it (a "**Dispute**"). The Parties agree that the courts of England are the most appropriate and convenient courts to settle any Dispute and accordingly no Party will argue to the contrary. This Clause 17.1 is for the benefit of the Enforcement Parties only. As a result, no Enforcement Party shall be prevented from taking proceedings relating to a Dispute in any other courts with jurisdiction. To the extent allowed by law, each Enforcement Party may take concurrent proceedings in any number of jurisdictions.

This document is executed as a deed and delivered on the date stated at the beginning of this Deed.
