1 Principal accounting policies

Basis of preparation

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008)

Turnover

Turnover represents the value of services provided, net of VAT, and the fair value of the right to consideration in exchange for the performance of its contractual obligations

2 Going concern

The financial statements have been prepared on a going concern basis. The company's ability to continue to trade is dependent upon the support of the bank and its director. If this assumption proves to be inappropriate, then adjustments may have to be made to adjust the value of assets to their recoverable amounts, to provide for any further liabilities which might arise and reclassify fixed assets as current assets
