- (a) the Assigned Contracts, to the extent capable of being assigned;
- (b) the Insurances and the Insurance Proceeds;
- (c) the Subordinated Debt; and
- (d) all Related Rights in respect of each of the above.

### 3.3 Non-Assigned Agreements

- (a) For each Non-Assigned Agreement which is an Asset Management Agreement, Management Services Agreement, O&M Agreement or Offtake Agreement, each Chargor shall request consent to assign, or a waiver of the prohibition on assigning (as the case may be), that Non-Assigned Agreement, and shall keep the Security Agent informed of the progress of such matters.

- (b) Paragraph 14 of Schedule B1 to the Insolvency Act 1986 shall apply to the floating charge created by this Deed.

### 3.5 Conversion of floating charge by notice

If:

- (a) a Portfolio Event of Default has occurred; or
- (b) the Security Agent is of the view (acting reasonably) that any legal process or execution is being enforced against any Floating Charge Asset or that any Floating Charge Asset is in danger of being seized, sold or otherwise in jeopardy,

the Security Agent may, by notice to a Chargor, convert the floating charge created under this Deed into a fixed charge as regards those assets which it specifies in that notice. The relevant Chargor shall promptly following request by the Security Agent execute a fixed charge or legal or equitable assignment over those assets in such form as the Security Agent may require.

### 3.6 Automatic conversion of floating charge

If, without the prior written consent of the Security Agent:

- (a) a Chargor creates any Security Interest (other than Permitted Security) over all or any of the Security Assets or attempts to do so;
- (b) any person levies or attempts to levy any distress, attachment, execution or other legal process against any of the Security Assets;

### 3.7 Scottish Assets and NI Assets

Neither Clause 3.5 nor Clause 3.6 shall apply in respect of any Scottish Assets or NI Assets.

### 3.8 Small company moratorium

Notwithstanding any other provision of this Deed, the obtaining of a moratorium under section 1A of the Insolvency Act 1986, or anything done with a view to obtaining such a moratorium (including any preliminary decision or investigation), shall not be an event causing any floating charge created by this Deed to crystallise or causing restrictions which would not otherwise apply to be imposed on the Disposal of any asset by a Chargor or a ground for the appointment of a Receiver.

## 4. Nature of Security Interest

### 4.1 Continuing security

- (a) The Security Interest created by this Deed is to be a continuing security notwithstanding any intermediate payment or settlement of all or any part of the Secured Liabilities or any other matter or thing.
- (b) Each Chargor waives any right it may have of first requiring the Security Agent to proceed against or enforce any other rights or Security Interest or claim payment from any person before claiming from an Obligor under a Finance Document. This waiver

applies irrespective of any law or any provision of the Finance Document to the contrary.

- (c) Until the Security Period has ended, the Security Agent may refrain from applying or enforcing any other monies, Security Interest or rights held or received by the Security Agent in respect of those amounts, or apply and enforce the same in such manner and order as it sees fit (whether against those amounts or otherwise) and a Chargor shall not be entitled to the benefit of the same.
- (d) Each Chargor expressly confirms that it intends that the Security Interest constituted by this Deed shall extend from time to time to any (however fundamental) variation, increase, extension or addition of or to the Secured Liabilities as a result of the amendment and/or restatement of the Subscription and Common Terms Agreement and/or any of the other Finance Documents and/or any additional notes, facility or amount which is subscribed for or made available under any of the Finance Documents.

#### 4.2 Non-merger of Security

The Security Interest created by this Deed is to be in addition to and shall neither be merged with nor in any way exclude or prejudice or be affected by any other Security Interest or other right which the Security Agent may now or after the date of this Deed hold for any of the Secured Liabilities, and this Deed may be enforced against any Chargor without first having recourse to any other rights of the Security Agent.
