TRUSTEES' REPORT

For the year ended 30 November 2021

The Trustees present their annual report and financial statements for the year ended 30 November 2021, which are also prepared to meet the requirements for a director's report and financial statements for Companies Act purposes.

The financial statements comply with the Charities Act 2011, the Companies Act 2006, the Memorandum and Articles of Association and Accounting and Reporting by Charities Statement of Recommended Practice applicable to charities preparing their financial statements in accordance with the Financial Reporting Standard applicable in the UK and Ireland (FRS102) (Effective 1 January 2016).

Objectives and Activities

The charity's objects and the principal activity of the company is to support such charitable objectives of The Old Vic Theatre Trust 2000 as the trustees from time to time think fit, in particular by:

(1) The promotion, maintenance, improvement and advancement of education by the encouragement of the arts, including the arts of drama, mime, dance, music, ballet, opera, puppetry, painting and sculpture, photography, cinema, literature and poetry and to formulate, prepare and establish schemes therefore, and by:

(2) The advancement of English heritage for the public benefit, by the encouragement and stimulation of the public's understanding and appreciation of the architectural and cultural heritage of The Old Vic Theatre.

It is the policy of the charity to make grants in support of The Old Vic Theatre Trust 2000 (Registered charity number 1072590). Such grants will be made up to the level of net income before investment returns.

The Trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the charity should undertake.

Achievements and performance

During the year the charity continued to make further investment to generate returns and enable grants to be paid in furtherance of its objects to The Old Vic Theatre Trust 2000 ('The Old Vic').

In the year under review this totalled £80,000 of grants. £69,000 was granted towards improving The Old Vic's HR, Finance and Payroll systems; £6,000 was granted towards The Old Vic's Get Going project and £5,000 was granted towards commissioning new work.

The Old Vic is the sole beneficiary of the Trust. The Old Vic Theatre reopened in July 2021, following a 16 month closure due to the COVID-19 pandemic. It has been a challenging economic environment for the theatre sector, so the Trustees are continuing to hold a cash balance of £3.2m as part of the investment portfolio should the situation arise where The Old Vic requires financial support to replenish reserves.

Financial review

The final net expenditure for the year was £304,503 (2020: £82,802 net expenditure) which included an increase in the market value of the managed fund of £264,415 (2020 - £72,910 decrease) – see note 9.

Total income amounted to £128,807 (2020: £159,568) - see note 2 for more detail. There was an decrease in investment income of £30,761 to the sum of £128,807 (2020: £159,568) due to the increased proportion of cash held within the investment portfolio.

Reserves policy

It is the policy of the charity that free reserves (comprising unrestricted net current assets) should be maintained at a level to give the charity financial flexibility and a buffer against operational risks. As a managed fund however these operational risks are minimal but the fund is structured so that there is always a cash portion held in reserve. The level of net current assets excluding cash held within the managed fund as at 30 November 2021 was £72,317 (2020: £30,578).

The Old Vic Endowment Trust

TRUSTEES' REPORT

For the year ended 30 November 2021

Investment policy and objectives

Under the Memorandum and Articles of Association, the charity has the power to make any investment which the Trustees see fit.

Investment performance

The charity's investment portfolio is managed by Sarasin and Partners LLP. During the year this managed fund generated net income of £127,376 (2020: £164,118) including interest and investment income. At the year end, the market value of the managed fund was £6,906,604 (2020: £6,643,840). See note 10 for the movements in the year.

Risk management

The trustees have a risk management strategy which comprises:

- An annual review of the risks the charity may face;
- The establishment of systems and procedures to mitigate those risks identified in the plan; and
- The implementation of procedures designed to minimise any potential impact on the charity should those risks materialise.

Future plans

The charity's focus over the next couple of years is to continue to generate funds and provide grants towards The Old Vic building project to improve accessibility, while still continuing to support specific productions and community projects run by The Old Vic.

As noted above, funds may be made available to The Old Vic in order to support the Theatre in order to sustain it financially, provided that terms can be agreed which are acceptable to the Trustees.

TRUSTEES' REPORT

For the year ended 30 November 2021

Appointment of Trustees

The board of Trustees has the power to appoint additional trustees as it considers fit.

Organisational structure

The charity is governed by a board of Trustees of up to 6 members. The Trustees meet regularly to manage its affairs. The day-to-day operations of the charity are managed by a management team appointed by the trustees and reporting to the board.

New trustees undergo an orientation period to brief them on their legal obligations under charity and company law, the content of the Memorandum and Articles of Association, the committee and decision making processes, the business plan and recent financial performance of the charity. During the induction period they meet key employees and other trustees. Trustees are encouraged to attend appropriate external events where these will facilitate the undertaking of their role.

The board regularly looks at the skills, experience and diversity of its members to find imbalances and gaps, informing trustee recruitment and training. The board recognises the value of a diverse board and when deciding how to recruit trustees, the board thinks about how to attract a diverse pool of candidates.

Relationship with related parties

The charity has a close relationship with The Old Vic Theatre Trust 2000. There are no other related parties other than the trustees.

Statement of Trustees' responsibilities

The Trustees, who are also the directors of The Old Vic Endowment Trust for the purpose of company law, are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

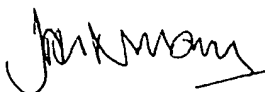

Company law requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that year.

In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The Trustees are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Charitable Company is a public benefit entity for the purposes of FRS 102 and therefore the charity also prepared its financial statements in accordance with the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (The FRS 102 Charities SORP), the Companies Act 2006 as applicable to companies subject to the small companies regime, and the Charities Act 2011.

The financial statements are prepared in sterling, which is the functional currency of the company. Monetary amounts in these financial statements are rounded to the nearest pound.

The accounts have been prepared under the historical cost convention, modified to include the revaluation of certain financial instruments at fair value. The principal accounting policies adopted are set out below.

The charitable company has taken the following exemptions under the small companies regime:

- The requirements of Section 4 Statement of Financial Position paragraph 4.12(a)(iv).
- The requirements of Section 7 Statement of Cash Flows and Section 3 Financial Statement Presentation paragraph 3.17(d).
- The requirements of Section 11 paragraphs 11.39 to 11.48A and Section 12 paragraphs 12.26 to 12.29A.

1.2 Going Concern

The financial statements are prepared on a going concern basis which assumes the charitable company will continue in operational existence for the foreseeable future. At the time of approving the financial statements, the Trustees have a reasonable expectation that the charitable company has adequate resources to meet its liabilities as they fall due for a period of at least twelve months from the date of approval of these financial statements. Thus the Trustees continue to adopt the going concern basis of accounting in preparing the accounts.

1.3 Income

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Investment income is recognised when received by the investment manager. All other income is recognised when the charitable company becomes entitled to the income, it is probable that it will be received and the amount can be measured reliably.

Cash donations are recognised upon receipt. Other donations are recognised once the charity has received a firm commitment to payment. Any income tax recoverable is included at the time of the donation.

1.4 Expenditure

Liabilities are recognised as soon as expenditure is incurred and there is a legal or constructive obligation committing the charity to the expenditure. All expenditure expended is accounted for on an accruals basis. Irrecoverable vat is charged to the expense to which it relates.

Charitable expenditure includes grants and donations made to institutions which are included in the accounts when paid or when a firm commitment is given to a charity prior to the balance sheet date which is a constructive obligation. Also included are support costs which include governance costs.

Governance costs primarily relate to audit or independent examination fees payable.

Costs of raising funds are those costs incurred in generating investment income and donations.

The Old Vic Endowment Trust

NOTES TO THE FINANCIAL STATEMENTS for the year ended 30 November 2021

1. ACCOUNTING POLICIES (continued)

1.5 Investments

Fixed asset investments are initially measured at transaction price excluding transaction costs, and are subsequently measured at fair value at each reporting date. Changes in fair value are recognised in net income/(expenditure) for the year. Transaction costs are expensed as incurred.

1.6 Cash at Bank and in hand

Cash at bank and in hand are basic financial assets and include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

1.7 Financial instruments

The company has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the company's balance sheet when the company becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic financial assets

Basic financial assets, which comprise cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Other financial assets

Other financial assets, which comprise investments in equity instruments which are not subsidiaries, associates or joint venture, are initially measured at fair value, which is normally the transaction price. Such assets are subsequently carried at fair value and the changes in fair value are recognised in the income and expenditure account.

Basic financial liabilities

Basic financial liabilities, comprising creditors, are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Derecognition of financial liabilities

Financial liabilities are derecognised when the charity's contractual obligations expire or are discharged or cancelled.

1.8 Charitable funds

Unrestricted funds are available for use at the discretion of the Trustees in furtherance of their charitable objectives unless the funds have been designated for other purposes.
