RACE COUNCIL CYMRU

CHAIRMAN'S REPORT FOR THE YEAR ENDED 31 MARCH 2023

What an eventful and productive year it has been. We reflect on the past year and extend our sincere recommendations to our esteemed trustees for their tireless support towards RCC for the successful growth of the Charity. I also thank our dedicated staff, volunteers, community partners and valued stakeholders for the enormous amount of work they have delivered for the communities; the work we do would not be possible without them. It is my privilege to offer this foreword for the annual reporting year, acknowledging our status as a registered charity and a company limited by guarantee.

As noted in the previous reports, RCC is still faced with challenges, especially the persistent lack of core funding which still presents a substantial barrier to the full realisation of the charity & growth potential. This limitation has posed challenges in meeting the evolving needs of the communities we serve.

Despite various challenges, we recorded many successes, impactful and amazing events. We are pleased to say that we had a noteworthy year. Our commitment to campaigning for Race Equality across Wales continues to result in significant accomplishments. Notable highlights include the launch of another year-long Black History Wales themed 'Young People, The Time is Now', the successful Black History Launch Events held across Wales, including the Black History Youth Awards, other young peoples' programs, the regularity of meetings for community groups such as Windrush Cymru Elders and all the community engagement projects we have championed during the year.

We remain steadfast in our commitment to embedding an Antiracist culture in all aspects of Welsh society, encompassing initiatives from our valuable training programs to the steadfast progression of our Zero Racism Wales campaign which has recorded 2000 pledges. We continue to support Welsh Government, public, private and third sector Organisations to work with grassroots ethnic communities to ensure the actualisation of race equity in Wales.

Very importantly, I express profound thanks to each of our funders and partners for their steadfast support, recognising that our outreach and support to our diverse ethnic community members would not be possible without them.

Lastly, I wish to commend our Chief Executive, Prof Uzo Iwobi CBE, for her tireless efforts and unwavering dedication in continuously serving our communities. Under her inspirational leadership, Race Council Cymru remains a strong advocate of race equity in Wales.

Diolch yn fawr, thank you very much.

Kind regards
Judge Ray Singh CBE

The event took place on the Glanfa Stage, Welsh Millennium Centre, Cardiff Bay. The Windrush Cymru Elders (WCE) were supported by the Black History Wales Management Committee, Black History Wales artists and National Black, Asian and Minority Ethnic Youth Forum and African Community centre Windrush youth group; who took part in the event, ensuring the histories and stories of the Windrush Generation are shared to the next generation.

WINDRUSH CYMRU ELDERS (WCE)

The WCE group continue to grow and flourish, despite isolation and losses of some elders from the pandemic period. They continue to have meetings, excursions and activities, and we are thankful to partners who have worked with RCC to provide visits to various interesting locations; a notable example was their special tour to BBC Wales. The esteemed Windrush Cymru elders steadfastly uphold the legacy of Minority Ethnic and Commonwealth Servicemen and Women, commemorating their invaluable contributions and honouring their lives through an annual memorial service also noting importantly the Patty Flynn Tribute event. In addition, the WCE led the Race Council Cymru Windrush day event in June and took part in the Windrush Cymru: Our Voices, Our Stories, Our History event at St Fagan's Museum of history in October, and enjoyed their Christmas meal at Nine's Global Buffet. We are thankful to those that have kindly donated towards refreshments, activities and food for our elders. We look forward to delivering an exciting list of activities for our Windrush Cymru Elders in 2023.

FINANCIAL REVIEW

Financial position

The charity ended 2022-23 with a year end surplus of £43,327 (2022: deficit of £168,314)

The surplus has been added to the total funds brought forward from 2021-22, making a total reserve fund of £486,117, of which £442,460 is restricted. The unrestricted funds amounted to £43,657 at the year end and the Trustees have not designated any of the funds for specific purposes. Please see below for Reserves Policy.

Investment policy and objectives

Under the memorandum and articles of association, the charity has the power to make any investment which the trustees see fit. The charity has a policy of keeping surplus liquid funds in short-term deposits which can be accessed readily.

Reserves policy

The trustees aim to maintain free reserves in unrestricted funds at a level between three and six months of unrestricted charitable expenditure. They consider that this level will ensure that there are sufficient funds available to cover support and governance costs in the event that the Company needed to be wound up. The trustees therefore consider that the ideal level of operational free reserves at 31 March 2023 would therefore be £30,000 to £60,000.

Of the total reserves of £486,117 (2022: £442,790), £442,460 (2022: £260,513) was restricted. The restricted reserves result from the recognition of various grants from, among others, the Comic Relief Global Majority Fund, Arts Council Wales, Covid 19 Project Funding and funding for Black History Wales; the work on these projects will continue during 2023-24.

Unrestricted general funds amounted to £43,657 (2022: £182,277) all of which represent free reserves and which is above the target level for such reserves mentioned above.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is controlled by its governing document, a deed of trust, and constitutes a limited company, limited by guarantee, as defined by the Companies Act 2006.

Race Council Cymru is a charitable company limited by guarantee, incorporated on 28 November 2011 and registered as a charity on 16 August 2012. The charity was established under a Memorandum and Articles of Association which established the objectives and powers of the company. In the event of the company being wound up the members are required to contribute an amount not exceeding £10.

**REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 31 MARCH 2023**

STRUCTURE, GOVERNANCE AND MANAGEMENT

Recruitment and appointment of new trustees

The directors of the company are also charity trustees as defined charity law. Under the requirements of the Memorandum and Articles of Association at each annual general meeting one-third of the directors or, if their number is not three or a multiple of three, the number nearest to one-third, must retire from office. If there is only one director, he or she must retire. Directors are elected to serve for a period of three years after which they must be re-elected at the next Annual General Meeting. The appointment of a director, whether by the charity in general meeting or by the other directors, must not cause the number of directors to exceed any number fixed as the maximum number of directors. All board members give their time voluntarily and receive no benefits from the charity.

Race Council Cymru is the overarching umbrella body established in Wales to bring together key organisations which work to combat prejudice, race discrimination, harassment, abuse and violence. It works towards the elimination of racial discrimination and the promotion of equality of opportunity and improving race relations between people from different racial backgrounds.

The board members therefore seek to ensure that the needs of people from the different racial backgrounds are appropriately reflected through the diversity of the board members. To enhance the potential pool of board members the charity has through a scrupulous process recruited board members from varied backgrounds. Equally important is the broad skill mix of the board members which is taken into consideration during the recruitment process. In the event of any skills lost due to board members leaving or through retirement, individuals with similar skills are approached with a request for them to join the Board.

Organisational structure

Race Council Cymru has a minimum of four board members and no maximum number. The board meets quarterly and is responsible for the strategic direction and policy of the charity. The board members are from different professional backgrounds relevant to the work of the charity and they all have voting rights.

Induction and training of new trustees

Many of the board members at the initial stage of joining the board are already familiar with the practical work of the charity. However, all board members are encouraged to undertake a series of training courses to equip them with the necessary knowledge, skills and awareness of their roles and responsibilities as well as objects of the organisation. A trustee starter pack is given out as a handout to each board member including a copy of the Memorandum and Articles of Association.

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charitable company, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Taxation

The charity is exempt from corporation tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.
