**REGISTERED NUMBER:**

07877237 (England and Wales)

**Report of the Directors  
for the Year Ended 30 June 2021**

The directors present their annual report with the unaudited financial statements for the year ended 30 June 2021.

**REVIEW OF BUSINESS**

Revenue for the Company at £385,000 (30 June 2020: £189,000) was in line with expectations, and the Directors consider the result for the year to be satisfactory.

The Company made a loss after tax of £18,000 which was in line with expectations (30 June 2020: loss after tax of £54,000). The Directors do not recommend the payment of a dividend (30 June 2020: £nil) and no dividends have been paid during the year (30 June 2020: £nil).

The Company is an integral part of the operations of its ultimate parent undertaking CVS Group plc ("The Group") and as such the "Strategic report" on pages 1 to 57 of the CVS Group plc 2021 Annual Report, which does not form part of this report, should be read for a full review of the Group's business and developments in the year.

**OUTLOOK**

The Directors consider the outlook of CVS Group plc and all its subsidiaries as a whole. CVS Group plc and its subsidiaries operate in a sector with favourable market and consumer trends, with pet owners who remain willing to spend money on their pets, and clinical enhancements increasing the range of services we can offer. The companion animal market has grown significantly, both in the number of pets owned and in the willingness of owners to spend money on their pets' health and wellbeing.

There has been a growing trend towards "humanisation" of pets, with owners treating them increasingly like family members, which translates into increased spend on both clinical care of the animals, purchases of ancillary products such as pet food and toys, and preventative healthcare such as regular vaccinations.

Financially, the Group has demonstrated resilience, flexibility and strength over the past year to deliver growth both organically and through acquisitions. The Group has strong foundations to continue to develop and grow within the veterinary market and our investors have demonstrated confidence in our ability to do that.

Looking ahead, we are optimistic for future growth and development of the Group, its services and its people. We will continue our strategy of synergistic acquisitions to complement our organic growth.

**DIVIDENDS**

No dividends will be distributed for the year ended 30 June 2021 (30 June 2020: £nil).

**EVENTS SINCE THE END OF THE YEAR**

Information relating to events since the end of the year is given in the notes to the financial statements.

**DIRECTORS**

The directors shown below have held office during the whole of the period from 1 July 2020 to the date of this report.

R Fairman  
B Jacklin  
R Alfonso

**PRINCIPAL RISKS AND UNCERTAINTIES**

The Directors consider that the principal risks (including financial risks) and uncertainties of the Company are integrated with the principal risks and uncertainties of the Group and are not managed separately. The principal risks and uncertainties of the Group, which include those of the Company, are; Key employees, Economic environment and consumer trends, Competition, Adverse publicity, Information technology, Changes in industry regulations, Sourcing pharmaceutical supplies, Sourcing and integrating acquisitions, Health and safety legislation, Corporate legislation and regulatory requirements, Bank facilities, Future pandemic or lockdown, Sustainability and climate change. These are discussed further, together with the impact of COVID-19 and Brexit on the operations of the Group within the "Principal risks and uncertainties" on pages 50 to 57 of the CVS Group plc 2021 Annual Report which does not form part of this report. The Group has also considered their environmental impact as disclosed in the "Streamlined Energy and Carbon Reporting" on pages 82 and 83 of the CVS Group plc 2021 Annual Report.

**Report of the Directors  
for the Year Ended 30 June 2021**

**FINANCIAL RISK FACTORS**

The Company's operations expose it to a variety of financial risks that include market risk (including currency risk), credit risk and liquidity risk.

Given the size of the Company, the Directors have not delegated the responsibility of monitoring financial risk management to a sub-committee of the Board. The policies set by the Board of Directors are implemented by the Group's finance department.

**a) Market risk**

As the Company has no significant interest-bearing assets, the Company's income and operating cash inflows are substantially independent of changes in market interest rates.

**b) Credit risk**

Trade receivables are recognised initially at fair value and subsequently measured at amortised cost, less provision for impairment. A provision for impairment of trade receivables is recognised on trade receivables if there is considered to be expected credit losses. The amount of expected credit losses is calculated using the simplified approach as allowable under IFRS 9 and is updated at each reporting date to reflect changes in credit risk since initial recognition of the financial asset. Losses arising from impairment are recognised in the statement of comprehensive income in other operating expenses.

The credit risk on liquid funds is limited because the counterparties are banks with high credit ratings assigned by international credit rating agencies.

Concentrations of credit risk with respect to trade receivables are limited due to the Company's diverse customer base. The Company also has in place procedures that require appropriate credit checks on potential customers before sales, other than on a cash basis, are made. Customer accounts are also monitored on an ongoing basis and appropriate action is taken where necessary to minimise any credit risk. The Directors therefore believe there is no further credit risk provision required in excess of normal provision for impaired receivables.

The maximum exposure to credit risk at 30 June 2021 is the fair value of each class of receivable as disclosed in note 11 to the financial statements.

**c) Liquidity risk**

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities and availability of parent company funding. Management monitors rolling forecasts of the Company's liquidity reserve on the basis of expected cash flow.

**Report of the Directors  
for the Year Ended 30 June 2021**

**DIRECTORS' THIRD-PARTY INDEMNITY INSURANCE**

A qualifying third-party indemnity provision as defined in Section 234 of the Companies Act 2006 was in force during the year and also at the balance sheet date for the benefit of each of the Directors in respect of liabilities incurred as a result of their office with the Company and any associated company, to the extent permitted by law. In respect of those liabilities for which Directors may not be indemnified, the Company maintained a directors' and officers' liability insurance policy throughout the financial year.

**GOING CONCERN**

In preparing these financial statements, the Directors have had regard to both the forecasts of the ultimate parent company CVS Group plc ("the Group"), of which the Company is an integral part.

After having regard to the financial forecasts and total available facilities of the Group and related covenant requirements, the Directors have concluded there is a reasonable expectation that the Group as a whole will continue to trade for at least 12 months from the date of approval of these financial statements, and in virtue of this the Company will also continue to trade and meet its liabilities as they fall due for at least the same period. As a result, the Directors continue to adopt the going concern basis in preparing these financial statements.

**KEY PERFORMANCE INDICATORS ("KPIS")**

The Directors of the Group manage the Group's operations on a consolidated basis. For this reason, the Company's Directors believe that analysis using key performance indicators at the Company level (financial and non-financial) is not necessary or appropriate for an understanding of the development, performance or position of the business of Greenacres Pet Crematorium Limited. The development, performance and position of CVS Group plc, which includes the Company, is discussed within the "Financial Review" on pages 36 to 40 of the CVS Group plc 2021 Annual Report which does not form part of this report.

**CARBON REPORTING**

CVS Group plc manage and report on the Streamlined Energy and Carbon Reporting (SECR) requirements at a Group level. These details are set out on page 82 of the Directors' Report in the CVS Group plc 2021 Annual Report and Financial Statements.

**Report of the Directors  
for the Year Ended 30 June 2021**

**STATEMENT OF DIRECTORS' RESPONSIBILITIES**

The Directors are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with UK Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law), including FRS 101 "Reduced Disclosure Framework". Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

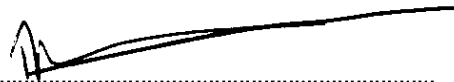

The Directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**FUTURE DEVELOPMENTS**

The directors expect the general level of activity to remain consistent with the prior year.

This report has been prepared in accordance with the provisions of Part 15 of the Companies Act 2006 relating to small companies.

The company is entitled to exemption from audit under Section 479A of the Companies Act 2006 relating to subsidiary companies for the year ended 30 June 2021.

The members have not required the company to obtain an audit of its financial statements for the year ended 30 June 2021 in accordance with Section 476 of the Companies Act 2006.

The directors acknowledge their responsibilities for:

- (a) ensuring that the company keeps accounting records which comply with Sections 386 and 387 of the Companies Act 2006 and
- (b) preparing financial statements which give a true and fair view of the state of affairs of the company as at the end of each financial year and of its profit or loss for each financial year in accordance with the requirements of Sections 394 and 395 and which otherwise comply with the requirements of the Companies Act 2006 relating to financial statements, so far as applicable to the company.

The financial statements were approved by the Board of Directors and authorised for issue on 23 December 2021 and were signed on its behalf by:

  
.....  
R Alfonso - Director

**Notes to the Financial Statements  
for the Year Ended 30 June 2021**

**1. STATUTORY INFORMATION**

Greenacres Pet Crematorium Limited is a private company, limited by shares, incorporated in the United Kingdom and is registered in England and Wales. The company's registered number and registered office address can be found on the Company Information page.

The presentational and functional currency of the financial statements is the Pound Sterling (£).

The principal activity of the Company in the period under review was that of the cremation of animals.

**2. ACCOUNTING POLICIES**

**Basis of preparation**

These financial statements have been prepared in accordance with Financial Reporting Standard 101 "Reduced Disclosure Framework" and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

These financial statements present the financial record for the period 1 July 2020 to 30 June 2021 of Greenacres Pet Crematorium Limited.

These financial statements have been prepared in accordance with Financial Reporting Standard 101, 'Reduced Disclosure Framework' (FRS 101) and the Companies Act 2006 (the Act). FRS 101 sets out a reduced disclosure framework for a 'qualifying entity' as defined in the standard which addresses the financial reporting requirements and disclosure exemptions in the individual financial statements of qualifying entities that otherwise apply the recognition, measurement and disclosure requirements of IFRS.

The company is a qualifying entity for the purposes of FRS 101. Note 16 gives details of the company's parent and from where its consolidated financial statements prepared in accordance with IFRS may be obtained.

The company has taken advantage of the following disclosure exemptions in preparing these financial statements, as permitted by FRS 101 "Reduced Disclosure Framework":

- the requirements of IFRS 7 Financial Instruments: Disclosures;
- the requirements of paragraph 52 of IFRS 16 Leases;
- the requirements of the second sentence of paragraph 110 and paragraphs 113(a), 114, 115, 118, 119(a) to (c), 120 to 127 and 129 of IFRS 15 Revenue from Contracts with Customers;
- the requirement in paragraph 38 of IAS 1 Presentation of Financial Statements to present comparative information in respect of:
  - paragraph 73(e) of IAS 16 Property, Plant and Equipment; and
  - paragraph 118(e) of IAS 38 Intangible Assets;
- the requirements of IAS 7 Statement of Cash Flows;
- the requirements of paragraphs 30 and 31 of IAS 8 Accounting Policies, Changes in Accounting Estimates and Errors;
- the requirements of paragraphs 17 and 18A of IAS 24 Related Party Disclosures;
- the requirements in IAS 24 Related Party Disclosures to disclose related party transactions entered into between two or more members of a group.

**Going concern**

In preparing these financial statements, the Directors have had regard to the forecasts of the ultimate parent company CVS Group plc ("the Group"), of which the Company is an integral part.

After having regard to the financial forecasts, total available facilities of the Group and related covenant requirements, the Directors have concluded there is a reasonable expectation that the Group as a whole will continue to trade for at least 12 months from the date of approval of these financial statements, and in virtue of this the Company will also continue to trade and meet its liabilities as they fall due for at least the same period. As a result, the Directors continue to adopt the going concern basis in preparing these financial statements.

**Notes to the Financial Statements - continued  
for the Year Ended 30 June 2021**

**2. ACCOUNTING POLICIES - continued**

**Changes in accounting policies**

Standards adopted by the Company for the first time

A number of new and revised standards, including the following, are effective for annual periods beginning on or after 1 January 2020:

- Amendment to IFRS 16, 'Leases' - Covid-19 related rent concessions (and from 1 April 2021 'Covid-19 related rent concessions beyond 30 June 2021')
- Amendments to IFRS 9, IAS 39, IFRS 7, IFRS 4 and IFRS 16 'Interest Rate Benchmark Reform' - Phase 1
- Amendments to References to the Conceptual Framework in IFRS Standards
- Amendments to IFRS 3, 'Definition of a Business'

Adoption of these standards, has not had an impact on the Company's financial statements.

**Turnover**

Turnover is measured in accordance with relevant accounting standards. For all contracts within the scope of IFRS 15, the Company determines whether enforceable rights and obligations have been created with the customer and recognises turnover based on total transaction price as estimated at the contract inception, being the amount which the Company expects to be entitled to and has present enforceable rights under contract. Revenue is allocated proportionately across the contract performance obligations and recognised either over time or at a point in time as appropriate.

**Service turnover**

Turnover represents crematoria serviced which are recognised in accordance with IFRS 15, at the point in time when the performance obligation is satisfied. Turnover is recognised when the cremation is completed.

**Products**

Turnover relating to the sale of products is recognised according to the terms of sale, at the point in time when the performance obligations are satisfied.

**Patient data records**

Patient data records are recognised as intangible assets at the fair value of the consideration paid to acquire them and are carried at historical cost less provisions for amortisation and impairment. The fair value attributable to patient data records acquired through a business combination is determined by discounting the expected future cash flows to be generated from that asset at the risk adjusted post tax weighted average cost of capital for the Company. The residual values of patient data records are assumed to be nil.

Patient data records are reviewed for impairment if conditions exist that indicate a review is required.

Amortisation is provided so as to write off the cost over the expected economic lives of the asset in equal instalments at the following principal rates:

Patient data records	10% per annum
----------------------	---------------

Amortisation is charged to administrative expenses.

**Computer software**

Computer software is capitalised on the basis of the costs incurred to acquire and bring into use the specific software. These costs are amortised on a straight line basis over their estimated useful lives of three years and charged to administrative expenses. Costs associated with maintaining computer software programs are recognised as an administrative expense as incurred.

**Notes to the Financial Statements - continued  
for the Year Ended 30 June 2021**

**2. ACCOUNTING POLICIES - continued**

**Tangible fixed assets**

Tangible fixed assets are stated at cost (being the purchase cost, together with any incidental costs of acquisition) less accumulated depreciation and any accumulated impairment losses. The assets' residual values and useful lives are reviewed annually, and adjusted as appropriate. Depreciation is provided so as to write off the cost of tangible fixed assets, less their estimated residual values, over the expected useful economic lives of the assets in equal annual instalments at the following principal rates:

Plant and machinery	20% - 33% straight line
Motor vehicles	25% straight line

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance are charged to the statement of comprehensive income during the financial period in which they are incurred.

**Financial instruments**

Financial assets and financial liabilities are recognised on the Company's balance sheet when the Company becomes a party to the contractual provisions of the instrument.

**(a) Trade and other receivables**

Trade and other receivables are recognised initially at fair value and subsequently measured at amortised cost, less provision for impairment. A provision for impairment of trade and other receivables is recognised if there is considered to be expected credit losses. The amount of expected credit losses is updated at each reporting date to reflect changes in credit risk since initial recognition of the financial asset. Losses arising from impairment are recognised in the statement of comprehensive income.

**(b) Financial liabilities and equity**

Financial liabilities and equity instruments are classified according to the substance of the contractual arrangements entered into. Financial liabilities are obligations to pay cash or other financial assets and are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial liabilities are recorded initially at fair value and subsequently at amortised cost using the effective interest method, with interest related charges recognised as an expense in finance cost in profit or loss. A financial liability is derecognised only when the obligation is extinguished. An equity instrument is any contract that gives a residual interest in the assets of the Company after deducting all of its liabilities.

**(c) Trade payables**

Trade and other payables are non-interest bearing and are recognised initially at fair value and subsequently measured at amortised cost using the effective interest method.

**Stocks**

Stocks comprise of goods held for resale, and are stated at the lower of cost and net realisable value on a first in first out basis. Net realisable value is based on estimated selling price less further costs expected to be incurred on disposal. Where necessary, provision is made for obsolete, slow moving or defective stocks.

**Notes to the Financial Statements - continued  
for the Year Ended 30 June 2021**

**2. ACCOUNTING POLICIES - continued**

**Current and deferred tax**

The tax expense represents the sum of the current tax payable, deferred tax and any adjustments in respect of previous periods.

The current tax payable is based on taxable profit for the year. Taxable profit differs from profit before tax as reported in the statement of comprehensive income because it excludes some items of income or expense that are taxable or deductible in other years and it further excludes items that are never taxable or tax deductible. The Company's liability for current tax is calculated on the basis of tax laws and tax rates that have been enacted or substantively enacted by the Company balance sheet date. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation and establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.

Deferred tax is provided in full, using the balance sheet liability method, on temporary differences arising between the tax bases of assets and liabilities used in the computation of taxable profits and their carrying amounts in the financial statements. However, deferred tax is not accounted for if it arises from initial recognition of an asset or liability in a transaction other than a business combination that at the time of the transaction affects neither accounting nor taxable profit or loss. Deferred tax is determined using tax rates and laws that have been enacted or substantively enacted by the Company balance sheet date and are expected to apply when the related deferred tax asset is realised or the deferred tax liability is settled.

Deferred tax is charged or credited in the statement of comprehensive income, except where it relates to items charged or credited directly to other comprehensive income or equity, in which case the deferred tax is also recognised in other comprehensive income or equity respectively.

Deferred tax assets are recognised to the extent that it is probable that future taxable profit will be available against which the temporary differences can be utilised.

**Foreign currency translation**

**(a) Functional and presentational currency**

The financial information in this report is presented in pound sterling, the functional currency of the Company, rounded to the nearest thousand.

**(b) Transactions and balances**

Transactions denominated in foreign currencies are translated into pound sterling (the functional currency of the Company) at the rate of exchange ruling at the date of transaction. All realised foreign exchange differences are taken to the statement of comprehensive income. Monetary assets and liabilities denominated in foreign currencies are translated into pound sterling at the rates of exchange ruling at the balance sheet date. Non-monetary items carried at fair value that are denominated in foreign currencies are translated at the rates prevailing at the date when the fair value was determined. Non-monetary items that are measured in terms of historical cost in a foreign currency are not retranslated.

Exchange differences are recognised in profit or loss in the period in which they arise.

**Retirement benefit costs**

The Company makes contributions to stakeholder and employee personal pension schemes, which are defined contribution schemes, in respect of certain employees. The Company has no further payment obligations once the contributions have been paid. The contributions are recognised as employee benefit expense when they are due. Prepaid contributions are recognised as an asset to the extent that a cash refund or a reduction in the future payments is available.

**Notes to the Financial Statements - continued  
for the Year Ended 30 June 2021**

**2. ACCOUNTING POLICIES - continued**

**Impairment of non-current assets**

Assets that have an indefinite useful life are not subject to amortisation but are tested annually for impairment. Assets that are subject to amortisation or depreciation are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised in the income statement for the amount by which the asset's carrying amount exceeds its recoverable amount.

As permitted by IAS 36 *Impairment of Assets* for the purposes of assessing impairment, individual cash-generating units ("CGUs") are grouped at a level consistent with the Company's operating segments. Recoverable amounts for CGUs are based on value in use, which is calculated from cash flow projections using data from the Company's latest internal forecasts, being a one-year detailed forecast and extrapolated forecasts thereafter, the results of which are approved by the Board. The key assumptions for the value-in-use calculations are those regarding discount rates and growth rates.

In respect of assets other than goodwill, an impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. An impairment loss is reversed only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortisation, if no impairment loss had been recognised. Impairment losses in respect of goodwill are not reversed.

**Cash and cash equivalents**

Cash and cash equivalents comprise cash balances and deposits with maturities of three months or less from inception.

**Government grants**

Government grants are not recognised until there is reasonable assurance that the Company will comply with the conditions attaching to them and that the grants will be received.

Government grants are recognised in the statement of comprehensive income on a systematic basis over the periods in which the Company recognises as expenses the related costs for which the grants are intended to compensate.

Government grants that are receivable as compensation for expenses or losses already incurred or for the purpose of giving immediate financial support to the Company with no future related costs are recognised in the statement of comprehensive income in the period in which they become receivable.

**Critical accounting judgements and key sources of estimation uncertainty**

The preparation of financial statements in conformity with IFRS requires management to make judgements, estimates and assumptions that affect the application of policies and reported amounts of assets and liabilities, income and expenses. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the results of which form a basis for making the judgements about carrying values of assets and liabilities that are not readily apparent from other sources. Due to the inherent uncertainty involved in making assumptions and estimates, actual outcomes will differ from those assumptions and estimates.

There are no key judgements or sources of estimation uncertainty.

**Notes to the Financial Statements - continued  
for the Year Ended 30 June 2021**

**3. TURNOVER**

The turnover and loss before taxation are attributable to the one principal activity of the company.

An analysis of turnover by class of business is given below:

	<b>2021</b>	<b>2020</b>
	<b>£'000</b>	<b>£'000</b>
Animal cremation services	<b>385</b>	<b>189</b>
	<u><b>385</b></u>	<u><b>189</b></u>

An analysis of turnover by geographical market is given below:

	<b>2021</b>	<b>2020</b>
	<b>£'000</b>	<b>£'000</b>
United Kingdom	<b>385</b>	<b>189</b>
	<u><b>385</b></u>	<u><b>189</b></u>

**4. OTHER OPERATING INCOME**

	<b>2021</b>	<b>2020</b>
	<b>£'000</b>	<b>£'000</b>
Sundry receipts	<b>9</b>	<b>2</b>
	<u><b>9</b></u>	<u><b>2</b></u>

During the previous year, the Company received £1,000, included within sundry receipts, through the Coronavirus Job Retention Scheme ("CJRS").

**5. EMPLOYEES AND DIRECTORS**

	<b>2021</b>	<b>2020</b>
	<b>£'000</b>	<b>£'000</b>
Wages and salaries	<b>153</b>	<b>79</b>
Social security costs	<b>7</b>	<b>5</b>
Other pension costs	<b>2</b>	<b>1</b>
	<u><b>162</b></u>	<u><b>85</b></u>

The average number of employees during the year was as follows:

	<b>2021</b>	<b>2020</b>
Crematorium staff	<b>6</b>	<b>5</b>
	<u><b>6</b></u>	<u><b>5</b></u>

**Notes to the Financial Statements - continued  
for the Year Ended 30 June 2021**

**5. EMPLOYEES AND DIRECTORS - continued**

The company is part of a group arrangement for PAYE in the principal name of the immediate parent company CVS (UK) Limited. Under the group arrangement salaries are borne by CVS (UK) Limited and recharged to the company. As a result, the employee information presented is in relation to employees of CVS (UK) Limited who are recharged to the company.

The total recharge for the year amounted to £162,000 (30 June 2020: £85,000) and is included within the values shown above.

Employee benefit expense included within cost of sales is £38,000 (30 June 2020: £32,000).

The Directors are paid a single salary in respect of their services to the group and it is not considered practicable to apportion this between the subsidiaries.

**6. LOSS BEFORE TAXATION**

The loss before taxation is stated after charging/(crediting):

Amortisation - Patient data records	18	18
	<u>          </u>	<u>          </u>

**7. TAXATION**

**Analysis of tax expense**

	2021 £'000	2020 £'000
Current tax:		
Adjustment in respect of prior years	9	(7)
	<u>          </u>	<u>          </u>
Deferred tax:		
Origination and reversal of timing differences	8	2
Effect of tax rate change	3	2
Deferred tax adjustment in respect of prior year	(4)	14
	<u>          </u>	<u>          </u>
Total deferred tax	7	18
	<u>          </u>	<u>          </u>
Total tax expense in statement of comprehensive income	16	11
	<u>          </u>	<u>          </u>

Notes to the Financial Statements - continued  
for the Year Ended 30 June 2021

7. TAXATION - continued

**Factors affecting the tax expense**

The tax assessed for the year is higher than the standard rate of corporation tax in the UK. The difference is explained below:

	2021 £'000	2020 £'000
Loss before income tax	(2)	(43)
Loss multiplied by the standard rate of corporation tax in the UK of 19% (2020 - 19%)	-	(8)
Effects of:		
Effect of tax rate change on deferred tax balances	3	2
Expenses not deductible for tax purposes	2	4
Adjustments to current tax charge in respect of previous years	9	(7)
Adjustments to deferred tax charge in respect of previous years	(4)	14
Group relief	5	6
Effect of difference between deferred tax and current tax rate	1	-
Tax expense	16	11

**Factors affecting the future tax charge**

The UK corporation tax rate for the period was 19.0% (2020: 19.0%). In March 2021, the UK Government announced an increase in the UK corporation tax rate to 25.0% from 1 April 2023. The increase in UK corporation tax rate was substantively enacted on 24 May 2021. As a result, the relevant deferred taxation balances have been re-measured using the rates expected to apply when the deferred tax balances reverse.

**Changes in tax rate**

The impact of change in tax rate in the prior year arose due to the previous enacted reduction in the UK corporation tax rate from 19.0% to 17.0% from 1 April 2020 being repealed, and the 19.0% tax rate being substantively enacted on 17 March 2020.

8. INTANGIBLE FIXED ASSETS

	Patient Data Records £'000	Computer software £'000	Totals £'000
<b>COST</b>			
At 1 July 2020			
and 30 June 2021	177	1	178
<b>AMORTISATION</b>			
At 1 July 2020	98	-	98
Amortisation for year	18	1	19
At 30 June 2021	116	1	117
<b>NET BOOK VALUE</b>			
At 30 June 2021	61	-	61
At 30 June 2020	79	1	80

Notes to the Financial Statements - continued  
for the Year Ended 30 June 2021

9. TANGIBLE FIXED ASSETS

	Improvements to property £'000	Plant and machinery £'000	Motor vehicles £'000	Totals £'000
<b>COST</b>				
At 1 July 2020	552	262	29	843
Additions	5	23	19	47
At 30 June 2021	557	285	48	890
<b>DEPRECIATION</b>				
At 1 July 2020	4	42	20	66
Charge for year	9	50	8	67
At 30 June 2021	13	92	28	133
<b>NET BOOK VALUE</b>				
At 30 June 2021	544	193	20	757
At 30 June 2020	548	220	9	777

Allotted, issued and fully paid:			2021 £	2020 £
Number:	Class:	Nominal value:		
2	Ordinary shares	1	2	2

15. EVENTS AFTER THE REPORTING PERIOD

There were no significant events between the Balance Sheet date and the date of signing of these financial statements.

16. ULTIMATE CONTROLLING PARTY

The company's immediate parent company is CVS (UK) Limited, a company registered in England.

CVS Group plc, a company registered in England, is the immediate parent company of CVS (UK) Limited and is the parent undertaking of the smallest and largest group of which the Company is a member and for which group accounts are prepared. Copies of the group accounts of CVS Group plc can be obtained from its registered office at CVS House, Owen Road, Diss, Norfolk, IP22 4ER.

The shares of CVS Group plc are traded on the Alternative Investment Market and as such, the Directors consider that there is no ultimate controlling party.

17. BANK GUARANTEES

The Company is a member of the CVS Group plc banking arrangement under which it is party to unlimited cross guarantees in respect of the banking facilities of other CVS Group plc undertakings, amounting to £170,000,000 at 30 June 2021 (2020: £170,000,000). The Directors do not expect any material loss to the Company to arise in respect of the guarantees.

**Notes to the Financial Statements - continued  
for the Year Ended 30 June 2021**

**18. PENSION SCHEMES**

The Company contributes to certain employees' personal pension schemes in accordance with their service contracts. The amounts are charged to the statement of comprehensive income as they fall due. The amounts charged during the year amounted to £2,000 (2020: £1,000). The amount outstanding at the end of the year included in creditors was £nil (2020: £nil).
