The director is also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

NOTES TO THE ABRIDGED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2016

1. ACCOUNTING POLICIES

Basis of preparation of financial statements

The abridged financial statements have been prepared under the historical cost convention in accordance with FRS 102 Section 1A – The Financial Reporting Standard applicable in the UK and Republic of Ireland and the Companies Act 2006, including the provisions permitting an abridged profit and loss account and balance sheet to be prepared.

The company is dependent on continuing finance being made available by its shareholder. Continuing finance is required both to enable the company to meet its liabilities as they fall due and to continue operating without immediate realisation of all its assets.

The director believes that continuing finance will be available and that it is therefore appropriate to prepare the financial statements on a going concern basis. However, should continuing finance not be available, the going concern basis would be invalid and adjustments would have to be made to reduce the value of assets to their realisable amount, to provide for any further liabilities which might arise and to reclassify fixed assets as current assets.

Revenue recognition

Revenue is measured at the fair value of the consideration received or receivable. Revenue is reduced for estimated customer returns, rebates and other similar allowances.

Revenue from the sale of goods is recognised when goods are delivered and legal title has passed.

2. EMPLOYEES

The average number of persons employed by the company (including directors) during the year was 1 (2015: 1).

3. GENERAL INFORMATION
