Director's responsibilities statement

The director is responsible for preparing the Director's Report and the financial statements in accordance with applicable law and regulation.

Under that law, the director has elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law, the director must not approve the financial statements unless she is satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the director is required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The director is responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the company and enable her to ensure that the financial statements comply with the Companies Act 2006. The director is also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

NOTES TO THE ABRIDGED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2022

1. ACCOUNTING POLICIES

General information

Sandy Tyson Trading Limited (Company Number: 07890809) is a private company limited by shares and incorporated in England and Wales. Its registered office is 1-7 Park Road, Caterham, Surrey CR3 5TB.

The abridged financial statements have been prepared in accordance with FRS 102 Section 1A - The Financial Reporting Standard applicable in the UK and Republic of Ireland and the Companies Act 2006, including the provisions permitting an abridged profit and loss account and balance sheet to be prepared.

Going concern

The company is dependent on continuing finance being made available by its shareholder. Continuing finance is required both to enable the company to meet its liabilities as they fall due and to continue operating without immediate realisation of all its assets.

The director believes that continuing finance will be available and that it is therefore appropriate to prepare the financial statements on a going concern basis. However, should continuing finance not be available, the going concern basis would be invalid and adjustments would have to be made to reduce the value of assets to their realisable amount, to provide for any further liabilities which might arise and to reclassify fixed assets as current assets.

2. EMPLOYEES

The average number of persons employed by the company (including directors) during the year was 1 (2021: 1).
