REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 MARCH 2021

EXTRACT OF TRUSTEES/DIRECTORS REPORT

The trustees who are also directors of The Truell Conservation Foundation (the "charity") for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31 March 2021. The trustees have adopted the provisions of the statement of Recommended Practice (SORP) 'Accounting and Reporting by Charities' issued in January 2015 (FRS 102).

STRATEGIC REPORT

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is controlled by its governing document, Articles of Association and constitutes a private company, limited by guarantee, as defined by the Companies Act 2006.

Risk management

The trustees have a duty to identify and review the risks to which the charity is exposed and to ensure appropriate controls are in place to provide reasonable assurance against fraud or error.

OBJECTIVES AND ACTIVITIES

Objectives and aims

The Truell Conservations Foundation was founded in 2011 as the successor to The Truell Charitable Foundation. The trustees shared the ambition to create a charitable endowment which benefits conservation and the protection of the environment.

The objects of the charity allow the trustees absolute discretion to further such purposes as they deem fit as long as they are exclusively charitable. In addition to conservation and the protection of the environment the trustees have a strategy of supporting the families of the armed forces and people that are, for whatever reason, in need.

The charity's objects are set out in the Articles of Association.

ACHIEVEMENTS AND PERFORMANCE

Charitable activities

The Charity's activities are undertaken for the purpose of the public benefit and are exclusively charitable. The trustees, when exercising their powers in consideration of donation proposals give due regard to the charity commissions public benefit guidance. Investment activity undertaken by the Charity is in alignment with the Charity's purpose and seeks to support environmental and social projects that will enhance the charitable endowment and continue to support exclusively charitable purposes.

The charity received £1,329,966 of donations during the year and investment income of £777,083. The Trustees invest donations received with the intention to support businesses within their key objectives, while generating returns that may be used to further its charitable objectives. In making those #NetPositive investments, the Trustees consider environmental and social impacts in line with the purpose of the charity. During the year, these investments have included environmental projects to support the provision of clean energy and the reduction of CO2 emissions, social projects to safeguard pensioners benefits and projects to advance cutting-edge medical technology and healthcare provision.

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 MARCH 2021

Over £7.2 million was invested in the year, further details of which are set out as follows:

- Atlantic SuperConnection (ASC);
 - o ASC aims to address the shortage of renewable energy within the UK market through the manufacture and installation of a subsea high voltage cable connecting Iceland to the UK
 - o This cable will bring zero carbon electricity generated from hydro and geothermal sources in Iceland to the UK resulting in 1.4 million tonnes of CO2 emissions reduction from the GB power sector annually
 - o Enough green renewable power for up to 1.8 million homes
 - o Job Creation of c.700 UK jobs in the first instance increasing to c.2,000 over 5 years
- ViroCell Biologics (ViroCell);
 - o Manufactures viral vectors and gene modified cells to support clinical trials of much needed therapies so that disease can recede, and medical progress can prevail
 - Tackling the global viral vector supply demand imbalance impeding the development of breakthrough cell and gene therapies
 - Has partnered with Great Ormond Street Hospital to accelerate the transition of discovery science into the clinic
 - o Viral vectors play a key role in the development of new drugs that ultimately deliver better outcomes for people
- Health Destinations (HD);
 - A medically-focused health destinations group aiming to become a leading European operator in healthcare hospitality and technology.
 - o The development of Val d'Hérens (Swiss Canton of Valais), into a sustainable world-class Alpine health destination, building a medical rehabilitation Centre of excellence
 - o A public health facility for a catchment area of 6,000 local residents.
- Pension SuperFund (PSF);
 - o PSF's ambition is to transform the pensions market for the mutual benefit of perhaps 1 million people by offering a safe and affordable way for British businesses to keep their pension promises to employees.
 - As well as offering a solution to businesses that may be struggling to keep their pension promises PSF
 offers increased pension security giving members confidence that their pension payments are safe.
 - o PSF is committed to the Climate Group's #NetPositive ESG policies

As well as these #NetPositive investments, the charity donated approximately £54,600 of funds in the period to conservation projects, organisations supporting combat veterans, charities providing medical support and the provision of educational bursaries.

FINANCIAL REVIEW

Reserves policy

The total reserves for the charity as at the 31st March 2021 are £28,991,128, and there are no restricted funds as at the 31st March 2021.

The trustees regularly review the reserves of the charity to meet its financial commitments and its objectives. They consider that the charity had sufficient reserves to operate for the next 12 months and the foreseeable future.

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 MARCH 2021

Future development

The trustees intend to continue to run the charitable company for the benefit of the same principal beneficiaries and intend to maximise the investment profits available to the charity to achieve its aims. The trustees (who are also the directors of The Truell Conservation Foundation for the purposes of company law) are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

EVENTS SINCE THE END OF THE YEAR

Information relating to events since the end of the year is given in the notes to the financial statements.

STATEMENT OF TRUSTEES' RESPONSIBILITIES

The trustees (who are also the directors of The Truell Conservation Foundation for the purposes of company law) are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In so far as the trustees are aware:

- there is no relevant audit information of which the charitable company's auditors are unaware; and
- the trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditors are aware of that information.

AUDITORS

The auditors, CBHC Limited, will be proposed for re-appointment at the forthcoming Annual General Meeting.

Report of the trustees, incorporating a strategic report, approved by order of the board of trustees, as the company directors, on 22 December 2021 and signed on the board's behalf by:

J C Loveless - Trustee

REPORT OF THE INDEPENDENT AUDITORS TO THE TRUSTEES OF THE TRUELL CONSERVATION FOUNDATION

Opinion

We have audited the financial statements of The Truell Conservation Foundation (the 'charitable company') for the year ended 31 March 2021 which comprise the Statement of Financial Activities, the Balance Sheet, the Cash Flow Statement and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31 March 2021 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charitable company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

Other information

The trustees are responsible for the other information. The other information comprises the information included in the Annual Report, other than the financial statements and our Report of the Independent Auditors thereon.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Charities (Accounts and Reports) Regulations 2011 requires us to report to you if, in our opinion:

- the information given in the Report of the Trustees is inconsistent in any material respect with the financial statements; or
- the charitable company has not kept adequate accounting records; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

REPORT OF THE INDEPENDENT AUDITORS TO THE TRUSTEES OF THE TRUELL CONSERVATION FOUNDATION

Responsibilities of trustees

As explained more fully in the Statement of Trustees' Responsibilities, the trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

Our responsibilities for the audit of the financial statements

We have been appointed as auditors under Section 144 of the Charities Act 2011 and report in accordance with the Act and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue a Report of the Independent Auditors that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

The entity is required to follow the employment legislation and laws, along with health and safety regulations. The entity has sufficient policies and procedures in place to ensure that these are complied with.

Based on the results of our risk assessment we designed our audit procedures to identify non-compliance with such laws and regulations above.

We made enquiries of those charged with compliance to determine any issues arising. We corroborated our findings by reviewing Board Minutes, correspondence with Companies House and reviewing any necessary legal documentation. Nothing was noted that contradicted the explanations given to us. Financial Statement disclosures were tested for completeness.

We assessed the risks of material misstatement in respect of fraud as being low due to the nature of the business. We made enquires relating to fraud with the company's management.

We considered the risk of fraud through management override and, in response, we incorporated testing of manual journals throughout the year and reviewed any unusual transactions throughout our audit.

Because of the inherent limitations of an audit, there is a risk that we will not detect all irregularities, including those leading to a material misstatement in the financial statements or non-compliance with regulation. This risk increases the more that compliance with a law or regulation is removed from the events and transactions reflected in the financial statements, as we will be less likely to become aware of instances of non-compliance. The risk is also greater regarding irregularities occurring due to fraud rather than error, as fraud involves intentional concealment, forgery, collusion, omission or misrepresentation.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our Report of the Independent Auditors. We obtained an understanding of the legal and regulatory frameworks that are applicable to the entity through discussion with the company's management.

The charitable company is a public benefit entity under FRS 102 and must comply with the reporting framework of the Charities SORP (FRS 102) and the Companies Act 2006.

REPORT OF THE INDEPENDENT AUDITORS TO THE TRUSTEES OF THE TRUELL CONSERVATION FOUNDATION

Use of our report

This report is made solely to the charitable company's trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. Our audit work has been undertaken so that we might state to the charitable company's trustees those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and the charitable company's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

The charitable company is entitled to exemption from audit under Section 477 of the Companies Act 2006 for the year ended 31 March 2021.

These financial statements have been audited under the requirements of Section 145 of the Charities Act 2011.

The trustees acknowledge their responsibilities for

- (a) ensuring that the charitable company keeps accounting records that comply with Sections 386 and 387 of the Companies Act 2006 and
- (b) preparing financial statements which give a true and fair view of the state of affairs of the charitable company as at the end of each financial year and of its surplus or deficit for each financial year in accordance with the requirements of Sections 394 and 395 and which otherwise comply with the requirements of the Companies Act 2006 relating to financial statements, so far as applicable to the charitable company.

BALANCE SHEET - continued 31 MARCH 2021

The financial statements were approved by the Board of Trustees and authorised for issue on 22 December 2021and were signed on its behalf by:

J C Loveless - Trustee

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2021

1. STATUTORY INFORMATION

The Truell Conservation Foundation is a charitable company, limited by guarantee without share capital use of 'Limited' exemption, registered in England and Wales. The registered number and registered office address can be found on the Trustees' report.

2. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charitable company, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006. The financial statements have been prepared under the historical cost convention, with the exception of investments which are included at market value.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Improvements to property

- 15% on cost

Fixtures and fittings

- 15% on cost

Taxation

The charity is exempt from corporation tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

Going concern

The financial statements have been prepared under the going concern basis which is considered appropriate given the charities positive balance sheet and total funds.

Investments

Investments are stated at market value at the balance sheet date. The statement of financial activities includes the net gains and losses arising on revaluations and disposals throughout the year.
