1. INTRODUCTION

On 18 June 2013, Vincent John Green and Mark Newman of Crowe U.K. LLP were appointed Joint Liquidators of Affinitus Renewable Energy Limited ("the Company").

This Progress Report summarises the progress of the Liquidation for the period from 18 June 2019 to 17 June 2020 ("the Reporting Period").

Statutory information relating to the Company is attached at Appendix I.

2. ADMINISTRATION AND PLANNING

The Joint Liquidators are required to meet a considerable number of statutory and regulatory obligations. Whilst many of these tasks do not have a direct benefit in enhancing realisations for the insolvent estate, they assist in the efficient and compliant progression of the administration of the case, which ensures that work is carried out to high professional standards. A detailed list of these tasks can be found at **Appendix II**.

Reporting

The Joint Liquidators have met their statutory and regulatory duties to report to creditors, as listed below. In consideration of the need for transparency and engagement with creditors, care has been taken to ensure that reports and other communications with creditors have provided useful details of the strategies pursued and the outcomes anticipated.

During the Reporting Period, the following key documents have been issued:

The progress report for the period 18 June 2018 to 17 June 2019;

Other administrative tasks

During the Reporting Period, the following material tasks in this category were carried out:

- Filing statutory documents at Companies House and meeting statutory advertising requirements;
- Conducting periodic case reviews to ensure that the Liquidation is progressing efficiently, effectively and in line with statutory requirements;
- Maintaining case files, including documenting decisions made by the Joint Liquidators that materially affect the Liquidation

3. ENQUIRIES AND INVESTIGATIONS

During the Reporting Period, the Joint Liquidators carried out an initial review of the Company's affairs in the period prior to appointment. This included seeking information and explanations from the director(s) by means of questionnaires; making enquiries of the Company's accountants; reviewing information received from creditors; and collecting and examining the Company's bank statements, accounts and other records.

The directors provided the books and records and a completed questionnaire as well as a Statement of Affairs.

The information obtained from this process enabled the Joint Liquidators to meet their statutory duty to submit a confidential report on the conduct of the directors (past and present) to the Insolvency Service.

This work was also carried out with the objective of making an initial assessment of whether there were any matters that may lead to any recoveries for the benefit of creditors. This would typically include any potential claims which may be brought against parties either connected to or who have had past dealings with the Company.

This initial assessment revealed matters that the Joint Liquidators considered merited further investigation. As previously reported, the sum of £50,737.63 was payable to the Company by Affinitus Group Limited ("AGL") in respect of an inter-company loan. Demand for repayment was made and in response AGL stated that the Company is a creditor of AGL but provided no evidence of this counterclaim.

Griffin Law LLP ("Griffin"), being a firm of solicitors, was instructed to recover the balance of the loan account. Griffin has been in correspondence with AGL in regard to the Company's claim and payment of this loan is continued to be pursued. Counsel's opinion was also obtained in respect of recoverability of the loan. Whilst the opinion confirmed that the Company had a case against AGL, it was not deemed sufficiently strong enough to pursue an action in the Court, further the Company was at risk of a costs order being made against it, which further contributed to the decision of the Joint Liquidators not to pursue this asset further.

Legal fees have been paid to Griffin in the amount of £2,120 in respect of their costs and the costs of obtaining counsel's opinion.

4. REALISATION OF ASSETS

The Joint Liquidators' Receipts and Payments account is attached at Appendix III.

Detailed below is key information about asset realisations and the Joint Liquidators' strategy, however, more details about the work undertaken can be found at **Appendix II**. The Joint Liquidators formulated and worked through a realisation strategy that sought to maximise realisations net of costs. The financial benefit of those efforts is described further below.

No assets have been realised in the reporting period.

5. CREDITORS

Irrespective of whether sufficient realisations are achieved to pay a dividend to creditors, the Joint Liquidators have had to carry out key tasks which are detailed at **Appendix II**. The following sections explain the anticipated outcomes to creditors and any distributions paid.

Secured Creditors

The Company has not granted any charges over its assets.

Preferential_Creditors

No preferential creditor liabilities are recorded on the director's Statement of Affairs and no such claims have been received.

Unsecured Creditors

The directors' Statement of Affairs listed 43 unsecured creditors including H M Revenue & Customs ("HMRC") with an estimated total liability of £106,720.23. The Joint Liquidators have received claims from 25 unsecured creditors totalling £161,601.21 to date. This sum includes claims amounting to

£67,855.86 from 4 creditors not included on the directors' Statement of Affairs, including a counterclaim from a debtor of the Company for incomplete works in the sum of £67,688.04.

Dividend Prospects

The Company has not granted a floating charge to any creditor after 15 September 2003 and consequently the prescribed part provisions do not apply.

Given the level of asset realisations, and the costs of the Liquidation, it is unlikely that there will be sufficient funds to enable a dividend to be paid to any class of creditors.

6. FEES AND EXPENSES

Pre-Appointment Costs

The creditors authorised the fee of £5,000 for assisting the directors with placing the Company in Liquidation and with preparing the Statement of Affairs on 18 June 2013.

The fee was paid from first realisations on appointment and is shown in the enclosed receipts and payments account.

The Joint Liquidators' Fees

It is the firm's practice to ensure that work is conducted by the appropriate staff member at the appropriate level of experience. Junior members of staff deal with the day to day administration on cases and a manager and partner then oversees the work undertaken. Where the issues are complex and litigious, the work will be closely supervised or undertaken by a manager or partner.

At the initial meeting of creditors held on 18 June 2013, the following resolution was passed in relation to the Joint Liquidators' on-going fees:

"That the Joint Liquidators' remuneration be fixed by reference to the time properly given by the Joint Liquidators and their staff in attending to matters arising in the winding up, and that the Joint Liquidators may draw remuneration on account from time to time."

The actual time costs in the Reporting Period total £2,242.50, representing 11.90 hours at an average hourly rate of £188.45. The sum of £3,835.35 has been drawn on account of time costs incurred in the Reporting Period. The total time costs to date amount to £53,739.45 representing 308.08 hours at an average hourly rate of £174.43.

A schedule of the Joint Liquidators' time costs incurred for the Reporting Period and a schedule of total time costs to 17 June 2020 are attached as **Appendix IV**.

8. EU REGULATIONS (WHETHER PROCEEDINGS ARE MAIN PROCEEDINGS OR TERRITORIAL)

The Company's centre of main interest was in the UK as its registered office address and trading address was located in the UK. Therefore, it is considered that the EU Regulations apply. These proceedings are main proceedings as defined in the EU Regulation.

9. CONCLUSION

The administration of the Liquidation will continue in order to finalise the following outstanding matters that are preventing the case from being closed:

- Making a VAT reclaim on the final costs of the liquidation
- Circulating the Joint Liquidators' final account

The Joint Liquidators anticipate that the Liquidation will remain open for a further 3 months to enable these matters to be dealt with.
