**OBJECTIVES AND ACTIVITIES**

**Significant activities**

The charity carries out a wide range of activities in pursuance of its charitable aims. The trustees consider that these activities, summarised below, provide benefit to both those who directly engage with them and the wider communities.

**Monitoring & Inspecting**

The Trustees believe that due to the vast number of issues that exist in the supply chain of Halal foods as well as the non Halal food sector an extensive Inspection and Monitoring system is paramount to be able to bring an effective solution to members of the community. This solution will then allow the Charities objectives to be fulfilled by education the community on the ethics of Halal and its importance and the HMC solution. There have been many offences for example, where butchers have been fined for selling lamb when it was beef, a firm ordered to pay a fine of £144,000 for falsely claiming ingredients to be halal and Aldi mislabelling food as halal but it contained pork.

As a result the Trustees have adopted a unique monitoring system whereby trained auditors oversee the end to end process where Halal foods are being processed instilling confidence into purchases that consumers make. HMC has adopted a complete traceable system whereby HMC Certified products can be tracked back to their origination ensuring that the purchase of Halal foods is clear and in benefit for the consumer.

HMC (UK) spends an average of 16,000 hours each month inspecting 95 production sites in the presence of trained HMC inspectors who ensure that the HMC Halal standard is adhered to and as a result of adherence each product is applied with a unique serialised label which is traceable back to its origination.

HMC (UK) also independently monitors over 960 retail stores from butchers, restaurants, takeaways, caterers and visits each of these stores a minimum of 4 times a week on a random basis ensuring that these stores are only selling HMC Certified products. This equates to an average of 4000 hours of time spent inspecting to ensure compliance. Each visit is recorded onto the "HMCapp" giving the management team real-time information as to the outcome of each audit. HMC has made 187,000 visits to 950 retail stores over the course of the year.

HMC (UK) currently monitors 75 schools where both the parents and children can have the confidence in knowing that the school meal is monitored and has been prepared with the utmost due care.

**Educational Seminars**

The purpose of each educational seminar that HMC (UK) organises is to deliver the message of the importance of eating Halal Foods and the work that HMC (UK) does to ensure that all Muslims are given an assured Halal product that has been vetted at all parts of the supply chain. Attendees are also educated on how they can tell the difference between HMC Certified products and non-certified products thus the Muslims and Wider Communities are able to make an informed choice when making a purchase.

**Events that have been held by HMC (UK)**

**OBJECTIVES AND ACTIVITIES**

**Significant activities**

**Leaflet Distribution**

Leaflets explaining the Importance of eating Halal have been distributed periodically to throughout the year via the following methods;

- o Door to door
- o Outside local mosques
- o Outside community centres
- o Left inside community centres
- o Distributed outside at events that HMC has taken part in

Leaflets Explaining the HMC process of "Qurbani" which is carried out during the sacrificial season of Eid. HMC had a leaflet that was produced which outlined on the guidance of Qurbani as well as how HMC was going to monitor and inspect during this period. From our research it is evident that much of the sacrifice is carried out at the un-prescribed times making the whole process void.

As a result of the HMC process the community benefit in knowing that the complete end is monitored and inspected ensuring that process is valid.

Birmingham Trading Standard in 2016 also visited retail stores in Birmingham and validated their findings via the HMC Certification mark.

**Guest on Radio Shows**

Members of the HMC team have been invited on to a number of radio programs to discuss the ethics of Halal and to give a synopsis on the production process. A member of HMC has been invited on to the following radio stations to give an insight into Halal where members of the community could pose questions for them to gain a better understanding of Halal and to answer any questions.

**LBC**

BBC Radio Leicester

BBC Radio 4

BBC Radio 5

BBC Nottingham

BBC Oxford

BBC Asian Network

**Visiting Businesses and educating them on the Halal Standard**

HMC (UK) receives a number of enquiries from businesses who want to know the requirements when processing Halal foods and as a result a trained personnel would talk through the Halal process and if requested make a visit and make recommendation.

**STRATEGIC REPORT**

**Financial review**

*Investment policy and objectives*

The charity has no long term investments. Due to the current financial situation of the trust, the trustees acknowledge that the trust is not in a position at this time to invest capital in long term investment opportunities. Cash reserves are held in deposit accounts. The trustees are researching investment opportunities to support their reserves policy and future sustainability.

*Reserves policy*

The trustees would like to see the trust in a position whereby it would have sufficient reserves to cover the running costs of all trust projects for a period of 12 months. Unfortunately with the current economic downturn, and hence reduction in donations - the current financial position has not permitted the trust to build cash reserves to achieve this objective. However, the trustees remain committed to achieving this policy in the coming year(s).

**STRATEGIC REPORT**

**Financial and risk management objectives and policies**

The trustees maintain strict financial and internal controls on behalf of the trust. The trust has recently employed a bookkeeper to ensure that all financial transactions are duly recorded and processed in accordance with the financial procedures policy of the trust.

**STRUCTURE, GOVERNANCE AND MANAGEMENT**

**Governing document**

The charity is controlled by its governing document, a deed of trust, and constitutes a limited company, limited by guarantee, as defined by the Companies Act 2006.

HMC (UK) is governed by its memorandum and articles of association which outlines the framework and standards that the charity must work to and adopt in terms of decision making as well as internal policies that have been created to bring transparency to way the charity operates.

**Recruitment and appointment of new trustees**

Should the charity be looking for a new Trustee then the potential candidate is nominated by existing members. The potential candidate is interviewed and appointed to bring value to the core management team ensuring that their skills and knowledge can benefit the charity. All trustees are volunteers who dedicate their time and skills to benefit HMC (UK).

**Organisational structure**

The charity is managed by a board of trustees who are responsible for the general control and management of the charity. All of the trustees are volunteers and hence give their time freely and receive no remuneration or other financial benefits for their role as trustees.

The Board of Trustees have formal meetings every 10 weeks (approximately) to review the on-going activities of the charity. However, arrangements are in place for trustees to be able to formally discuss and consider issues more frequently as the need arises (eg, via telephone conference). In order to monitor the outcome and progress of certain projects, individual trustees may visit project locations and attend project events during the year.

**Induction and training of new trustees**

All new trustees are inducted into the organisation via training program that covers operational, strategic, decision making and future plans which gives the new member an insight into the work of HMC (UK). Being a field based Charity new members are taken into the field to attain a better understanding of all the operational processes which shows the HMC processes in motion so that a clear picture can be attained for all strategic decision making.

#### STATEMENT OF TRUSTEES RESPONSIBILITIES

The trustees (who are also the directors of HMC (UK) for the purposes of company law) are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In so far as the trustees are aware:

- there is no relevant audit information of which the charitable company's auditors are unaware; and
- the trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditors are aware of that information.

#### AUDITORS

The auditors, Shareef & Co, will be proposed for re-appointment at the forthcoming Annual General Meeting.

Report of the trustees, incorporating a strategic report, approved by order of the board of trustees, as the company directors, on 30 December 2019 and signed on the board's behalf by:

Mr Umar Sheikh - Trustee

## **REPORT OF THE INDEPENDENT AUDITORS TO THE TRUSTEES OF HMC (UK)**

---

### **Opinion**

We have audited the financial statements of HMC (UK) (the 'charitable company') for the year ended 31 March 2019 which comprise the Statement of Financial Activities, the Balance Sheet, the Cash Flow Statement and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31 March 2019 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

### **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors responsibilities for the audit of the financial statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **Conclusions relating to going concern**

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the trustees' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the trustees have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the charitable company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

### **Other information**

The trustees are responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our Report of the Independent Auditors thereon.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### **Matters on which we are required to report by exception**

We have nothing to report in respect of the following matters where the Charities Act 2011 requires us to report to you if, in our opinion:

- the information given in the Report of the Trustees is inconsistent in any material respect with the financial statements; or
- the charitable company has not kept adequate accounting records; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

## REPORT OF THE INDEPENDENT AUDITORS TO THE TRUSTEES OF HMC (UK)

---

### **Responsibilities of trustees**

As explained more fully in the Statement of Trustees Responsibilities, the trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

### **Our responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue a Report of the Independent Auditors that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our Report of the Independent Auditors.

### **Use of our report**

This report is made solely to the charitable company's trustees, as a body, in accordance with Section 144 of the Charities Act 2011 and regulations made under Section 154 of that Act. Our audit work has been undertaken so that we might state to the charitable company's trustees those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and the charitable company's trustees as a body, for our audit work, for this report, or for the opinions we have formed.
