- 4 1 2 Subject to the provisions of Article 5 1, the profits of the Company which the Company may so resolve to distribute shall be distributed amongst the holders of Ordinary Shares *pari passu* (as if they constituted one class of share) in proportion to the amounts paid up or credited as paid up in relation to the nominal value only of the Ordinary Shares held by them respectively
- 4 1 3 No dividend shall be payable (unless an Investor Majority consents in writing (such consent not to be unreasonably withheld or delayed)) unless on the proposed payment date all amounts of capital and interest on the Loans which have by then become due and payable have been paid in full
- 4 1 4 Notwithstanding the foregoing, in order to comply with the VCT Legislation and the EIS Legislation, no single company which is a holder of Ordinary Shares (or either class) shall (together with any Connected person) be entitled to receive, if the whole of the income of the Company were in fact distributed among its participators (without regard to any rights which any holder has as a loan creditor or by reason of that holder's possession of, or entitlement to acquire relevant fixed-rate preference shares), more than 50% of the amount so distributed. For these purposes the expressions "participator" and "loan creditor" shall bear the meanings respectively given to them by Section 253 of the Tax Act and the expression "relevant fixed rate preference shares" shall bear the meaning given by Chapter 4, Part 6 of the Tax Act
- 4 1 5 Model Articles 30 to 34 (inclusive) shall be subject to this Article 4 1
- 4 2 **Capital**
- 4 2 1 On a return of assets on a liquidation or capital reduction or similar, the assets of the Company remaining after the payment of its liabilities and after providing for the amount payable to the Deferred Shareholders pursuant to Article 5 1 3 shall be distributed amongst the holders of Ordinary Shares *pari passu* (as if they constituted one class of share) in proportion to the amounts paid up or credited as paid up in relation to the nominal value only of the Ordinary Shares held by them respectively,
- 4 2 2 Subject to the provisions of Article 4 2 3, the proceeds of any Sale of the Company shall be distributed amongst the holders of the Ordinary Shares and of the Deferred Shares in the same priority as set out in Article 4 2 1 as if the proceeds of such Sale represented all of the assets of the Company available for distribution to the holders. For the avoidance of doubt, in the event of a Sale, this Article 4 2 2 shall apply notwithstanding anything to the contrary in the terms of such Sale, whether in the agreement for Sale or otherwise

- 4 2 3 If
- 4 2 3 1 the effect of the application of Article 4 2 2 is to give the Investors who at the relevant date hold "A" Ordinary Shares an amount equal to or greater than the "A" Ordinary Share Specified Total Return and also to give the Investors who at the relevant date hold "B" Ordinary Shares an amount equal to or greater than the "B" Ordinary Share Specified Total Return, or
- 4 2 3 2 the Investors who hold one class of Ordinary Shares have already achieved the Specified Total Return which relates to the class in question and the effect of the application of Article 4 2 2 is to give the Investors who at the relevant date hold Ordinary Shares of the other class an amount equal to or greater than the Specified Total Return which relates to that class
- any proceeds of the Sale in excess of the amount necessary to give each of the Investors a Total Return of an amount equal to or greater than the Specified Total Return which relates to the class of Ordinary Shares which they hold shall be distributed between the Investors and the Deferred Shareholders (in proportion to the amounts paid up or credited as paid up in relation to the nominal value only of such shares held by them respectively) in the Specified Proportions
- 4 2 4 If
- 4 2 4 1 the effect of the application of Article 4 2 2 is to give the Investors who at the relevant date hold "A" Ordinary Shares the "A" Ordinary Share Specified Total Return or to give the Investors who at the relevant date hold "B" Ordinary Shares the "B" Ordinary Share Specified Total Return (but not both), or
- 4 2 4 2 the Investors who hold one class of Ordinary Shares have already achieved the Specified Total Return which relates to the class in question ("the First Class") but the application of Article 4 2 2 will not give the Investors who at the relevant date hold Ordinary Shares of the other class the Specified Total Return which relates to that class
- any proceeds of the Sale which would otherwise have been distributed to the holders of the shares of the First Class which are in excess of the amount necessary to give the holders of shares of the First Class (between them) an aggregate Total Return of greater than the Specified Total Return for that class shall be distributed between the Investors and the Deferred Shareholders (in proportion to the amounts paid up or credited as paid up in relation to the nominal value only of such shares held by them respectively, but subject to the provisions of the final paragraph of Article 4 2 6) in the Specified Proportions
- 4 2 5 If, however, the Offeror becomes a Lightsource Associate at any time within the period of 3 years after the application of Article 4 2 3 or Article 4 2 4 (or if it is subsequently discovered that the Offeror was a Lightsource Associate at that time), then the Deferred Shareholders (whose obligations in this shall be joint and several) shall account to the Investors for any proceeds which they have received but which they would not have received were it not for the application of the foregoing Article 4 2 3 or (as the case may be) Article 4 2 4
- 4 2 6 For the purposes of Article 4 2 3 and Article 4 2 4, "Specified Proportions" shall mean, as between the Deferred Shareholders and the Investors, the respective proportions to be calculated by reference to the following provisions of this Article 4 2 6
- 4 2 6 1 if the Investors holding "B" Ordinary Shares have achieved a Total Return on or before the third anniversary of the Effective Date of at least £1 2048 and (in addition) the Investors holding "A" Ordinary Shares have achieved a Total Return on or before the fifth anniversary of the Effective Date of at least £1 4875, the percentage attributable to the Investors (which shall be distributed between them pari passu (as if the Ordinary Shares constituted one class of share)) in proportion to the amounts paid up or credited as paid up in relation to the nominal value only of the Ordinary Shares held by them respectively) shall be 20% and the percentage attributable to the holders of the Deferred Shares shall be 80% (which shall be distributed between such holders on a like basis),

- 4 2 6 2 if the Investors holding "B" Ordinary Shares have achieved a Total Return on or before the third anniversary of the Effective Date which exceeds the "B" Ordinary Share Specified Total Return but is less than £1 2048 or the Investors holding "A" Ordinary Shares have achieved a Total Return on or before the fifth anniversary of the Effective Date which exceeds the "A" Ordinary Share Specified Total Return but is less than £1 4875, the percentage attributable to the holders of the Deferred Shares shall be determined by reference to the following formula (and the balance shall then be attributable to the Investors (and shall be distributed between them on the basis set out in Article 4 2 4 but subject to the provisions of the final paragraph of this Article 4 2 6)),

$$X = A \times 80\%$$

Where

X = the percentage attributable to the holders of the Deferred Shares

$$A = Y + Z \text{ and}$$

Y = ((the Total Return to the holders of the "A" Ordinary Shares - 1 39)/0 0975) multiplied by the percentage of the issued Ordinary Shares held between such holders

Z = ((the Total Return to the holders of the "B" Ordinary Shares - 1 164)/0 0408) multiplied by the percentage of the issued Ordinary Shares held between such holders

For the avoidance of doubt, in the above formula, "Y" shall be £nil if the Total Return to the holders of the "A" Ordinary Shares is less than £1 39 and "Z" shall be £nil if the Total Return to the holders of the "B" Ordinary Shares is less than £1 164

For the purpose of applying the provisions of this Article 4 2 6, the Total Return shall be rounded up or (as the case may be) down to the two nearest decimal places

As between the Ordinary Shareholders, the proportion of such excess proceeds which is attributable to the holders of Ordinary Shares of each class shall be reduced so that any such excess proceeds which become attributable to the holders of the Deferred Shares as a result of the Investors holding "B" Ordinary Shares having achieved a Total Return which exceeds the "B" Ordinary Share Specified Total Return as above shall operate to reduce the proportion of such excess proceeds to which the "B" Ordinary Shareholders are entitled and similarly if the Investors holding "A" Ordinary Shares have achieved a Total Return which exceeds the "A" Ordinary Share Specified Total Return

- 4 2 7 If, and to the extent that, at the date of a Sale, the Company has profits available for distribution but remaining undistributed and such profits are not distributed to the members but the amount thereof may otherwise reasonably be regarded as being reflected in the proceeds of the Sale, then the proceeds of the Sale shall be deemed to be reduced by the amount in question for the purposes of the application of Articles 4 2 2, 4 2 3 and 4 2 4, and the whole of the amount in question shall be distributed between the Investors

- 4 2 8 Notwithstanding any of the foregoing, in order to comply with the VCT Legislation and the EIS Legislation, no single company which is a holder of Ordinary Shares (of either class) shall (together with any Connected person) be entitled (otherwise than by reason of that holder's possession of, or entitlement to acquire relevant fixed-rate preference shares) on a return of assets on a liquidation or capital reduction or otherwise to receive more than 50% of the capital available for payment to all members For those purposes the expression "relevant fixed-rate preference shares" shall bear the meaning given by Chapter 4, Part 6 of the Tax Act

4 3 Voting

Subject to the special rights or restrictions as to voting attached to any shares

- 4 3 1 on a show of hands every holder of Ordinary Shares who (being an individual) is present in person or (being a corporation) is present by a representative shall have one vote,
- 4 3 2 on a poll every Ordinary Shareholder who is present in person or by a proxy or (being a corporation) by a representative shall have one vote for every Ordinary Share of which he is the holder, and
- 4 3 3 notwithstanding the foregoing, in order to comply with the VCT Legislation and the EIS Legislation, no single company which is a holder of Ordinary Shares shall (together with any Connected person) be entitled to exercise more than 50% of the voting rights attaching to the equity share capital of the Company

5 **DEFERRED SHARES**

- 5 1 The Deferred Shares shall
 - 5 1 1 in respect of each financial year of the Company, carry the right to receive a fixed preferential dividend from the revenue profits of the Company which are available for distribution and which the Directors determine to distribute by way of dividend in priority to any dividend payable on the Ordinary Shares at the rate of 1p per annum to be paid (in aggregate) amongst the holders of Deferred Shares as a class but confer no other right to a dividend,
 - 5 1 2 not confer any right to receive notice of, or to attend or vote at, general meetings, and
 - 5 1 3 on a winding up confer a preferential right to be paid out of the assets of the Company available for distribution an amount equal to 1p in aggregate for all of the Deferred Shares prior to the surplus being distributed to the holders of Ordinary Shares, but do not confer any right to participate in any surplus assets of the Company
- 5 2 The Company shall not be obliged to
 - 5 2 1 issue share certificates in respect of the Deferred Shares,
 - 5 2 2 give any prior notice to the holders of Deferred Shares that such shares are to be purchased in accordance with Article 5 4, or
 - 5 2 3 account to any holder of Deferred Shares for the purchase monies in respect of such shares
- 5 3 The Deferred Shares may not be transferred other than with the consent of an Investor Majority
- 5 4 If the Specified Total Return is not achieved on or prior to the fifth anniversary of the Effective Date, the Company shall be entitled at any time to purchase all of the Deferred Shares for an aggregate consideration of 1p and the Company shall do so if directed to do so by an Investor Majority For the purposes of this Article 5 4, the Directors may authorise any person to execute on behalf of and as agent for the holders of Deferred Shares an appropriate contract and may deliver it on their behalf

6 **ISSUE OF SHARES**

- 6 1 Subject to Articles 6 2, 6 3 and 6 4, any new shares shall before they are issued be offered to the Ordinary Shareholders in proportion to the number of Ordinary Shares (of either class) held by them

The offer shall be made by notice in writing and shall specify the number and class of shares offered and the price per share (which shall be the same price per share) and stating a time (not being less than thirty days or greater than forty-two days) within which the Offer, if not accepted, will be deemed to be declined After the expiration of such time, or on the receipt of an indication from the person to whom the offer is made that he declines to accept the shares offered or any of them, the Directors shall offer the shares declined in like manner to the Ordinary Shareholders who have agreed to subscribe for all

the shares offered to them. If the shares comprised in such further offers are declined or deemed to be declined the further offers shall be withdrawn.

6.2 The provisions of Article 6.1 may be disapplied in relation to any class of shares by special resolution (subject to Article 7.3.9).
