NOTES TO THE ABBREVIATED ACCOUNTS
for the Year Ended 31 March 2016

1. ACCOUNTING POLICIES

Accounting convention

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective January 2015).

Turnover

Turnover represents the fair value of services provided under contracts with clients to the extent that there is a right to consideration. It is measured at the fair value of the consideration due. Where a service is incomplete at the year end, turnover represents the value of the service provided to that date based on an appropriate proportion of the total expected consideration at completion.

Invoices are not raised until a specific stage in the contract is completed so the value of incomplete services is included as amounts recoverable on contracts in the balance sheet, when the situation arises.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

| | |
|-----------------------|---------------|
| Fixtures and fittings | - 10% on cost |
| Computer equipment | - 33% on cost |

Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.
