Chairman's Report **FOR THE YEAR ENDED 28 FEBRUARY 2022**

This year has been one of continuity and development for Befrienders Worldwide (BW). While the organisation remains wholly committed to its core principles, the world in which we are operating is changing very quickly, and BW is adapting to respond to that change.

In general terms, the pandemic has provided many challenges, not least in an increased dislocation of people, making more potentially vulnerable to mental health concerns. Many BW member organisations have reported an increase in demand for services. The pandemic also placed pressure on BW member organisations as physical centres were often forced to close during lock-down periods. This caused adaptation of service provision, much of which has led to positive development of digital provision of service. However, more negatively, many centres have reported a decrease in volunteer numbers for a number of reasons, many relating to the social effects of the pandemic. All members are seeking appropriate means to address volunteer recruitment and retention.

More specifically, BW has seen significant developments in the past year. After many years of dedicated and skilled service, Martin Taylor stepped down as Chair. Following a recruitment and interview process, I, Neil Hawkins was appointed as Chair. Several other new members were also invited to join the Board and Martin Taylor subsequently kindly agreed to re-join the Board as Treasurer. This revised Board has undertaken a review of BW's purpose, strategy, means of communication and services. This has led to a number of practical proposals that will be developed and delivered in the year ahead. These include a redefinition of the ethos of BW, the production of a logo and tagline, the commissioning of a new website, the dissemination of Samaritans UK e-learning to members and the exploration of the development of a community platform to link members together.

In terms of practical activities, perhaps most significant for BW has been the launch of the Befrienders for Seafarers service. Seafarers are a potentially highly vulnerable global community. They are often away from home for many months and can experience significant isolation and emotional distress. Befrienders for Seafarers seeks to offer support to those who may otherwise have nowhere to turn. The Befrienders for Seafarers service provides a helpline for seafarers experiencing emotional crisis at any time wherever they are in the world. BW is enormously grateful to its member organisations that have undertaken specialist training in needs of seafarers and who are providing this service:

The Samaritans China/Hong Kong
Samaritans South Coast (Massachusetts, USA)
In Touch Community Services (Philippines)
Samaritans in Spain
Befrienders Gibraltar

BW would like to recognise the support, in the form of a grant provided by the Seafarers' Charity, indicating their belief in BW to deliver this invaluable global service.

This new service complements our existing arrangements to provide a dedicated support to the employees of specific shipping companies.

BW was also extremely grateful to Befrienders Malaysia for hosting a three-day online Conference in September 2021. This was very well supported and received by BW members around the world.

Going forward and building on the progress made over the last year, BW will also seek to develop its digital presence and messaging in order to reach more of those who might be experiencing distress and to spread awareness around the world of the suicide prevention activities of BW and our member organisations. BW is also aiming to strengthen links with other global suicide prevention organisations.

Chairman's Report
FOR THE YEAR ENDED 28 FEBRUARY 2022

These activities and plans will over time require additional resources and the BW Board will be developing a new fund-raising strategy to support this.

Report of the Trustees
FOR THE YEAR ENDED 28 FEBRUARY 2022

The Board of Befrienders Worldwide (BW) submits its annual report and financial statements for the year ended 28 February 2022.

OBJECTIVES AND ACTIVITIES

Objectives and aims

To improve the emotional and mental health of people who are experiencing feelings of distress and despair and to reduce the incidences of suicide.

Significant activities

Specifically our activities include the encouragement worldwide of establishing and developing centres who specialise in our work; developing and providing education and training tools and services; identifying best practices and supporting and promoting the application of these practices by the centres; developing technological platforms for communication and improved service delivery by the centres; encouraging and promoting applicable research; establishing partnerships with other relationship organisations; and developing material for public awareness campaigns.

Benefit to individuals

The majority of our centres are available around the clock every day of the year to receive calls and other contracts from people who are in emotional distress and may be contemplating suicide. There is no charge for the service which is provided mainly by volunteers who receive specific ongoing training. Often our centres are the only lifeline (literally) for people in distress.

Public benefit

In shaping the activities for this financial year, the Trustees have considered the Charity Commission's guidance on public benefit. Both the charity and our centres are very active in their countries in both promoting awareness and addressing the stigma of mental health issues.

ACHIEVEMENT AND PERFORMANCE

Key projects/achievements

During the year, in addition to the activities described above, the charity continued developing its partnership with a shipping company in Asia to facilitate the provision of the emotional support services of our members to the seafaring community.

FINANCIAL REVIEW

Financial position

The charity received income of £23,095 (2021: £26,927) for project management activities which covered project management costs of £7,433 (2021: £12,285) with a resulting surplus of £10,810 (2021: £14,642).

The results of the charity for the year ended 28 February 2022 are set out in the attached financial statements. A surplus of £19,782 (2021: £9,048) was added to the general fund.

Report of the Trustees
FOR THE YEAR ENDED 28 FEBRUARY 2022

FINANCIAL REVIEW

Reserves policy

The charity's reserves at the year end were £82,459 (2021: £57,949). The Board of Trustees are of the opinion that reserves should be at least at a level to ensure the charity can run efficiently and meet the needs of the membership and sustain its development. It is Befrienders Worldwide's objective to maintain the accumulated reserves to cover its annual operating cost as a minimum.

A part of the unrestricted reserves are treated as designated funds and are set aside for specific purposes. Designated funds consist of the monies for the "Twinning Project" which encourages centres in different countries to work together and exchange best practice. In addition, cash and readily available funds are maintained at a level to at least meet all current liabilities at any given time.

Total unrestricted funds at the balance sheet date were £106,431 (2021: £86,649), split between general funds of £96,643 (2021: £76,861) and designated funds of £9,788 (2021: £9,788) held for the Twinning Project. A further £1,321 (2021: £1,321) was held in a restricted fund following a donation by Lifelink Samaritans for the specific purpose of funding membership subscriptions for Samaritans of Wellington Inc. over a 5 year period.

Going concern

Despite the ongoing Covid-19 pandemic, the Board confirms that it has a reasonable expectation that Befrienders Worldwide has adequate resources to continue in operational existence for the foreseeable future and has assets to fulfil all obligations. For this reason, it continues to adopt the going concern basis in preparing these financial statements.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

Befrienders Worldwide Limited is a body incorporated under the Companies Act 2006 as a company limited by guarantee and not having a share capital. The governing documents are the Memorandum and Articles of Association as approved by the members. It is also registered as a charity with the Charity Commission.

Recruitment and appointment of new trustees

Members of the Board of Trustees are elected for a term of three years, renewable on agreement of the Trustee and the Board. Vacancies for new trustees are identified by the Board taking into consideration the balance of skills required and to reflect the international, multicultural nature of the charity. Candidates are interviewed by a panel of the Board and the appointments are approved at a Board meeting. Upon appointment trustees are required to complete a register of interests and are given a Trustee Handbook that includes the Memorandum and Articles of Association. There is also a formal induction process, and trustees may undertake relevant training where appropriate.

All trustees are non-executive and work for Befrienders Worldwide in a voluntary capacity.

Organisational structure

Befrienders Worldwide is governed by a Board of Trustees, which comprises the Chair, Treasurer and a minimum of three other board members.

Decision making

The Board of Trustees is responsible for the overall governance and strategic direction of Befrienders Worldwide. They meet regularly during the year to consider, determine and review strategy and policy.

Notes to the Financial Statements **FOR THE YEAR ENDED 28 FEBRUARY 2022**

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charitable company, which is a public entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015)', the Charities Act 2011, Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

The presentation currency of the financial statements is Pound Sterling (£).

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Going Concern

In light of the Covid-19 outbreak, the trustees have assessed whether the use of the going concern basis is appropriate and have also considered possible other events or conditions that might cast significant doubt on the ability of the charity to continue as a going concern. The trustees have made this assessment for a period of at least one year from the date of the approval of these financial statements. The trustees have concluded that despite the significant economic impact of Covid-19, there is a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. The charity therefore continues to adopt the going concern basis in preparing its financial statements.

Legal Status

The charity is incorporated as a company limited by guarantee, incorporated in England and Wales, and is registered with the Charity Commission. The registered office address, company and charity registration numbers can be found in the Report of the Trustees. The members of the company have undertaken to contribute up to their guarantee of £1 each towards the liabilities of the company, in the event that it is wound up whilst they are, or within one year of being members.

Grants offered subject to conditions which have not been met at the year end date are noted as a commitment but not accrued as expenditure.

Intangible fixed assets

Intangible assets are initially measured at cost. After initial recognition, intangible assets are measured at cost less any accumulated amortisation and any accumulated impairment losses.
