NOTES TO THE ABBREVIATED ACCOUNTS FOR THE YEAR ENDED 31 MARCH 2014

1. ACCOUNTING POLICIES

1.1 Basis of preparation of financial statements

The full financial statements, from which these abbreviated accounts have been extracted, have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

1.2 Going concern

Accounting standards require the directors to consider the appropriateness of the going concern basis when preparing the financial statements. The directors confirm that they consider that the going concern basis remains appropriate. The directors have taken notice of the Financial Reporting Council guidance 'Going Concern and Liquidity Risk: Guidance for Directors of UK Companies 2009' which requires the reasons for this decision to be explained. The directors believe that the company has sufficient resources to continue in operational existence for the foreseeable future. The directors believe this to be the case as the company has the ongoing support of the parent company, Alto Prodotto Wind Limited. Thus they continue to adopt the going concern basis of accounting in preparing the annual financial statements.

1.3 Turnover

Turnover comprises revenue recognised by the company in respect of goods and services supplied during the year, exclusive of Value Added Tax and trade discounts.

1.4 Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost of fixed assets, less their estimated residual value, over their expected useful lives on the following bases:

Short term leasehold property	-	20 years straight line
Plant & machinery	-	20 years straight line

1.5 Foreign currencies

Monetary assets and liabilities denominated in foreign currencies are translated into sterling at rates of exchange ruling at the balance sheet date.

Transactions in foreign currencies are translated into sterling at the rate ruling on the date of the transaction.

Exchange gains and losses are recognised in the Profit and loss account.
